Vol. XXXIX

Indianapolis, Ind., Nov., 1956

No. 3

NORMAL COLLEGE HOMECOMING

It has been a long time since we had a Homecoming here. Put the dates November 22, 23, and 24 on your calendar, send an S.O.S. to your favorite schoolmates, save your pennies, get the old buggy in shape or buy a railroad ticket and get ready for the 1956 Homecoming. Rumor has it that New York alums are to descend upon us en masse. We hear, via the grapevine, that they are marshalling their forces, expect to engage a special coach and will be here to start the celebration on Thanksgiving Day. You can't afford to miss it! We have a bang up program ready for you.

Thursday evening—November 22
Informal get together in the Athenaeum
8:00-11:00 P.M. Square Dance, East Room

Friday—November 23
9:30-10:30 A.M. Session on cheer leading
Led by Margie LaRue Rhodes.
10:30-12:00 Noon. Participation session,
Folk Dancing, Gretel and Paul Dunsing.
12:15— Alumni Luncheon-East Room
Speaker, A. Hafez Ismail of Egypt
3:00-4:00 P.M.—Demonstration in the gym
N.C.A.G.U. Students.
9:00-12:00 P.M. Alumni Dance, Kellersaal
Ralph Lillard Orchestra.

Saturday—November 24
9:30-11:30 A.M. More folk dancing with
the Dunsings.

We are fortunate in having Mr. and Mrs. Paul Dunsing who are well known in folk dance circles. They teach at George Williams College in Chicago and have lead

innumerable work shops and clinics throughout our country. They conducted a session at the National Convention of the AAHPER in Chicago last spring. It was most enjoyable and profitable.

This summer the Dunsings spent three months in Austria, Germany and Switzerland. They returned with a lot of new material and much enthusiasm. They will have plenty of material to inspire us and to carry away. You will like it! Don't miss it.

Many of our High School teachers have complained that they are badly in need of help in training cheer leaders. Margie Rhodes has been very successful in this field and has graciously consented to lead such a session. She will give you ideas, answer questions and will conduct a question and answer period. She will demonstrate some fundamentals with some of the Normal College students who have had no back ground in cheer leading. If you have problems, bring them.

The speaker for the luncheon will be most interesting. Hafez Ismail is now working on his Doctor's degree at Indiana University and has been much in demand as a speaker. He has been an Olympic basketball, volleyball and fencing member. He will compare physical education in his own country to ours. This will be both educational and entertaining.

At the business meeting the decision is to be made about the 1958 Homecoming. Come prepared to cast your vote in favor of another Brosius Homecoming in August or, if opposed, be ready to carry the torch for a November Homecoming in Indianapolis. But do come!!

STAFF NEWS
by Puella Larsons

The Hesters have moved again! After 22 years in one spot they have made two moves in three years. Their new address is 5205 Bevedere Drive. Come up and see them some time. (Kindly make note of change of address. No delay in Xmas card delivery is desired!)

Fred Martin has been honored. He has been elected Treasurer of the Indiana Association for Health, Physical Education and Recreation. Physical Education and Health teachers in the state are having to part with their dues in order to keep Fred off their backs. Business is rushing.

Mr. Rinsch is building a house. At present he is buried under plumbing supplies stone, slump brick, roofing, plaster, etc. You may not hear from him until he digs his way out.

Lola Lohse keeps busy. Between teaching, going to school to prepare for her doctor's degree, doing field work in the state, editing two Bulletins (ours and the Indiana HPER Newsletter), serving on many committees, keeping house for a husband and two children, she doesn't have much time to get into mischief or to read her favorite mystery stories.

Fred Martin took a group of sophomores to Fort Wayne to give a lecture-demonstration before the Northeast State Teachers Association on October 25.

Clara Hester has been selected to represent the Indiana Section of the American Camping Association at a national workshop of the A.C.A. at Bradford Woods, Martinsville, Ind., the new national Headquarters of the A.C.A. The workshop was held October 22, 23 and 24, immediately following the dedication of the new building.

Here is big news! At last, after 30 years, the upstairs office is actually to have a GREEN CARPET. Now we can really do a good job of calling the students on the "green carpet". Our old rug, a relic (and I mean relic) from our last dorm on Delaware Street finally gave up the ghost

and the purchasing department of I.U. graciously consented to the purchase of a lovely new twisted frieze. Peek in during Homecoming! Sit in the new Bank of England chairs, but---wipe your feet before entering!

