

## SCHOOL NAME CHANGED

At the September meeting of the Indiana University Board of Trustees the name of our school was officially changed to the School of Physical Education of IUPUI. For the next five years, on all official documents and stationery, the words "formerly the Normal College A.G.U." will appear under the new name.

This change brings our school in line with all other schools on our campus and will help identify our mission to the general public as well as to other components of the University.

It might be well to indicate some of the reasons for the name change. As you know, the term Normal College or Normal School was appropriate in the last century when teacher training was done in a two year period or less and did not culminate in the awarding of a degree. Since the name Normal College meant only teacher training without reference to subject matter, the general public has not been able to identify the mission of the school.

In the Preliminary Report of the IUPUI Goals and Objectives Committee, April, 1973, there were two recommendations concerning this matter. Number 15 states, "The Committee recommends that the term "School" be used rather than the term "College" for each unit determining its own curriculum and defining its own degree." Number 9 says, "The Committee recommends that the Normal College of the A.G.U. be designated the School of Physical Education." The change of our name now satisfies these recommendations.

We realize that the alumni will always consider us as the Normal College, but officially we are now the School of Physical Education. Everything remains the same except the name!

## CAMPUS NEWS

### Karen Teegarden

It is a pleasure to welcome into our "Family Circle" one of our alums, Karen E. Teegarden, who was appointed instructor this fall. Karen is a native of Indiana. She attended Normal College and graduated from I.U. in 1964 and received her M.S. degree in 1971.

She has an excellent background in the profession. She taught one year at the YWCA in Atlanta, Ga., and at Zionsville elementary, junior and senior high schools from 1966 to 1970.

Karen and her husband Mikel are the proud parents of two boys, Mikel age eight and Tom age three.

At this writing the Master Painter has sprinkled a myriad of colors over the campus that cannot be duplicated. It's a sight to behold. Five feathered friends, three domestic ducks and two wild ones, have made the campus their permanent home. Their swimming maneuvers and friendliness are their way of expressing thanks to the students who feed them daily and enjoy their antics.

Grunts and groans will be emanating from the gym when the wrestling class gets underway next semester.

An instant replay camera with the latest innovations was purchased recently. This will be of tremendous help in facilitating the learning of skills and teaching techniques.

Our campus recently expanded by four acres when WALTER LIENERT purchased the adjoining property just south of the main building.

The parking area has been increased considerably and plans are underway to have it black-topped.

## IUPUI METROS

Coach Dickison is anticipating a fine season with the addition of several excellent players. The schedule includes Xavier of Cincinnati, Ferris State of Michigan, Southern Illinois at Edwardsville and Miami at Middletown. IUPUI was recently accepted as an associate member of the NCAA.

## College Camp

How can I describe "June Camp"? Well, let me say that it was something that I had been looking forward to for quite some time. A vacation, at last!

From the first glimpse of the State of Wisconsin, dairy farms, lakes--I knew it had to be great!

When we had the opening campfire and the Legend of Elkhart Lake explained, all of us felt a little closer to the camping experience. Speaking of experiences--those a.m. bells!

Would you believe 33 degrees and we were smiling. I guess my face had frozen during the night. Night time had to be funny. I went to sleep with p.j.'s, track warm-ups, ski sweater, winter jacket, sleeping bag and blanket, and I was still cold. It seemed like we had just gone to bed and were warm and those bells rang out. Oh, was I a server or runner today, I cannot remember!

Who wants a ride in a boat? Swimming test first, in that 40 degree water. What! Needless to say, rowboats got a workout--no business for the canoes.

Hillbilly nite proved a success with the McBrosius Clan taking honors from the Ma and Pa Cassell Clan.

Talent Night really brought out features that I think were never displayed before. Marina Gross, Best Actress for her scene from "Fiddler on the Roof"; George "Doc" Patrick and his Blues Singers; Terri Dailey and Wendy Orcutt, most talented.

Challenge Campfire was a huge success with Janel Denny winning the Lady Arm Wrestler's trophy.

The school children's choir with their famous "Twelve Days of School" recording proved hilarious.

Kim Fink and her "Funky Children", Dave Weimer "red-necked who?", and Steve "Moby" Stoddard; and of course, Kitchen Magician Mike Gillin. He had to make our meals just a little bit better. Chris Horn, Elvis himself.

No one will ever forget those memorable trips to town. If the hills didn't get you on the way in, then they really got you on the way home!

Dean Lohse made a comment at the start of camp--"You'll learn to use all your resources and then some." Well, I believe our camp did just that. Everyone learned just a little bit more about himself and his friends and hopefully a lot about being a "Camper". The counselors and the faculty couldn't have done a finer job.

Would you believe that two better cooks couldn't have been found anywhere? They were fantastic.

Banquet night brought some tears knowing that everyone would be leaving. I had left four children at home and adopted 49 new ones at Camp.

*EDITOR'S NOTE: Cathy Cassell and Don Silas were chosen best campers of the year at Brosius and their names are now suitably inscribed on a plaque in the Dean's office.*

## Scholarship Recipients

The Dr. Carl B. Sputh Scholarship was awarded this past May to the following four outstanding students: Cynthia Williams, Linda Ludlow, Merle Safford and Elizabeth Mascari, all of them from Indiana. Denis Ward was named alternate.

