¹ Main organization refers to the organization for which the volunteer worked the most hours during the year.

² For those reporting annual hours.

Dash represents zero or rounds to zero.

NOTE: Data on volunteers relate to persons who performed unpaid volunteer activities

for an organization at any point from September 1, 2001 through the survey period in September 2002. Detail for the above race and Hispanic origin groups will not sum to totals because data for the "other races" group are not presented and Hispanics are included in both the white and black population groups.
