Trustees' Teaching Awardees

The Trustees' Teaching Award honors faculty members who have had a positive impact on learning through the direct teaching of students. Award recipients must have demonstrated a sustained level of teaching excellence in the form of documented student learning and must have completed at least three years of service at IUPUI/IUSD in a full-time faculty appointment. They must also not have won in the last two years.

This year, the School of Dentistry awarded four Trustees' Teaching Awards: two for tenure-track/tenured faculty and two for clinical-track faculty.

Dr. Richard Gregory, Department

of Biomedical Sciences and Comprehensive Care, and Dr. Steven Blanchard, Department of Periodontology, were named as the tenure-track/tenured TTA recipients.

Dr. Gregory currently serves as the Associate Dean for Graduate Education and has received the TTA award multiple times during his career at IUSD. Dr. Blanchard has also been a frequent recipient of the TTA.

Dr. Tawana Ware, Department of Pediatric Dentistry, and Dr. Priya

Thomas, Department of Biomedical Sciences and Comprehensive Care, were named as the clinical-track TTA recipients.

Dr. Ware is receiving the TTA for the first time. Dr. Thomas is also a first time recipient of this prestigious award and currently serves as a

Comprehensive Care Clinic Director as well.

Each awardee will receive \$2,500 for the TTA and will be featured in an article in

Inside IUPUI. Congratulations to all four on receiving this prestigious award!

Fulbright Scholar Program

The competition for the 2021-2022 U.S. Fulbright Scholar program is now open. The U.S. Fulbright Scholar Program offers nearly 470 teaching, research, or combination teaching/research awards in over 125 countries.

The following are a few eligibility essentials to keep in mind when considering your application:

- ⇒ Open to all U.S. citizens (permanent residents are not eligible)
- ⇒ Candidates who have resided

abroad for five or more consecutive years in the six-year period preceding the date of application are ineligible.

⇒ Recipients of a Fulbright Scholar grant are eligible to apply for another Fulbright Scholar grant two years after the date of completion of the previous grant.

Grant lengths vary and are specified in the award description (can be between two to 12 months). The catalog of Awards is available at

<https://awards.cies.org/>. You may also join the [My Fulbright](#) online community for updates, to update your relevant areas of geographic and discipline interest, and to access helpful resources for applicants.

The application deadline is September 15, 2020. For more information, a full list of the eligibility requirements, and to apply, visit <https://www.cies.org/program/fulbright-us-scholar-program>.

Please contact scholars@iie.org with any questions.

Call for IDA Award Nominations

The Internal Awards Sub-Committee of the IUSD Faculty Council's Faculty Awards Committee wishes to solicit names for nomination to the prestigious Indiana Dental Association Outstanding Faculty Member of the Year Award. This award is given each year to the outstanding faculty at IUSD chosen by you, the IUSD family. The recipient of this award receives a significant monetary award and a plaque, and will be announced at the annual Fall IUSD Teaching Conference.

To be eligible, the individual must be a full-time Professor or Associate Professor at IUSD. Individuals can be tenured, tenure-track or clinical-track faculty. They must not have won this award in the past 5 years. The last five recipients were: Dr. Christianne Guba,

2015; Dr. Richard Gregory, 2016; Dr. Kelton Stewart, 2017; Dr. Timothy Carlson, 2018; and Dr. Jeffrey Platt, 2019.

The number of nominees will depend upon the number of faculty per department. If a department has five or fewer full-time tenured and/or clinical-track faculty, only one nominee is permitted. If the department has more than five full-time tenured and/or clinical-track faculty, the department is permitted a maximum of two nominees.

Your nomination must include a brief paragraph (no more than one half page), outlining the major reasons for your nomination. The committee will use last year's Digital Measures Activity Insight Report and CV to evaluate candidates. Please be sure to include any signif-

icant accomplishments of your nominee since January 2020. Criteria considered include a continuous record of quality teaching, scholarly activity and excellence in service.

Please send nomination information to Dr. Tawana Ware, Chair of the Internal Awards Subcommittee, at tklee@iu.edu and to Shelley Hall at shhall@iu.edu, no later than 12pm on Monday, May 4, 2020. Nominations beyond the deadline will not be accepted under any circumstances, in fairness to all and due to the short timeline for the awards committee to evaluate candidate materials.

Please contact Shelley Hall with any questions about the nomination process, and for a list of eligible faculty for this year's IDA Outstanding Faculty Member of the Year Award.

Teaching Online Resources

With classroom teaching being transitioned to remote teaching until the end of the spring semester, the Center for Teaching and Learning is available to guide your transition to online teaching.

The Center for Teaching and Learning recommends that you begin by going to keep-teaching.iu.edu. The website includes suggestions of what to think about first, strategies for accomplishing various instructional tasks online, guides for using instructional technology tools, and other resources.

Keep Teaching webinars designed to help you quickly move online may also be helpful. The

webinars include topics such as Zoom for Instructors, Recording and Sharing Video using Kaltura, and Canvas Modules and Assignments. The complete list of webinars can be found at <https://ctl.iupui.edu/Workshops-Events/Events/keep-teaching>.

The Center for Service and Learning (CSL) wants to provide guidance for how to plan for community engaged work and teaching for the rest of this semester. Please see [Resources for Supporting Community Engaged Teaching During COVID-19](#) for more information or reach out to the CSL faculty development team with any questions you may have or to set up a

virtual consultation. Contact Mary Price at price6@iupui.edu or Morgan Studer at mohughes@iupui.edu.

FACET has provided a list of faculty colleagues who are experienced in teaching online and willing to lend a hand. If you or a group of colleagues want to get in touch with one of these volunteers, please contact thectl@iupui.edu.

Individual consultations are also available, and the Center for Teaching and Learning will remain open virtually for this. Submit a [consultation request](#) to schedule a phone or Zoom appointment.