These students were given this scholarship on the basis of their scholastic record, their potential in the field, their service to the school, and their fine character and personality traits.

We know they will continue their fine work and be worthy of the honor bestowed upon them.

## FACULTY

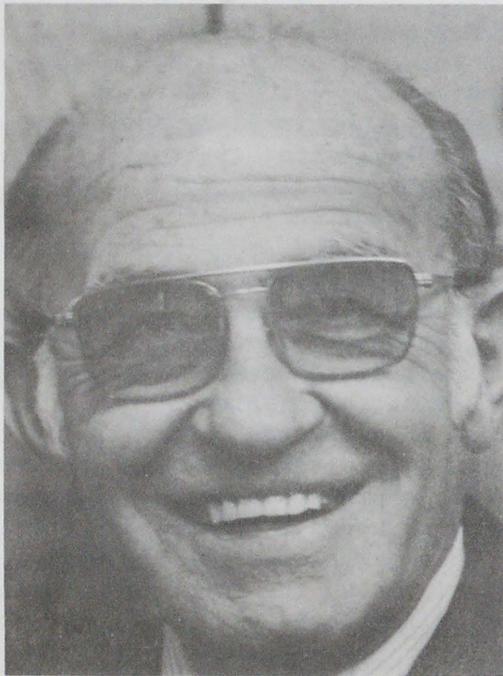

CLARA L. HESTER was in the hospital for a number of days in September. Glad to report that she passed all tests and is enjoying home life again.

NICK KELLUM and a number of students assisted in officiating a Track & Field Meet for the Blind School in Indianapolis in September. Children from Michigan and Ohio participated in the meet. It was a most rewarding and interesting experience for the students.

HENRY AND LOLA LOHSE had another wonderful European trip this past summer. They visited many places of interest in Austria, Switzerland and Germany.

COACH GEORGE DICKISON is a mighty busy man whipping the IUPUI Metros into shape for the tough basketball schedule they'll be facing this season.

## Schreiber Retires From Fraternity Post

Last April 7th, Dr. R.R. Schreiber, after 37 years as National Executive Secretary of Phi Epsilon Kappa Fraternity, was honored at the Founders Day Banquet sponsored by the Indianapolis Alumni and Gamma Delta Chapters.

Rudy was initiated into Phi E.K. in 1929, and in 1936 was elected National Secretary, a position he held until he entered the U.S. Navy in 1942. In 1950 he was reappointed as National Secretary-Treasurer, retaining this position until his retirement.

During his term in office he published many interesting and educational items and was the first editor of the Physical Educator Magazine, now recognized as an outstanding magazine in the field of Health, Physical Education and Recreation.

Rudy was the recipient of many honors at this banquet: Letters of Appreciation, from the White House and from Fraternity Brothers all over the world; AAHPER Emeritus Membership, renaming the annual Distinguished Service Award the R.R. Schreiber Distinguished Service Award, the Honor Award, the highest award given by the Fraternity, and a European trip for Rudy and his lovely wife, Margee.

Over the years he has given a tremendous amount of energy, time and leadership in making Phi Epsilon Kappa what it is today, an outstanding professional fraternity. We all join in extending our hearty congratulations to Rudy for a job exceptionally well done and wish him smooth sailing and the best of everything in the days ahead.

## IN MEMORIAM

Our deepest sympathy is extended to the families and friends of the following who have passed away:

JODI ANN HARDING, daughter of KAY (BAXTER) and Gill Harding of Indianapolis, Indiana - September 22, 1973.

KRISTEN KAY ARVIN, daughter of GAIL (WOLF) and JIM ARVIN of Indianapolis, Indiana - July 24, 1973.

## Memrels See U.S.A.

This past summer was one of memorable experiences! Because Homecoming was scheduled for the middle of June, while we were still on the job, it was not possible for us to attend the annual reunion. However, while discussing an extended trip to the Northwest we hit upon the idea of starting this trip by visiting--where else

*Memrels Con't. on Page 4*

*Memmels Con't. from Page 3*

but Camp Brosius on beautiful Elkhart Lake!

Our month long trip to the Canadian Rockies et al, began with two grand days lolling in the sun, swimming before breakfast, canoeing around the lake, eating sumptuous meals and just having a relaxing grand time.

Our first goal heading for the Northwest was Waterton and Glacier National Parks which make up the International Peace Park in Southern Alberta and Northern Montana. This began 9-10 days in the breathtaking beauty of the Rocky Mountains including Banff, Lake Louise, Jasper, Columbia Ice Fields, Peyto and Emerald Lakes and many other beauties of nature in this general area. We made our stops at such places where we could enjoy a refreshing dip in the cool mountain lakes--even colder than Brosius in June!

Travelling over the winding Canadian Highway 1 which wends its way through Fraser Canyon Pass, we stopped overnite at Harrison Hot Springs before spending several days at Vancouver and Victoria (the Bchart Gardens are a must visit just north of Victoria). A ferry trip took us across the Juan de Fuca Straits to Washington and the Rain Forests in the Olympia National Forest Areas.