SCHOOL NEWS

To begin the 1956-57 school year, on Sunday, September 30, the Hesters held an open house to honor the new freshmen. The staff, the sophomores and visiting parents were on deck to extend a welcome to the newcomers. Everyone came all dressed up in his best bib and tucker.

On Sunday, October 7, a picnic was held at Broad Ripple Park again honoring the freshmen. This time it was the usual informal, play football, roast wiener occasion. The juniors and seniors from Bloomington turned up with only a very few exceptions. Needless to say after expending boundless energy playing football, playing softball and riding on the merry-go-round, all were famished. The hot dogs, beans, potato salad, apples, cake and cokes disappeared in true Normal College style. Who has greater appetites than Normal College students? We would like to say that a few of our heavy eaters are slipping. We had a package of wieners and buns left! What are these young people coming to?

Now that everyone is duly welcomed, we have settled down to work. The freshmen are no longer guests, they belong to the family and will be treated as such.

RECORDS FALL

Norms for a Motor Ability Test have been revised since our Juniors enrolled on campus. Jean Koontz broke the record for the agility run, Sophie Lessing threw the basketball so far that she had to be taken out doors and Marilyn Murphy also broke a record in a strength test.

These girls are to be congratulated on this accomplishment. As their former basketball coach, your Editor was not in the least bit surprised at their record breaking performance.

was married to Kurby E. Lyle in Deerfield,
Illinois.

CONGRATULATIONS TO THE PARENTS OF

Carol Jean, daughter of Charles and Jean
(Gresoski) Jecmen, who was born July 9 in
St. Louis.

Deborah Lynn, daughter of Richard and
Virginia (Atwood) Moore, who was born March
5th.

Joetta Miriam, daughter of David and
Beatrice Miller, who was born January 12th.
Judy Diane, daughter of Herb and Wilma
(Horvath) Van Derbeck, who was born August
31st.

Bradley Wayne, son of Charles and Pauline
(Wessel) Sallwasser, who was born April 25
in Cincinnati.

David Paul, son of Paul and Jane (Splete)
Voisard who was born on April 27.
Susan Lynn, daughter of Ed and Kiki
(Eubank) Fedosky who was born on April 12.
Kay Elizabeth, daughter of Mr. and Mrs.
Donald Kreutzer, who was born on Mar. 30.
Anne Elizabeth, daughter of Bill and Mary
(Norwich) Baltz, who was adopted a short
time ago.

WITH SINCERE SYMPATHY

Our sincere sympathy is extended to
the family of Arthur Werder who was killed
in an automobile accident August 24. He
was Vice President of the Barcol Overdoors
of St. Louis.

We regret to announce that one of our
seniors, Joseph R. Singer, died on July 16
as a result of an automobile accident
which had occurred the day before. Our
sincere sympathy is extended to his family.

William A. Horschke of Chicago died
in July as the result of a heart attack
in Spooner, Wisconsin. Mr. Horschke was
a teacher at Lane Tech High School. Our
sincere sympathy is extended to his family.

CONGRATULATIONS TO THE NEWLY WEDS

On September 1, 1956 Hilda Wagner
was married to Theodore J. Mysliwiec
in Parma, Ohio.

PEG STOCKER REPORTS

Mrs. Cecelia Witczak Samul and Mrs. Ann Messore Lufkin have returned to teaching at Kensington High School after maternity leave of absence.

Ray and Renilda Kittlaus Glunz took an extended automobile trip to Banff, Lake Louise, the Great Teutons, and parts to the North and West.

Ray Ping and wife Betty, with their oldest son and prospective daughter-in-law flew to Florida to visit Ray's mother, and to do some fishing. Ray took a flying trip to Cuba on business for Sports Service.

Vera Ulbricht of St. Louis made her yearly visit to Buffalo and Syracuse.

Sophia Hofman spent most of the summer in Europe. The liner on which she returned collided with a barge in the St. Lawrence River, near Montreal. No one was injured.

Greeting cards were received from Evelyn Giffin from Italy and from Lelia Gunther from Bermuda.

Resignation from the Buffalo School Department from C. Harold Braun has been received. He is now residing in Florida.

Hubert Lee and Helen Woelfle worked for seven weeks during the summer assembling material for a new Buffalo Curriculum Guide for Grades 1-6, in Physical Education and Health and Safety. Previously during the winter, many of our Normal College graduates, working in six different sections of the city, wrote the first drafts of the curriculum. Congratulations are in order for Huber and Helen for a fine job done.

