### Mock Site Visit 2 is next week

The IU School of Medicine’s second mock site visit begins Monday, Sept. 12. Participants can find related documents and information on the LCME [Reaccreditation portal](#). The DCI, Institutional Self Study Summary Report, agenda, and other documents are available on this portal. Remote access/live stream information and other meeting details also are included.

Questions? Email [lcme2016@iu.edu](mailto:lcme2016@iu.edu).

### Statewide student forums on Phase 1 and Legacy curricula continue

After a visit to IUSM - Northwest - Gary this week, Maureen Harrington, PhD, associate dean, medical student education in foundational sciences, will visit IUSM - South Bend on Wednesday, Sept. 21, as part of a statewide tour to talk about the Phase 1 and Legacy curricula. The open platform sessions for MS1 and MS2 students will last 30 minutes and offer students a chance to check in and give feedback on the curriculum. Details on future sessions at other campuses are listed below.

Date	Time	IUSM Campus	Location/Room
Sept. 21	5:30 p.m. Eastern	South Bend	1234 N. Notre Dame Ave., Raclin-Carmichael Hall
Oct. 5	5:30 p.m. Eastern	Fort Wayne	Conference Room 123
Oct. 12	5:30 p.m. Eastern	Terre Haute	Classroom 3, Landsbaum Center for Health Education, 1433 N. 6 1/2 St., Terre Haute; parking is

			free in front of the building
Nov. 2	5:30 p.m. Eastern	West Lafayette	Lyles Porter Hall, Room 1160, 715 Clinic Drive, West Lafayette
Nov. 16	5:30 p.m. Eastern	Bloomington	Jordan Hall 009
Nov. 30	5:30 p.m. Eastern	Muncie	E.F. Ball Med Ed Building, Room 226, 221 N. Celia Ave., Muncie

## Free flu vaccines available beginning later this month

IUPUI Campus Health will again offer free flu shots to IUSM faculty, staff, house staff, and students this flu season. The first shipment of vaccines is expected to arrive by Sept. 20. Individuals may get a flu shot by visiting Campus Health in Coleman Hall, Suite 100, or a Campus Health outreach flu vaccination clinic. No appointment is necessary, but individuals must present a valid university photo ID to get a flu shot. Students will be asked to present a health insurance card, but will be able to receive a free flu shot regardless of whether or not they have health insurance.

**Reminder:** All IUSM faculty, staff, house staff and students who provide clinical care to Indiana University Health or Eskenazi Health patients, perform clinical research at IU Health or Eskenazi Health or whose primary office is in an IU Health or Eskenazi hospital, are required to receive a flu vaccine by Nov. 10, 2016. Individuals requesting a waiver due to an evidence-based medical contraindication to the vaccine must submit a  [Flu Vaccine Medical Exemption request](#) by Oct. 31, 2016. Those requesting a religious exemption may use the same form and note they are requesting a religious exemption.

More information about flu shot outreach clinics for the IUSM community will be available once the first vaccine shipment arrives. Watch future issues of InScope for details.

## Learn about an alternative spring break trip to Nicaragua

Attend an upcoming interest meeting to learn about the IU Department of Family Medicine's ENLACE Alternative Spring Break service trip to Nicaragua. Participants will build composting latrines to combat childhood mortality and learn about the health system of this unique country.

Visit this [Adobe Connect link](#) to attend one of the following online sessions:

Tuesday, Sept. 20, noon - 1 p.m. (CT) for the Northwest and Evansville campuses

Tuesday, Sept. 20, noon- 1 p.m. (EST) for all other IUSM campuses

Alternative Spring Break Nicaragua 2017 is open to graduate-level health professions students, including but not limited to, medical, nursing, dentistry, public health and health administration students.

Program information and the application are available at [iabroad.iu.edu](http://iabroad.iu.edu). Questions? Contact student co-leaders Ellie Hansotte at [ehansott@iupui.edu](mailto:ehansott@iupui.edu) or Juliet Prieto at [jmprieto@iu.edu](mailto:jmprieto@iu.edu).