Several days along highway 101 down the west coast of Washington and Oregon--picking up driftwood along the Pacific, enjoying the scenic beauty of the rocky jutting coastline--we headed inland and wended our way north to Mr. Ranier National Park. A brief stop at Portland, dinner in the Space Needle while spending a couple of days in Seattle, we then headed east with stops at Grand Coulee, Theodore Roosevelt Park in the Black Hills of North Dakota and then on to Lake Pokegama, just outside of Grand Rapids in Minnesota. Our four-week trip climaxed as it began--with two very restful days on a lake--this time Lake Pokegama instead of Brosius.

## Hans Reuter Honored

HANS REUTER was named Honorary Meet Chairman for the National Association of Intercollegiate Athletics National Gymnastics Meet which was held on the University of Wisconsin-LaCrosse Campus in March of 1973.

Hans, age 87, is an emeritus professor of physical education of the University of Wisconsin-LaCrosse, having retired there in 1956. He attended the Normal College of the American Gymnastic Union in Indianapolis, Indiana and upon graduating taught in the public schools in Indianapolis and St. Paul, Minnesota. He joined the U.W.-LaCrosse faculty in 1920 and taught there for thirty-six years.

## Isabella Hutchison Happy About Female Athletic Scholarships

An article appearing in the MIAMI HERALD of May 24, 1973, informs us that the University of Miami at Coral Gables, Florida has set up \$27,000 worth of scholarships for outstanding female athletes. At least fifteen girls will now be able to study, tuition free, at the University of Miami this year.

ISABELLA HUTCHISON, an alumnus of our school is Director of Women's Athletics at the University of Miami. Funds, until this year, for sending one of her athletes to an intercollegiate competition were obtained by having "bake sales."

Colleges have, in the past, granted scholarships to individual female athletes - usually designated as physical education scholarships as opposed to athletic scholarships. This new program at the University of Miami may be the first of its kind for any major American university.

## Names In The News

On their trip East, BILLIE (BOETTJER) STEWART had quite a chat with ROBERTA (BROGAN) VAN NOSTRAND. ROBERTA has been re-elected president of the Kenmore Town of Tonawanda School Board, Vice President of Erie County Association of School Boards and also serves on the State Resolutions Committee of the New York School Boards Association.

JOHN CHRISTMAN'S son Marc was recently named sales representative for Eli Lilly Company in Niagara Falls, N.Y. JOHN is assistant principal at North Tonawanda High School.

ALMA A. FENSKE - Living alone in a mobile home on the farm property of a nephew. Love the country and enjoy sitting on my porch looking at hills, trees and flowers.

GREG WEINHEIMER has accepted a teaching position at the Brook Park Elementary School in Lawrence, Indiana.

LORIE AMWAKE, daughter of Elfriede (WANDREY) AMWAKE of West Falls, N.Y. has transferred to Normal from Indiana State University. LORIE is quite a gymnast and her sister, KATHY, who is also an outstanding gymnast, is completing her senior year and will be graduated in December, 1973.

KATE STEICHMANN, age 90, always writes a most interesting and witty letter. She sends her best wishes to everyone.

CONNIE (APOSTOL) ZIMLICH - Bought a small sailboat this summer for some fun on Lake Michigan. Doing well in golf, finally. Love to all.

According to the Salisbury, Maryland DAILY TIMES of July 26, 1973, our own BILL (RED) PUMP, SR., scored his first hole-in-one on the 185 yard fifth hole at the Elks Golf Club. Congratulations.

ELEANOR (RICHWINE) MILLER - Enjoy reading the Bulletin. Are there any Normal College alumni in the Rio Grande Valley Area?

DR. H.A. STECHER - The Bulletin is a "Wing Ding." I enjoyed every word of it. Even heard from a 1914 graduate who hasn't written since 1941!

ADELE (MARTENS) NEFF - Recently went on a tour "Down Under." Visited New Zealand, Australia and Tahiti. Spread the good word about our great Indiana University - who knows, we may land a 7 foot basketball player or a record breaking high jumper!

## Nominee For Outstanding Teacher

MRS. LORETTA (THOMPSON) FEIGL was chosen by her Principal as a nominee for the Outstanding Elementary Teachers of America in 1973. Loretta, who is a seventh grade teacher, is married to Frank Feigl and the mother of Eric and Toni. Although she did not receive the award, her biography appears in the volume "Outstanding Elementary Teachers of America for 1973." Her nomination was an honor and we all congratulate her.

## Deutsches Turnfest: Stuttgart 1973

Your editor received reports of the Turnfest from HENRY SCHROEDER and LOUIS KITTLAUS. Rather than print both reports I have taken the liberty of abstracting both contributions.

175 Turners from this country flew to Stuttgart, Germany to attend the Turnfest in which more than 50,000 athletes competed.

The Turnfest was organized for the purpose of stimulating participation and there was competition on three levels of ability besides the Olympic competition. There was also a level of competition for spectators.

Activities were divided into four categories - Gymnastics, Swimming, Track and Field and Games. Within each category there were four events. A participant could choose four events out of a single category or one event out of each of the four categories.

All competitors who had registered for participation were given a computerized card which gave them their schedule for the week. There seemed to be little confusion, reflecting excellent organization.

On Thursday, June 14, all foreign Turners were invited to be the guests of the Deutsches Turnbund at a lunch. This was truly an impressive occasion. Fifteen nations besides the United States were represented.

