Hierauf Vertagung

Meeting of on January 19, 1918.

Present: Fr. Vonnegut, Lieber, Scherer, Pantzer, Rath, Geo. Vonnegut and Westing.

Dean Rath reported that Dorothy Smith from St. Louis will enter the Seminary as a special student at the beginning of the new semester.

Due to the fact that two teachers joined the Army, new instructors for Corrective Gymnastics and Emergencies need to be hired. Dr. Pantzer offered to find such teachers among the city doctors.

The History and Administration of the N. A. G. U. class was assigned to Steichmann.

Newsletters about the scholarships have been sent out to the national unions and district executive committees.

Following a discussion about the introduction of three- and four-year long courses, Rath was instructed to find out how many students are willing to participate in these.

Decided to have cards printed to let the students know at the beginning of the semester that the tuition is due.

The following invoices were sent on for payment:
