6 Summer and Fall Registration and Drop / Add

To Register at IUPUI, Follow These Steps

1. Be admitted.

If you plan to enroll in credit courses at IUPUI, you must be admitted to the University before you may register. For more information, see the Admissions section of this schedule.

2. See your academic school or division.

Meet with your academic advisor and obtain a list of recommended and alternate courses. Each student must assume responsibility for ensuring that he/she knows the academic requirements for the degree that is being pursued.

3. Course authorization

Classes requiring authorization (marked PERM) require approval by the department/school offering the course before you register for the class.

4. Register or waitlist your courses.

Registration begins based on an assigned appointment. Appointment information for Priority Registration appears below. For detailed registration instructions visit registrar.jupui.edu

March 22 - April 1

Priority Registration: By Appointment (OneStart.iu.edu)

All students enrolled during the previous Spring semester are scheduled to register during this priority period. You should check OneStart.iu.edu (My Registration Appointment) for your exact appointment date and time. If you do not have an appointment or you are a returning student and wish to obtain an appointment during this priority period, call 274-1508 on or after March 14, 2005. Students registering during this period will be mailed a fee statement.

Open Registration and Drop / Add by Computer (OneStart.iu.edu)

If you are eligible to register, but missed your priority appointment or did not have an appointment to register, you may register on-line without an appointment during Open Registration. If you did not attend the Spring 2005 semester and did not receive a priority appointment, you may need to call the Office of the Registrar at 274-1508 to be sure your record is updated for the Summer and Fall 2005 semesters.

8 Session I Drop/Add and Late Registration

May 14 - May 31

To Add

To add any course/class you must obtain the signature of your academic advisor and the class instructor on the Drop / Add form. Bring the completed form to the Office of the Registrar, CA 133, during regular office hours.

To Drop

Obtain a Drop / Add form from your school or division for each class you want to drop. These forms must be signed by your academic advisor. Bring the completed Drop / Add forms to the Office of the Registrar, CA 133, during regular office hours. Course fees are refundable by the Office of the Bursar on the following scale:

Dates	% Refunded
For Drops between May 19 – 24, 2005	50%
For Drops on or after May 25, 2005	No Refund

To Drop

Obtain a Drop/Add form from your school or division for each class you wish to drop. This form must be signed by your academic advisor and the instructor of the course/class you are dropping. In addition the instructor must circle either the "W", passing quality, or the "F", not passing quality, grade on the form. Bring the signed form to the Office of the Registrar, CA 133, during regular office hours.

Requests for withdrawal after June 7 require the signature of the instructor, advisor and the student's dean. These are considered only in extraordinary situations which are beyond the student's control and are rarely granted. **Poor performance in a course is not considered grounds for a late withdr** awal. No withdrawal forms will be processed in the Office of the Registrar after the last day of classes. Any requests for a late withdrawal after the last day of classes must go through the grade appeal process (consult your school or the Office of the Registrar).

A note of caution: If you alter your original schedule, whether by personal incentive or by University directive, you must do so officially by the procedures outlined above. If you do not assume this responsibility, you jeopardize your record by possibly incurring an "F" in a course improperly dropped and/or by not receiving credit for a course improperly added.

June 1 – June 7

June 8 - June 22

Session II Drop/Add and Late Registration 9

Drop/Add On-Line

No appointment is necessary to Drop/Add through the 100% refund period. To Drop/Add use OneStart.iu.edu. See instructions and deadlines by visiting registrar.iupui.edu.

The Registration Agreement

When you register, the University reserves specific class spaces for you and commits resources to provide the instruction you have selected. On your part, you assume the responsibility for paying those course fees or for notifying the University if you decide not to attend. The availability of courses is subject to change. A section may be cancelled due to low enrollment or departmental staffing considerations. The department cancelling a class will notify registered students and help them make alternate arrangements, if necessary. Registered students also will be notified if the meeting time and/or location of a course has changed since the student registered.

Your registration will not automatically be cancelled for nonpayment of fees. You must either pay your fees or notify us by the first week of classes if you do not intend to return to IUPUI for the semester. Cancelling your registration by the first week of classes releases your class spaces in time to be available to other students. If you decide to cancel your registration, log on to OneStart (www.onestart.iu.edu) Self Service, click on Drop/Add Classes and proceed to drop all classes.

The Importance of Your Network ID Password for Summer Sessions

Use of the computer systems will require you to enter your Network ID and password. This is the same information used to access your email account, Oncourse, etc. To set up a network ID and password, visit itaccounts in edu.

University ID Number

While access to OneStart and other services require your network ID and password, drop/add and other forms may require your 10-digit University ID. To find your University ID, login to OneStart (onestart.iu.edu) and click on My Current Information.

Hours for Accessing the Registration System

Monday–Friday 7am–10:30pm E.S.T. Saturday 7am–10:30pm Sunday 10:30am – 10:30pm

WARNING: Please do your transactions in a timely manner so if a problem occurs it can be resolved before the deadlines.

Address Change:

It is important that you keep your address current with the Office of the Registrar. Many important documents are mailed to your address of record. You may change your address on line as part of Registration from your home/office computer or any computer on campus. In addition you may change your address at anytime through OneStart.iu.edu

You can conduct most of your university business such as registration, financial aid, account inquiry and payment, and advising support by using an on-line tool called OneStart. OneStart allows you to personalize your start page, including adding your favorites/bookmarks. This means you can go to those Web addresses from any computer. In short, your desktop is portable.

OneStart requires a user id and password. This is the same user id and password you currently use for university e-mail and access to Oncourse. If you haven't activated your university e-mail account, visit itaccounts.iu.edu. You can activate your account as soon as you are admitted to the university. Contact the Support Center with any questions by visiting support.iupui.edu.

We strongly recommend you visit OneStart before your registration time for the term and see all it has to offer. For more about OneStart visit onestart.iu.edu. Detailed registration instructions will be available from our office Web site registrar.iupui.edu.

Course Schedule

You can check your latest course schedule, including days, times, and room assignments, by visiting the My Class Schedule of the Self-Service tab of OneStart.iu.edu. You are responsible for checking your class schedule routinely before classes begin to see if waitlists have been fulfilled, to note changes in location, etc.

E-mail

Indiana University considers e-mail an official means of communication by Indiana University with IU students. The University reserves the right to send official communications to students by e-mail with the full expectation that students will receive e-mail and read these e-mails in a timely fashion.

Official university e-mail accounts are available for all students once they have been admitted to the university. Official university communications will be sent to students' official university e-mail addresses. For IUPUI, this is the @iupui.edu address.

Students are expected to check and maintain their e-mail on a frequent and consistent basis in order to stay current with university-related communications. An e-mail account has a quota after which further messages will be rejected. Students are responsible for cleaning out their e-mail account so further messages may be received. In addition to their university e-mail account, students should also check for course-related e-mail within Oncourse. The same user id and password are used for Oncourse and the university e-mail system. For more information about Oncourse, visit oncourse.iu.edu.

Students who choose to have their e-mail forwarded to a private (unofficial) e-mail address outside the official university network address, do so at their own risk. The University is not responsible for any difficulties that may occur in the proper or timely transmission or access of e-mail forwarded to any unofficial e-mail address, and any such problems will not absolve students of their responsibility to know and comply with the content of official communications sent to students' official IU e-mail addresses. Instructions on forwarding e-mail may be found by visiting https://itaccounts.ju.edu.

University ID

The university has moved away from use of social security numbers as a student's primary identification number. While in most cases, students will be able to complete their business with the university through OneStart by use of a user id and password, there may be occasions when a student id number may be required. Students may obtain their university id numbers by viewing the My Current Information page in OneStart or by bringing photo identification to the Office of the

14 Registration by Web

Registration and Waitlist Classes via the Web

Detailed instructions on how to register or waitlist classes may be found by visiting registrar.iupui.edu.

Waitlisting Courses

In some cases courses may be fully enrolled at the time a student registers. In such cases, a student can usually place himself or herself on a waiting list for the course and will be registered for it should space become available due to added seats or another student's withdrawal. This assumes the student is otherwise eligible to take the course. Instructions on using the waitlist system may be found by visiting registrar.iupui.edu.

Degree Progress Reports

Students should talk with their academic advisor to review the requirements for their degree. Additional information may be found by visiting bulletin.iupui.edu or the Academic Services section of the Self-Service tab of OneStart. For more details visit registrar.iupui.edu

Students also can access OneStart by logging into OneStart.iu.edu

Oncourse

Oncourse is a Web-based environment for learning and collaboration. Oncourse provides a way for instructors and students to communicate and share course lessons, resources, and tools.

A new generation of Oncourse called Oncourse CL will be available for instructors and students to use in Fall 2005. Oncourse CL will be available alongside Oncourse Classic through Spring 2006, after which Oncourse Classic will be retired. Regardless of the system your instructor chooses to use in the fall, all of your courses will still be accessible from your Oncourse Profile page.

Find Oncourse in OneStart at onestart.iu.edu, or go directly to the Oncourse home page at oncourse.iu.edu.

You can search for courses that may be of interest to you by going to the Oncourse home page and typing in the course code, class number, or keyword in the search field. When you find a course of interest, click on the link for the course and explore the Syllabus, Schedule, and Tools, provided the instructor has made the course content available to the public.

Remember, not all courses are online in Oncourse. Students gain access to courses in which they are enrolled approximately 10 days before the start of the semester.

To access your course material in Oncourse, go to oncourse.iu.edu and log in using your Network ID and password. If you need help setting up your accounts or using Oncourse, visit the UITS Web site at uits.iu.edu, call the Support Center at (317) 274-HELP, or visit the walk-up window located on the first floor of the Informatics and Communications Technology Complex in IT 129.

^{*} Classes that meet 2 or more days per week have priority on Final Exam times slots over classes that meet one day per week.

Except for laboratory, clinical, studio, and other activity-based sections, final exams — whether comprehensive or not — are to be given at the appropriately scheduled time during the formal final examination week. Tests or major writing assignments may not be required during the week before the formal final exam week. However, papers, projects, or oral presentations may be due during the last week of class when assigned on the syllabus or announced at the beginning of the semester. Exceptions must be approved in advance by the dean of the particular school involved.

The following courses have a common final given at times other than stated above. These are:

Final examinations are given in all courses except those in which the instructor decides an examination is not necessary.

Final examination conflicts should be resolved with the course instructors

Classes which meet TR, TWR, MTR, TRF, RF, or TWRF will have examinations at the time set for TR classes.

Classes meeting on MW, MF, MTW, WRF, MTWR, or MTWRF will have examinations at the time set for MWF classes.

Students should consult the final exam schedule early in the semester to uncover problems such as more than three exams in one day or insufficient time to cover the distance between successive exams.

The final exam schedule is established to limit potential conflicts in a student's final exam schedule. If an exam is given, it must be held on the day and time published. If the exam time is changed by the instructor, and that change creates conflicts for a student, he/she should first consult with the instructor. If the problem is not resolved he/she should report the change to the instructors department chairperson. If the problem is not resolved at that level, the student should contact the chairpersons dean or director. If the conflict is not resolved at that level the student may contact the Office of the Dean of Faculties. An instructor giving a final examination before the final exam period should be reported in the same way.

^{**} On the second normally scheduled meeting day when or after finals begin.

164 Weekend College

The following courses are offered through the Weekend College. Weekend College classes begin Friday, August 26, 2005 and end with finals the week of December 13, 2005. No classes are scheduled November 23 - 27, 2004 (Thanksgiving Break). Classes with insufficient enrollment will be canceled by the Department.

These courses are crosslisted in the departmental sections of this schedule. Call (317) 278-7600 for more information.

Contact the Office of Admissions/IUPUI Enrollment Center if you wish to enroll in an undergraduate degree program, to be a visiting student, or to acquire adult special student status. Please read the sections describing each of these enrollment categories and qualifications and also note who should not use an undergraduate admissions application.

Contact the following offices if:

- You have a bachelor's degree and you are seeking graduate, temporary, or transient admissions. Contact the IUPUI Graduate School Admissions, Union Bldg., Room 518, 620 Union Dr., Indianapolis, IN 46202-4023 or call 274-4023 for degree programs or 274-1577 for visiting student or adult special student enrollment.
- If you hold a bachelor's degree (including IUPUI and IU degree holders) and now wish an undergraduate certificate, associate, or another bachelor's degree, you must apply through the Undergraduate Admissions Office.
- 3. You are not a U.S. citizen or a permanent resident. Contact the Office of International Affairs, IUPUI, Room 207, Union Bldg., 620 Union Dr., Indianapolis, IN 46202-5167 or call 274-7294 for an international application. (U.S. citizens and permanent residents who have not completed at least two years of secondary school and/or all of any post-secondary study in the United States must also complete the international application.)
- 4. You are a high school or junior high school student in the metropolitan area of Indianapolis and wish to take courses at IUPUI while currently enrolled in school. Contact the Honors Program and request information about the SPAN Program, 274-2660.
- 5. You previously enrolled at any of the OTHER seven IU campuses as a degree student. Contact the IUPUI Enrollment Center at (317)274-4591 or visit www.iupui.edu/~moveiu. That office will explain the steps to follow. If you attended college elsewhere after leaving IU, make arrangements with Undergraduate Admissions for a credit evaluation of your non-IU work.
- 6. You previously attended IUPUI as a degree-seeking student. Contact the IUPUI school you wish to enter and request information about returning to IUPUI. If you attended college elsewhere after leaving IUPUI, make arrangements with Undergraduate Admissions for a credit evaluation of your non-IU work.