It should be interesting to all graduates still in the physical education field to know that the following announcement has just been made from our State Physical Education Association: Dr. Jay B. Nash, nationally known leader in Health Physical Education and Recreation, lecturer and administrator has accepted the position of Executive Secretary of the New York State Association for Health, Physical Education and Recreation, with offices at 105 E. 22nd St., New York City. Dr. Nash began his duties on September 1, 1956.

At the recent national convention of the American Turners in Louisville, Ky., George Jacquin was elected 2nd. V. President of the American Turners, Harry Grabner was retained as Regional Councillor of Region III, and Henry Schroeder was elected Chairman of Health and Physical Education with these graduates elected to his committee-- Joe Weissmueller, Harry Warnken, Henry Schiget and Bill Klier.

Mrs. Margery W. Stocker was re-elected National President of the Women's Auxiliary to the American Turners.

Congratulations are in order to Joe Weissmueller for the wonderful circus which he presented on Monday evening of convention. We hope that Joe has fully recovered from his seige of exhaustion following the show. Keys to the City of Louisville were presented during a luncheon meeting to Joe, as well as Peg Stocker. They haven't had opportunity to find out just what door they will open, however.

Jacque Jacquin has returned from his military duty in Japan, and brought his bride with him.

CORKY RUEDLINGER REPORTS

David Martin has returned from service and is now teaching at #33.

Ray Zimlich has just been elected President of the Restaurant Association. Connie is now teaching at Butler University.

Both Frank and Loretta (Thompson) Feigl are teaching in the Indianapolis Public Schools now.

Joanne Guenter has been transferred to Howe High School in the Girls P.E. department. Betty Lind has moved to California and Mary Torrence Wilson is now working in the elementary grades.

On October 2 and 3, Peggy Hope attended the Indiana Association of Secondary School Principals' meeting at Turkey Run where she spoke to the group. The meeting was planned to pin point major curriculum problems. Peggy represented the State HPER Association as an officer of the Central District.

Henry Lohse has been appointed principal of the Lowell School in the Marion County School System.

HENRY SCHROEDER REPORTS

Henry Schroeder from New York reports about a trip he made this summer to Germany where he visited many Turner societies and schools of physical education. The German turners boast of a membership of two and one-half million turners, and they are busy planning and preparing for the National Turnfest in Munich in August 1958. Turner Schroeder is planning a tour to this Festival with the American Turners as spectators and competitors in this magnificent Turner spectacle which will last one week.

Henry also visited the famous "Turnmeyer, Hagen in Westfalen Apparatus Factory" and brought with him to this country a number of items of equipment which he has found it difficult to obtain in this country. While visiting his boyhood home in Osnabruck, he was made an honorary member of the Osnabruck Turn Verein at a celebration especially planned for this occasion.

At the American Turners National Convention held in late August in Louisville, Ky., he was re-elected Chairman of the National Health and Physical Education Committee. He also states that Ed Groth of the Louisville Turners was elected as the new President of the American Turners. Henry Schroeder ends his report by saying that the Circus put on by Joe Weismueller for the benefit of the delegates at the Convention was the best he has seen in the United States.

HAZEL ORR REPORTS

These members of the Physical Education Department retired last June: Clarence Abrams, William Bishoff and Maud Suter.

Maud Suter spent all the summer in California.

Elsa Kramer spent her summer in Texas.

I was elected National President of Phi Delta Pi last March. I spent six weeks in Taxco Mexico in my own little casa.

RUDY MEMMEL REPORTS

Three Normalites-Maud Suter, William Bischoff, Clarence Abrams-having served a total of 118 years in the Physical Education Department of the Cincinnati Public Schools decided to "hang up their gym shoes" at the close of school this past June. We wish them many years of happiness in the years ahead as they pursue their particular interests and hobbies.

The Al Islers were blessed with the arrival of a baby girl during the month of July. Al was transferred and is now teaching physical education and science at Eastwood Elementary School in Cincinnati.

Betty Lou Roth was appointed to the Cincinnati Public Schools and assigned to teach health and physical education at the Mt. Washington School. We now have a father-daughter combination as her dad, Lou Roth, is holding forth at the Bloom Junior High School where he has been teaching for a number of years.

Norm Schulte spent the summer at Camp Fairwood, Bellaire, Michigan in charge of the athletic program. Norm is chairman of the Physical Education Section of the Southwestern Ohio Teachers Association.

