**top headlines**

**Spectacular images**
Votes are needed for two images from the IU Light Microscopy Imaging Center, both finalists in a national cell imaging competition.

**Autism screening**
A system developed by IUSM and Regenstrief Institute scientists can help pediatricians screen for autism risk in toddlers.

**Blocking the pain**
IU scientists have co-authored a new study in Science that uses grasshopper mouse neurons to advance pain research.

**editor’s picks**

**News to Use**

**For your information**
Find information on new opioid prescribing requirements, a student research award deadline and the Gift of Hope fundraiser.

**Opportunities**

**Director wanted**
IU is seeking an inaugural director for the new Center for Interprofessional Health Education and Practice.

**Grants**

**Faculty fellow**

**features of the week**

**story**

**A new hospital**

The Sidney & Lois Eskenazi Hospital and Eskenazi Health campus, which recently celebrated a grand opening, will complete the transition of all patients and services to its new facilities on Dec. 7. The health care system, located on 37 acres at the western end of the IUPUI campus, replaces the Wishard Memorial Hospital.

**podcast**
A faculty fellow is sought to support educator training under the school's American Medical Association grant.

Kudos

Scientific honor
Bernardino Ghetti has been named a fellow of the American Association for the Advancement of Science.

faculty & staff spotlight

Singing all the way
Neurologist and singer Brandy Matthews combines a love of music with a passion for clinical research and medicine.

student spotlight

Rural medicine
First-year medical student Jeremy Sherer is enrolled in the Rural Health Program at the IU School of Medicine-Terre Haute.

'Sound Medicine'
This week, "Sound Medicine" examines the circumstances of the 45 deaths that occurred at Memorial Medical Center in New Orleans after Hurricane Katrina with Sheri Fink, Pulitzer Prize-winning author of "Five Days at Memorial," and Eric Meslin, director of the Center for Bioethics at IU.