OBTAINING AN APPLICATION

You may apply on-line or download an application at www.enroll.iupui.edu. Follow all directions carefully.

APPLICATION FEE

You must pay a non-refundable application fee. Your application fee is valid for two years. This fee must be paid even if you applied to another campus of IU or Purdue. Students transferring from another Purdue campus do not need to pay an application fee.

WHEN TO APPLY AS AN UNDERGRADU ATE STUDENT

You may apply as early as one year in advance of your proposed enrollment. All required credentials must be received before an application will be reviewed. After all credentials are received allow four weeks for the review process.

Applicants who file an application with all required credentials and who have paid the application fee by the priority date will receive full consideration for the semester requested. If admitted, you will be invited to register at a date earlier than final registration provided you participate in the new student orientation program. Applicants who file an application after the priority date will be considered on a space-available basis and, if admitted, will likely register for classes during final registration. Conditional admission will close without prior notice sometime after the priority date.

We want to help you get off to a good start at IUPUI, and the sooner you apply, the better we will be able to serve you.

Types of Undergraduate Admission, Required Credentials, and Qualifications

The University offers you three categories of undergraduate admission: degree-seeking, visiting, or adult special student. Please read the following for definitions, qualifications, and required credentials.

DEGREE-SEEKING STUDENTS

If you wish to enter an undergraduate certificate, associate, or bachelor's degree program, you will apply as a degree-seeking student, even if you are unsure of which degree program. You will apply as either a beginning or a transfer student.

BEGINNING FRESHMAN

You are a beginning freshman if you have never enrolled anywhere (college, business, or vocational school) after high school graduation. We will examine your high school record including courses completed, grades earned, and standardized test results. The trend in your marks and the degree of difficulty of your courses are also important.

Required Credentials

- 1. High school seniors and high school graduates: official high school transcript showing work beginning with the ninth grade.
- GED: General Education Development Equivalency Certificate required if you left high school before graduation. Provide a copy of score results.
- 3. Official SAT I or ACT test results.

Current high school students are required to take the ACT or SAT I test. Applicants with a GED who are 18 must also take the ACT or SAT I. We must have these results before making an admission decision. Beginning with the March 2005 tests, students taking the new SAT I or ACT, must take the writing portion of the new test.

Students who have graduated from high school within the past three years should submit SAT I or ACT scores, if taken while in high school. Students who have graduated from high school more than three years ago are not required to submit ACT or SAT I scores.

4. All beginning students are required to take IUPUI placement tests following admission. The Office of Undergraduate Admissions will notify students of placement testing requirements and procedures for taking the tests once we receive an application for admission.

IUPUI Admission Standards Beginning Students

High School Graduates Admission Requir ements — Regular Admission

- Graduated from High School or will graduate before enrolling at IUPUI
- Provide the results of your SAT or ACT**.
- Indiana high school graduates are expected to complete Core 40. (Academic Honors diploma highly encouraged).

For students who have completed Core 40 with a C average or higher in all Core 40 courses, SAT scores should be 900 or higher or ACT composite of 19 or higher.

For students who have earned an Academic Honors diploma, the applicant will be considered fully qualified regardless of test scores; however, scores must be provided.

- We recommend that all high school students complete the following:
 - 4 years of English
 - 3 years of Math (including second year Algebra); a fourth year is highly recommended.
 - 3 years of Social Sciences
 - 3 years of lab science
 - 4 years of additional college preparatory courses selected from English, mathematics, social sciences, lab sciences or foreign language.
 - **(Seniors in high school must take one of these tests.) If your class has graduated and a fall semester has passed since you graduated, you do not need to take the SAT or ACT. (however, if you did take the test, we would like to see the results.) Beginning March 2005 the writing portion of the new SAT or ACT must be taken.
- Returning adult students should note that SAT or ACT scores are not required and although a high school transcript is required, the admissions committee also considers such things as military experience, life experiences, and job responsibilities when reviewing the application.

Conditional Admission

If you do not meet the above criteria, you will be considered for conditional acceptance based on other factors that will indicate your potential for success at IUPUI: overall quality of your high school coursework, work experience, maturity, and military service.

If you have significant deficiencies in either academic preparation or performance, we will defer your acceptance until you complete designated courses at the Community College of Indiana or another two-year college. A deferral contract outlining the courses to complete will be sent to you. Our program with the Community College of Indiana (Ivy Tech State College) at Indianapolis is called *Partners*, and admissions counselors at both schools are prepared to assist you with a program of study leading to transfer to IUPUI.

GED Admission Requirements

Students enrolling at IUPUI who have not attended college after earning a GED are considered beginning freshmen students. The following are the admission requirements:

- Earned the GED with a score of 53 (530) or higher.
- If you are under 19 years of age, you must provide the results of an ACT or SAT I test.

If your GED score is below 53 (530), you will be deferred to the Community College of Indiana. (See above section on conditional admission.)

TRANSFER STUDENT

If you enrolled at any post-secondary school after leaving high school, you are considered a transfer student. We will examine your college transcripts including courses completed and grades earned. Your high school record will be examined for academic units and will play a role if you

have less than sophomore standing or your college work is below our requirements.

The Office of Undergraduate Admissions maintains a website which shows how courses transfer from many institutions. For more information visit: enroll.iupui.edu

Required Credentials

- Official high school transcript showing all work beginning with ninth grade. (This requirement is waived if you have 25 hours of transferable college work.)
- 2. GED score results if you left school before graduation.
- Official SAT I or ACT test results. This requirement will be waived if you have been out of school for one year or if you have 25 hours of transferable college work.
- Official transcripts from all colleges and business and vocational schools you have attended. Grade reports, FAX copies, and photocopies are not official.

Transfer Admission Standards

General Policy — For regular admissions you must have a cumulative grade point average of 2.0 on a 4.0 scale and be eligible to return to your previous college. *If you do not have a 2.0 or you are not eligible to return to your former school, you must sit out for one regular semester**.* Summer sessions do not count. If you have been dismissed twice, you must be out of school for two full semesters. Please mail a statement with your application explaining what caused the low grades and how you will approach your studies at IUPUI.

** Purdue students are exempt from this policy unless they are on drop status or are required to sit out one semester.

Admission on Probation

If you are below a 2.0 you will be considered for admission on probation provided you have met or are meeting the required time out of school. In some cases students below a 2.0 will be required to file a petition and perhaps schedule an interview. After reviewing your application, the Undergraduate Admissions Office will advise you if you must take these steps. We encourage you to apply three months in advance of your proposed starting date.

VISITING STUDENTS

If you are working on a degree from another institution and wish to take courses at IUPUI, apply as a visiting student. You are responsible for verifying that your home institution will accept the course credits. Your permission to enroll is for one term; however, an admissions counselor can authorize enrollment for additional terms if you are completing your final courses for a degree or if you are in the area on an internship or co-op program. You are not eligible for financial aid as a visiting student. If you wish to enroll in mathematics or English courses, you must either have completed a freshman level (non-remedial) college course or complete the IUPUI placement tests. If the course at IUPUI has prerequisites, you must provide a full transcript to the IUPUI academic adviser who will authorize your registration in the course.

Special note: Students working on degrees at other IU campuses and who wish to register for courses at IUPUI should visit www.iupui.edu/~moveiu or call the IUPUI Office of the Registrar, 274-1512, to schedule a registration time. Foreign students on nonimmigrant visas who wish to attend IUPUI as a visiting student should apply through the Office of International Affairs, Union Bldg., Rm 207, (317) 274-7294.

Required Credentials and Qualifications

- 1. Must be a current college student (enrolled within the last 12 months). If you have not enrolled within the past 12 months, provide a letter from either the dean or your academic advisor at your home institution stating that you have permission to transfer credits from IUPUI to their degree program.
- 2. Provide a photocopy of your most recent grade report or transcript.

Problems? Call the Help Line: 274-1508

- 3. Have a cumulative grade point average of a 2.0 on a 4.0 scale and be eligible to return to your school.
- 4. For high school seniors who have graduated and wish summer school enrollment before attending another college, provide a copy of the acceptance letter from the other college and a copy of the high school record. You must meet all IUPUI admission requirements for beginning students.

ADULT SPECIAL STUDENTS

If you are sponsored by your employer to enroll in a specific IUPUI course or you wish to take a course for self-enrichment, you may apply as an adult special student. You are strongly encouraged to discuss your plans and previous educational background with an admissions counselor before filing an application. If you have attended college but interrupted your education for three or more years and need additional time to complete your application for a degree program, you may request consideration for temporary student status. Permission to enroll is usually for one term

You are not eligible for financial aid as an adult special student.

If you wish to enroll in mathematics or English courses, you must either have completed a freshman level (non-remedial) college course or complete the IUPUI placement tests.

Required Credentials and Qualifications

- 1. You must be 21 or older.
- If you never attended college, you must be a high school graduate or have a GED and provide a photocopy of your diploma, high school transcript, or GED results.
- If you previously attended college, you must not have enrolled anywhere for the past three years and provide photocopies of grade reports or a college transcript.
- If you are being sponsored by an employer and you are not able to obtain the above documents, you may submit a letter of sponsorship from your employer.

ORIENT ATION , EVALUATION OF CREDITS, FINAL TRANSCRIPTS

Orientation

After admission, you will receive information about our New Student Orientation (academic advising, orientation, and registration) from the Office of Orientation.

Evaluation of Credits

With your admission letter, you will receive a credit evaluation report for all college work completed, military training and courses, CLEP test results, and the College Board Advanced Placement (AP) exam results.

Final Transcripts

If you are enrolled in high school or college at the time of admission, you must arrange for final transcripts to be sent to the Office of Undergraduate Admission. The final transcript will be reviewed for satisfactory completion of entrance requirements, and a final credit evaluation will be completed.

Graduate Admissions

Degree-Seeking Applicants

Website: www.iupui.edu/~resgrad

IUPUI has a decentralized process for graduate-level admissions. Each degree program has different admission requirements, and the admission process will normally take between three and nine months to complete. A prospective graduate student should discuss the application process and receive academic advising from the IUPUI school or department offering the degree program. General information on most graduate and professional programs is available in the IUPUI Graduate Office, Union Building, Room 518, but it is best to request it directly from the department.

Graduate Non-Degree Admissions

GRADUATE NON-DEGREE PROGRAM APPLICANTS FLIGIBILTY

Graduate Non-degree classification is for, but not limited to, the following applicants who held at least a bachelor's degree from an accredited college or university:

- Applicants who are awaiting acceptance to a graduate program and wish to take graduate courses with the guidance and approval of a graduate degree program advisor.
- Applicants who want to take course for professional or personal development.
- 3. Applicants who are unsure of what graduate program to which they wish to apply and wish to sample available programs.
- 4. Applicants who are taking prerequisites required for admission to a graduate or second bachelor's degree program.

Education applicants, who want license renewal, endorsement, or certification for Indiana Teacher's license, should contact the School of Education, ES 3131, (317) 274-6801 for admission. Graduate Non-Degree students may take no more than 12 graduate hours of education coursework prior to admission to a degree program in the School of Education. Web: education.iupui.edu

Your admission to the Graduate Non-Degree Program will not ensure admission to another degree program nor does it guarantee that the courses taken under this admission status will later count toward that degree.

Most degree programs will accept no more than 9-12 credit hours toward their degree of coursework taken in Graduate Non-Degree status. Graduate courses in Law, Medicine, Social Work, Business, Informatics and Library Science are not open to Graduate Non-Degree students. You should always contact the school or department offering the degree program before taking any courses that you may later wish to count toward a degree.

GRADUATE NON-DEGREE POLICIES

- Students must maintain a minimum GPA of at least a 2.5.
- Students may not take more than 18 credit hours in a single subject area. Exceptions may only be granted with written permission from the department.
- Students are not eligible to take medical research courses.
- Returning Graduate Non-Degree students who were admitted after January 1, 1993 and completed courses while in GND status but who have stopped out for two years or longer will need to complete a GND Update Form obtained from our website. Those admitted to the GND Program prior to that date will need to complete the online application.