Bill Streit spent his usual summer at camp in Minnesota and says, "This is the finest, most relaxing summer I have ever spent."

Charlie Sallwasser served as head counselor and program director at a girls camp, Four-Way Lodge on Torch lake in Michigan. Charlie was recently elected Vice-President of the Cincinnati Alumni Chapter of Phi Epsilon Kappa.

Louis A. Roth spent his 14th summer at Camp Fairwood watching over the work of one of his fellow teachers, Norman Schulte, as this is Lou's eighth year as head counselor.

Earl Vornheder, Frank Phillips and Rudy Memmel spent their usual summer at the Phillips swimming pool in Cincinnati. Bob Ploetz also helped occasionally on Sundays, but he spent most of the summer painting.

GEORGE HEESCHEN REPORTS

Otto Eckl Jr. is again at Cleveland East Side Turners. He has all the Junior and Adult classes, and is looking forward to a good year.

Hilda Wagner is now Mrs. Mysliewic. Shw was married September first with Sophie Lessing and Terry Laba as bridesmaids.

Albina Macyauskas Walsh is eagerly awaiting the arrival of her baby very soon.

My son Dick is now teaching at Fairmont Elementary School in Lockport, Ill. By strange coincidence (?) Terry Laba is also teaching there.

Dick was best man at his brother, Jerry's, wedding at Crown Point, Indiana on September 30. Jerry, incidentally, is now working on his thesis for a Ph.D. in physical chemistry at Illinois U.

My entire family had a very enjoyable get-together with the Louis Roths at Bloomington when Betty Lou and Dick graduated last June.

WALLY EBERHARDT REPORTS

August H. Plag retired in 1954 after 40 years of combined coaching and athletic directorship at Soldan High School in St. Louis. August had a total of over 30 district state and interscholastic championships in basketball, track, tennis and gymnastics during his tenure with the St. Louis school system. This is a good record in any one's league.

Fred A. Plag is the newly elected Phi E. K. alumni president. The St. Louis Chapter had slipped to a low ebb several years ago but under the guidance of Fred it has again reached its original position of years ago.

* * *

Ed Straub reports that he is happy with his new job in Clarksville, Ind. He had the fun of equipping a brand new gym.

LEO DOERING REPORTS

F. P. Jacobi has retired from the Davenport Schools having put all his years at Sudlow Junior High School. His Summer Camp on Lake Vermillion in Minn. was a very successful season with 45 enrolled. His spare time work now is selling Real Estate.

Katherine McElroy has retired from the Moline Schools. Her work was with the girls in the High School. Kate has been resting and enjoying life at her home in Moline.

Herbert Klier was again manager of the Moline Swimming Pool for the summer season with one of the best seasons in its long history.

William Klier with the Moline Turners has over 400 enrolled in his classes. This is the Turners 80th year and big events are in the offing.

Helen Abrahamson was again the director of the Chorus and dance groups for the Quad-Cities Summer Operetta season.

Besides his regular work as Tool Engineer, Leo has been on program committees of the American Society of Tool Engineers, Chapter 21. His spare time is well taken care of for his is Vice-Pres. and program chairman of the Tri-City Bird Club.

Leo's father, a shoemaker speacializing in deformed feet, died last year and since that time Leo has been keeping the shop open on weekends to help his old customers. Beside giving service to a large number, he has so far built 4 pairs of shoes and braces. This means starting from scratch and making the shoes complete. (Editor's note: We agree with Cyrilla when she said that it is no wonder that Leo never gets fat--he does so much!)

LUCILLE SPILLMAN REPORTS

Agnes (Jimmie) Pilger has been permitted to return to her counselling job at West Junior High in Alton, Illinois.

Martha Hehrlein Belzer and her husband spent September and October in Hawaii.

BOBBIE LARSEN REPORTS

Min Wasserman spent her summer on their farm, in Wis. She and her husband spent several weeks in Quebec, during September.

Caroline Wasserman and friends drove through the New England States and up to Montreal and Quebec. They took the Saguenay River trip too.

Charlotte Herringer Newman went to Hawaii. Later she and her husband drove home from California.

Polly Giffin joined a group and toured Europe. She had a most enjoyable time.

So glad to report that Helen Schmitz Pritzlaff has recovered from a broken arm. The accident occurred last spring.