## SRPinAM oral presentation winners announced

The Student Research Program in Academic Medicine (SRPinAM) held its 2016 oral presentations on Sept. 1. The 20 finalists were judged on clarity of presentation, contribution to the project, quality of data, ownership of project and answers to the judges' questions. This year's winners are:

- First Prize: Claude Smith Black Award (\$14,000): **Gabrielle Duprat**
- Second Prize: Marvella Bayh Memorial Scholarship (\$10,000): **Christian Briggs**
- Third Prize: Hazel & Tommy Thompson Cardiac Award (\$8,000): **Benjamin Stivers**
- Fourth Prize: (Four-way tie) (\$6,000 each): **Kelly Barton, Keerthana Mohankumar, Joseph Thomas, and Emily Wichern**
- Fifth Prize: (Four-way tie) (\$3,000 each): **Adam Leibold, Katherine Krause, Carly Marshall, and Matthew Yung**

The full list of finalists is available at [mse.medicine.iu.edu](http://mse.medicine.iu.edu).

## Opportunities

### Apply for "lab to market" training program by Sept. 12

Faculty members and post-doctoral and graduate researchers may be interested in attending "Introduction to Customer Discovery for Clinical and Translational Science" -- a training program to move ideas out of the lab

and into the market. The program, sponsored by Indiana CTSI and Midwest I-Corps, includes a pre-program webinar, kick-off sessions, and weekly coaching sessions. Applications will be accepted until Monday, Sept. 12. For dates, details, and application information, visit [krannert.purdue.edu](http://krannert.purdue.edu).

## Register to be a bone marrow donor on Sept. 27

Take part in the upcoming bone marrow registry drive, hosted by the Student National Medical Association, from noon to 4 pm, Tuesday, Sept. 27, in the Medical Science Building atrium. Registering to be a donor is easy and involves filling out a short form and completing four quick cheek swabs. Donors must:

- Be between the ages of 18 and 44,
- Be willing to donate to anyone in need,
- Meet health guidelines.

No appointment is needed, and pizza will be served. Questions? Contact Chizelle Onochie at [cconochi@indiana.edu](mailto:cconochi@indiana.edu) or Angela Touseull at 317-916-5110  or [atouseull@indianablood.org](mailto:atouseull@indianablood.org).

## IUSM to sponsor Oct. 15 “Managing Oral Health by Age One” summit

The IU School of Medicine, IU School of Dentistry, Indiana Primary Health Care Association, and the Indiana Dental Association will host “A Multidisciplinary Approach to Managing Oral Health by Age One” on Saturday, Oct. 15, from 8 am to 4:15 pm at the IU School of Dentistry.

Attendees will learn from experts about how to support early child dental visits and preventive dental health. This program is designed for pediatricians, OB/GYNs, dentists, hygienists, family physicians, federally qualified health center dentists, patient educators and social services personnel and Centering Pregnancy Programs.

For more details,  [view the brochure](#). To register, visit [cme.medicine.iu.edu/courses](http://cme.medicine.iu.edu/courses). This activity has been approved for AMA PRA Category 1 Credit by the IU School of Medicine.

## Critical care support conference is Oct. 20-21

The IU School of Medicine and Indiana University Health will host Fundamental Critical Care Support on Thursday, Oct. 20, and Friday, Oct. 21, at the IU Health Methodist Hospital, Wile Hall.

The two-day conference is designed for physicians, nurse practitioners, physician assistants, registered nurses, registered respiratory therapists, pharmacists, and critical care paramedics. Registration fee includes registration, text book, handouts, beverages, and lunch. Enrollment is limited, and pre-registration is required. Registration deadline is Oct. 1 or as soon as the class fills up.

To learn more or to register, visit [cme.medicine.iu.edu](http://cme.medicine.iu.edu). This activity has been approved for AMA PRA Category

1 Credit by the IU School of Medicine.

## Save the date: Renal imaging symposium is Nov. 15-16

Plan to join nephrology researchers and imaging scientists at the Advances in Renal Imaging Symposium, Nov. 15-16, at the IUPUI Campus Center. Participants will become familiar with recent advances in renal imaging methods and explore the development and progress in imaging biomarkers of kidney disease, including fibrosis. This symposium represents a step toward nurturing the growth of research into the development and utilization of renal imaging technologies and their further integration into nephrology research and patient management. For more information, visit [imaging.iupui.edu/events](http://imaging.iupui.edu/events). Questions? Email [imgres@iupui.edu](mailto:imgres@iupui.edu).
