**Agenda Item VII: [ACTION ITEM] From Academic Affairs - Proposal for Campus-wide Probation, Dismissal, and Reinstatement Policy: Betty Jones (Chair – Academic Affairs Committee, 4.2248, [betjones@iupui.edu](mailto:betjones@iupui.edu)).**

Jones gave a second reading of the Proposal for Campus-wide Probation, Dismissal, and Reinstatement Policy (<http://www.iupui.edu/~fcouncil/documents/probation-dismissal-reinstatement.htm>). Becky Porter asked Jones to clarify whether the IU GPA or IUPUI (*campus-specific*) GPA would serve as the basis for the policy. Registrar Mary Beth Myers explained that the calculation of an IUPUI-specific GPA cannot be automated within the PeopleSoft Student Information System. Porter then pointed out that, should this policy rely on the IUPUI GPA only, the responsible party in each department would need to calculate the GPA his or herself.

Professor Rick Ward suggested that to use the university-wide GPA as the basis for this policy would be the simplest and most comprehensive solution. Professor Spechler disagreed, noting that IUPUI serves a student population in which many non-traditional undergraduates benefit from and succeed following a “fresh start” so using the IUPUI-only GPA would be the most appropriate approach for this campus. Both perspectives received support from the floor. Professor Henry Karlson concluded the discussion by urging the committee to use caution in constructing a discretionary policy that could, conceivably, result in claims of discrimination.

Undergraduate Student Government (“USG”) President Jennifer Delaney announced that she would discuss this issue with her constituency and report back to the Academic Affairs Committee.

Jones thanked the IFC for their recommendations which will be used to discuss the proposal further at the committee level. IFC members should forward additional feedback on this issue to the Academic Affairs Committee via the IFC Office. The policy will be up for IFC action on October 6<sup>th</sup>.

### **Agenda Item VIII: [ACTION ITEM] Resolution on Class Time Modules: Bart Ng.**

Ng presented the following resolution on the proposed process for modifying IUPUI’s class time modules (requested by Student Enrollment Services) from the IFC Executive Committee.

“A review of current class scheduling practices [begun in February 2005] has resulted in **proposed changes to the IUPUI Time Modules**, effective during the Fall 2006 term. *Learn more about the proposed modules at <http://www.iupui.edu/~fcouncil/documents/newtimemods.htm> and view proposed revised times at [http://www.iupui.edu/~fcouncil/documents/newtimemods\\_fall06.htm](http://www.iupui.edu/~fcouncil/documents/newtimemods_fall06.htm).*”

Upon their review of the proposal on September 1, 2005 the IUPUI Faculty Council (“IFC”) Executive Committee resolved the following:

“The IFC Executive Committee recommends that the IFC agree to the initiation of the technical programming effort needed for the implementation of the proposed changes in class meeting time provided that: (1) a draft schedule be constructed as a first step; (2) the “scheduling experts” from each school be given the opportunity to critique the draft and to work with the Office of the Registrar in making changes appropriate to the needs of the school; (3) the Office of the Registrar commit to developing workable alternatives for the schools as required to meet the needs of the students, academic units, and campus; and (4) the Office of the Registrar publish a school-by-school time module utilization chart each semester starting with Fall 2005 and ending in August 2007 (*Summer II*).”

Student Enrollment Services Director Becky Porter emphasized that, despite the adjustments being made to class times, the Office of the Registrar will work with each unit to ensure that scheduling needs (including those for lab sections) are met. Ng explained that the IFC was being asked to endorse the process rather than the current proposed time modules themselves. Some IFC representatives expressed concerns that there are too many exceptions to traditional class times for the proposed policy to be effective in meeting the needs of departments in the Sciences, Business, and others.

Vermette called the question on the adoption of the resolution. With two “no” votes, the motion carried.

### **Agenda Item IX: [ACTION ITEM] From Faculty Affairs - Conflict of Commitment and Conflict of Interest Policies: Jennifer Hehman (Member, Faculty Affairs) and Marion Wagner (Chair – Faculty Affairs, 4.6733, [iboh100@iupui.edu](mailto:iboh100@iupui.edu)).**

(Fall 2005) Faculty Affairs Chair Marion Wagner and Faculty Affairs Subcommittee Chair Jennifer Hehman presented the IUPUI Conflict of Commitment ([http://www.iupui.edu/~fcouncil/documents/conflict\\_commitment.htm](http://www.iupui.edu/~fcouncil/documents/conflict_commitment.htm)) and Conflict of Interest ([http://www.iupui.edu/~fcouncil/documents/conflict\\_interest.htm](http://www.iupui.edu/~fcouncil/documents/conflict_interest.htm)) policies (respectively). Throughout the last school year, Faculty Affairs worked closely with then-Vice Chancellor Mark Brenner to review and revise the interim policies approved by the IFC for [interim] use in 2004-05. Upon completing their review and revision, the committee was set to request the IFC’s approval of the policies (converting them from interim to permanent) in May 2005. As time ran short, no action was taken on the policies at the May 3, 2005 IFC meeting.

Representative Ann Fletcher expressed strong support for the proposed policies, noting that disclosure is critical to the protection of, both, the university and its faculty.

Following an expression of concern about whether or not the proposed policies adequately address the special status of summer activity [due, e.g., to 10-month appointments] and questions regarding the policies’ consistency, Representative Martin Spechler moved to return

the proposal to committee. The motion was seconded by Representative Jim Baldwin.

Vice President Vermette called the question on the motion to return the proposal to the Faculty Affairs Committee for further review and receipt of faculty feedback. The motion carried [by a vote of 33-20].

Executive Vice Chancellor William Plater reminded the IFC to be mindful of the fact that the IUPUI policies must not contradict the university policies on conflicts of commitment and interest [respectively].

IFC members were urged to review the proposed policies and provide feedback to the committee via the IFC Office.

**Agenda Item X: [ACTION ITEM] MOTION: To suspend protocol for Agenda Item IX (below), allowing non-Faculty-Council-members to be called upon to address the Council: Rosalie Vermette.**

The motion was made and, with no objections heard, carried.

**Agenda Item XI: [SPECIAL DISCUSSION ITEM] From Academic Affairs - Reviewing the Principles of Undergraduate Learning: Betty Jones (Chair – Academic Affairs Committee, 4.2248, [betjones@iupui.edu](mailto:betjones@iupui.edu)).**

**A. Brief History & Overview of the PULs ([http://www.iupui.edu/~fcouncil/documents/overview\\_GenEd\\_PULs\\_8-05.htm](http://www.iupui.edu/~fcouncil/documents/overview_GenEd_PULs_8-05.htm)).**

**B. Tracked Proposed Changes to the Original [1998] PULs ([http://www.iupui.edu/~fcouncil/documents/proposed\\_PUL\\_changes\\_7-05.htm](http://www.iupui.edu/~fcouncil/documents/proposed_PUL_changes_7-05.htm)).**

Jones presented an issue for discussion by the IFC: the review and possible revision/update of the Principles of Undergraduate Learning (“PULs”), originally adopted by the IFC in 1998. Last year the issue of reviewing the PULs was presented to the Academic Affairs Committee. Upon their review the PULs were deemed to contain some semantic and formatting inconsistencies, which the committee has tried to address in their proposed revision. Other motivating factors behind the review include: the conclusion that the PULs haven’t been used as widely on campus as originally intended, perhaps because of unresolved or unrepresented issues; the fact that “a lot has changed in education and the world” since 1998; and the need to more explicitly illustrate the developmental intent behind the principles (a need echoed by Professor Ward).

Feedback on the proposed revisions and the idea of revising the PULs included:

§ Any publication of the PULs should be formatted and worded in a way that is relevant to and understood by undergraduate students (**USG President Delaney**).

§ The goals of the PULs should be prioritized as they may, currently, be “asking too much” from an undergraduate experience. (**Professors Spechler and Karlson**)

§ The primary goal should be one of education and intellectual development rather than skill-building, alone. (**Professor Karlson**)

§ The committee should advise the appropriate body as to how to best diffuse the PULs throughout the campus, ensuring their widespread effective use. (**Vice Chancellor for Student Life & Diversity Karen Whitney**)

§ Perhaps the effort spent on “wordsmithing” and/or re-crafting the PULs would be better spent evaluating the implementation and current use of the PULs. (**Professor Baldwin**)

§ The use of the term “civility” seems awkward in certain contexts and should be reviewed for clarity (**Professor Ward**).