Mike Valentine worked at the South Shore Country Club beach. He has the gym team at Lane and they are doing a lot of work on the trampoline.

Bill Schafer was at summer school working on his masters degree.

Charlie Siebert was a camp counselor at a camp in Wisconsin.

Carl and Rosalie Barnicol spent part of their summer at a camp at McHenry, Ill. Then they drove out to Washington and Oregon.

Emil Rothe Jr. is so busy as an assistant principal that the gym boys don't get to see much of him anymore.

As for myself, I attended Chicago Teachers College this summer. I finished the summer by moving into my own home. Now I have joined the army of time-table addicts. It's worth it!

FROM OUR INTERESTING MAIL DEPARTMENT

* * *

A note from Vera Ulbricht tells us that Marie Clark of Syracuse enjoyed seeing old friends in St. Louis this summer while she was the house guest of Martha Hehrlein Belzer. She followed this with a flying trip to California.

From Ensign Ralph Hasch--

It has been a long time since I have been in contact with anyone from good old Normal College so I thought I had better sit down and drop a few lines to let you know I am still around.

Everything has been just fine with me and right now I am half way through the program. I really enjoy flying but it does get binding every once in a while. There is no let up and you keep jumping from the frying pan into the fire. Right now I am waiting to go up on my solo hop in the T-28. They have about 250 planes here at Corry field but only about half are available for flying so all I do is sit and wait.

The weather down here is very nice, but it does get very warm at times. Last week in the cockpit at sea level it was 130 degrees. But when you go up to about 15,000 it cools off a bit.

I hope you had a very enjoyable summer and I bet you are looking forward to the opening of school. (Ha Ha). I sure wish I was going back to school or teaching.

Well, that's about all for now. I have to go check and see if I have a hop. Till later,

Ralph
Pensacola, Fla.

* * *

C. Lester Webber of Fort Wayne has been elected to the national board of directors of the United States Junior Chamber of Commerce. In his post as national director, Webber will serve as a liaison officer between the state and national organizations. An active member of the Fort Wayne Junior Chamber for some time, Les has been Home Show chairman, program vice president, executive vice president, and a state director. He served 8 years on the local board. He is business manager of the Fort Wayne Civic Theater. Congratulations, Les.

* * *

* * *

A note from Helen Abrahamson brings us up to date with her activities. She did the choreography and directed the dancing and chorus actions for "Brigadoon" in June and then travelled to Northern Minnesota where she bought a cabin. She says it is a small one but has many possibilities for adding to it. She caught a 11½ lb., 36 inch Northern Pike. The rest of the summer was taken with care for her mother who died on August 28th. Our deepest sympathy, Abie.

* * *

A letter from Shirley Obermiller Wohlstatter tells us that she and Jack and son, David, are now settled in St. Louis where Jack is teaching at the North St. Louis Turners. He plans to begin work on his Master's at Washington University. After Shirley took a trip to the hospital for surgery, they visited with her family in Judy. They tried to see Fred and Georgia Fredrichsen but they were in Iowa City. Fred worked on playgrounds this summer and this fall he was to begin teaching in Davenport. Shirley closed by saying they looked forward to seeing all their friends at Homecoming.

* * *

Bill Tiernan will finish his law degree at Indiana University in February. He has been serving as Assistant Freshman Football coach and as a Counselor for the Athletic Department.

* * *

John Davis has been appointed Athletic Director and Head Football Coach at the Joliet Township High School. He plans to be married on Nov. 10 to Dorothy Cassidy.

* * *

Joan Moore is now a senior at the U. of Buffalo where she plans to continue with graduate work. She teaches swimming two nights a week in the Adult Education Program conducted by the Buffalo Schools under the direction of Ray Glunz.

From Dick Heeschen--

Hi,--I figured that it was about time that I wrote. By now I imagine things are starting to settle down at Normal.

Both Terry and I started school here on September 4th and have been kept good and busy ever since. The school is about 750 strong-1st through 8th grades. Terry has one gym and I the other. Scheduling was quite a problem and still has a few kinks in it. We'll give you the set up at Homecoming and Mrs. Hester can use it for a problem in her Methods class. We both have boys and girls in the first and second grades. From the third grade up the boys come to me and the girls go to Terry.

Facilities are excellent and the Administration is 100% behind a Physical Education program. Which helps!

Please say hello to all the students for us. We'll be seeing them at Homecoming. See you then. Sincerely,
Richard Heeschen.

