‘Sound Medicine’
IUSM researchers earned more than $1.8 million in grants and awards, excluding commercial projects, in February.

**Kudos**

**New appointment**
Alexia Torke has been named associate director of the IU Center for Aging Research.

**faculty & staff spotlight**

**Health Care Heroes**
Several IU School of Medicine faculty members were recently honored as "Health Care Heroes."

**student spotlight**

**Supporting students**
IUSM-Evansville students received more than $230,000 in scholarships in a recent ceremony.

This week, "Sound Medicine" explores how nursing homes can improve the quality of life for residents by increasing personal contact. Other topics include hospitals discharging terminally ill patients, out-patient palliative care programs for children and consoling grieving parents.