DOMESTIC APPLICATION FOR GND PROGRAM

Phone: (317) 274-7000 Fax: (317) 278-2213

E-mail: intlaff@iupui.edu

Website: http://international.iupui.edu

International Applicants are classified as Non-Immigrant Visa Holders, and/or Holder of Four Year Bachelor's degree equivalent studies outside the U.S. and do not have a U.S. Bachelor's or higher degree. These applicants should contact the IUPUI Office of International Affairs at (317) 274-7000, e-mail intlaff@iupui.edu to obtain application information or have questions and concerns addressed. For more efficient processing of applications, submit the following to the IUPUI Office of International Affairs (Union Building Room 207) no less than two weeks before classes begin.

Please do not submit an application without the following items:

- Completed GND Application for Admission. Applications available from Office of International Affairs, 274-7000.
- Academic records (including transcripts) verifying postsecondary degree completion of four years or more. If necessary, these documents may be faxed to the Office of International Affairs at (317) 278-2213.
- \$45 (check/money order/credit card for the non-refundable application fee payable to IUPUI with the fee payment form. MasterCard, Visa and Discover credit cards are accepted.
- Unless you are a U.S. citizen, copy of documentation verifying your current US immigration or visa status, such as both sides of I-94 card, the page of your passport bearing an INS stamp, or other INS-issued documentation
- Documentation of English language proficiency as described below.
 To register for ESL placement testing, call or visit the IUPUI Office of International Affairs. There is a \$27.00 non-refundable fee for this test.

Residency for tuition purposes will be determined based on information you provide on the application form.

For information regarding any US immigration regulation which restrict study for persons in some visa categories, please contact the Office of International Affairs before you register for any classes.

Persons in F-2 of J-2 Visa Status: If your F-1/J-1 spouse or parent has visa documentation, which was issued by IUPUI, you are subject to IUPUI's mandatory health insurance requirement for international students. You will be billed the student health insurance premium for each semester you register for classes. The cost for this insurance for the 2003-2004 academic year is \$865. If you already have health insurance coverage: You must submit proof of this coverage and request a waiver of the IUPUI policy from the Office of International Affairs within the first two weeks of the semester for which the waiver is requested.

ENGLISH PROFICIENCY POLICY FOR GRADU ATE NON-DEGREE APPLICANTS WHO ARE NON-N ATIVE SPEAKERS OF ENGLISH

The English language proficiency policy for Graduate Non-Degree applicants who are non-native speakers of English is as follows:

Satisfactory English language skills are necessary for enrollment as a graduate non-degree student. Non-nati ve English speakers must take the IUPUI ESL test unless they have received a U.S. bachelor's or higher degree or if their degree was earned in a country where English is the native language.* They may also be exempt if they can provide a transcript from a U.S. university showing one of the following items.

 two or more English writing or composition courses with a grade of B or better in each course (for the purpose of demonstrating English proficiency under this policy, composition courses must be transferable to IUPUI at the W131 level (Elementary Composition) or higher.

- ECFMG Certification
- the equivalent of IUPUI's W131 with a grade of B or better.

Individual schools and pr ograms may ha ve policies for documentation of English ability, which differ from the GND policy. Students who anticipate pursuing a graduate degree on this campus are encouraged to take the ESL Placement test, even if they are not required to take it for GND admission, since their academic unit will most likely require it at a later date.

GND students are given a grace period of one semester in which to satisfy the testing requirement. If you are subject to this policy, you must take the ESL test before registration for a second semester will be permitted. To register for the test, you will need to:

- Be admitted to the Graduate Non-Degree Program
- Know your University ID#
- Call the Testing Center at 317-264-2620 to register for the test
- Take to the Testing Center the day of the test: your admission letter, your picture ID and pay the \$27 registration fee (by cash, check or money order).

To receive an exemption from the ESL test requirement under the terms of this policy, you must:

- Submit a transcript from a U.S. university in a country where English is the native language with the GND application, OR
- Complete and submit the Request for Exemption from ESL Testing form which can be obtained at the Office of International Affairs (please review this form for details regarding waiver eligibility).

Any applicant who wishes to enroll in ESL courses must take the ESL placement test before course registration.

*Anguilla, Antiqua, Australia, Bahamas, Barbados, Barbuda, Belize, British Virgin Islands, Canada (except Quebec), Dominica, Grand Cayman Islands, Grenada, Guyana, Irish Republic, Jamaica, Montserrat, New Zealand, St. Kitts & Nevis, St. Lucia, St. Vincent & the Grenadines, Tobago, Trinidad, Turks and Caicos Island, United Kingdom: England, No. Ireland, Scotland and Wales

FEE COURTESY FOR EMPLOYEES

IUPUI employees and their spouses: If you (or your spouse) are employed full-time at IUPUI, complete the Fee Courtesy Request Form, available online at www.hra.iupui.edu If you have been classified as a non-resident of Indiana for tuition purposes, be sure to mark that you are assessed tuition at the out-of-state rate. Completing this form enables you to receive the fee courtesy and reductions available to full-time IUPUI employees and their dependents.

- 1. A drop box is located in the lobby of Cavanaugh Hall to place appeal or sponsor information, written questions, check or money order payments
- Payments received in the drop box may be considered next day business.
- 3. Do not place Cash or signed traveler's checks in the drop box as they MUST be transacted in person, with a cashier, and a receipt given.
- Please take all Drop/Add Forms or Special Credit Forms to the Office
 of the Registrar for processing. If a charge is connected to the transaction you will be billed.

Bursar Terminology

ACCOUNT ENCUMBRANCE

The Office of the Bursar is responsible for the collection of any outstanding University financial obligations. All outstanding items must be paid or otherwise be cleared by the originating department. An encumbered account may be denied certain University services until paid in full. These withheld services include but are not limited to receiving transcripts or diplomas, obtaining short-term loans, or validating registrations. Future deferments may be denied if there is a late-payment account history.

GUARANTEED FUNDS

Guaranteed funds are considered cash, money order, cashier's checks, or certified checks. When guaranteed funds are required, personal checks and company or business checks may not be accepted as payment.

IDENTIFICATION

(Bursar)

Identification may be required for transactions with Cashiers. Valid ID is the JagTag or any official form of identification with a photo and signature (i.e. current driver's license or student ID card). Additional JagTag (Student Photo ID Card) information may be found in the Student Information segment of this schedule.

STUDENT BILL/ACCOUNT ST ATEMENT (Billing, Statement or Account Statement)

A billing statement will be generated each month (generally around the second week of the month). At this time the bill will be sent via postal mail and will be available electronically via QuikPAY. (To access QuikPAY you may click the button on the left side of the bursar web page: www.bursar.iupui.edu.)

The statement indicates all obligations owed the University and may have the following notations or service indicators. Make note of these and follow all instructions.

1. Contact Student Loan Administration

A notation to contact Student Loan Administration (SLA) means that SLA has encumbered the account. If SLA does not release the account, the enrollment may be terminated even if full payment has been received. Recipients of financial aid will not receive financial aid credits until a clearance has been obtained from the SLA office. For SLA information please telephone 1-800-458-8756.

2. No Checks Accepted

If this notation appears on the statement, payment of fees or other items must be made with guaranteed funds only. Guaranteed funds include cash, cashier's check, certified check or money order. No personal or company checks will be accepted on this account. If a personal check is sent, the check may be returned and the enrollment is subject to termination. For reinstatement of check writing privileges, look in the Appeal Procedures section under Check Acceptance Privilege Appeals.

Office of the Bursar 177

- 3. Personal Deferment Option Denied
 - If this notation appears on the statement, the deferred installment option is not authorized. The deferment option is denied for a minimum of one-year. All fees must be paid in full by the due date. For reinstatement of personal deferment privileges, look in the Appeal Procedures section under Deferred Installment Plan Appeals.
- 4. "CR" After Total Due or a minus sign before Total Due Do not pay an amount which has a "CR" or minus sign in the Total Due box. These are credit balance indicators. A review of the bursar account may generate a refund. If you have set up direct deposit with us for your refunds it will be sent to your banking institution otherwise a check will be mailed to your LOCAL address. Please visit the personal information section on the Self Service tab in OneStart and verify your LOCAL address as this is where your refund will be sent. Payments for a "CR" amount may be returned unprocessed.

MULTI-CAMPUS ENROLLMENT

- Students who enroll on more than one campus of Indiana University
 must verify that satisfactory financial arrangements have been made
 by the due date of each campus. Fee payment information varies from
 campus to campus. Contact the Office of the Bursar at each campus
 for specific fee payment information.
- In the case of multi-campus enrollments, bills will be prepared and mailed by each campus. IUPUI charges must be paid or removed by the IUPUI due date.
- 3. Deferred installment plan (Personal Deferment Option) charges must be set up and verified at each campus.

STUDENT ADDRESS

Addresses on file with the Office of the Registrar are used for all bursar mailings. It is important to keep ALL information up-to-date. Inaccurate or outdated address information may result in the delay or even loss of your important financial materials. Because the campus is responsible for maintaining the security and integrity of the file update, changes may be made on-line through OneStart.iu.edu or in-person at the Office of the Registrar, CA 133, 425 University Blvd., Indianapolis, IN 46202-5144.

The IUPUI student email address is considered an official communication form within IUPUI. It is your responsibility to check your e-mail for important university communications or to forward university addressed e-mail to any private provider, such as AOL or Hotmail.

With an IUPUI Network ID you can use e-mail, create a Home Page, dial-in to IUPUI from home, or access a UNIX shell. If you do not currently have a Network ID apply for one today!

Services

ACADEMIC TRANSCRIPTS

(REGISTRAR)

\$7.00 each

Copies of your academic transcript may be obtained at the Office of the Registrar. The charge for this service must be paid at the time of the request.

FINANCIAL TRANSCRIPTS

(BURSAR)

\$3.25 each

Copies of your historical financial transcript may be requested via email bursar@iupui.edu or over the phone 317-274-2451. The \$3.25 service charge will be added to your Bursar account. This charge will appear the next business day and will need to be paid prior to the transcript being sent. All unpaid requests will be considered void after 14 business days. The request may be denied if the account is encumbered.

SHORT-TERM LOANS

(Limited service based on funds)

\$7.50 Service Charge (Non-refundable)

This service is available to any student who needs emergency funds and meets the following criteria:

- 1. Enrolled in at least 6 IUPUI credit hours for the fall or spring academic term (at least three per summer session).
- 2. Good bursar credit histor v.
- 3. Current fees must be paid or deferred.
- 4. Maximum of 2 loans per academic semester or 1 loan per summer session.

The short-term loan application can be requested from, completed and returned to any Cashier. The proceeds will be available via direct deposit or mailed within two business days.

Appeal Procedures

If your account has negative service indicators this service may be denied. You may appeal for reinstatement of this university service. Appeals should be addressed to the Office of the Bursar referencing account name, university identification number, and current mailing address. Pertinent information regarding denial of University services, request for services reinstatement, and supporting documentation are necessary for consideration of appeals. A decision will be rendered in four to six weeks. Current status notification will be sent after a decision has been made. All appeals should be submitted at least 30 days before a registration period, whenever possible.

FEE REFUND APPEAL PROCEDURES:

In order to be considered for a refund or waiver of fees, a student must:

- Submit the appeal no more than one year following the close of the appealed semester.
- 2. Have officially withdrawn from classes to appeal.
- 3. Submit a written request with the following information:
 - a) name, address and the 10 digit student identification number.
 - b) detailed reason(s) for the appeal.
 - c) specific semester and course(s) for which the refund is requested.
- 4. Supply supporting documentation on letterhead or via university email:
 - a) from Dean, Department Chair, counselor or instructor.
 - b) letter from physician of inability to attend.
 - c) other documentation necessary, i.e. employer, police report, etc.
 - d) from Professor(s) confirming non-attendance.

Please note that financial aid MAY be removed from account status if an appeal is granted. These candidates should <u>consult the Office of Student Financial Aid Services for counseling before withdrawing and appealing.</u>

CHECK ACCEPTANCE PRIVILEGE APPEALS

The privilege of using personal checks with cashiers or the Office of the Bursar is denied when two or more nonnegotiable checks have been returned by the bank or may be denied for a history of bad credit. One year after the denial of the privilege or after payment for the nonnegotiable check and its fees, whichever is more recent; an appeal may be filed. A favorable decision will be a probationary privilege, which may be revoked upon receipt of another nonnegotiable check. Requests for probationary check-writing privileges must be made in writing and received at least 30 days before registration, whenever possible.

DEFERRED INSTALLMENT PLAN APPEALS (Personal Deferment Option)

This privilege may be denied when a late payment has been received on the personal deferment balance or when an account has shown a history of bad credit. One year after the privilege has been revoked or after payment of delinquent fees, whichever is more recent, creating a new favorable credit history, an appeal may be filed. Requests for reinstatement of personal deferments must be made in writing and received at least 30 days before registration, whenever possible.

