PREFACE

1997-1999

IUPUI Supplement

to the

Indiana University Academic Handbook

The 1997-1999 edition of this handbook is provided for the faculty of IUPUI by the IUPUI Faculty Council and the Dean of the Faculties Office as a supplement to the Indiana University system-wide *Academic Handbook*. The *IUPUI Supplement* does not

duplicate the information already printed in the *IU Academic Handbook*. For complete information on any topic, faculty members should consult both the system-wide and the campus handbooks. For many topics, reference is made to additional sources of detailed information. Resources are available in the IUPUI Faculty Council Office, the Dean of the Faculties Office, and on-line through the IUPUI Home Page. (<http://www.iupui.edu/>)

The *IUPUI Supplement* is compiled by the IUPUI Faculty Handbook Committee and updated on a biennial basis. Faculty should keep in mind that some policies and procedures may undergo revisions after the *IU Academic Handbook* and the *IUPUI Supplement* are printed. The IUPUI Faculty Council Office and the Dean of the Faculties Office will have the latest versions of all of the information included here.

William M. Plater Executive Vice Chancellor and Dean of the Faculties, IUPUI

William H. Schneider 1996-98 President IUPUI Faculty

(Editor's Note: When names of offices or institutions referred to in documents have changed since the adoption of the document, the current name has been inserted for clarity of reference.)