* * *

Wm. F. Hofer of Maplewood N.J. writes to Ray Zimlich.

Greetings from New Jersey. May I say the Alumni Bulletin means a lot to me since in later years I very seldom meet an N.C.A.G.U. man.

Some years ago we had a fine group which we called the Turnlehr schaft, composed of P.E. teachers from N.Y. and N.J., mostly Turn Verein teachers and those of us who really looked upon P.E. as a sort of religion. The old timers passed on and the younger folks seemed to lack the interest to meet as a group.

Having seen physical education pass through its phases, it sort of makes me feel sick at heart. A good old time Turn fest with its beautiful drills and apparatus work would be a tonic to me.

Sincerely,
Wm. F. Hofer

* * *

Melvin Oppiger has been appointed assistant principal of the Blackberry Lane Elementary school in St. Louis. In addition to teaching physical education in the Flynn Park elementary school, Mel has served as chief recreation supervisor for University City for over 7 years.

* * *

To be serious and blithe withal was his way, a most commendable pattern of living.

Kate R. Steichmann

Dr. Sputh was a good friend and a fine teacher.

Ernest H. Seibert

One of the best teachers I ever had.

Charles L. Siebert

I have tried in a small way to exemplify Dr. Sputh in both physical education and medicine as he did in dealing with students and patients, and as I remember his excellent teaching qualities and warm human friendship to everyone.

Dr. and Mrs. Herman Schmitt

We are pleased with this opportunity to pay tribute to our friend of many years—Dr. Carl Sputh.

Mr. and Mrs. Gunther Hunkel
Carl was one of my best friends, a leader in the field of physical education and our National Turner Life. He was the backbone for our Normal College. He inspired many of us to do better. At several National Turnfests I had the pleasure to work with him as a Member of the National Technical Committee. His memory is very dear to me.

Henry W. Kumpf

Happy to be able to help with this worthy endeavor. Hope the fund will be able to do as much for all as did Dr. Sputh for those who knew him even a little.

Nate Goldberg

The above are some of the comments taken from notes included with donations to the Sputh Memorial Fund.

WE REQUEST

We are anxious to obtain copies of Emil Rath's books which have been out of print for some time. Dr. Karl Bookwalter is seeking copies for his library. If you have any of these books and would like to donate them, we will be most grateful to you. The books are the familiar slim green volumes which you used in school here. They are entitled Theory and Practice of Physical Education. Volume I is on Gymnastic Dancing, Volume II—Open Order Work and Volume III—Apparatus, Track and Field Work for Girls and Women.

If you have these books and are no longer using them, send them to us and we will take good care of them in our library. Dr. Bookwalter feels that they belong in a complete physical education library and will appreciate any copies he may receive. Thanks so much.

PLEASE NOTE

Your attention is called to the article Living Memorials Instead of Flowers by Howard Whitman which appeared in the Oct. issue of The Reader's Digest. It is particularly appropriate in the light of the Sputh Memorial Scholarship Fund. The author says, "Scholarships which honor the memory of departed relatives and friends bring threefold benefits: they form a lasting tribute to those who have passed away; they give aid to our straightened colleges; and they extend a helping hand to youth."

He further states, "The movement toward honoring the dead and serving the living through scholarships nicely combines the need for sentiment and practicality. For these are scholarships for remembrance, in which those who have gone before assist the perennial blooming of youth."

CARL B. SPUTH MEMORIAL SCHOLARSHIP

Last spring a memorial scholarship was set up in memory of Dr. Carl B. Sputh in recognition of his many years of service to our school and students. Because this action came so late in the season we feel that many alumni, who wish to contribute, may have let it slip their minds. It is not too late. No contribution is too small. So send yours on now. Make checks payable to the Carl B. Sputh Memorial Scholarship Fund.

At present we have received \$650.00. This of course has limited our action and as yet we cannot go ahead to make definite plans. This is what has been done up to date. The Scholarship Committee, which has administered the High School Scholarships, began the negotiations. This committee consisted of Fred Martin, Clara Hester and Ray Zimlich. After Dr. Sputh's death, Ray was asked to take his place on the H.S. Scholarship Committee. As a representative of the Normal College Alumni we felt him a logical successor. When the Sputh fund was set up the Scholarship Committee felt the need of another representative. So Mr. George Heighway, executive secretary of the I.U. Foundation and business manager of Camp Brosius, was asked to serve. He has had a wide experience in handling funds and setting up scholarships. He knows our school through his experiences at camp, he knew Dr. Sputh personally and with his know-how, he seemed a perfect member of the Committee. He is a graduate of I.U. with a degree in law. He can help us and advise us from every angle.