§ The addition of more references to “acoustic and spoken expression” is a positive one. Additionally, the pairing of the terms “aesthetics” and “ethics” seem to misrepresent the relationship between the two. (**Professor Steve Mannheimer**)

§ When the PULs were drafted in 1998, the idea was for their language to be general, allowing (and requiring) schools to take ownership. This—and the effective diffusion and implementation—of the principles is the most critical issue. (**Professor Jeff Watt**)

§ The role of quantitative skills in the PULs needs to be clarified. (**Professor Dolores Hoyt**)

§ The addition of any new core skills should be clearly explained and thoroughly discussed by the IFC. (**Professor William Schneider**)

§ The School of Medicine's competency-based curriculum could prove to be a valuable resource in the discussion of the PULs (**Professors Richard Meiss and Nancy Eckerman**)

§ As the original PULs were constructed and approved by the IFC in 1998, any new iteration must also be reviewed and approved by the IFC prior to any distribution to schools or students. (**Vice President Vermette**)

§ IFC members should review the original [1998] PULs ([http://www.iupui.edu/~fcouncil/documents/original\\_PULs\\_1998.htm](http://www.iupui.edu/~fcouncil/documents/original_PULs_1998.htm)) and the proposed revisions, discussing the pertinent issues with their constituencies.

Jones thanked the IFC and guests for their time, promising that the committee will take all of the above into account as they move forward. IFC members should forward additional feedback on this issue to the Academic Affairs Committee via the IFC Office.

### **Agenda Item XII: Call for any FC or UFC Standing Committee reports.**

No report.

### **Agenda Item XIII: Chancellor's Report: Charles Bantz (IUPUI Chancellor & IU Vice-President).**

Bantz briefed the IFC on the following:

- The Chancellor called on Executive Vice Chancellor Plater to present the Fall 2005 Enrollment Report.
- The Chancellor called on Vice Chancellor Whitney who was pleased to report that the Fall 2005 occupancy rate for IUPUI campus housing stands at 90%.
- The Campus Center groundbreaking ceremony will take place on September 30th at 1:00pm at the corner of University Blvd. and Michigan St.

A number of major construction projects are underway, including the new cancer center. Lane closures and parking changes have resulted.

The new home of the Herron School of Art (Eskenazi Hall) opened over the summer.

The demolition date for the Mary Cable Building has been set for late September.

Renovation and refurbishment of the University Place Conference Center and Hotel continues on-schedule.

Additional information about construction projects is available online at <http://www.indiana.edu/%7Euao/>.

- The proposals for funding from the Commitment to Excellence project are due Wednesday September 7<sup>th</sup>. The Chancellor noted that the Trustees continue to be very interested in and committed to this project.
- Vice Chancellor for Research Mark Brenner departed the university on September 1<sup>st</sup> to accept a position at a university in Reno, Nevada. John Slattery, Dean of the IU Graduate School, will be departing the university to return to his former institution. The Chancellor is exploring his options for interim appointments and will work with the faculty to begin the search & screen process for Brenner's position. The Chancellor will work with President Adam Herbert to facilitate the search & screen process for Slattery's position.
- Finally, the Chancellor confirmed earlier announcements that Executive Vice Chancellor and Dean of the Faculties William Plater will be stepping down from his current post on June 30, 2006 after nineteen years in the role. Dean Plater will become Director of the Workshop on International Community Development, "a newly focused initiative to combine

and coordinate efforts in international community development.” The Chancellor is focusing on a possible reevaluation and restructure of the post that would separate the two roles (*Executive Vice Chancellor and Dean of the Faculties*). As previously announced, President Ng is currently soliciting nominees for faculty to serve on the search & screen committee for the new Executive Vice Chancellor.

At the close of the meeting Representative Spechler praised Plater for his tireless advocacy for and collaboration with the faculty. Citing his remarkable contribution and critical role in the development of IUPUI as it stands today, the IFC body stood to applaud and thank Executive Vice Chancellor Plater.

- The Chancellor has invited James Stukel (*immediate past President of the University of Illinois*) and Samuel Smith (*President Emeritus of Washington State University*) to campus this week to visit with administrators, faculty, and others. The two will offer insight on IUPUI’s current administrative structure. The Chancellor looks forward to updating the IFC on the results of their visit.

#### **Agenda Item XIV: President's Report: Bart Ng (IUPUI Faculty President & UFC Co-Secretary, 4.8185).**

Abbreviating his report in the interest of time, President Ng made the following announcements:

- The next IFC meeting will be on Thursday October 6<sup>th</sup> from 3:30-4:00pm and will be immediately followed by the Chancellor’s State of the Campus address.
- He continues to monitor the progress of the Mission Differentiation Project (“MDP”), which President Herbert is preparing to present to the Board of Trustees. Ng continues to urge President Herbert to share the final combined MDP report with all faculty as soon as possible.
- Two administrative reviews were completed at the close of the Spring 2005 semester. The summary for one (Herron Dean Valerie Eickmeier) is available online at [http://www.iupui.edu/~fcouncil/documents/eickmeier\\_review.htm](http://www.iupui.edu/~fcouncil/documents/eickmeier_review.htm). The second summary is being reviewed by IFC leadership; an update will be available soon.

*Attendance record & original agenda follow adjournment as attachments.*

**Agenda Item I: Call to Order: Rosalie Vermette (IUPUI Faculty Vice-President, 4.0064).**

Vermette called the meeting to order at 3:30pm.

**Agenda Item II: Adoption of the Order of Business for the Day.**

The order of business was revised. The revised order of business for the day was adopted.

**Agenda Item III: [ACTION ITEM] IFC 10/6/05 Minutes: Up for Approval.**

The IFC October 6, 2005 minutes were unanimously approved and entered into record. *These minutes are available to view online at <http://www.iupui.edu/~fcouncil/minutes/fc051006html.htm>.*

**Agenda Item IV: [ACTION ITEM] Resolution on Revised IUPUI Mission Statement: Bart Ng (IUPUI Faculty President & UFC Co-Secretary, 4.8185, [bng@math.iupui.edu](mailto:bng@math.iupui.edu)).**

Ng presented the following resolution on the revised IUPUI Mission Statement [*appearing in the final Mission Differentiation Project (“MDP”) report, which will go before the IU Board of Trustees on Thursday November 3<sup>rd</sup> or Friday November 4<sup>th</sup>*].

“You will recall that the IFC approved a version of the IUPUI Mission Statement at its May 3, 2005 meeting. During that meeting, there was a discussion on whether we should use the term “Ph.D.” instead of “doctoral” degrees but it was inconclusive, and the sentiment then was that such a change is not substantive and the decision could be left up to Chancellor Charles Bantz. Subsequently, the Chancellor did decide to use the term “Ph.D.” because he believes that the specificity would be helpful to the campus. However, before the IFC approved Mission Statement was submitted to the MDP Team, Chancellor Bantz felt that the first sentence in that Statement could be problematic in that we (IU) cannot and should not speak on behalf of Purdue in claiming to be their academic health sciences campus, or urban research campus for that matter (since they might say that IPFW ful-fills that role for Purdue). A substantive change to the first sentence in the IFC approved Statement was then made to address that concern. Because of the summer break, consultation with the IFC was not possible and yet the submission deadline has to be met to ensure that a Mission Statement for IUPUI can be included in the MDP Final Report. The IFC Executive Committee discussed the change in the first sentence of the IFC approved Statement in its October 27 meeting and recommend that the full IFC accept this change.

Below are the two versions of IUPUI's Mission Statement with the differences underlined. We are requesting your endorsement of the version that appears in the MDP Final Report.

*Version approved by the IFC on May 3, 2005: “Indiana University–Purdue University Indianapolis (IUPUI) is the urban research and academic health sciences campus of Indiana and Purdue Universities.”*

IUPUI's mission is to advance the State of Indiana and the intellectual growth of its citizens to the highest levels nationally and internationally through research and creative activity, teaching and learning, and civic engagement. By offering a distinctive range of bachelor's, master's, doctoral, and professional degrees, IUPUI promotes the educational, cultural, and economic development of central Indiana and beyond through innovative collaborations, external partnerships, and a strong commitment to diversity."

*Version that appears in the MDP Final Report: "Indiana University–Purdue University Indianapolis (IUPUI), a partnership between Indiana and Purdue Universities, is Indiana's urban research and academic health sciences campus. IUPUI's mission is to advance the State of Indiana and the intellectual growth of its citizens to the highest levels nationally and internationally through research and creative activity, teaching and learning, and civic engagement. By offering a distinctive range of bachelor's, master's, professional and Ph.D. degrees, IUPUI promotes the educational, cultural, and economic development of central Indiana and beyond through innovative collaborations, external partnerships, and a strong commitment to diversity."*

Following a motion by Professor Mary Fisher and a second by Professor Jeff Watt, Vice President Rosalie Vermette called the question on the adoption of the resolution. With one "no" vote and one abstention, the motion carried.