MANDATORY FEES

STUDENT TECHNOLOGY FEE RATES — Mandatory

Student technology fee income is used to fund technology resources that are directly accessible to students, and of which students are the primary beneficiaries. Resources are interpreted to include not only technological equipment, but also personnel to support student use of, and access to, the equipment. Guidelines for the allocation of Student Technology Fee funds by academic units require student participation in the planning process. Technology fees are based on your class standing as determined by your academic unit at the time the fees are assessed. The IUPUI semester technology fee schedules are as follows:

Optional Fees

Students may request the following fees during registration. Requests for optional fee refunds must be obtained from the issuing department.

LOCKER RENTAL FEE

(HPER)

\$16.00 per semester

This entitles a student to the use of a locker in the Physical Education building. Locker rental space may be available on a first-come, first-served basis after open registration for those not enrolled in a physical education course through the School of Physical Education, Department of Intramural and Recreational Sports. After registration, the fee must be paid at the School of Physical Education.

RECREATIONAL FEE

(HPER) \$18.50

Fall Term (*subject to change)

(HPER) \$19.50

For student use of the recreational facilities, according to the schedule arranged and posted by the School of Physical Education, Department of Intramural and Recreational Sports. If selected after registration, the fee must be paid at the School of Physical Education.

HOUSING CHARGES

Room and board charges may be included on the Student Bill/Account Statement. Financial aid recipients must pay any balance after application of their aid. Apartment rental charges are due and payable by the first of each month. The Housing Department will assess penalty charges according to the contractual terms. Dormitory and apartment rental charges may not be deferred and must be paid in full. Contact the Housing Department at 274-7200 for more information.

PARKING DECAL FEES

(PARKINGSERVICES)

Parking decals will **NOT** be an optional fee through the registration process. Parking Services will be offering new options for your parking convenience, www.parking.iupui.edu.

SPECIAL CREDIT FEES

All special credit forms need to go to the Office of the Registrar for processing. If a charge is connected to the transaction you will be billed.

Credit hours are determined by issuing department.

If the credit is awarded as the result of an examination and the applica-

- 1. processed within the first three semesters following matriculation, there is no charge.
- 2. for a first semester transfer student, there is a \$20.00 per credit hour charge.
- 3. neither of the above, the standard credit hour resident or nonresident rate will be assessed

If the credit is awarded as a result of credentials or experience, the fee will be assessed at the rate of \$20.00 per credit hour not to exceed \$100.00 per course.

Special Credit forms expire six months from the date of issue. If no date is showing, the student would need to return the form to the issuing department before processing by the university cashiers.

AUDIT FEES

Equal to ALL quoted credit hour rates

To audit a course for record, an audit form from your school or division must be presented to the Office of the Registrar. Audited courses receive no grades or credits. If a course is changed from credit to audit after the first week of classes, a late program change fee will be assessed.

Payment Options and Information

METHODS OF P AVMENT

Commonly accepted payment methods are credit card, check, money order and cash. Because paying in person may involve waiting in line you are encouraged to pay via the web or postal mail.

Web payments are done via QuikPAY and can be by credit card (Visa, MasterCard, or Novus/Discover) or from your checking or savings account. You or your authorized payer may access QuikPAY from the bursar website: www.bursar.iupui.edu and click on the QuikPAY button on the left side of the page.

Checks may be sent by postal mail either in the envelope provided with your billing statement or sent to: Office of the Bursar, P.O. Box 6020, Indianapolis, IN 46206-6020. Mailing your payment at least five business days before the due date will help ensure receipt of payment by the due date. Please be aware that nonpayment of your bill may jeopardize your enrollment, so arrange for payment on your account early.

Cash or Trav eler's Check P ayments

- 1. All payments must be United States currency.
- 2. Do not place cash in the bursar drop box as it must be accepted by a cashier with a receipt returned acknowledging the transaction.
- Do not place signed traveler's checks in the bursar drop box, as they must be negotiated through a cashier with a receipt returned, acknowledging the transaction..
- 4. Traveler's check payments must be in United States dollars and drawn on a United States bank.
- 5. If payment is made by check, any resulting or future credit balance will be refunded after 14 days.

Check or Money Order P ayments

- Electronic check presentment via the web is preferred. You may access QuikPAY from our webpage: www.bursar.iupui.edu.
- 2. Checks or money orders must be payable to IUPUI.
- 3. Checks or money orders must be payable in United States dollars and drawn on a United States bank.
- 4. Postdated checks are not accepted.
- 5. Counter checks may not be accepted.
- Two-party checks (i.e. checks made payable to an individual, company, or institution other than IUPUI) are not accepted.
- 7. Any personal checks may be returned if the account indicates to send Guaranteed Funds as described in the Bursar Terminology section.
- 8. For other information regarding check payments, see also: No Checks Accepted as defined on Student Bill/Account Statement; Check Acceptance Privilege; Stop Payment; Returned Checks.

CREDIT CARD P AYMENTS

You may pay by credit card using Novus/Discover; Visa, or MasterCard by going to our website: www.bursar.iupui.edu and clicking on QuikPAY. You may also set up authorized payers to pay on this site.

MAIL-IN PAYMENTS

** Do not mail cash **

Our bank processes mailed payments. DO NOT write notes on the payment stub or enclose correspondence with your remittance. Address change information should be directed to the Office of the Registrar, CA 133, 425 University BLVD., Indianapolis, IN 46202.

All other correspondence, should be directed to the Office of the Bursar, PO Box 6020, Indianapolis, IN 46206-6020.

Special handled mail (for example FedEx) can be delivered to: Office of the Bursar, 425 University Blvd., CA 147, Indianapolis, IN 46202-5142.

Students who register during Priority Registration may pay fees by mail with:

- Check or money order for United States dollars, drawn on a United States bank, and made payable to IUPUI. The canceled check will be payment receipt.
- 2. Installment plan (personal deferment). See below for more information
- Sponsor authorizations. For more information, read the Sponsored Student section.

Any personal checks may be returned if the account indicates to send Guaranteed Funds. Students with address change information may refer to the Student Address section.

INSTALLMENT PLAN (Two- or Three-payment plan)

(Personal Deferment Option) Non-refundable service charge.

Students who register during the priority registration period may pay the minimum payment amount as indicated on the Account Statement, if they are eligible for the Deferred Installment Plan. This amount includes 100% of prior-term charges, if any; 100% of campus housing charges, if any; 100% of any optional selections; 40% of credit hour, course related and mandatory fees; and the personal deferment service charge. Denial of subsequent plans may occur when the second or third payment is received after the deferment balance due date.

- The minimum payment will be calculated and listed on the initial semester billing. Students who have enrolled on more than one campus should pay each campus.
- 2. If you make schedule adjustments prior to the due date, the minimum amount must be recalculated if you wish to use this option. Please email: Bursar@iupui.edu to request recalculation of the minimum.
- 3. The second bill of the term will include the minumum payment for eligible students who register, add or have already made a first installment payment. A deferment service charge (about one half, the installment service charge) will be added to the student account.
- 4. A payment received that is equal to or greater than the required minimum and less than the total amount due, will be treated as an installment payment. The service charge will be applied to the account.
- 5. Financial aid credits, fee remissions, sponsor authorizations, etc., may not be used for personal deferment down payments.

SPONSORED STUDENTS

Sponsored students are those for whom an agency outside the university is paying student fees. This usually is an employer but includes government agencies, Vocational Rehabilitation, Military branches, foreign governments, and others. Mail authorizations at least 5 days prior to due date to: Office of the Bursar, PO Box 6020, Indianapolis, IN 46206-6020. Authorizations may be placed in the drop box at least two (2) days prior to the due date. A fax may also be used for submitting an authorization by dialing (317) 278-1579.

The authorization must, at a minimum, reference the student's name, identification number, and state the amount and type of fees the sponsor intends to pay, ie, course fees, lab fees or other mandatory fees associated with the course such as the technology and activity fee. The authorization must include the effective period for the authorization and be on

official letterhead or billing form of the sponsor. A revised account statement will be provided to students presenting authorizations in person.

- Authorizations maintained in the Office of the Bursar will be applied
 to the student account. Payment of fees cannot be conditional upon:
 grades, completion of courses, or employment status. The billing
 authorization must include a complete mailing address and a telephone number of a contact person. Automatic authorization application changes must be made in writing.
- Sponsoring agencies are not routinely billed for library charges, returned checks, parking decals or tickets, ID cards, recreation fees, locker fees, late chrges, etc. Students may be responsible for these fees.
- Sponsor payments on your account could affect your aid package, if you are a financial aid recipient.
- 4. When the sponsored student chooses not to attend IUPUI, enrollment must be terminated by written request to the IUPUI Office of the Registrar. Fee payments not paid by the sponsor per the terms stated on our sponsor billing may become the student's responsibility. If the student has applied for financial aid, it is the student's responsibility to notify the Office of Student Financial Aid Services of any sponsorship for which they may be eligible. Failure to remit payment in a timely manner could result in the Bursar Office not accepting future authorizations from a sponsor.
- 5. Fee payments not paid by the sponsor within 30 days of the billing date become the student's responsibility.

Financial Aid Recipient Information

Financial aid recipients are considered those students who have their tuition obligations reduced by the following:

- 1. Grants: SSACI, Pell, Lilly, etc.
- 2. Scholarships
- 3. Monies borrowed from banking institutions
- 4. Monies borrowed through the University: Perkins, NDSL, Federal Nursing, Health Professional, etc.
- 5. University fee courtesy for full-time employees
- 6. University departmental fee remissions.

When you register, all processed financial aid will be indicated on your Student Bill/Account Statement as anticipated aid.

- 1. Financial aid recipients whose aid is not posted on their statement must verify aid status at the Office of Student Financial Aid Services.
- 2. Any aid awarded by the Office of Student Financial Aid Services must be confirmed before the due date.
- 3. For a revised Account Statement, please check "OneStart", email bursar@iupui.edu, or visit an University Cashier.

FINANCIAL AID DISBURSEMENT

When financial aid awards are greater than the amount of fees due, refund checks may be generated. Direct Deposit or refund checks are available to eligible recipients by the first day of classes each semester. See the Bursar Calendar for specific semester dates. Federal regulations state that:

Title IV grant and loan monies may not be used for non-educational purposes (including but not limited to: parking decals, recreation and locker fees, parking and library fines, etc.) without a signed Student Letter of Authorization on file. The letter is valid for the student's entire career at the institution where it is filed. Those students who are eligible for federal aid will receive mailings detailing and including authorization letters and cancellation policies.

Bank loans and University loans must be paid back, both principal and accrued interest, by the student or parent as defined in the terms related to the loan type.

Any account charges that remain unpaid after all aid has been applied or award(s) canceled become the responsibility of the student.

SCHOLARSHIP CHECKS P AYABLE TO THE STUDENT

Because the IUPUI Office of Student Scholorships is responsible for proper administration of student scholarships, it must acknowledge all scholarships. If scholarship checks are sent directly to an IUPUI student, they must be presented and processed through Office of Student Scholarships, in Cavanaugh Hall, 425 University Blvd., Indianapolis, IN 46202-5143. Do not use the familiar bursar return envelope as that will slow the processing of your important financial aid. Contact the Office of Student Scholarships for additional information and instructions at 317-274-3720.

UNIVERSITY LOANS

The Office of Student Financial Aid Services awards Perkins Loans, National Direct Student Loans (NDSL), Federal Nursing Loans, Health Professions Loans, or other University loans. Promissory notes are created by Student Loan Administration (SLA) and are audited for student enrollment eligibility verification, and mailing to the borrower. The original loan note and any enclosed documents must be signed by the student and returned to SLA in the envelope provided. When SLA receives the signed promissory note, it is recorded on the student account and the appropriate credit is posted. An unsigned loan note is not a valid credit and may jeopardize your enrollment status. If an expected University loan has not been received, signed, and returned, the student must contact the Office of Student Financial Aid Services to request a financial aid deferment before the Summer session due dates only.

DEPARTMENTAL FEE REMISSIONS

All IUPUI departments may submit award notifications to the Office of the Bursar for processing. An award from another campus for IUPUI courses must be posted by the IUPUI Office of the Bursar. The student must:

- 1. Verify the award is on the Account Statement before the due date.
- 2. Pay any remaining balance after application of the award. Nonpayment of fees may jeopardize the enrollment.

FEE COURTESY POLICY

Employee Fee Courtesy Policy

By the end of the first week of classes for the semester or first summer session, the employee must be one of the following:

- An employee on full-time paid appointment at IU (100% FTE);
- A former employee with retiree status;
- An employee receiving long-term disability benefits.

Dependent Child Fee Courtesy

On the first day of the session, the recipient of Dependent Child Fee Courtesy:

- 1) must be a dependent child or step-child of an eligible employee, a child or step-child of a registered domestic partner or a child whose legal guardian is an eligible employee or employee's spouse, 2) must be under 24 years of age, and 3) must be unmarried.
- A dependent child of a deceased employee who was eligible at the time of death, and on the first day of the session meets the conditions above.

Spouse Fee Courtesy

On the first day of the session, the recipient of Spouse/Registered Domestic Partner Fee Courtesy:

must be a legal spouse/registered domestic partner or a spouse/registered domestic partner of a deceased employee who was previously eligible.