On Sunday, June 17, impressive closing ceremonies were held in both activity areas with addresses, dances and fireworks. It was a fine Turnfest throughout and all those attending felt the trip was well worth the time, expense and effort.

HENRY SCHROEDER competed in the Turnfest forty years ago and was awarded a Special Medal. He left the Normal College just forty years ago and has been teaching in New York since that time.

LOUIS E. THIERRY and his wife, Teene, were given a wonderful Golden Wedding party on August 25th at Upper Torch Lake, Eastport, Michigan. The crowd of 200 relatives and friends put on a real festival. The feast that came first produced a real festive spirit. A well constructed musical program followed with parts of "This was your Life." There was much good humor associated with it all.

It was the good fortune of RICHARD H. (DICK) STROHMER and his wife to be guests of the Thierry's. Lou and Dick had been schoolmates and friends since high school and even taught the first two years together in Cincinnati under Dr. Carl Ziegler.

The Thierry's have a daughter, LORETTA THIERRY HODGE, who is active in Health Education work and two grandchildren who make Grandma and Grandpa Thierry a pair of happy oldsters. Lou enters that exclusive group of octogenarians this fall.

DICK STROHMER and his wife Bella enjoyed several weeks in the Traverse Bay area visiting their daughter and family. That Grand Traverse Bay district is one of the prettiest areas of the USA.

With my third one now starting college, I'm back to teaching at Washington Junior High in Rock Island a second year. HARRY CARSTENS and I share the 8th graders in health. We hope to get more gymnastics in the program this year. After a successful PTA program last spring we now have a special room and a buck, side-horse, and uneven bars with which to work.

FRED FRIEDRICHSEN is at Rock Island High School and is chapter representative for our Illowa Red Cross Chapter in swimming. BILL KLIER keeps busy at Moline High School, while LINDA BOLMER WADSAGER is active in the area Women's P.E. Organization and teaches at East Moline High School.

We enjoyed a pleasant weekend at an invitational regional meet with the New Ulm Turners and Bill Woehrle, who is back at Normal College this fall.

TRACY (MITCHELL) keeps me posted on the present Normal College happenings and enjoyed the summer directing the waterfront activities for WALT LIENERT'S Day Camp.

have built a beautiful home in Canada. His new address for those who want to write is 1970 Pound Ave., Ft. Erie, Ont., Canada.

BEA MASSMAN now has a group of housewives for her newest pupils. BEA is busy in her "retirement" teaching tennis. BEA, as you may not know, was the only woman coach of a boys' varsity tennis team in the state of New York. In the eleven years she was coach her teams were undefeated in the Erie County Interscholastic Conference.

BUDDY (RUECKHARDT) NILSON and her husband, SWEDE NILSON took a 15-day trip to Hawaii last fall. Upon their return they wintered in Florida and on their way back to Wisconsin they stopped over in Buffalo to visit their many friends.

CARL BAER and MELBA drove up from Ft. Lauderdale and spent a few weeks in Massachusetts. While in Buffalo CARL had word of the fatal coronary suffered by his brother. Melba then had surgery and all in all it wasn't too pleasant a summer. However, they are back home and CARL is busy teaching his Golden-Agers and is still president of the Cypress Garden Mobile Home Association.

RUDY HEIS and wife, CLARA were back at Seneca Lake again this summer. He saw many of our alums this past season in Ft. Lauderdale. Among them was BILL HUBBARD, DON EAKIN, NORMA FLACHSLAND, HENRY SCHNEIDER, and ELMER ROSENTHAL.

LES BOEHMER and his wife, ROSE will be wintering again in Florida-address: 110 Clipper Way, Fairwinds Village, Nokomis Beach, Fla. 33555. LES and JACK STOCKER spent most of the summer fishing and from all reports they caught their share of bass.

ROBERT J. DUERR is principal of Public School No. 84, the Erie County Health Care Center for Children. He issued a new brochure complete with photos, general information, medical services, special services and pupil personnel services. Congratulations on a job well done.

MINNA PRITZLAFF JOHNSON and Danford W. Byrens were married on June 2, 1973. According to the article appearing in the Buffalo EVENING NEWS they both worked at East High School for 41 years. Dan Byrens was quite a swimmer while in high school and was on the same team with LARRY HOWARD.

RAY PING and his wife, BETTY, spent two months in Florida last winter and are planning the same for this winter. While in Florida they saw BILL NAAB and GEORGE JACQUIN.

DAVE REISIG and his wife, JOAN hosted the annual Stein Club picnic at their beautiful home on Tonawanda Creek Rd. The Stein Club is a group of men from the Buffalo Turners who meet once a month for song and fellowship.

TED BEDNARCYK and his wife, GLADYS "did" Mexico this past summer and enjoyed every minute of the trip.

PAT FISSLER and his wife, ALLENE have purchased a mobile home right next door to CARL and MELBA BAER in the Cypress Creek Mobile Park in Fort Lauderdale. PAT was in the hospital in June for over a month. He has recuperated nicely and will soon be back in full stride.

DON EAKIN was also in the hospital for a couple of weeks but is planning to spend some time in Florida in their mobile home just 4 miles from the BAERS and FISSLERS.

BILL TREICHLER and his wife MARY are enjoying Naples, Florida more and more each year. They have a steady stream of visitors and BILL spends most of his time "selling" Florida and Naples.