**Agenda Item V: [ACTION ITEM] From Student Affairs – "IU Code of Student Rights, Responsibilities, and Conduct - Part V: Student Disciplinary Procedures for Academic Misconduct involving the IUPUI Campus:" Marsha Ellett (Chair – Student Affairs Committee, 4.0051, [mellett@iupui.edu](mailto:mellett@iupui.edu)).**

Ellett presented (2) minor revisions to Part V of the IU Code of Student Rights, Responsibilities, and Conduct: "Student Disciplinary Procedures for Academic Misconduct Involving the IUPUI Campus." The full code was endorsed by the IFC and approved by the University Faculty Council ("UFC") in April 2005; Part V (*which applies, only, to IUPUI*) was approved by the IFC in May 2005. One revision is recommended by the Student Affairs Committee, who reevaluated the wording of Part V.'s Preamble over the summer. The other revision resulted when the code—including all campus-specific sections relating to academic misconduct—was reviewed by the Trustees over the summer. A trustee requested clarification on behalf of students with special needs.

The Preamble was revised to reflect the original intent of the revised code: to standardize procedure rather than penalty [*for academic misconduct*].

"Section K." [*below*] was added to make the clarification requested by the Trustees:

"K. Unique circumstances

The University recognizes that in some situations it may be difficult for a student to clearly articulate their case or to quickly process and interpret the proceedings. For example:

1. students for whom English is a second language and/or
2. students with a disability.

If the student wishes, in these unique circumstances the Dean of Students will make provisions which allow an advocate or advisor to:

1. address the Board, in cases of academic misconduct and/or

2. address The Dean of Students, in cases of personal misconduct”

Following some discussion as to how to proceed, the IFC determined that it would be acting on a motion to align IUPUI procedures on academic misconduct (“Part V”) with the university code [*and the campus-specific procedures contained therein, amended slightly per Trustees’ request*].

Following comments from the floor suggesting that types of disability be defined in “Section K.” Ellett reminded the IFC that the Dean of Students would be empowered to evaluate any special needs on a case-by-case basis. President Ng followed-up on her remarks, pointing out that the new language was worded as a guideline rather than as an exclusive or inclusive standard.

A member, then, questioned the use of “their” rather than “his/her.” Ellett explained that “his/her” has appeared in the original draft, but that “their” was inserted during review at the university level. Ellett and the IFC office will inquire as to whether the use of “their” is meant to satisfy a university standard.

Vermette called the question on the motion to approve the revisions to Part V. of the Student Code. The motion carried, unanimously.

#### **Agenda Item VI: From Academic Affairs – Betty Jones (Chair – Academic Affairs Committee, 4.2248, [betjones@iupui.edu](mailto:betjones@iupui.edu)):**

##### **A. [ACTION ITEM] Proposal for Campus-wide Probation, Dismissal, and Reinstatement Policy**

Jones asked to postpone a third reading of and action on the Proposal for Campus-wide Probation, Dismissal, and Reinstatement Policy (<http://www.iupui.edu/~fcouncil/documents/probation-dismissal-reinstatement.htm>) until the committee has had adequate time to consider recent feedback and address some outstanding procedural questions. IFC members should forward additional feedback on this issue to the Academic Affairs Committee via the IFC Office. The policy will be tentatively slated for IFC action on December 6<sup>th</sup>.

##### **B. [FIRST READING] UPDATE – Principles of Undergraduate Learning (“PULs”)**

Jones then gave a first reading of the revised Principles of Undergraduate Learning (“PULs”), originally adopted by the IFC in 1998. Last year the issue of reviewing the PULs was presented to the Academic Affairs Committee. In this draft of the PULs, the committee has attempted to address semantic and formatting inconsistencies, as well as issues relating to implementation and assessment.

**NOTE:** The draft in question was, at the time of the publication of these minutes, posted at [http://www.iupui.edu/~fcouncil/documents/PUL\\_proposal\\_10-05.htm](http://www.iupui.edu/~fcouncil/documents/PUL_proposal_10-05.htm).

#### **Feedback on the proposed amendments included:**

§ The committee’s hard work is to be commended. The concept of school-based planning for assessment is especially important. (*Professor Martin Spechler*)

§ The definition contained under “Core Communication and Quantitative Skills” should be revised to read “The ability of students to communicate and to perform quantitative analysis...” (*President Ng*)

§ [Also contained under “Core Communication and Quantitative Skills”] The expectation of the ability to “write, read, and speak” should remain explicit. (*Professor Spechler*)

§ The definition contained under “Critical Thinking” should be restored to the 1998 verbiage so as to be as strong a statement as possible. (*Professor Marianne Wokeck*)

§ [Also contained under “Critical Thinking”] Further examination of the inclusion of “creative” and “reasoned” conclusions under a single item is urged. (*Professors Andre De Tienne and Cornelis De Waal*)

§ [Also contained under “Critical Thinking”] The creative component is vital. (*Professor Ann Fletcher*)

§ The definition contained under “Understanding the Diversity of Societies and Cultures” should be revised to reflect the importance of understanding similarities as well as differences. (*Professor Henry Karlson*)

§ [Also contained under “Understanding the Diversity of Societies and Cultures”] The choice of the phrase “civility in social settings” skews the intent and implies simple etiquette; “in social settings” should be omitted. (*Professor Rick Ward*)

§ [Also contained under “Understanding the Diversity of Societies and Cultures”] The original definition should be reinstated. (*Professors Ward and Jim Baldwin*)

§ [Also contained under “Understanding Diversity of Societies and Cultures”] The heading should be revised to read “Understanding the Diversity and Universality of Societies and Cultures.” (*Professor Bill Schneider*)

§ Outcomes B. and C. under “Values and Ethics” should be clarified; the currently appear redundant. (*Professor Anne Belcher*)

Jones thanked the IFC and guests for their time and asked for feedback, especially, on where IFC members feel the expository material belongs: at the beginning (*its current placement*) or end of the document.

The IFC leadership, in turn, thanked Jones and her committee for their diligence. IFC members should forward additional feedback on this issue to the Academic Affairs Committee via the IFC Office.

## **Agenda Item VII: Call for any FC or UFC Standing Committee reports.**

IFC Distance Education Co-Chair Anna McDaniel announced that her committee is reviewing the proposed Intellectual Property Policy in collaboration with the IFC's Faculty and Research Affairs Committees (respectively).

**Agenda Item VIII: Chancellor's Report: Charles Bantz (IUPUI Chancellor & IU Vice-President).**

Bantz briefed the IFC on the following:

- The Chancellor's 2005 Employee Recognition Convocation was held on October 11<sup>th</sup>. It was an important event to honor outstanding work by IUPUI staff.
- The Chancellor has issued a memo asking a group of faculty to serve on the Fiscal Futures Team (to be chaired by Norm Lefstein).
- The search committee for the Executive Vice Chancellor of IUPUI has begun its work. The position posting appeared in the *Chronicle of Higher Education* the day before the IFC meeting.
- The Chancellor is proud to be participating in the annual Diversity Leadership Academy of Greater Indianapolis. He was pleased to announce that—independent of his influence—by conference participants noted commitment to the improvement of retention rates at IUPUI as an area of great interest.
- The “Commitment to Excellence” process is restarting, with a proposal review committee convening in the coming weeks.
- At meeting time, the formal announcement of the Interim Vice Chancellor for Research was forthcoming.
- The new Jesse H. & Beulah Chanley Cox Scholarship is underway. The program—made possible by a gift with great growth potential—requires that participants demonstrate a commitment to funding their own education by working to contribute at least 25% of the standard cost of attendance.
- In the coming months, IUPUI faculty will hear more about the “Advancing Indiana” economic development initiative which has “set up shop” in Indianapolis.
- The Clarian Board of Directors has approved the expansion of Riley Children's Hospital (“Phase 5”). Some road closures may result, but no decisions have been made as of yet.
- The Indiana Logistics Summit was held on October 19<sup>th</sup>.
- The opening of a large Cook, Inc. manufacturing facility in Bloomington indicates further

growth of Indiana's status in the life sciences industry.

- In closing, the Chancellor urged faculty to encourage students to take advantage of lecture series on campus.
- Following questions from the floor, the Chancellor asked Vice Chancellor for Administration & Finance Bob Martin to follow up on the following issues:

[NOTE: Vice Chancellor Martin provided the following updates following the meeting]

§ The Availability of Flu Shots from the Student/Employee Health Services: “The center only received a partial shipment of flu vaccine; therefore, only healthcare individuals will be given the shots at this time. When the remainder of the vaccine is received, flu shots will be available to all employees. It is my understanding a University ID is required.”

