**top headlines**

- **Commencement upcoming**
The IU School of Medicine will graduate 379 doctors, scientists and researchers Saturday.

- **Vital Signs**
Vital Signs is a new blog that keeps the IU School of Medicine community up to date about research at the school.

- **Bowen passes**
Former Indiana Gov. Otis R. "Doc" Bowen, who died May 4, was an IU School of Medicine faculty member and alumnus.

**features of the week**

**story**

**Art at Glick**
Art created by 23 artists with Indiana ties is now on display at the Eugene and Marilyn Glick Eye Institute. New pieces have been added to the original 17 pieces of art that were donated or purchased during the public art project's initial round in 2011, held to coincide with the opening and dedication of the institute.

**editor's picks**

**Grants**

- **Collaborative grants**
Melissa Kacena is one of several IU School of Medicine faculty members to earn IU Collaborative Research Grants.

**Opportunities**

- **Spirit of Medicine**
Applications are open for a course focused on analyzing great works as they apply to the human spirit and medicine.

**News to Use**

- **Promotions and sabbaticals**
Information on how to submit faculty promotion recommendations and sabbatical leave requests is now online.

Kudos

HeartRhythm editorship
Douglas Zipes, founder and editor-in-chief of the journal of the Heart Rhythm Society, will be succeeded by Peng-Sheng Chen.

faculty & staff spotlight

Chemo care
Rudolph Navari has received $2.1 million to address chemotherapy-induced nausea and vomiting.

student spotlight

Tour the Life
Patrick Titzer writes about life as a nontraditional medical student on Tour the Life, a blogging project.

'Sound Medicine'
This week's show addresses the importance of good doctor/patient communication with the author of "When Doctors Don't Listen." Other topics include an interview with the founder of Timmy Global Health, lower malnutrition rates and an English charity service that delivers breast milk by bicycle.