BILL SCHAEFER and his wife, MILLY, have been busy with a wave of visitors. PETE OVERMAN and his wife EDITH; EMIL ROTHE; IRENE (SCHREIBER) WERFELMAN; PHIL SNIDER; and FRANK (JUMBO) CLARK and his wife, RUTH. The SCHAEFER'S get together with the NICK SCHREIBER'S often and Sun City, Arizona is getting to be a retirement attraction for many of our alums.

BILL HUBBARD keeps busy as Recording Secretary for the Western Zone of the New York State Retired Teachers Ass'n., President of the Advisory Board of Mercy Hospital in Buffalo and President of the South Shore Country Club. He and his wife, MARGARET, spend their winters in Florida.

HENRY THAYER and his wife, MARION, are enjoying their new apartment in Williamsville and are neighbors of the BILL McCOLGAN'S. These two work out three times a week at one of the branch YMCA'S.

CELIA (WITCZAK) SAMUL and her husband are proud parents these days. Their daughter, Anita, is teaching Modern Dance and Ballet at Buffalo State College while their son, Charles, is a freshman at Cornell University. He was a member of the National Honor Society and Captain of the Academic Team which reached the finals on the television program "It's Academic."

SAM SIEGEL has had a busy summer. He spent a few weeks with his son, Donald, in Detroit and then waited for his daughter, Jeannine to return from Europe where she had been attending the Russian Seminary in Austria. She majored in Russian, Spanish and Portuguese and has applied for admission to the International Institute at Brandbury, Vermont.

HUBERT "TEENEY" LEE has recuperated nicely from major leg surgery. While playing golf he was taken suddenly ill and suffered a cerebral accident which immobilized his left side for a few weeks. With therapy, he is now able to get about fairly well. He and his wife, LOIS, are planning to make their annual trek to Florida where we bet he'll be playing golf with the best of them.

FLORA and AL HELMS drove to California in May and visited friends, relatives and yours truly.

BILL and CLARA GILSON enjoyed Aca-pulco in February. In July after a wedding anniversary dinner, Bill had a heart attack but is now recovering nicely.

HELEN and JAMES SCOTT are enjoying their new home in California--119 S. Via Estrada, Laguna Hills 92653.

HATTIE VOSSEL and friends toured the South in April.

MINNA PRITZLAFF became MRS. DANFORD M. BYRENS on June 2. They took a cruise to Bermuda.

BEE CEE LORBER HAYES visited VIRGINIA FESSLER on Washington Island in July. Earlier she and a friend drove to Winnepeg, Canada to be present when the International Academy of Aquatic Art presented the Canadian Halls of Aquatic Fame with a History of the Origin and Development of Synchronized Swimming.

The CARL BARNICKOLS drove west last spring and visited BILL and MILLIE SCHAEFER and other retired Lane teachers living in Sun City, Arizona. Bill is a real chess player and he even plays EMIL ROTHE by mail.

AL and ANNA DIETE summered in Chicago instead of Cable, Wisconsin.

CHARLES and MARGE SIEBERT spent the summer at home in Wilmette, but like all "snowbirdies", they will return to Florida.

EMIL ROTHE and his wife are busy people. He writes for the Baseball Digest. They attended the "Spring Training Camp" in Arizona, visited BILL SCHAEFER in Sun City and their children in Colorado. He is active in many other organizations such as the L.V. Kiwanis Club, the Lane Tech School Council, etc.

BOB and MILLIE PEGEL flew to Oregon and rented a car. They enjoyed modern Salem, a cassette guided "Wild Life Safari" out of Roseburg and Winston, and a jet boat ride through Hells Gate Canyon on the Rogue River. Then on to Crater Lake, the Dallas and the Columbia River. Later they flew to Vancouver and embarked on a passenger-cargo ship that services ports to Stewart.

Preceding Homecoming at Brosius in June I drove almost 3,000 miles through Indian country visiting areas in New Mexico, Arizona, Utah and Nevada. Highlights of the trip were: A jeep trip to Monument Valley, two jeep trips into Canyon lands and a float trip on the Colorado; then a 3-day boat trip on Lake Powell.

After Homecoming I visited CLARA HESTER in Indianapolis and saw FRED and DOTTIE MARTIN. In Chicago I saw HELEN and AUGUST PRITZLAFF, HELEN VOSSELL and ERMA THORUP MARTH.

Classmates of '24--As soon as we know where the next Homecoming will be held, you will be contacted. Plan on joining us! It is our 50th anniversary!

JANE (SPLETE) and PAUL VOISARD drove their daughter Jeanne to Illinois Normal University and visited with BOB and BETTY MALETICH in Springfield, Ill. MADELINE VOISARD LYLE and brother ANDREW VOISARD are busy playing mixed doubles in tennis.

They won the Arapshoe County tennis championship. The PAUL VOISARD family spent the summer at their summer home in Eagle River, Wisconsin.

RUDY SCHMIDT is busy with Turners, bowling and golf. He had a beautiful garden of vegetables and flowers at the turner camp this summer.

HAROLD HALL is now retired from business and enjoying retirement.

AL ISER sold the cottage at camp, and now spends the entire year in Florida, and enjoys it.