We had hoped to award the first scholarship this fall but decided it was too soon since the fund has not reached the size we ultimately expect. Donations have been received from alumni groups, fraternity groups, individual alumni, Athenaeum members and staff, I.U. officers, members of Dr. Sputh's family and guests of Hotel Camp Brosius.

Will you do your part to make this most worthwhile memorial a success?

Buffalo, N.Y. has appointed a treasurer. Bill Naab is collecting donations from the alumni there. Why not follow their lead in other cities? Some fine young men or women will benefit from these scholarships because Dr. Sputh gave unselfishly of his time and energy and you gave to keep his memory alive.

The following donations have been received from:

Athenaeum Turners Employees
Athenaeum Turners Women's Auxiliary
Athenaeum Turners Women's Aux. Board
Boettcher, Esther Plischke
Bruckman, Mr. and Mrs. George
Cincinnati Chapter Phi Epsilon Kappa
Cincinnati Health and Physical Education Association
Dean, Mr. and Mrs. John
Erdman, Mr. and Mrs. Jack
Franklin, Mr. and Mrs. J. A.
Gilson, William
Goldberg, Nathan
Hartmetz, Mrs. Elizabeth B.
Hassmer, Joseph
Heighway, Mr. and Mrs. George
Hester, Mr. and Mrs. C.L.
Hunkel, Mr. and Mrs. Gunther H.
Jacobs, Mr. and Mrs. E.G.
Klafs, Mr. and Mrs. Ernest
Kroeschell, Mr. and Mrs. Paul F.
Kumpf, Henry W.
Lohse, Mr. and Mrs. Henry
Lund, Anne C.
Martin, Mr. and Mrs. Fred O.

The following note was received from
Mrs. Carl B. Sputh.

Dear Friends:

Please realize how deeply all of those wonderful tributes to Dr. Sputh have moved me. I know how intense his partisanship was for the school, and at times, how he brushed aside his own well being to carry out a designated project.

The Carl B. Sputh Memorial Fund will be a lasting tribute to his memory.

In behalf of my family let me express our grateful thanks. We are overwhelmed with the testimony of your esteem.

Sincerely,
Elsa Sputh

From Nelson G. Lehsten, National President
Phi Epsilon Kappa Fraternity

The recent death of Dr. Carl B. Sputh has taken from our ranks one of the outstanding men of Phi Epsilon Kappa Fraternity. As the National President for many years he was instrumental in the excellent growth of the organization across the nation. His years of service as the President of the Normal College of the American Gymnastic Union were a tribute to his intense interest in physical education and the preparation of teachers. Those who knew him as a teacher were impressed by his striking appearance and sincerity of purpose in sharing his knowledge and experience gleaned from many years of teaching and the practice of medicine. In the passing of "Doc" Sputh, the profession of health and physical education has lost a fine leader, but his dedication to Phi Epsilon Kappa will long remain as an outstanding tribute to him as a man. . . . his service will be recorded as an outstanding example of professional brotherhood.

I (We) would like to make a donation to the Carl B. Sputh Memorial Scholarship Fund.

REMARKS: _____

Health and Safety, Senior High Schools,
 Curriculum Bulletin 233, Cincinnati Public Schools, 1956, 241 pp., Limited copies \$2.50.

This course of study is an attempt to produce a unique course of study centered around pupil interest and aimed at producing concrete results in the form of good health attitudes and practices as an integral part of the pupil's daily living.

Content of the course: For grade 10—personal hygiene, driver education, physical education, physical growth and development, social and emotional growth, nutrition, social hygiene, use of drugs, cosmetics and health appliances, and

school and community health resources. For grade 12—first aid, family health and home nursing, mental hygiene, marriage and family living, recreation and body mechanics, and driver training, which is optional.

This attractive, spiral bound book, is illustrated with student photographs. W.K. Streit, Director of Health and Hygiene of the Cincinnati Public Schools, was general chairman of the health and safety curriculum committee. Other committee chairmen were Ray Wirth, Mildred Keiffer and Mrs. Robert Alexander. Consultants included: Dr. Arthur Steinhause, Dr. Fred V. Hein, Dr. Wesley Cushman, Paul Bechtel and Paul Landis.