Questions regarding IU employment eligibility should be directed to your campus Human Resources office. Also see HRA website for dates, forms etc.

Schedule Adjustments

ADDING COURSES

Charges resulting from adding a course will appear on your Student Bill/Account Statement. These charges must be paid by the due date listed. Failure to make payment may jeopardize your enrollment status and your ENTIRE enrollment may be subject to termination.

DROPPING COURSES

To receive financial credit for a dropped course, the schedule adjustment form must be received in the IUPUI Office of the Registrar for processing during a refund period. For refund information, refer to Refund Schedule.

- 1. Verify the correct course has been dropped.
- 2. Any credits for dropped courses will be applied to the account.
- 3. Refund amounts are determined by the date the drop activity is processed by the IUPUI Office of the Registrar.

DROP/ADD/EVEN EXCHANGES

Refunds and Course Exchanges — See Refund Schedule

After the 100% refund period there are no even exchanges. If you drop a course the corresponding credit will be applied to your account and the full price of the added course will also be applied to your account.

There will be a late schedule adjustment charge for each change.

TERMIN ATION OF ENROLLMENT

After the semester's first due date a system-generated termination MAY be initiated which could cancel student enrollments and reverse enrollment fee charges. Cancellation of classes and reversing of fees is completed to:

- 1. Allow reports to be generated and sent to schools and departments, providing them with accurate enrollment statistics.
- 2. Assist students choosing not to attend classes, but who do not advise the Office of the Registrar of their decision.

This is not a means of withdrawal on the part of the student. If you do not wish to attend your confirmed classes and you wish to preserve your academic record, follow the procedures outlined in the front of this Schedule of Classes or on the IUPUI Registrar's website: registrar.iupui.edu.

VOLUNTARY WITHDRA WAL FROM SCHOOL

- Please refer to the procedures listed on the Registrar's website at: registrar.iupui.edu or under the registration header in the front of the Schedule of Classes.
- Do not depend on nonpayment to terminate your enrollment. Prior term credits may have applied to current term charges, which may maintain current enrollment status.
- 3. If you decide you do not wish to attend school, you MUST pursue a total withdrawal by notifying the Office of the Registrar.

Check and Account Information

REFUND CHECKS

The Office of the Bursar conducts all of its business directly with the student. Just as monthly charges are listed in the student's name, so are any course withdrawals that might produce a refund. Therefore, refunds are drawn in the name of the student. Refunds will not be generated on the day a class is dropped. Financial aid recipients may be required to wait an additional length of time for an extra screening by the Office of Student Financial Aid Services. If your refund is not received within 35 days from the date the drop was made, please contact the Office of the Bursar, bursar@iupui.edu.

DIRECT DEPOSIT

Direct Deposit is a service which allows eligible students to have refunds deposited into their personal checking accounts.

Eligible students are those who have credit on their bursar accounts resulting from:

- dropped classes
- · bank loans
- · financial aid
- · other refundable credits.

and whose bank participates in Direct Deposit.

Advantages of Direct Deposit:

- Funds will be deposited into checking account at earliest opportunity.
- Funds won't be delayed or lost in the mail.

Sign up for Direct Deposit at www.onestart.iu.edu. Each time you enroll be certain that your bank information is correct.

DELINOUENT ACCOUNTS

IUPUI Charges A Late Fee On Past Due Bursar Accounts.

University policy requires timely payment for all charges owed to Indiana University, including but not limited to, tuition and fees, library and parking fines. Failure to make payments on time will subject you to an additional charge of \$12.75, which is subject to change without notice. Timely payment of your account with approved financial aid, personal check (unless restricted), credit card or cash will ensure that you avoid the late fee assessment and keep your account in good standing.

In addition to monthly late fees the University reserves the right to restrict services, terminate enrollments, contract for outside collections, and pursue legal action in the collection of any past due debt.

STOP PAYMENT ON CHECKS

A stop payment order issued through your bank does not constitute official withdrawal. See the section entitled Dropping Courses to withdraw from classes. A service charge will be assessed and is nonrefundable on all stop payment orders. See Returned Checks, below, for service charge information

RETURNED CHECKS

Upon the return by the bank of any nonnegotiable check, your account will be assessed a nonrefundable service charge. Nonnegotiable checks for fees may cause termination of enrollment in addition to the service charge. The current service charge is \$20.00 per check or 5% of the face value of the check (whichever is greater). The return by the bank of two or more nonnegotiable checks will jeopardize check-cashing privileges and your credit standing with Indiana University.

NONNEGOTIABLE CREDIT CARD

Upon the return by the bank of any nonnegotiable credit card, your account will be assessed a nonrefundable service charge. Nonnegotiable charges for fees may cause termination of enrollment in addition to the service charge. The current service charge is \$20.00 or 5% of the nonnegotiable charge (whichever is greater). Your credit standing with Indiana University may be in jeopardy and monthly late fees may be assessed. Also, refer to the delinquent accounts section.

Adaptive Educational Services

The Office of Adaptive Educational Services (formerly Disabled Student Services) actively works to make campus life and learning accessible for students with disabilities. Sign language interpreters, note-takers, readers, exam proctors, and classroom accomodations are services offered by Adaptive Educational Services.

For more information, call 274-3241. (TDD available)

Visit: life.iupui.edu/aes/index.html

Audit Policy

Courses may be taken on a official audit basis. No credit will be given for the courses; the audited courses will be indicated on the student's transcript with a grade of NC. The student must pick up audit forms from their school or division, secure the appropriate signatures, and turn into the Office of the Registrar by:

Bookstores

The IUPUI Jags Bookstores have four convenient locations, three in Indianapolis and one in Columbus. The stores are a non-tax funded, self-supporting auxiliary service, owned and operated by Indiana University and the state of Indiana. We are unique from other bookstores and internet companies serving the IUPUI campus in that revenues generated from our sales are used to fund student projects and activities on the IUPUI campus.

The mission of the IUPUI Jags Bookstores is to serve the academic community by making available books and supplies required for course work. In addition, each store maintains a selection of general books, supplies, imprinted sportswear, gifts, computers, and other merchandise and services which contribute to the overall educational experience offered by IUPUI. Each store extends its hours during the first two to three weeks of classes. These additional hours are posted at each store location.

After you register, visit Oncourse for a list of your books — typically available 2 weeks prior to the start of the term. Click on my bookstore.

TEXTROOKS

You will find books arranged by department and then numerically by course and section. Each text book has a shelf card that lists course, section, instructor, and if it is a "required" textbook. Recommended titles are so stated on the card (in these instances attend the class before you make your purchases.)

Locating your textbook can be made easier by having your class schedule with you. If you can't locate a book you need, don't hesitate to ask the staff for help. Each store has an alphabetical-by-the-author listing of all books being used for the current semester, and a listing of all courses, and the required books for each course. They also have a copy of each faculty request for any book used at their location.

ORDERING TEXTROOKS ONLINE

The e-commerce solution to ordering your textbooks is here. Simply go to the IUPUI Jags Bookstores' website: bookstore.iupui.edu, click "mail order textbooks," and provide your course information when prompted. Once you've placed your order, you can track it by visiting the same web location. It's simple and easy, and you don't have to stand in line. Go online instead!

LISED BOOKS

The Bookstores make a major effort to provide as many used books for students as possible. Used books are obtained from two major sources:

- · Books bought from our own students during Buyback.
- Orders placed with used-book wholesalers throughout the nation.

TEXTBOOK RETURN POLICY

- A receipt is required for all refunds or exchanges.
- Dates for refund periods will be posted in each store and given to each customer at the cash register.
- Return of purchases made by credit cards must be accompanied by:
 - 1. The credit card.
 - 2. The cash register receipt.
- Books purchased new must be in resaleable condition to be returned.
 We are not able to accept returns on new books that have been marked in, have a name written in, are stained, have bent covers, etc.

BUYING USED BOOKS

- Used books are in great demand and should be bought early.
- · Used books sell for 25% less than new books.
- If there are used books available for a class, they will be shelved with the new books for that course.

SELLING USED BOOKS/BUY-B ACK

- Cash is paid for used books during finals week, during late registration and other announced Buy-back dates. Current Student ID is required to sell books back.
- If a book is required for the upcoming semester, and is on the Buyback list, the Bookstores may pay half of the current new price.
- If a book is not required reading for the following semester, wholesale prices ranging between 10% and 30% will be offered.

EXCEPTIONS

- We are unable to buy back old editions, trade paperback, work-books, and desk copies.
- The Bookstores are unable to buy used books if there is an overstock of inventory.

OTHER MERCHANDISE

The Bookstores stock a selection of gifts, greeting cards, magazines, candy, sundries, and imprinted sportswear. You'll find school supplies, office supplies, writing instruments, calculators, computers, academically priced software, PDAs and accessories, PDA software, and computer supplies. The IUPUI Jags Bookstores stock sportwear imprinted with Jaguar, I.U. and Purdue and IUPUI school logos priced below other local retailers. The Bookstores welcome special orders and are prepared to quote special group prices.

PAVMENT

The Bookstores accept cash, personal checks, MasterCard, Visa, Discover and University One Card. Payment by personal check requires a current IUPULID.

If paying by check, please note the following points:

- Checks should be made payable to the IUPUI Bookstores.
- Two-party checks (those not made payable to IUPUI Bookstores) are not accepted.
- Checks will only be accepted for the exact amount of purchases only.
- Your name, address, phone number and Student ID Number must appear on every check.

SECURITY

- The Bookstores are not responsible for lost or stolen property.
- Smoking, food, drinks, weapons and pets are not allowed inside the Bookstores
- We do require shirts and shoes to be worn in the Bookstores.
- Any person caught shoplifting may be subject to prosecution in the courts.

Bus Services

IndyGo and Metro buses: routes serving campus directly are #3 W. Michigan Street, #37: Park 100, #13: W. Tenth Street.

Schedules for most routes are in the University Library and the Union Building, or visit registrar.iupui.edu/maps.html.

All schedules are available at Walgreens, and the Metro Travel Information Center, 139 E. Ohio Street, (317) 635-3344.

See Parking and Transportation "Free Services" for on campus shuttle services, or visit registrar.iupui.edu/maps.html.

Canceled Classes

The University reserves the right to cancel courses. Students officially enrolled in classes which are canceled must withdraw from the classes according to regular withdrawal procedures during the first week of classes. This is done to allow you to add a class in its place. If the student does not drop/add, the Office of the Registrar will withdraw him/her from the class for a 100% refund during the second week of classes.

IUPUI Career Center

The IUPUI Career Center is a key resource for students, particularly exploratory students, who are considering academic majors and career paths. The center's primary purpose is to aid students in developing, evaluating, and effectively implementing a sound career planning strategy. Tools provided to assist in this process include self-assessment inventories, career counseling, workshops, the Student Employment Office and the IUPUI Internship Program. In addition, the Career Center houses JagJobs, the latest web-based technology for posting internships, non-degreed jobs and senior/alumni employment opportunities. The Career Center sponsors several large job fairs throughout the fall and spring semesters, including the Indiana Multicultural Job Fair and the Indiana Collegiate Job Fair.

For additional information about Career Center programs and services, see the web site: www.career.iupui.edu, or visit the Career Center, Business/SPEA Building, BS 2010, (317) 274-2554.

Computing Support and University Information Technology Services

Information technology plays a vital role in making IUPUI one of the nation's best urban universities. Through a wide range of tools, services, and resources provided by University Information Technology Services (UITS), students can tap into technology conveniently.

Tech support via e-mail, a walk-up windo w, phone, or the Web.

Technology Support is available 24-hours a day, seven days a week, 365 days a year. Look for answers to your computing questions on the UITS Web site at uits.iu.edu. If you require further assistance, contact the UITS Support Center by phone at 274-HELP (4357), ithelp@iu.edu, or by visiting the walk-up window on the first floor of the Informatics and Communications Technology Complex (ICTC) in IT129.

Computers on campus

The Student Technology Centers (STCs) offer the latest in hardware and software, as well as consultants to help with questions or problems. There's even a 24-hour STC lab on the first floor of the ICTC in IT131 for your convenience! You will need your JagTag to enter the building after normal business hours. For a complete list of STC locations and hours, select "Labs, Classrooms, and Instructional Resources" on the UITS Web site at uits.iu.edu. If you would like to use a laptop computer on campus, UITS offers wireless access at some campus locations. For more information about using IU's wireless Virtual Private Network (VPN) Service, visit http:/kb.iu.edu/data/akbr.html

Computing classes and technology training

UITS IT Training & Education offers free STEPS computing classes for students that cover a broad range of topics, including Access, Dreamweaver, e-mail, Excel, Flash, Oncourse, Photoshop, PowerPoint, statistics (SPSS), Web development, and word processing. The classes are held on the first floor of the ICTC in IT127. Most classes are free to students while staff and faculty may attend for a nominal fee. Advanced registration for classes is recommended, but walk-in registrations will also be accepted if seats are available. See the IT Training & Education home page at ittraining.iu.edu/iupui for a complete list of classes, dates, and times. IT Training Online is another resource from IT Training & Education available for students, faculty, and staff. You can learn computer skills — anytime, anywhere — through these self-paced tutorials on CD or the Web at ittraining.iu.edu/online.