JERRY JACQUIN no longer teaches, but is now a co-owner of Mosquito-Control Company. Joan, Jerry, Kim, and Jerry Jr. spent summer at turner camp. Plans are going forward for Christmas with the Turners in Florida.

JACK JACQUIN is a Lt. Colonel in the Air Force. He was the hospital Base Commander in the suburbs of Tokyo. He plans on retirement in two years to his home in Tampa, Florida.

GEORGE JACQUIN spent all of June in Turner Camp. He sold his home in Buffalo and spends most of the year in Florida.

REGINA HORSCHKE SONNENLEITER and her husband George bought a home at Sun City, Arizona. While visiting there they saw BILL SCHAEFER, NICK SCHREIBER and JUMBO CLARK. Daughter Judy and her family from California visited at their Turner Camp home.

ED HALL vacationed in Spooner, Wisconsin for the summer and had his 81st birthday. He has recovered from illness and is busy gardening and fishing.

BERNIE BROCKMAN is in Germany visiting his mother. He has retired from teaching Industrial Arts and is living at Pistakee Bay, Ill., when in the USA. He looks great.

BOB GOEKE, Erika and son John spent their vacation at the Illinois Turner Camp. They enjoy winter skiing.

PHYLLIS GOLL is teaching at Maine South High School in Park Ridge, Ill. She is the Peppy sponsor of the four cheerleading squads and the girls interscholastic gymnastics class for the park district.

Last summer WHITEY, SUE, JOEY and I spent the summer at our cottage. Sue worked at the Illinois Turner Camp Candy Store and both children participated in the camp program. We did a lot of water skiing, volleyball, and Whitey spent some time on the golf course. Our oldest son Rick worked all summer and left for London September 10 to travel around Scandinavia and Europe for 21 days on Eurail and then started school in October in London. Some life these youngsters have.

AUGUST PLAG is an alumnus who can boast a record that few AGUers have reached. On September 4, he and Mrs. Plag celebrated their 66th wedding anniversary. August, not too far from the 90 year mark is still driving his car about town, but he is happiest about his and his wife's many years together.

FRED PLAG, although not active in P.E. as a career, has always been active in the St. Louis Phi E.K. Chapter. He hosted the September meeting at his resort home on Lake Tishomingo.

BOB MARX, historian of the St. Louis Phi E.K. Chapter, has been working for several years writing the history of the chapter, quite an involved job.

LUCILLE SPILLMAN promised to send in material about her retirement last June and about AGNES "JIMMIE" PILGER.

HANK STROER is still Director of Intramurals at St. Louis U. He's rounding out about 20 years with this Jesuit Institution.

LOUIE and PAULINE KITTLAUS had an extended stay in up-state N.Y. visiting with RAY GLUNZ, BILL MEISSNER and other "Normal" people.

WALT "DOC" EBERHARDT left the St. Louis Cardinals last spring to condition the Phillies. Philadelphia has traditionally been last or second last in the National Eastern League. They have improved this past year, but not dramatically. At least they are in better shape, according to Steve Carlton.

MUTZIE and LOU ROTH are enjoying thoroughly the privileges of retirement and the pleasure of visiting their children and grandchildren-December in Texas and June in Virginia.

AL and MIR MANN spent their fifth summer in Israel. Al mentioned there are three gym teachers, one music teacher, one kindergarten teacher, one college research teacher all in Israel teaching and all in the family.

AL HENSEL is starting his tenth year of retirement and enjoying it very much. He writes, "we live in a new apartment and make good use of the swimming pool and club house that is a part of the complex. We varied our summer program with a trip on the Delta Queen and, later, with a very pleasureable trip to Lake of the Ozarks. Greetings, to my many friends, especially those from the years '20, '21, and '22."

PAULINE and CHARLIE SALLWASSER are looking forward to being able to relax and enjoy the beauty of Torch Lake from their new home on a site which was previously part of Camp Fairwood. She is teaching at Western Hills High School and is the Department Head for girls' physical education. Charlie is principal at Burdett Elementary School and is involved in many changes in the educational programs. Their son, Paul, is a sophomore at Miami University Business School, Oxford, Ohio. Son, Brad, is a senior at Western Hills High, and daughter, Cheryl, is an eighth grader and has a keen interest in all types of needlework.

Many Alumni living in Cincinnati are involved with this reporter at this time making plans and preparing for the Ohio Association for Health, Physical Education and Recreation Annual Convention which is being held in Cincinnati at the Netherland Hilton Hotel, Friday through Sunday, November 16-18. From all indications, we should have a good convention and expect a registration of upwards of 1200 delegates. If you are in the vicinity at this time, come join us. One of the convention highlights will be a demonstration by the Ollerup (Denmark) Gymnastic Team which will be on tour in the States beginning next month.

In 1969 HANS HAFER and a partner organized the Hickory Hill Day Camp with an enrollment of less than 150 children. In 1973 they enrolled about 355. This past summer they had the Children's International Summer Village as guests. There were children and counsellors from 11 foreign countries and the U.S. The visitors were wonderful folks and took part in all activities. All had fun.

After camp closed the Hafers, Hans, Jean, sons Sandy, Craig, and Keith and Sandy's wife Dian, left for a visit to San Francisco, Honolulu, the islands of Kauai, Maui, and Hawaii. They all enjoyed the tour and would love to go back for a visit but feel that they would not want to give up their opportunities on the mainland for a life on the islands. They concluded their tour with a visit to Disneyland and decided that they were all children at heart!

