<sup>1</sup> Data refer to persons who did not volunteer during the survey reference period (September 2002-September 2003), but who had volunteered in the past.

<sup>2</sup> Includes the categories lack of information about opportunities, lack of transportation, lack of paid expenses, moved in the last year, and opportunities don't match interest or skills.

<sup>3</sup> Data refer to persons 25 years and over.

<sup>4</sup> Includes high school diploma or equivalent.

<sup>5</sup> Includes the categories, some college, no degree; and associate degree.

<sup>6</sup> Includes divorced, separated, and widowed persons.

<sup>7</sup> Own children include sons, daughters, stepchildren, and adopted children. Not included are nieces, nephews, grandchildren, and other related and unrelated children.

<sup>8</sup> Usually work 35 hours or more a week at all jobs.

<sup>9</sup> Usually work less than 35 hours a week at all jobs.

NOTE: Data on non-volunteers relate to persons who did not perform unpaid volunteer activities for an organization at any point from September 1, 2002 through the survey period in September 2003. Detail will not sum to totals because respondents could list more than one potential motivator for volunteering. Detail for the above race and Hispanic origin groups will not sum to totals because data for the "other races" group are not presented and Hispanics are included in both the white and black population groups.

Dash represents zero or rounds to zero.