Incredible software offer s

Affordable and up-to-date software for students, faculty, and staff is readily available, thanks to IU's license agreements with companies such as Microsoft, Macromedia, and Symantec. Offerings include operating systems, antivirus programs, and software for word processing, spreadsheets, Web development, and more. IUware, a compilation of must-haves for computing at IUPUI, is available to students on CD at campus bookstores, or through the Web (iuware.iu.edu).

E-mail. Internet access. other computer accounts. and security

Students have access to the Internet and e-mail, computer accounts for personal Web pages, online file storage space, and more. See itaccounts.iu.edu for information about your current computer accounts and instructions on setting up new accounts. For the latest information about computer viruses, worms, security patches, and other related issues, go to keepitsafe.iu.edu.

Learning online

With Oncourse, students can obtain their class schedules, syllabi and grades; turn in assignments; send e-mail; engage in live chats; and participate in discussion forums with other students and instructors. Students also have access to 200MB of public and private storage space on the Web. Oncourse is accessible from any place that offers an Internet connection. Find Oncourse on OneStart at onestart.iu.edu, or go directly to the Oncourse homepage at oncourse.iu.edu.

OneStar t

OneStart, IU's Web portal, is your virtual campus community — a place to study, work, and collaborate. OneStart helps you excel at IUPUI by providing one place online where you can view the schedule of classes, register for classes, apply for financial aid, view your transfer credit report, and more. Log in with your Network ID at onestart.iu.edu.

The Self Service tab in OneStart (onestart.iu.edu) is your gateway to registration. Registration instructions may be found by visiting registrar.iupui.edu. You no longer use your student identification number and pin to register. Once you log into OneStart, you are ready to register.

You will need to have activated your Network ID username and password to use OneStart, including registration. You will use the same username and password to access e-mail, Oncourse, and OneStart. If you already have a University e-mail account (username@iupui.edu) you are ready. If you have not yet activated your Network ID, visit itaccounts.iu.edu. Contact the Support Center with any questions by visiting uits.iu.edu.

Confidentiality and Access to Student Records

IUPUI, in compliance with the Family Educational Rights and Privacy Act, provides that with the exception of directory information, all student records are confidential and available only to the student.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

Access

The right to inspect and review the student's education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

Right to file a complaint

Students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by Indiana University to comply with the requirements of FERPA.

Confidentiality and Disclosur e

The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University may disclose education records without consent to officials of another school in which a student seeks or intends to enroll. Finally, "public information" may be released freely unless the student files the appropriate form requesting that certain public information not be released. This form is available online at registrar.iupui.edu/confiden.html or from the Office of the Registrar.

Public information at IUPUI is limited to:

Name School or Division
University E-mail Address Class Standing
Major Field of Study Degrees and Awards

Dates of Attendance Activities

Admission or Enrollment Status Sports and Athletic Information

Campus

Parental access to student records

Under the Family Educational Rights and Privacy Act, parental access to student records may be granted if the student is under 21 years of age and the parent certifies in writing that the student is a dependent as defined by the Internal Revenue Service (IRS). In the case of divorce either parent (custodial or non-custodial) has access to the record of a dependent student.

Availability of Public Information

Certain student information maintained in the Office of the Registrar is considered public. The complete list appears above. The university maintains an on-line address book which allows a user to find a limited set of information for an individual student by searching on a student's name or university network id. The address book displays the student's school, major, class standing, and, if available, the student's e-mail address.

The university makes limited public information for a student available through the "Public Services" option of insite . This screen displays a student's name, school, major, class standing, current and future semesters for which the student has registered, any semesters completed, and any degrees awarded to the student. The screen does not show the student's address, phone number, or any specific courses for which the student has enrolled or has completed.

IUPUI uses a course management system called Oncourse. Through use of Oncourse, all students enrolled in a course section will see the names of their classmates unless a student has filed a restraint of information in the Office of the Registrar (see below). The list of names is only available to the instructor and those enrolled in the specific class and does not provide a student's complete course schedule. A student's course enrollment is available only to students enrolled in that course section and not to anyone outside of the university. Only the name will appear unless the individual student releases additional information to fellow classmates

through use of the Oncourse Profile system. See the Oncourse Students Guide for additional information.

Restraint of Release of Student Information

If you do not want all or some of the information released to any person other than IUPUI faculty or staff, complete a Restraint of Release of Student Information Form and return it to the IUPUI Office of the Registrar. A confidentiality flag will be added to your record by the Office of the Registrar. The restrainer will also block all information from appearing in the on-line address book, to classmates in Oncourse, or in the Public Services option of insite. To remove the restrainer, complete a Removal of the Restraint of Release of Student Information Form and return it to the IUPUI Office of the Registrar.

These forms are available on the Web at registrar.iupui.edu/confiden.html or may be obtained in the Office of the Registrar.

Disclosures

From time-to-time, the university is served with a subpoena for portions of a student's record. In these cases, we will write to the student or the student's attorney (if known) and inform them that unless we receive written notification that the student will attempt to quash the subpoena, we will provide the information requested, even if the student has placed a restriction on his or her record.

A number of IUPUI degree programs prohibit enrollment to anyone listed on the Indiana Sex Offender Registry. The Office of the Registrar will notify the school dean of any student on the Registry attempting to enroll in such programs.

Records of arrests and/or convictions and traffic accident information are public information and may be released to anyone making inquiry of the University Police.

For additional questions regarding the policy on the release of student information, contact the Office of the Registrar. For a full copy of the university policy on student records, see Appendix 4 in the Code of Student Rights, Responsibilities, and Conduct.

IUPUI does not provide lists of students or an individual student's address or phone number to outside businesses, agencies, students, or other parties. We will provide phone numbers in emergency situations and only following consultation with university police. However, because IUPUI participates in Federal Programs, we are required by Federal Law to make available to military recruiters the name, address, age, and prior military service status of all students at IUPUI.

The university sponsors an affinity credit card to IU students and alumni. A small portion of each charge is paid to the university while students and alumni have the opportunity to demonstrate their support of the university. A list of students is provided to the vendor each year for purposes of solicitation for this credit card only. Under terms of the contract the vendor may not share the list of students or alumni with other vendors. Students who have filed a restraint of release of information will not appear on this list.

Drug-Free Campus Policy for Students

As an institution of higher education, Indiana University Purdue University Indianapolis (IUPUI) has a responsibility to establish and maintain a safe, healthy academic environment for all students. In keeping with its policy stated in the Indiana University Code of Student Rights, Responsibilities and Conduct concerning the possession and/or use of alcohol and illegal drugs in compliance with the Drug-Free School and Community Act amendment of 1989, enacted by Congress as Law 101-226, this policy document is provided to each student.

IUPUI Regulations for Students

1. Unauthorized possession of alcohol or drugs

The following are examples of situations in which the University may discipline a student:

- A. Unauthorized possession or use of alcoholic beverages
 - 1. The following actions are prohibited by Indiana University of which IUPUI is part of Indiana University:
 - Use or possession of alcoholic beverages on University property;
 - Use or possession of alcoholic beverages in the course of University activity or student organization activity, contrary to law:
 - c. Use or possession of alcoholic beverages in any undergraduate residence supervised by the University.
 - Student organizations that serve or permit possession of alcoholic beverages at student organization functions, on or off campus, may be disciplined if violations of alcoholic beverage laws or University regulations occur at such functions. Individual students who plan, sponsor, or direct such functions also may be subject to discipline.
- B. Unauthorized possession or use of illegal drugs
 - 1. The following actions are prohibited by Indiana University of which IUPUI is part of Indiana University:
 - a. Use or possession of any drug or controlled substance, or drug paraphernalia, on University property or in the course of a University activity or student organization activity, contrary to law. It is not a violation of University regulations for students to possess such controlled substances if they are possessed under the terms of a valid and legal prescription for such drugs or controlled substances:
 - b. Use of University facilities to manufacture, process, or distribute any drug or controlled substance contrary to law;
 - c. Sale, gift, or transfer of drugs, controlled substances, or drug paraphernalia to Indiana University students, whether or not such sale, gift, or transfer occurs on university property or in the course of a university activity or student organization activity.
 - 2. The term "controlled substance" is defined in Indiana law and includes, but is not limited to, substances such as marijuana, cocaine, narcotics, certain stimulants and depressants, and hallucino gens.

(I.C. 35-48-1-9)

APPLICABLE LEGAL SANCTIONS

The following information concerns state and federal criminal penalties related to alcohol and drug possession or use:

- All students are reminded that conviction under state and federal laws
 that prohibit alcohol-related and drug-related conduct can result in
 fines, confiscation of automobiles and other property, and imprisonment. In addition, licenses to practice certain professions may be
 revoked, and many employment opportunities may be barred.
- It is impractical to list all the alcohol and drug-related state and federal crimes and penalties. But all persons should be aware that in Indiana any person under 21 who possesses an alcoholic beverage, and any person who provides alcohol to such person, is at risk of arrest. Any person who is intoxicated in public risks arrest. A person convicted of driving while intoxicated may be punished by fine, be jailed, and lose his/her license to drive an automobile. Any selling of alcoholic beverages without a license is illegal.
- Illegal possession, use, distribution, or manufacture of controlled substances (drugs) can result in arrest and conviction of a drug law violation and:

- fines up to \$10,000 (Indiana)
- fines up to \$250,000 (federal)
- imprisonment up to 50 years (Indiana)
- imprisonment up to life (federal)
- · confiscation of property.

3. University Sanctions for Violations of Alcohol and Drug-F ree Campus Policy

The University may discipline a student for acts of personal misconduct that are not committed on University property if the acts occur in the course of University-related activities that are being conducted off the University campus or if the acts relate to the security of the University community or the integrity of the educational process. Such acts include, but are not limited to, the following: drug trafficking, use, possession, or sale.

SANCTIONS

The Dean of Students is authorized to impose any one of the following sanctions for an act of personal misconduct:

- · Reprimand and warning
- · Disciplinary probation
- Restitution
- Participation in a specific program (such as drug education or counseling)
- · Provision of a specific service
- Expulsion from University housing
- Transfer to a different residence hall or housing unit
- Suspension from Indiana University (all campuses)
- Expulsion from Indiana University (all campuses)

Sanctions in each case are made only after a hearing and a determination of responsibility. Sanctions will vary depending upon the nature and circumstances of the offense and the student's record. Indiana University is a signatory to the Standards of the Network of Colleges and Universities Committed to the Elimination of Alcohol and Other Drug Abuse. These standards require the usual sanctions for drug dealing to be suspension or expulsion from the University.*

NOTE: Both campus disciplinary charges and criminal charges may be filed for the same action. Students may be subject to sanctions by both the campus and the courts for the same action.

*For more complete details of these sanctions and of the hearing process, students are referred to the Code of Student Rights, Responsibilities and Conduct.

4. Health Risks Associated with Alcohol and Controlled Substances (Drugs)

All persons should be aware of the health risks caused by the use of alcohol and by the illegal use of controlled substances.

- Consumption of more than two average servings of alcohol in several hours can impair coordination and reasoning and make driving unsafe.
- Consumption of alcohol by a pregnant woman can damage the unborn child. A pregnant woman should consult her physician about this risk.
- Regular and heavy alcohol consumption can cause serious liver problems, damage to the nervous and circulatory systems, mental disorders, and other health problems.
- Drinking large amounts of alcohol in a short time may quickly produce unconsciousness, coma, and even death.
- Use of controlled substances can result in damage to health and impairment of physical condition, including:
- impaired short-term memory or comprehension anxiety, delusions, and hallucinations

- loss of appetite resulting in general damage to the user's health, over the long-term
- a drug-dependent newborn, if the mother is a drug user during pregnancy (pregnant women who use alcohol and/or drugs or who smoke should consult their physicians):
- AIDS, as a result of "needle-sharing" among drug users
- death from overdose.

The health risks associated with illicit drug use and/or excessive use of alcohol are many, and they are different for different drugs. But all illicit, non-prescription use of drugs and excessive use of alcohol endangers your health. There are no good reasons for abusing drugs or alcohol.

Email as Official Correspondence with Students

At Indiana University, there is an increasing need for fast and efficient communication with currently enrolled students in order to conduct official business at the University. Students tend to comunicate extensively through electronic mail. Each student is issued a University network ID and email account for use throughout the time the student is registered for classes at the University. Accordingly, email is an available mechanism for formal communication by the University with students. If a student chooses to forward his/her mail to another email address (AOL, Hotmail, departmental server, etc.), the student's primary campus email address remains the official destination for official university correspondence.