CLIFFORD BARNES and his wife Mary visited Naples during the month of August. Cliff has been Director of P.E. in South Bend, Ind. for many years and has decided to retire in the near future. They have been looking, thinking, and planning for this big step for some time and are giving Southwest Florida serious consideration. After not seeing them for 39 years we had much to discuss. They looked in excellent health and it was a real pleasure to see them.

It would be difficult to convince AL ZUK that the Postal Service is efficient. While visiting his mother and brothers in Florida, Al wrote a letter to this correspondent to inquire about the possibility of our getting together for a visit. The address was not exactly accurate so the letter was returned as address unknown even though we have been here for over three years. Please try again, Al, for a great reunion.

LARRY and DONNA HOWARD should be arriving in Naples soon for the winter. They have had a busy summer on their farm near Cleveland. They have kept a large lawn manicured, raised a beautiful vegetable garden, cared for horses, cats and dogs, and still had time for swimming and golf.

The TREICHLERS are as busy as they care to be with the Yacht Club activities, swimming, sailing and fishing in the Gulf, bowling in a mixed league and yard work.

Anyone in Southwest Florida who might have news pertaining to alumni please write this correspondent. It would be appreciated.

AMY MILLER. All is going very well for me here in South Miami. The High School program is taking leaps and bounds in the area of gymnastics and officiating and I am actively involved in these two areas. I have bought a house and enjoy being home when I'm not off with my Senior Scouts somewhere. We are planning a four

week trip to Minneapolis for a one-week canoe trip on the border with a sea scout troop.

KATHY GARCEA, Fort Erie, Ontario, Canada. I am teaching physical education and swimming again this year at the same two elementary schools and am enjoying it more every day. My brother Chris is also teaching swimming and physical education at a high school and elementary school.

DZINTRA (BRUVERIS) IPSON. After graduation from I.U., I taught two years in Indianapolis Public Schools and two years

at North Judson High School. In 1969 I married and moved to Ohio where I taught another two years. Since that time we have found ourselves in transit. Presently we are in Palatine, Ill., but our stay here is rapidly drawing to a close as Allan is a systems analyst with Hewlett Packard and has accepted a transfer to the Michigan office. I hope the members of the '63 class are as content with their lives as I am with mine.

JODY HAFER. Greetings from Switzerland! It's hard for me to believe that I finally made it here! Salzburg, Austria, and Heidelberg, Germany have stolen my heart, but I plan to bring the entire country of Switzerland home in my suitcase. I took an all day trip to the top of Jungfrau Mountain in Interlaken--fantastic!

GEORGE HEESCHEN. We received our 15th and 16th grandchildren, boys, last February within 50 minutes of each other. #15 to DICK and TERRY (LABA) and #16 to son Russ and Judy. We plan an early December visit to our two Florida families, then spend Christmas with our son's family in Huntsville, Ala., then westward to Arizona and back here in March. We hope to get out to Idaho in June and July.

J. EDWARD HILLE. Keeping busy in my retirement overseeing renewal of gym classes in a community gym under the name of Philadelphia Turners.

NELSON S. WALKE. Truly enjoy reading the Bulletin. The spring issue was the best one ever published. I always look forward for mention of my classmates. I suppose that after 56 years one cannot expect to find many of them listed.

MAXINE (HEACOCK) MONTAG. Harry and I had a wonderful trip to Canada and the Northwest USA in June. Everyone should see our beautiful country; it's lovely.

HANS REUTER. In 1967 upon the request of Miss Vera Williams, Department of Physical Education of Wisconsin State University of Oshkosh and Dr. Bennett of Ohio State University, I made a tape recording of my experiences in physical education and discussed the early days of the Turner Movement in America. The tape was presented to the AAHPER for the National Archives in Washington, D.C.

## Christmas Greetings

Although it is beautiful October weather at the time of writing, it will be December when you receive this so it is entirely appropriate for all of us here at school to wish all of you a very Merry Christmas and a Happy New Year.

*Surrounded by woods, Normal College students enjoy outdoor study.*

CHARLOTTE (ROEDER) CORBIN. Spent three weeks in the Hawaiian Islands. Was impressed with the Polynesian Cultural Center. Living now in San Antonio where Wayne is assigned to Headquarters ATC, Randolph AFB.

ARTHUR R. BOEHM. Enjoy reading the Bulletin very much. Keeps me informed of my classmates and friends. Was recently appointed to a four year term as a commissioner on the Schenectady Municipal Housing Authority.

JAMES R. ANTHONY. Was promoted this year to assistant principal and assigned to Roll Hill Elementary School.

COL. ALEXANDER HARWICK. Is now 88 years old and a resident of Grovemont Convalescent Center, 502 Ave. A, Winter Haven, Florida 33880 - would welcome hearing from any one who remembers him.

MARY MARGARET LYTLE. Still enjoying good health and my work at the hospital. (Sorry but the rest of the message was sealed under the envelope flap)

HELEN L. WOELFLE. Spent the winter in Clearwater, Florida. Had get-togethers with CARYL GAINES, BETTY RAAFLAUB DIX, ELEANOR SEYMOUR and BILL NAAB.