§ A Possible New Entrance into Parking Lot 80 (across from the Lecture Hall): “This option was discussed with the commencing of both projects (the Cancer Hospital and the Campus Center). It was determined that an entrance into Lot 80 off of University Blvd. would be too close to the Vermont Street light and New York street. The thinking was that this would cause further congestion on University Blvd. When Vermont re-opens it will provide some relief to the traffic congestion.”

### **Agenda Item IX: President's Report: Bart Ng (IUPUI Faculty President & UFC Co-Secretary, 4.8185).**

Ng briefed the IFC on the following:

- The next IFC meeting will be on Tuesday December 6<sup>th</sup> from 3:30-5:30pm in the renovated University Place Hotel Ballroom and will be immediately followed by a reception hosted by John Short and Maggie Miller.
- The search committee for the IU Vice President for Academic Affairs/IUB Chancellor recently forwarded its recommendations to President Herbert, who has elected not to appoint anyone at this time. The search will continue under the guidance of the same search committee.
- The IU Board of Trustees will meet later in the week.
- In October, the UFC approved a Mission Statement for Indiana University and discussed, at length, a proposed policy on undergraduate admissions (<http://www.indiana.edu/~ufc/docs/AY06/circulars/U9-2006.htm>).
- Following a spirited discussion at the October UFC regarding General Education at IU (<http://www.indiana.edu/~ufc/docs/AY05/Circulars/GenEd.htm>), Ng will meet with his UFC Co-Secretary (Ted Miller) and the UFC Educational Policies Committee Chairs (IUPUI – Betty Jones / IUB – Bill Wheeler) to determine the goal of the discussion. Ng will keep the IFC updated.

- The administrative review panels for Vice Chancellor for Student Life and Diversity Karen Whitney, SPEA Dean Astrid Merget, and Associate Dean of Kelley Business Roger Schmenner have been convened.
- The summary of the administrative review of Executive Associate Dean of Informatics Darrell Bailey is available on the IFC website.
- The Partially-Paid Family Leave Policy (*extended by the Trustees following their rejection of the fully paid leave policy recommended by the UFC in Spring 2005*) will be revisited in the near future.

### **Agenda Item XI: Question / Answer Period.**

No discussion.

### **Agenda Item X: Unfinished Business?**

No discussion.

### **Agenda Item XII: New Business?**

No discussion.

### **Agenda Item XIII: Adjournment.**

A motion to adjourn was made and seconded. The motion carried. Vice President Vermette adjourned the meeting at 5:13pm.

\*N is the variable used to determine the number of unit & representatives-at-large to be elected to the FC for 2006-08; it is calculated at the end of every odd-numbered year.

After some discussion of the introduction to the document, Professor Bill Schneider moved that the procedural segment of the document and the principles themselves be separated for discussion and action. Vermette called the question. The motion carried (with some dissent). The principles will be up for IFC action on January 10<sup>th</sup>.

The IFC leadership thanked Jones and her committee for their hard work. IFC members should forward additional feedback on this issue to the Academic Affairs Committee via the IFC Office.

**Agenda Item XI: [ACTION ITEM] From Academic Affairs – Updated Principles of Undergraduate Learning ("PULs"): Betty Jones.**

Jones gave a third reading of the revised Principles of Undergraduate Learning ("PULs"), originally adopted by the IFC in 1998. Last year the issue of reviewing the PULs was presented to the Academic Affairs Committee. In this draft of the PULs, the committee has attempted to address semantic and formatting inconsistencies, as well as issues relating to implementation and assessment.

VIEW the document as it was presented on 1-10-06 at [http://www.iupui.edu/~fcouncil/documents/PUL\\_1-06.htm](http://www.iupui.edu/~fcouncil/documents/PUL_1-06.htm)

NOTE: In the document linked above, the 1998 PULs are shown side-by-side with the [proposed] revised PULs. This draft does not reflect language relating to implementation and assessment incorporated in previous drafts reviewed by the IFC in Fall 2005. Language regarding implementation and assessment will undergo separate review by the IFC Executive Committee and be returned to the IFC at a later date.

Jones reviewed each of the six principles, highlighting new and revised language. The definitions and outcomes contained under each principle were undertaken as individual motions [*as detailed below*]:

**\*KEY:** Underlined blue type represents revised language proposed by the AAC. Revisions to new language proposed by the AAC via motions from the floor of the IFC on 1/10/06 are printed in underlined bold red type. **Bold red type that has been struck-through** represents language revised from the floor of the IFC that was not revised by the AAC [i.e. – is original language, from the 1998 draft].

**\*NOTE:** Detailed information relating to the motions below is available from the IFC office upon request.

**Agenda Item V: [INFORMATION ITEM] “Our Students: Changing Demographics Changing Campus Life:” Karen Whitney (Vice Chancellor for Student Life & Diversity, 4.8990 [whitney@iupui.edu](mailto:whitney@iupui.edu)).**

Whitney gave a presentation titled “Our Students: Changing Demographics Changing Campus Life” (<http://www.iupui.edu/~fcouncil/documents/IUPUIstudents2006.ppt>) high-lighting the unique qualities of and challenges facing IUPUI students. Information included:

- 16% of IUPUI undergraduate students represent ethnic or racial minorities;
- 37% of IUPUI undergraduates are age 25 or older;
- 70% of IUPUI undergraduates work an average of 29 hours per week;
- 61% of IUPUI undergraduate students are first-generation college students; and
- 27% of IUPUI undergraduates have children;

As the Campus Center nears completion, a suggestion was made from the floor that the IFC and other campus groups should discuss the possibility of establishing campus cultural centers as a means of

strengthening the campus commitment to diversity.

In closing, Vice Chancellor Whitney welcomed members to contact her if you would like her to give this presentation to your department or school.

**Agenda Item VI: [DISCUSSION ITEM] *Can the IFC Vote in March on the Campus' Readiness to Go Smoke-Free?*: Karen Whitney.**

Whitney then introduced a proposed revision to the IUPUI smoking policy which would make the campus smoke-free. Faculty, staff, and student governance groups will be voting on the proposal in the weeks leading up to Spring Break.

**Agenda Item VII: [UPDATES] From Academic Affairs: Betty Jones (Chair – Academic Affairs Committee, 4.2248, [betjones@iupui.edu](mailto:betjones@iupui.edu)).**

This item was postponed for further committee work.

**Agenda Item VIII: [INFORMATION ITEM] Report from the Admissions Committee / Admissions Policies for 2008: Betty Jones.**

Jones gave an annual report on IUPUI Admission Standards for 2008 ([http://www.iupui.edu/~fcouncil/documents/admissions\\_fall\\_2008.htm](http://www.iupui.edu/~fcouncil/documents/admissions_fall_2008.htm)). These standards—which were edited on February 2, 2006 for consistency with the UFC Indiana University Policy and Template and Guidelines for Campus Admission Policies (*approved January 31, 2006 and posted at <http://www.indiana.edu/~ufc/docs/AY06/circulars/U9-2006.htm>*)—were approved by the University College (“UC”) Admissions Committee on January 18, 2006. Jones went on to explain that in 2004 the IFC empowered the University College faculty with primary and initiating responsibility for reviewing and recommending changes in undergraduate admissions policies and practices.

Ng expressed concern that allowing certain low high school grades among admitted first-year students could contribute to the mislabeling of IUPUI as a second class institution.

One member urged the admission committee to be mindful of students taking the GED to avoid completing the Core 40 in high school and continue safeguarding against this.

**Agenda Item IX: Call for any FC or UFC Standing Committee reports.**

No discussion.

**Agenda Item X: Chancellor's Report: Charles Bantz (IUPUI Chancellor & IU Vice-President).**

Bantz briefed the IFC on the following:

- First, addressing IFC concerns about new responsibilities assigned to his office, the Chancellor noted the following –
  - both he and Vice President Craig Brater discussed their new responsibilities at length with President Herbert;
  - he will be overseeing academic processes relating to promotion & tenure on regional IU campuses; and
  - he will be the Commitment to Excellence (“CTE”) project contact for the regional campuses.
  
- The Chancellor then received other feedback from IFC members:
  - IUPUI can suffer when tuition is raised, as so many of our students work. There is a correlation between the number of hours worked outside of school and a student’s performance.
  
  - Many faculty hope that the review of Responsibility Center Management [spurred by Trustee concerns about the unavailability of funds for investment by the President] will not lead to further centralization.
  