Policy

Email shall be considered an appropriate mechanism for official comunication by Indiana University with IU students unless otherwise prohibited by law. The University reserves the right to send official comunications to students by email with the full expectation that students will receive email and read these emails in a timely fashion.

Assignment of Student Email

Official university email accounts are available for all registered students. Official university communications will be sent to students'official university email addresses. For IUPUI, this is the @iupui.edu address. Instruction on establishing a university email account may be found by visiting https://itaccounts.iu.edu.

Students are expected to check their email on a frequent and consistent basis in order to stay current with university-related communications. Students must insure that there is sufficient space in their accounts to allow for email to be delivered. Students have the responsibility to recognize that certain comunications may be time-critical. Students will not be held responsible for an interruption in their ability to access a message if system malfunctions or other system-related problems prevent timely delivery of, or access to, that message (e.g., power outages or email system viruses. In addition to their university email account, students should also check for course-related email within Oncourse. The same user id and password are used for Oncourse and the university email system. For more information about Oncourse, visit oncourse.iu.edu.

Forwarding of Email

Students who choose to have their email forwarded to a private (unofficial) email address outside the official university network address, do so at their own risk. The University is not responsible for any difficulties that may occur in the proper or timely transmission or access of email forwarded to any unofficial email address, and any such problems will not absolve students of their resonsibility to know and comply with the content of official communications sent to students' official IU email addresses. Instructions on forwarding email may be found by visiting https://itaccounts.iu.edu.

Emergency Messages

Emergency messages are those involving a situation directly affecting the life, health, or safety of a student or family member. Emergency messages will be delivered to your classroom if its location is known. Give your family a copy of your class schedule and this information:

274-7911, (IUPUI Police Dept.).

Emergency Procedures

For information on what to do in case of fire, evacuation or a medical emergency see the information at this web site: registrar.iupui.edu/emergencyprocedures.html

Equal Opportunity/Affirmative Action Policy of Indiana University

Indiana University pledges itself to continue its commitment to the achievement of equal opportunity within the University and throughout American society as a whole. In this regard, Indiana University will recruit, hire, promote, educate, and provide services to persons based upon their individual qualifications. Indiana University prohibits discrimination based on arbitrary considerations of such characteristics as age, color, disability, ethnicity, gender, marital status, national origin, race, religion, sexual orientation, or veteran status.

Indiana University shall take affirmative action, positive and extraordinary, to overcome the discriminatory effects of traditional policies and procedures with regard to the disabled, minorities, women, and Vietnamera veterans.

For copies of official University Policies or for complaint procedures, call 274-2306.

Financial Aid

GENERAL INFORMATION

Visit: www.iupui.edu/finaid

The Office of Student Financial Aid Services administers federal, state, university funds, grants, fee remissions, loans, and work-study part-time employment. All financial aid, except work-study, is disbursed by the Bursar Office. Work-study students receive paychecks biweekly.

The Office of Student Financial Aid Services is located in Cavanaugh Hall. The office is open 8:00 am - 6:00 pm Monday - Thursday; 8:00 am - 5:00 pm Friday; and 9:00 am-12:00 noon on Saturday.

Students can contact the office by phone 317-274-4162 or FAX to 317-274-5930.

Students can also contact an advisor via email at:

FINAID@IUPUI.EDU (undergrads) or gradaid@iupui.edu

Students can use OneStart (onestart.iu.edu) to see if all required documents have been submitted or to view their awards.

ACADEMIC REQUIREMENTS

To be considered for most types of financial aid, students must be enrolled at least half-time (generally 6 credits for undergrads and 4 credits for grad students) in a program that leads to a degree or certificate.

The academic progress of students is monitored annually in compliance with federal guidelines. Students who fail to complete courses with a grade of C or better, have excessive withdrawals or incompletes, stop attending classes or have attempted more than 150% of the required credits for their degree, may expect to have financial aid adjusted or terminated. Students receiving financial aid should always consult with a Financial Aid Advisor before dropping classes.

APPLYING FOR FINANCIAL AID

Undergraduate & Graduate students must complete the Free Application for Federal Student Aid (FAFSA) each year. Undergraduate students must file by March 1st to be eligible for state grants and most university funds. Applications filed after March 1st will be considered for the Pell Grant and student loans. Students are encouraged to use FAFSA on the Web (www.fafsa.ed.gov) to file the FAFSA electronically. This will save 1-2 weeks in processing time. Paper forms are available in the Financial Aid Office for those who do not have Internet access.

Students are notified by mail once financial aid awards have been finalized.

HELPFUL HINTS

Keep your address updated via OneStart (onestart.iu.edu).

Do not ignore correspondence and if you have questions about anything please — ask.

Keep up with your university email; the Financial Aid Office will use this method as the primary form of communication to you.

Keep copies of all financial aid forms, documents, letters, tax returns and W2 forms in a file. If you are a dependent student make sure your parents keep copies of their forms.

Visit our website www.iupui.edu/finaid for forms and applications that you can print; debt management information; searching for scholarships; and an electronic form to evaluate our services.

Plan ahead and do not wait until the last minute for anything!

Grade Replacement Policy

The IUPUI Grade Replacement Policy (FX) was revised effective with the Fall 1996 semester. The new policy will allow approved undergraduate students seeking their first degree to repeat a maximum of 15 credit hours subject to school/division approval. If a student chooses to repeat a course and achieves the same or a higher grade, only that grade will be counted in the cumulative GPA. Certain restrictions apply and the grade replacement policy may not be honored by some schools when considering admission determinations or computing graduation honors. Please contact your school/division for more information on the grade replacement policy and to determine if this option is available to you. This policy is not available for graduate students or students seeking any second undergraduate degree. registrar.iupui.edu/replace.html

Grades in OneStart

You can check your grades through onestart.iu.edu.

Graduation Rates

In compliance with the Student Right to Know Act, graduation rates (statistics) are available in the Office of the Registrar, Cavanaugh Hall.

Health Services

STUDENT HEALTH CENTER

The Student Health Center is located on the 1st floor of Coleman Hall, and provides primary medical care services. Services are provided at a low cost fee-for-service basis. Service hours are Mon., Tues., Wed., 7:30 am–5:00 pm, Thurs. 9:00 am–5:00 pm and Fri. 7:30 am–5:00 pm. Services include acute care visits, travel immunizations, sexually transmitted disease testing and counseling, physical exams, vaccinations, pregnancy testing, treatment for asthma, etc. For appointments call 274-5887.

Housing on Campus

The Office of Housing and Residence Life exists as an integral part of the educational program and academic support services of IUPUI. The Office of Housing and Residence Life, within the Division of Student Life and Diversity, promotes the total development of the student by providing residential communities that are part of their academic success, learning, leadership, growth and diversity.

Residential housing for IUPUI is located on-campus and is managed by the Office of Housing and Residence Life. Options for campus living include: The Campus Apartments on the Riverwalk; Ball Residence Hall*, Living Your Freshman Experience (or LYFE) is a first year residential learning community; and then Town Homes at IUPUI. The Campus Apartments consists of fully furnished one, two and four bedroom units and is home to International House, Honors House and the Graduate/Professional Learning Community. Ball Hall is a traditional co-ed residence hall housing 285 freshman students in single, double and triple rooms.

Admission to the University does not guarantee campus housing accommodations. Students must file a separate application for housing to reserve space and should apply as soon as they decide to attend school at IUPUI. University housing is available to students regardless of race, color, religion, national origin, sexual orientation or veteran status. Disabled student accommodations are available.

In addition, short term housing is available during the months of June and July offering a variety of room types at competitive prices.

Incomplete Grades

If you received an incomplete grade in a class, DO NOT re-register for that class. You must contact the instructor who gave you the incomplete to make arrangements for completion of the class. Contact the recorder in your school/division for more information. After a grade is reported by the instructor, you will be notified by mail of the grade that replaced the incomplete grade.

Independent Study by Correspondence

With permission from their dean, students may take courses through IU's Independent Study by Correspondence. For further information students may consult the Independent Study University Course at www.extend.indiana.edu. A limited number of copies are available in the Enrollment Center in Cavanaugh Hall. Questions may be directed to (800) 334-1011 or e-mail: bulletin@indiana.edu. Students receiving financial aid through IUPUI should consult the Office of Student Financial Aid Services in Cavanaugh Hall to determine whether financial aid will be available for enrollment in this program.

IUPUI Libraries

There are five separate libraries on the IUPUI campus. Each is open to all students enrolled at the university. The University Library is located in the center of the campus. The dental, art, law, and medical libraries contain specialized collections reflecting their respective curricula and are located at the School of Dentistry, Herron School of Art, School of Law, and School of Medicine.

The University Library collection supports undergraduate courses and covers a wide range of academic disciplines, from liberal arts to science, engineering, and technology. This collection contains over 640,000 volumes and over 4200 subscriptions to current periodicals. The Library has 512 carrels, 34 group study rooms, and 9 class and meeting rooms, including a 100-seat auditorium.

The University Library information system hosts over 300 computer workstations permitting patrons to search for information through one of the most extensive and sophisticated online research systems in the country. The system provides access to a wide variety of resources such as library catalogs from around the world, bibliographic databases, full-text and numeric databases, and the internet. Access to these resources is provided from computer stations around the campus, and with log in from remote locations. Word processing and other electronic applications are also available on these machines, combined with file storage on the university main system for use by students.

The hours for the campus libraries are subject to change, particularly during the summer sessions and when classes are not in session. Because lending policies and procedures vary slightly among the different libraries, students should consult with personnel at the main desk of each library before checking out books and other materials.

The staff at the University Library Reference and Circulation Desks can help you locate these and other campus library resources.

Library Drop Bo xes

Each campus library has a drop box located at or near its main entrance. A drive-up box is located at campus parking lot #81, south of the Lecture Hall, 325 University Boulevard. Herron School of Art books may also be dropped off at the University Library.

OneStart

You can conduct most of your university business such as registration, financial aid, account inquiry and payment, and advising support by using an on-line tool called OneStart. OneStart alows you to personalize your start page, including adding your favorites/bookmarks. This means you can go to those Web addresses from any computer. In short, your desktop is portable.

OneStart requires a user id and password. This is the same user id and password you currently use for university e-mail and access to Oncourse. If you haven't activated your university e-mail account, visit itaccounts.iu.edu. You can activate your account as soon as you are admitted to the university. Contact the Support Center with any questions by visiting support.iupui.edu.

We strongly recommend you visit OneStart before your registration time for the term and see all it has to offer. For more about OneStart visit onestart.iu.edu.

Detailed registration instructions will be available from the office Web site registrar.iupui.edu.

Parking and Transportation

Overflow parking is available at Bush Stadium on 16th Street.

Faculty, staff, and students may purchase parking permits in advance, or they can choose to pay for privileges each time they park in garages, controlled lots, or at meters.

Indiana University and Purdue University permits are also valid on campus in all "E" lots.

Student parking permits are available for purchase through the web at www.parking.iupui.edu. Parking fees are as follows:

"E" permit — \$52.00 per semester/\$104.00 per year

If you have a physical disability, contact the Parking and Transportation Services office to request a special parking permit. The office staff can authorize the purchase of this special parking permit for short-term disabilities with a doctor's statement. State certification must be shown to receive a special long-term parking permit.

For information on parking permits or citations please contact Parking and Transportation Services (Vermont Street Parking Garage — 2nd entrance), 1004 West Vermont Street, (317) 274-4232. You may also view this information at our website located at www.parking.iupui.edu.

Free Services

In addition to issuing parking permits, Parking and Transportation Services provides many free services to IUPUI students while parked on the main campus.

- · Free jumpstart on campus
- · Air provided for low/flat tires
- Transportation to obtain fuel
- Unlocking service if you lock your keys in your car. (Provided by Campus Police)
- · Escorts to your vehicle after dark

Shuttle Service

The Campus Shuttle Service is provided between the hours of 6:30 A.M. to 9:30 P.M. The shuttle service runs continuously between parking lots to the center of campus.

The Herron Shuttle Service runs from 7:30 A.M. to 9:00 P.M. This inter-campus shuttle connects the Michigan Street campus with the Herron School of Art.

Schedules for both shuttles are available at the Parking and Transportation Services office or on-line at www.iupui.edu/registrar/shuttle.html. The Clarian schedule is also available on this web site.

Pass/Fail Option

During the undergraduate program, a student may enroll in up to a maximum of eight elective courses to be taken with a grade of P (pass) or F (fail). The pass/fail option may not be taken when otherwise restricted by school/division regulations. Contact your Recorder for the Pass/Fail form and more information. Completed forms must be turned into the Office of the Registrar by:

Religious Holidays

IUPUI respects the right of all students to observe their religious holidays and will make reasonable accommodation, upon request, for such observances. On occasion conflicts may occur between a student's obligations in a course and the student's obligations in observing major religious holidays.