LAURA (FRENCH) HOCKETT. I read every word of the Bulletin and enjoy it very much.

HILDA (SCHUMAN) KNOLL. I am always interested in the news, especially about graduates of 1916.

GEORGE J. JACQUIN. Living permanently at the Bay Pines Mobile Home Park in Seminole, Florida and spend the summer months at the Illinois District Camp on Fox River in Algonquin with son Jerry and family.

MRS. ROBERT (MEAD) NOHR. I am enjoying life in Hollywood, Florida. FLORENCE

(DODGE) CRULL of my class came to spend some time last March. In April, HERWIG TOEPPEN and his wife stopped by.

MARGARETH (GREINER) KLING. Surely enjoyed all the news in the Bulletin. Hope to be able to attend one of the picnics in Florida soon to see all the Normal College alums there.

VALETTA BACHMANN. Retired in '71 from my job with Crippled Children in the Fort Wayne Community Schools. Enjoy my leisure time at my cottage on Lake James near Angola, Indiana.

STANLEY PACK. Pulling up stakes - selling everything to live in Florida since death of my wife in October, 1972 left me looking for a new life. Have started tap dancing again with my soft shoe and waltz clog routines - Tell Clara Hester I need a partner.

LILLIE (GALLY) RICE. Just news of my whereabouts. Ex-Shortridge High School teacher, now in retirement here in Indianapolis, Indiana.

HAROLD W. RIESS. Was shocked to hear of the death of my roommate, FREDDIE PLOETZ - a great loss to all who knew him. Hope to celebrate my high school class 40th reunion in New Holstein, Wisconsin, in July, 1974.

HAROLD L. KUMPF. Retired in '70. Live at the Gateway to Zoar Valley. Enjoy hunting and fishing. My wife and I spend much of our time with our seven married children and twenty-four grandchildren.

JOHN MUTO and myself, CLARENCE (PETE) OVERMAN. Are making plans to return to Mesa, Arizona in November where we maintain an apartment until April. All you ravers about Florida might try a "shot" of the good old desert and sun for complete health and happiness.

## PLEASE UNDERSTAND

Since the cost of everything has increased considerably it is necessary to limit the size of the Bulletin to enable us to stay within our budget. It may be necessary to edit some contributions in order to keep a broad sampling of news.

We appreciate the great volume of news that you have sent to us and we hope to use it all, but PLEASE UNDERSTAND our situation if any deletions are made.

Many thanks, Fred Martin, Editor

## ALUMNI DUES

If you have not yet paid your annual dues, why not do it now? Your continued support is greatly needed.

## ALUMNI BULLETIN DEADLINE

Spring Edition '74 must be in the hands of the printer by January 15. Please forward news so it will reach the editor NO LATER than January 7. MANY THANKS.

This season, an assistant coach has been added to the IUPUI Metros basketball staff. From left to right: Samuel Johnson, associate coach; George Dickison, coach; and Jamie Gill, assistant coach.

## ALUMNI HOMECOMING JUNE 20-23, '74

Yesterday I received the good news that we will be operating Camp Brosius next summer. So now we are busy planning what may be the last official Homecoming in Wisconsin. The only time we can schedule it is in June as the period following Children's Camp in August is scheduled for Counseling, Registration and Enrollment for our students. Classes begin this year on August 22nd. Furthermore we can handle so many more people at Homecoming comfortably when we can use the Annex and the Cottages. That, of course, means in June before the Hotel opens. I regret that the timing of Homecoming is not good for those who are still teaching, but actually it is June or not at all with the calendar under which we now operate.

For these reasons, Homecoming will be scheduled for June 20th to June 23rd. As before, guests may come in on Wednesday, June 19, but no meals will be served at camp until Thursday breakfast.

Since we anticipate a large Homecoming, it would be well if you make plans early for this happy time. I am urging all who wish to attend to fill out and return the attached reservation form soon even though another form will appear in the next Bulletin. Remember: clothes for hot, cool, cold, wet, or dry weather--plenty of bedding and a burning desire to have a good time.

You may obtain up-to-date addresses from us if you are planning a reunion at camp. We do hope that many of you who have not been back to Brosius in recent years, and all who have been back, will help make this a great, great Homecoming. SEE YOU AT CAMP BROSIUS.

Lola L. Lohse, Dean

## 38th ANNUAL CHILDREN'S CAMP

I wish to remind the Alumni that the Camp Brosius Children's Camp will be taking reservations soon for next summer. The camp will be directed again by James Arvin of Indianapolis who has assembled a great staff to carry out a fine program. The cost of the 6 week camp is only \$400. Enrollment is for the six week period unless there is space available for three week campers. (Cost of 3 weeks is \$225.) This reasonable cost includes insurance and laundry, but does not include transportation. If you would like your children to have the Brosius experience, please write for information and application forms from: School of Physical Education, 1010 W. 64th Street, Indianapolis, Indiana 46260.

Both the Fritz Rohdes family and the Bob Sales family had youngsters in camp last year and both families report that the children had a great summer. They enjoyed the expanded program which includes water skiing as well as sailing and the other water front activities. A competent professional staff will insure the campers of a healthy, happy, and profitable summer.

Don't forget, write or call for application forms. (Area Code 317-264-3764)