  - IFC members raised concerns that the Life Sciences Plan implies “second class citizen status” for IUPUI within the university system. The Chancellor reminded faculty that IUPUI’s stellar (and “first class”) record as a research institution—and generator of research monies—speaks for itself.
  
  - The IFC plays an important role in the CTE review process. For example, the IFC Executive Committee provided the Chancellor with the names of faculty for appointment to the review committee. The IFC will also play a critical role in conveying to faculty the direction of CTE projects (a focus on Life Sciences, etc.).
  
  - Citing concerns among some IFC members that the review committee may not meet in person, the Chancellor assured the council that the review process must and will be “robust, rigorous, and fair” and that the committee will be urged to meet face-to-face.
  
- The search for the Executive Vice Chancellor is on-schedule.
  
- On January 31<sup>st</sup>, the UFC approved a policy, templates, and guidelines for campus admission standards [*see admissions report*]. IFC President Bart Ng then noted that he will work with Becky Porter to draft IUPUI’s response to the passed policy when it goes before the Trustees.
  
- At meeting time, the IUPUI Men’s and Women’s basketball teams are in 1<sup>st</sup> and 2<sup>nd</sup> place, respectively, in their conferences. The coaching staff is to be credited with valuing academic excellence as much as athletic prowess.

**Agenda Item XI: President's Report: Bart Ng (IUPUI Faculty President & UFC Co-Secretary, 4.8185, [bng@math.iupui.edu](mailto:bng@math.iupui.edu)).**

Ng briefed the IFC on the following:

- First—to much applause—Professor Enid Zwirn thanked President Ng for his tireless efforts on behalf of IUPUI [during the restructuring, especially]. Ng thanked the IFC and followed by saying, “I would just like to begin by thanking all of you for working so hard in recent weeks. As I meet with the Trustees and President Herbert, I’ve been proud to represent such a cohesive, thoughtful, clear faculty voice.”
- Ng then discussed the Board of Trustees response to the IUPUI faculty ([http://www.iupui.edu/~fcouncil/reply\\_2-7-06.htm](http://www.iupui.edu/~fcouncil/reply_2-7-06.htm)) [re: administrative restructuring].

**Agenda Item XII: New Business?**

No discussion.

**Agenda Item XIII: Question / Answer Period.**

No discussion.

**Agenda Item XIV: Unfinished Business?**

No discussion.

**Agenda Item XV: Adjournment.**

A motion to adjourn was made and seconded. The motion carried. Vice President Vermette adjourned the meeting at 5:29pm.

**Agenda Item VII: [ACTION ITEM] Proposed Revision to Campus Smoking Policy: Karen Whitney (Vice Chancellor for Student Life & Diversity, 4.8990, [whitney@iupui.edu](mailto:whitney@iupui.edu)) and Ellen Poffenberger (Assistant Vice-Chancellor for Human Resources, 4.8932, [epoffenb@iupui.edu](mailto:epoffenb@iupui.edu)).**

Vice Chancellor for Student Life & Diversity Karen Whitney and Assistant Vice Chancellor for Human Resources Ellen Poffenberger gave the second reading of a proposed revision to the IUPUI smoking policy:

**“Smoking Tobacco Policy**

***Effective July 1, 2004 August 14, 2006***

**Tobacco use, including but not limited to smoking** is prohibited on university owned, and operated **orand-leased** property.~~within-30 feet of building entrances, exits, partially or fully enclosed walkways and ventilation systems.~~

~~All buildings, doorways, and fully or partially enclosed walkways connecting buildings will be smoke free.~~ Exceptions may be granted for specific auxiliary enterprises, **as approved by the Chancellor.**

Smoking is not permitted in university owned, leased, or operated ~~licensed~~-vehicles.

Advertising, sale, or promotion of tobacco products and the sponsoring of campus events by

tobacco companies or tobacco-promoting organizations for the purpose of promoting tobacco related products is not permitted.

Enforcement of this policy will depend upon all members of the campus community **faculty, staff, and students to not only** to comply with **this policy but also to** and encourage others to comply with this policy in order to ensure a healthy environment **in which** to work, study, and live. ~~Complaints regarding~~ Violations of this policy should be referred to the appropriate administrative office **for review and appropriate administrative action**: For faculty the Office of Academic Policies, Procedures and Documentation; for staff, Human Resources Administration; or for students, the Office of The Dean of Students.”

The discussion that followed included questions and observations re: enforcement; possible alienation of colleagues who smoke; the promotion of smoking cessation programs; the right of students to wear tobacco company-related apparel; the impact of a smoke-free campus on whether or not younger students will take up the habit; freedom of expression, etc.

The IFC declined to take an official vote at this time—asking that the committee redraft the paragraph relating to tobacco promotion on campus—but a “straw poll” revealed a nearly 50% split [of those for and against banning tobacco use on campus].

Faculty should forward feedback on the proposed tobacco policy to the IFC office; it will be collected and forwarded to Vice Chancellor Whitney.

**Agenda Item VIII: [UPDATES] From Academic Affairs: Betty Jones (Chair – Academic Affairs Committee, 4.2248, [betjones@iupui.edu](mailto:betjones@iupui.edu)).**

Jones updated the IFC on the current version of the Principles of Undergraduate Learning (“PULs”). The committee is still working on one outstanding piece of the PULs: the definition of “Critical Thinking.”

Jones also announced that a 1-page proposal on general education at IU is forthcoming from the University Faculty Council (“UFC”) Educational Policies Committee [of which she is co-chair].

**Agenda Item IX: [ACTION ITEM] From Research Affairs – Lab Access Policy: Simon Atkinson (Chair – Research Affairs Committee, 8.0435, [satkinso@iupui.edu](mailto:satkinso@iupui.edu)).**

Atkinson gave a second reading of the Access to Laboratories Policy (<http://www.iupui.edu/~fcouncil/documents/labaccess.htm>) [which was electronically distributed for its first reading]. This draft will be slightly revised to clarify that faculty emeriti and students under the age of 16 involved in programs like SPAN are among those approved for lab access.

The motion was made to approve the policy with the suggested revisions. The motion carried unanimously. The policy will be presented for UFC action in late March.

**Agenda Item X: [FIRST READING] From Research Affairs/Distance Education – Intellectual Property Policy: Simon Atkinson.**

Atkinson —joined by Distance Education Committee Chair Anna McDaniel—then gave the first reading of the revised Intellectual Property Policy (“IPP”) (<http://www.iupui.edu/~fcouncil/documents/IPP-IFC-Draft-1-06.htm>). To offer some context for the revisions, Atkinson provided the IFC with the final report by the committee that reviewed the existing IPP ([http://www.iupui.edu/~fcouncil/documents/ipp\\_rev\\_comm.pdf](http://www.iupui.edu/~fcouncil/documents/ipp_rev_comm.pdf)).

Among other things, the revisions to the IPP are intended to clarify standards, strengthen faculty oversight, and address the unique issues presented by online course materials.

The IFC will act on the IPP at its April 4<sup>th</sup> meeting. The policy will be up for UFC action in late April.

*The current IPP policy can be viewed online at <http://research.indiana.edu/respol/intprop.html>.*

**Agenda Item XI: Call for any FC or UFC Standing Committee reports.**

No discussion.

**Agenda Item XII: Chancellor's Report: Charles Bantz (IUPUI Chancellor & IU Vice-President).**

Bantz briefed the IFC on the following:

- The IUPUI Men’s and Women’s Basketball teams were eliminated in the semi-final round of the Mid-Con Tournament. The Chancellor applauded the teams for their stellar performances on the court and in the classroom.
- The Chancellor thanked the IFC for their thoughtful discussion on integrated image, general education, intellectual property, and tobacco use policy.

**Agenda Item XIII: President's Report: Bart Ng (IUPUI Faculty President & UFC Co-Secretary, 4.8185, [bng@math.iupui.edu](mailto:bng@math.iupui.edu)).**

Ng briefed the IFC on the following:

- The Board of Trustees have reviewed and suggested minor revisions to the Conflict of Commitment policy. Ng will follow up with the IFC.
- The IUPUI Admissions Policy—revised pursuant to the UFC-approved “Policy and Template and Guidelines for Campus Admission Policies” was presented to the Trustees and received favorably. No action has been taken yet.

- The Trustees approved Guidelines for “Developing New Graduate Programs at Indiana University” [a policy which impacts so-called regional campuses more than IUPUI or IUB].
- A university policy for the “Search and Screen Process for Senior Administrators” has had its first reading before the UFC.
- In light of the speed of progress expected by the Trustees on many policy issues, as well as the fact that our IUB colleagues meet twice a month, the IFC Executive Committee is reviewing ways in which the IFC might streamline its process for first readings.