Any student who is unable to attend classes or participate in any examination, study, or work requirement on some particular day or days because of his or her religious beliefs must be given the opportunity to make up the work that was missed or to do alternative work that is intrinsically no more difficult than the original exam or assignment. Upon request and timely notice, students shall be provided a reasonable accommodation. It is recommended that dates and times for examinations and other major course obligations be announced at the beginning of the semester or summer session and that students let instructors know of conflicts very early in the semester, so that accommodations can be made.

Students seeking accommodation for religious observances must make a request in writing by the end of the 2nd week of the semester to the course instructor and should use the Request for Course Accommodation Due to Religious Observance Form available on the Web. The University will not levy fees or charges of any kind when allowing the student to make up missed work. In addition, no adverse or prejudicial effects should result to students because they have made use of these provisions.

For more information on the policy and an illustrative set of holidays, visit registrar.jupui.edu/religious.html

Reservists Called to Active Duty

Indiana University realizes students who are members of the Indiana military reserves may be called to active duty. IUPUI has established a set of procedures in an effort to minimize disruptions or inconveniences for students fulfilling their military responsibilities. For more information visit registrar.iupui.edu/activeduty.html or contact the Office of the Registrar.

Residency

Rules determining resident and nonresident student status for Indiana University fee purposes may be obtained in the Office of the Registrar, Cavanaugh Hall 133, 274-1501. See registrar.iupui.edu/resident.html.

Safety At IUPUI

IUPUI pr ovides information about safety and security in the publication Safety at IUPUI. This pamphlet contains information on crime statistics, campus law enforcement, alcohol and drug issues, crime reporting and other related issues at IUPUI. Safety at IUPUI is a vailable on the Web at www.police.iupui.edu/safety.html or in hard copy upon request from the IUPUI Police at 430 N . University Blvd. Indianapolis, IN 46202, Voice 317-274-2058, FAX 317-274-8031, email police@iupui.edu.

Services by Computer

A number of student services offices are now making information regarding their services and procedures available to computer users through the world wide web enroll.iupui.edu. Offices on this menu include the Testing Center, Financial Aid, Admissions, Bursar, Registrar, the Undergraduate Education Center, Student Affairs. Information is being added frequently to this system, so feel free to browse on a regular basis.

Student Activities Center

The Student Activities Center is located on the first floor and lower levels of the University College building. The SAC houses the Campus & Community Life office, a campus Information Desk, the Undergraduate Student Government office (USG), the student organizations area, the Office of Neighborhood Partnerships, the Office for Community Service, Upward Bound, and 21st Century Scholars. In addition the

SAC has 2 large lounge and eating areas, meeting rooms and a cultural arts gallery. Programming within the SAC includes exhibits, educational speakers and panel discussions, leadership development activities, and entertainment events.

Those wanting to get involved in campus activities and/or student organizations, or just want to hang out between classes, should visit the Student Activities Center. All students, faculty, and staff are welcome. The SAC website is http://life.jupui.edu/sac/sac.asp

Student Identification Number

Indiana University uses a randomly assigned University Identification number as a student's primary identification number. While in most cases, students will be able to complete their business with the university through OneStart by use of a user id and password, there may be occasions when the student id number (University ID) may be required. Students may obtain their university id numbers by using the My Current Information link in the Personal Information channel in OneStart onestart.iu.edu or by bringing photo identification to the Office of the Registrar.

In some cases, particularly for financial aid recipients, the student's social security number is required by the federal government and will be used in the processing of financial aid and certain enrollment verifications.

The social security number/student identification number will be used to identify permanent records such as permanent transcript, registration, grade reports, transcript requests, and certification requests. The number is also used as an identifier for grants, loans, and other financial aid programs, and to determine eligibility, certify school attendence, and report enrollment status. The social security number is not disclosed to individuals or agencies outside Indiana University except in accordance with the Indiana university Policy on Student Records.

Student Photo ID Cards (JAGTAG)

The IUPUI JAGTAG is free to all enrolled students on the IUPUI Campus and is required for all first time students to IUPUI.

The IUPUI JAGTAG can be used as campus identification, your library card, physical education recreation sports card and Learning Center Cluster information card. The IUPUI JAGTAG may also be used by students, faculty and staff to purchase food and drink from campus vending, and from most campus dining locations including the Union Building, University College Dining, Cavanaugh Hall, Law School, University Place Food Court, McDonalds and Gina's Coffee & Tea Co. Additionally, your JAGTAG is accepted in all Campus Bookstores, Campus Housing, Hospital Gift Shops, the Natatorium Service Desk, Parking Services, Dental School Patient Services and Supply Store, Student Health Services and Ray's Campus Salon, Student Technology Centers, University Libraries and IKON printing and copier services, most public copiers. To learn how easy it is to add value and convenience to your card, call 274-5177 or visit our web site: www.jagtag.iupui.edu.

The IUPUI JAGTAG is available through the Campus Card Services Office. Locations and hours of operation (hours are subject to change) are:

Campus Card Main Office — Union Building, Room #115

 $Monday-Friday \hspace{1.5cm} 8:00 \ a.m.-4:45 \ p.m.$

Campus Card Satellite Office — University College, Room #127

Monday – Friday hours posted

(open later during first week of classes, call to get hours)

There is a \$20 replacement fee for a lost ID card, name change, and photo change.

Any changes to hours will be posted in both UN 115 and UC 127. Contact Campus Card Services at 274-5177 if you have any questions. Students must present proof of identification and student status to obtain their IUPUI JAGTAG.

Student Rights, Responsibilities, and Conduct

The latest edition of the IUPUI code of Student Rights, Responsibilities, and Conduct is now available. Each student is given a copy of this booklet when he or she enrolls in the university or is notified that the booklet is available. Additional copies of this booklet can be obtained from the academic unit in which the student is enrolled, or the Dean of Students in AO 112. Visit: life.iupui.edu/help/code.asp

Taxpayer Relief Act of 1997

Education-Related Federal Income Tax Credits

The Taxpayer Relief Act of 1997 offers two nonrefundable Federal income tax credits for qualified education expenses paid each calendar year. Through tax year 2001, this act provides for a maximum tax credit of \$1,500 per student for the Hope Scholarship and a maximum tax credit of \$1,000 per family for the Lifetime Learning Credit. After 2001, the amount of the credit is adjusted for inflation. Refer to IRS Publication 970 for more information about the associated eligibility requirements.

Beginning in calendar year 1998, all eligible education institutions are required to submit an information return (Form 1098-T, Tuition Payment Statement) to the student and to the IRS. The information filed with the IRS must contain the student's Social Security Number (SSN). Since Indiana University does not use a student's SSN exclusively as his/her student identification number (SIDN), every student must complete Form W-9S (Request for Student or Borrower Social Security Number) each calendar year in which the student is enrolled. This form is available electronically through *insite* at insite.indiana.edu and can also be obtained from Financial Management Services at (812) 855-5657.

For more information about the education tax benefits, visit the Taxpayer Relief Act of 1997 Web site at taxpayer.fns.indiana.edu or send email to taxpayer@exchange.ucs.indiana.edu.

Transcripts

To receive a copy of your transcript, all financial obligations to the University must be clear/current. This includes your account with the Bursar (317) 274-2451, Student Loan Administration (812) 855-4511, or the Dean of Students/Greek Housing (812) 855-8187. If you have any past balance due with any of these offices, there will be a "hold" on your record and we will not be able to issue your transcript. If you think you might have any past debt to any of these offices, please contact that office for clearance before sending your transcript request. If you are unsure about any possible account holds, give us a call and we can check the status for you (317) 274-1519.

Official transcripts of your course work at Indiana University may be obtained either in person, through the mail, by FAX or by a 3rd party. The mailing address is IUPUI Office of the Registrar, CA 133, 425 University Blvd., Indianapolis, IN 46202-5144, 274-1517. The charge is \$7.00 per transcript. Written requests require your name, student identification number, address to which you would like the transcript sent, and your signature. Transcripts requested in person require a photo ID. You may authorize another person to pick up your transcript by providing him/her with a written request with the above information as well as identifying him/her as the person who will pick up the transcript. You may FAX your request providing us with the same information above, payment by charge card only (Visa, MasterCard or Discover) including the charge card number, expiration date, daytime telephone number and a current address. University College Bepko Learning Center

Located on the second floor of the University College Building (UC) the Learning Center is the home of student programs focused on providing students with academic, social, personal and institutional adaptation skills at the university level. The components include the Resource Center, Structured Learning Assistance, and Supplemental Instruction and Tutoring Program. In addition to the above-mentioned programs the Learning Center's environment provides study spaces for students along with a Student laptop program in which students can check out a laptop for use while in the Center. The following programs are based in the enhancement of academic skills through peer support and collaboration.

Supplemental Instruction (SI)

Provides an environment conducive to academic excellence through a philosophy using a collaborative approach of "students helping students". IUPUI students have the opportunity to participate in SI Sessions for a variety of academic courses held throughout the week, such as Biology, Chemistry, Anatomy, Physiology, Criminal Justice, Religion, and Physics, CIT 106

Structured Learning Assistance Pr ogram (SLA)

A program, which incorporates a team approach between the faculty members and the student facilitator on behalf of students, encourages collaboration in a structured and supportive manner. SLA is course content centered and applies study and learning skills to the specific content a student is learning. Students are given specific background information to assist them in making connections to the lessons and lectures of the class. SLA is a mechanism for teaching students how to work collaborratively and learn to form study teams.

The Resource Center

Student Mentors work with students one-on-one providing a variety of peer support services including academic assistance, resource referral and assisting students in their acclamation to campus life. Mentors prepare study skill, time management, student success, and campus handouts for students. The mentors also provide support for the students throughout the semester with phone calls and/or email contact.

Tutoring Pr ogram

A program, which offers private, paid tutoring in a variety of classes. We maintain a database with the names and contact information for eligible tutors. For more information, call 317-274-4818 or stop by UC 2006. Student mentors also refer students to free departmental tutoring. Free tutoring is currently offered for Physics, Philosophy, and Economics. The Tutoring Program also works with students who go through Vocational Rehabilitation and Veteran's Affairs offices. Some students in these programs may be eligible for tutoring paid by the VR or VA department. The Learning Center also has FREE online tutoring offered at http://www.smarthinking.com. Smarthinking offers live drop-in sessions at certain times of the day. Student's can also email a question to an e-structor and will usually receive a reply with-in twenty-four hours. Another option is to schedule a session with a tutor. Finally, Smarthinking also has links to various study materials. Smarthinking is offered for Economics, Accounting, Biology, Physics, Chemistry, and Spanish questions.

Hours:

Monday - Thursday 8:00 am - 7:00 pm Friday 8:00 am - 4:00 pm

Students are encouraged to contact the Learning Center by calling 274-4818 with any questions regarding services. Please visit us on our web page at www.iupui.edu/learningcenter/.

Veterans' Affairs

All students eligible for VA benefits should notify the Office of the Registrar when registering. See your VA representative in Cavanaugh Hall, CA 133 or phone 274-1521. However, students eligible for Child of Disabled Veteran State Benefits (Fee Remission), contact Office of Financial Aid, Cavanaugh Hall, Room 103 for information or call 274-4162. Website: registrar.iupui.edu/va.html.

Voter Registration

IUPUI makes your voter registration forms available in the following locations:

Office of the Registrar Office of Student Financial Aid

Cavanaugh Hall, Room 133 Services

Cavanaugh Hall, Room 103

Information Desk Reference Desk Student Activities Center University Library

University College

You can also obtain the voter registration form in your county's voter registration office, public libraries, state license branches, and other locations. Visit the Indiana Secretary of State for more information on voting eligibility requirements, a list of phone numbers for each county voter registration office, and the Indiana election schedule.

The Federal Election Commission makes a voter registration form available from the web which is acceptable in Indiana.

Wherever you pick an application up, simply complete it and mail it in. Mail-in voter registration applications must be postmarked no later than the registration deadline. Visit: registrar.iupui.edu/voterregistration.html

Weather Closings

Adverse weather conditions may cause university classes to be cancelled. Class cancellations will be announced by means of area television and radio. Visit **registrar.iupui.edu/ad verse weather.html** for a complete list of stations IUPUI notifies and the current opened or closed status of the campus.

We have established a special phone number, (317) 278-1600, which will give the latest open or closed status for the campus.

Please understand that none of these options will address individual courses. Be sure to keep your phone number current and check your IUPUI e-mail for announcements from individual faculty who may not be able to make it to campus. This information may appear on the web via Oncourse pages. In some cases the information might be maintained by the department teaching the course.

Zachary's Law

The State of Indiana maintains a registry committed against minors. As a number of degree programs and specific courses either prepare students to work with minors or place them in contact with minors as a part of the course, enrollment in those courses or programs is not available to anyone who appears on the Sex Offender Registry. Consult the individual schools or departments to see if appearance on the registry will be a barrier to enrollment. Website: registrar.iupui.edu/zachary.html