#### **Agenda Item XIV: New Business?**

No discussion.

#### **Agenda Item XV: Question / Answer Period.**

No discussion.

#### **Agenda Item XVI: Unfinished Business?**

No discussion.

#### **Agenda Item XVII: Adjournment.**

*\*indicates eligibility for a second term / running for re-election*

The election will be held at the May 2<sup>nd</sup> IFC meeting.

### **Agenda Item VII: [INFORMATION ITEM] Integrated Image: Lisa Townsend (Executive Director - Office of University Marketing).**

Townsend gave a presentation detailing recommendations made to the Board of Trustees regarding the IU Integrated Image project [especially issues relating to university seal and signature use]. The Trustees will act on these recommendations—which were developed following a consulting firms’ report—in May 2006.

Faculty expressed concern that the recommendations [*which, faculty observed to diminish IUPUI’s role as a core campus as well as the primary location of the School of Medicine*] relegate IUPUI to “second-class-citizen status.” Faculty also raised concerns that the recommendations treat “Indiana University” and “Indiana University Bloomington” as synonymous terms. IUPUI faculty representatives to the Integrated Image Committee, Fisher and Jim Baldwin, expressed concerns that the committee’s conclusions were not reflected in the recommendations to the Trustees. IFC President Bart Ng suggested that the IFC issue a formal response to the recommendations.

Ng accepted IFC members Mary Fisher and Henry Karlson's offer to draft a faculty response.

**Agenda Item VIII: [ACTION ITEM] Proposed Revision to Campus Tobacco Policy: Karen Whitney (Vice Chancellor for Student Life & Diversity, 4.8990, [whitney@iupui.edu](mailto:whitney@iupui.edu)) and Ellen Poffenberger (Assistant Vice-Chancellor for Human Resources, 4.8932, [epoffenb@iupui.edu](mailto:epoffenb@iupui.edu)).**

Whitney gave the third reading of a proposed revision to the IUPUI smoking policy which would make the campus "tobacco-free." Whitney noted that IUPUI student and staff governance groups have provided their feedback. She then asked that the faculty vote on the policy so that, in the event that the policy passes and the Chancellor decides to move forward with it, the appropriate committees may begin developing enforcement strategies.

Professor Henry Karlson moved to amend the proposed policy, striking the third paragraph and rephrasing the first line to begin "Tobacco use or sale..." The motion was seconded and the question called. The motion carried unanimously.

Three faculty members spoke in support of the proposed policy, citing health concerns and public image as a health and life sciences campus as rationale for their support. Three other faculty members spoke in opposition to the policy, citing feasibility of enforcement, concerns about student recruitment, inclusiveness, and personal freedom as rationale for their opposition.

A member then called for a quorum. The IUPUI Faculty Council's Constitution states that "a majority of the Faculty Council\* constitutes a quorum." A headcount of voting members present revealed that due to attrition during the meeting, a quorum was no longer present.

\* - according to our current roster, 54 [voting and "ex officio voting"] members constitute a quorum.

The vote was postponed due to a lack of quorum. The IFC Executive Committee is consulting the Parliamentarian and exploring options for conducting a vote on this issue in a timely manner.

*Below please find the fifth draft of the revised tobacco policy, forwarded by Vice Chancellor Whitney following the meeting.*

#### **~~Smoking~~ Tobacco Policy**

*Effective ~~July 1, 2004~~ August 14, 2006*

**Tobacco use or sale, including but not limited to smoking is prohibited on university owned, and operated ~~or~~ leased property. within 30 feet of building entrances, exits, partially or fully enclosed walkways and ventilation systems. Exceptions may be granted for specific auxiliary enterprises, **as approved by the Chancellor.**

**Tobacco use, including but not limited to** smoking is not permitted in university owned, leased, or operated licensed vehicles.

Advertising **or sale of tobacco products is not permitted.** , or Promotion of tobacco products and the sponsoring of campus events by tobacco companies or **off campus** tobacco-promoting organizations for the purpose of promoting tobacco related products is not permitted.

Enforcement of this policy will depend upon all members of the campus community *faculty, staff, and students to not only* to comply with *this policy but also to* and encourage others to comply with this policy in order to ensure a healthy environment **in which** to work, study, and live. Complaints regarding Violations of this policy should be referred to the appropriate administrative office *for review and appropriate administrative action*: For faculty the Office of Academic Policies, Procedures and Documentation; for staff, Human Resources Administration; or for students, the Office of The Dean of Students.”

**Agenda Item IX: [FIRST READINGS] From Faculty Affairs: Karen Gable (Chair – Faculty Affairs Committee, 8.1353, [kgable@iupui.edu](mailto:kgable@iupui.edu)).**

**Agenda Item V: Updates/Remarks from the Chancellor: Charles Bantz (IUPUI Chancellor & IU Executive Vice-President).**

Chancellor Bantz began by thanking Executive Vice Chancellor and Dean of Faculties William Plater for his outstanding service to faculty governance and to IUPUI as a whole.

Chancellor Bantz then updated the IFC on the following:

- Commencement is May 14. 4,340 degrees [were] conferred by IU President Adam Herbert and 967 by Purdue President Martin Jischke.
- Among the graduates is Brooke McAfee of Valparaiso, who helped lead the Jaguars women's basketball team to its best season since IUPUI joined NCAA Division I (17-11 overall, and 11-5 in Mid-Continent Conference play). She [received] the NCAA Postgraduate Scholarship.
- Women's Basketball Coach Shann Hart, "only in her second season at IUPUI, was just named National Female Coach of the Year by the Black Coaches Association for guiding the Jaguars to one of the best turnarounds in the country in 2005-06."
- A William M. Plater Civic Engagement Medallion will be established to honor students who "have demonstrated exemplary commitment to their communities during their undergraduate years at IUPUI."
- Executive Vice Chancellor-Designate and Dean of the Faculties-designate Uday Sukhatme continues to prepare to join the IUPUI campus full-time in July.
- The Chancellor then deferred to Executive Vice Chancellor Plater who reported on projected enrollments for Fall 2006. Comparative and projected data is available to view at <http://registrar.iupui.edu/enrollment/4068/cover4068.htm>.

### **Agenda Item VI: Updates/Remarks from the IFC President: Bart Ng (IUPUI Faculty President & UFC Co-Secretary, 4.8185, [bng@math.iupui.edu](mailto:bng@math.iupui.edu)).**

First, Ng updated the IFC on the outcome of several issues pending at the April University Faculty Council ("UFC") or Board of Trustees level:

- A search and screen process for senior administrators has been approved.
- The Trustees have extended the partially-paid family leave policy by another year. The policy will be up for review, again, at that time.

Next, Ng gave the annual report on Board of Review activity:

"Two different Boards of Review held formal hearings in June 2005 (after their initial filing was reported to the Faculty Council in May 2005).

The first of the two cases heard in June 2005 dealt with a hostile work environment, the dispute of the accuracy of annual reviews, and a salary dispute. The Chancellor accepted the Board's primary recommendation.

The second of the cases to be heard in June 2005 was a denial of tenure case. The Chancellor accepted the Board's primary recommendation.

Two Boards of Review held formal hearings in April 26, 2006.

The first of the two cases heard in April 2006—for which a Board was convened in the late Fall—was a denial of tenure case. At meeting time, the final report issued by this Board was awaiting a decision from the Chancellor.

The second of the cases to be heard in April 2006—for which a Board was convened in January—was a non-reappointment case. At meeting time, the final report issued by this Board was awaiting a decision from the Chancellor."

Ng then extended his thanks to his Vice President Rosalie Vermette and the Council as a whole for their hard work during a challenging year. He, then, played a video message from former IUPUI Chancellor Gerald Bepko, recognizing Executive Vice Chancellor Plater and revealing that the IFC Executive Committee had named Dean Plater the latest recipient of the Gerald L. Bepko Outstanding Administrator Award. Since its inception in 2003, former Chancellor Bepko and former Registrar Mark Grove have also received the honor.

Executive Vice Chancellor Plater thanked the IFC for the honor and also for their tireless work on behalf of faculty and the

IUPUI community as a whole. The IFC recognized Plater with a standing ovation.

In closing, the IFC thanked Professor Gail Plater and Nan Bohan for their own endless contributions to the campus and, especially, to faculty governance at IUPUI.

**Agenda Item VII: Question / Answer Period.**

No discussion.

**Agenda Item VIII: [ACTION ITEMS] From Faculty Affairs: Karen Gable (Chair – Faculty Affairs Committee, 8.1353, [kgable@iupui.edu](mailto:kgable@iupui.edu)).**

Gable first read the proposed revised Grievance Procedure for Designated Academic Appointees:

**Rationale:**

The current policy outlines the Grievance Procedure for those full-time academic appointees not covered under current formal grievance procedures as presented in Article IV of the IUPUI Bylaws: Faculty Grievances Procedures and in the IUPUI Grievance Procedure for Designated Academic Appointees. However, Research Scientists/Professors and part-time academic appointees are not currently included in the designations.

All faculty members should have the opportunity to resolve a grieved situation. Therefore, the following revision is proposed:

**Proposed wording:**

“At IUPUI all full and part time academic appointees except lecturers with less than a fifty percent appointment are eligible to seek redress for grievances through the established informal grievance process and, if informal measures fail, to seek a Faculty Board of Review. Lecturers with less than a fifty percent appointment are entitled to a grievance process within the employing unit, which will have the final authority for addressing such grievances.”

**Current wording of The Grievance Procedure:**

“The Grievance Procedure as outlined below is for those full-time academic appointees not covered under current formal grievance procedures. These appointees include, among others, visiting faculty (FVX), teachers (UCH), research associates (RSS), postdoctoral fellows (RSP), health center physicians (UMD), academic specialists (UAS), and resident counselors (RC). Most full-time academic appointees holding faculty rank (instructors, professorial ranks, and librarians), including clinical faculty as well as full-time scientist/scholar ranks and full-time lecturers, are eligible to use Faculty Boards of Review to resolve grievances. All other full-time academic appointees may use the procedures stated below. Grievances considered through this process include dismissal, non-re-appointment, academic freedom, or other conditions of work. Part-time lecturers and other part-time academic appointees may use procedures established in the policy statement, “IUPUI Policies Concerning Part-time Academic Appointees.” Professional, technical, and all other employees are eligible to use the process set forth in the Human Resources Administration Handbook.”

**Implementation:**

If adopted by the IFC, the resolution would become effective with grievances initiated after July 1, 2006. The Dean of Faculties Office is directed to ask all schools that do not have grievance policies to establish them as soon as possible and not later than December 2006. The Dean of the Faculties is requested to report on the status of school procedures to IFC not later than May 2007.

Following a motion and second for approval of the revisions, Vermette called the question. The motion carried unanimously.

Next, Gable read a proposal for the representation of full-time non-tenure-track faculty on the IFC:

**Rationale:**

Fulltime Non-Tenure-Track Faculty (NTTF) members contribute greatly to the achievements of the IUPUI community. Contributions include teaching at all levels, providing services to thousands of patients and clients, and conducting research.

Without the productive efforts of these approximately 920 individuals, the IUPUI community would find it very difficult to achieve its mission and goals. However, these individuals lack representation on the IUPUI Faculty Council.

IUPUI and the IFC would benefit from the wisdom and advice obtained from their participation. Governance should be shared among faculty in order to protect the rights and the responsibilities of all of its members. It is incumbent on all faculty members to protect the right to representation of their colleagues in faculty governance processes.

**Proposed motion:**

Ten at-large representatives from the ranks of the non-tenure track faculty (NTTF) shall be elected to the IUPUI Faculty Council. No more than two representatives should come from the same school.

Gable then offered the following data in support of the proposal:

There are currently 929 NTTF in the following academic appointments (per C.McGarry, 4/2006):

- 519 Clinical appointees
- 233 Research scientist/professor
- 169 Lecturers
- 8 Academic specialists

Schools/units having NTTF academic appointments (per C. McGarry, 4/2006):

- Medicine
- Nursing
- Health and Rehabilitation Sciences
- Education
- Social Work
- Law
- Liberal Arts

There are currently 1327 tenure track academic appointments:

- 1,321 Professor (Associate, Assistant)
- 6 Acting Assistant Professor

The TTF have 127 voting positions in IUPUI Faculty Council (per M. Martin, 4/2006).

The 127 voting positions represent:

- 39 unit representatives
- 39 at-large representatives
- 4 Ex-officio (Faculty IFC Officers); (Parliamentarian--non-voting)
- 2 Ex-officio (Chancellor's designees)
- 8 Ex-officio (IFC Executive Committee members)
- 13 Ex-officio (UFC members)
- 22 Deans or unit heads

The NTTF have 0 representatives. If 10 representatives were added to the voting roster for the IUPUI Faculty Council, they would represent:

- 10/103 faculty (unit, at-large, IFC officers, IFCEC, and UFC) voting positions (9.7%)
- 10/137 total voting positions (7.3%)

Following a motion and second for approval of the revisions, Vermette called the question. The motion carried unanimously.

**Agenda Item IX: [ACTION ITEM] Faculty Response to Proposed Integrated Image Policy: Bart Ng.**

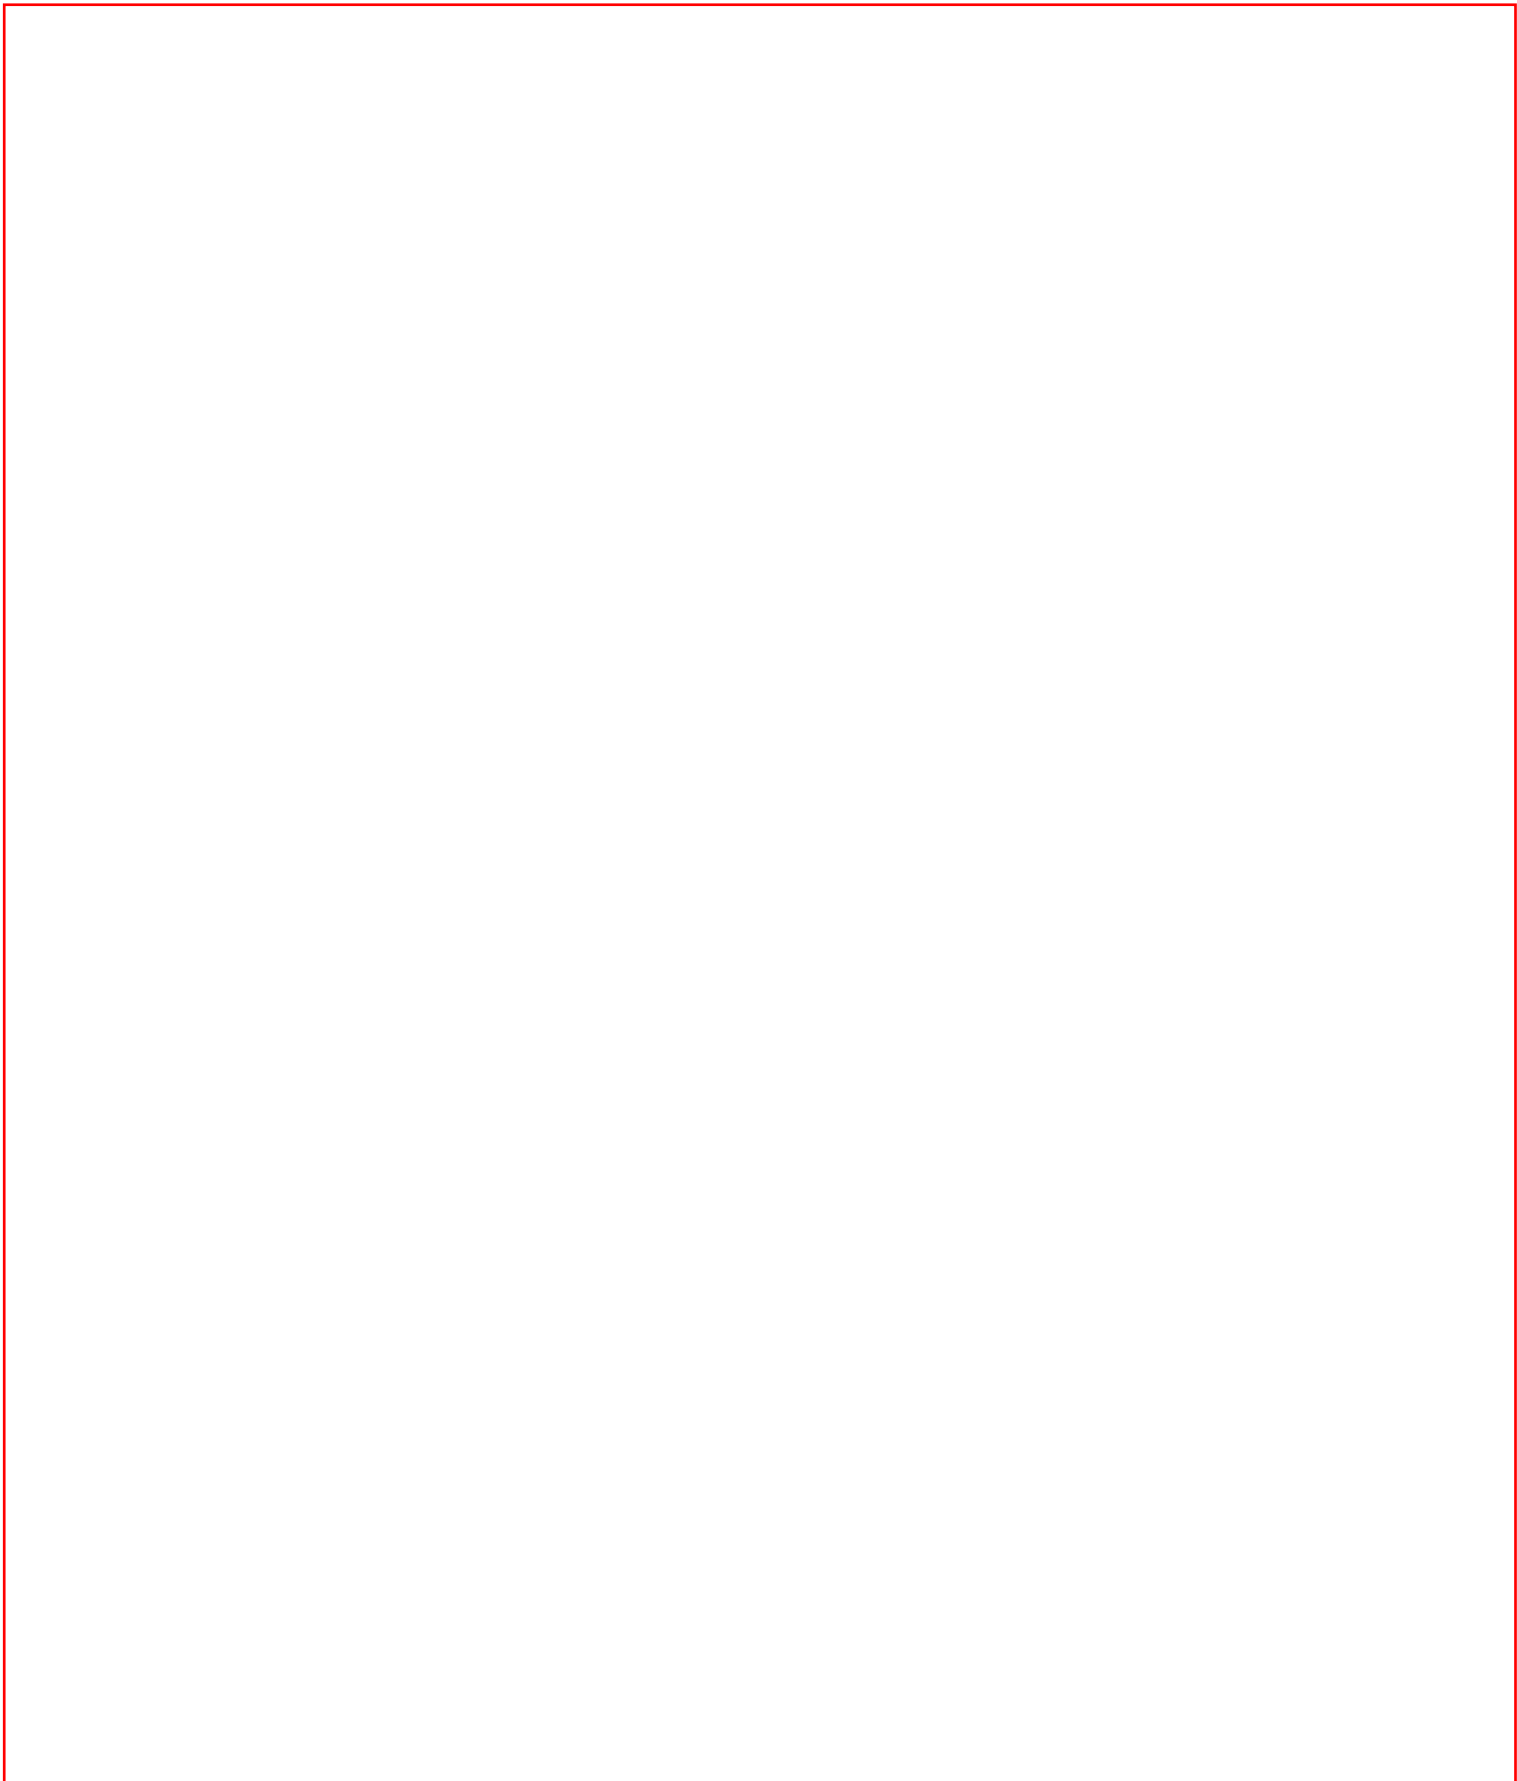

A motion to approve and submit a faculty response was tabled

**Agenda Item X: [QUESTIONS & ANSWERS] Annual Report on Affirmative Action: Lillian Charleston (Affirmative Action Officer, 4.2306, [lcharles@iupui.edu](mailto:lcharles@iupui.edu)).**

Ms. Charleston gave an overview of her annual report ( <http://www.iupui.edu/~fcouncil/documents/affaction2006.doc>). A summary of the data shared by Ms. Charleston is reflected in the tables below.

**Agenda Item XI: [QUESTIONS & ANSWERS] Annual Report on IUPUI Athletics: Bill Kulsrud (Faculty Representative to Athletics, [wkulsrud@iupui.edu](mailto:wkulsrud@iupui.edu)).**

Professor Kulsrud briefed the Faculty Council on the following:

### **Division I Competition**

The 2005-06 year was the seventh year of competition at the Division I level. The AC believes that the intercollegiate athletics program continues to fulfill the objectives initially identified for maintaining a Division I program. The athletics' teams have garnered more and more exposure for IUPUI not only in Indianapolis and the surrounding counties but also at the state and national level. The program has facilitated the recruitment and helped attract talented students, including both residents of Indiana and out-of-state students. In addition, the athletics program has helped increase the institutional pride among students, faculty and staff at IUPUI. Finally, the program has accomplished these goals with students who have performed admirably in the classroom and provided valuable service to the community.

### **Participation in the Mid-Continent Conference and Beyond**

During 2005-2006, IUPUI continued its affiliation with the Mid-Continent Conference. On April 19, 2006 Chicago State withdrew from the conference. Chicago State will seek membership in a new conference that "reflects its evolving institutional profile, which includes expansion and enhanced access to other metropolitan communities." Chicago State will compete as an NCAA Division I independent during the 2006-07 school year, but will play nonconference contests against Mid-Continent schools in volleyball and men's and women's basketball. There were no other changes in the membership of the conference during the year. The Conference currently consists of nine members:

1. IUPUI
2. Missouri-Kansas City
3. Oral Roberts
4. Valparaiso
5. Western Illinois
6. Southern Utah
7. Oakland
8. Centenary

All IUPUI sports schedules featured high-quality opponents. In addition to conference opponents, the Men's Basketball schedule for 2005-2006 included such nonconference teams as Vanderbilt, Colorado State, Western Michigan and Ball State. The Women's Basketball schedule included Kentucky, Iowa State and Evansville. Season schedules and results can be found at [www.iupuijaguars.com](http://www.iupuijaguars.com)

### **Sports Sponsorships/Student-Athlete Participation**

A minimum of 14 sports must be maintained for Division I status. IUPUI currently has the minimum of 14. The composition of the teams reflects the gender population of the campus with 6 Men's teams and 8 Women's teams. The number of student-athletes increased to 222 compared to 200 in the prior year. About 49% men and 51% women participated as follows:

<b><u>2005-2006 MEN</u></b>	<b><u>Roster #</u></b>	<b><u>2005-2006 WOMEN</u></b>	<b><u>Roster #</u></b>
Basketball	20	Basketball	15
Cross Country	10	Cross Country	7
Golf	14	Golf	12
Soccer	30	Soccer	25
Swimming & Diving	26	Swimming & Diving	15
Tennis	8	Tennis	10
		Softball	17
		Volleyball	<u>13</u>
<b>TOTAL</b>	108	<b>TOTAL</b>	114
<b>Percentage</b>	49%	<b>Percentage</b>	51%

### *Student-Athlete Academic Achievements*

On average, the student-athletes continue to outperform the remainder of the student-body academically. Overall, student-athletes compiled an enviable academic record during the fall semester. Below are some of the academic highlights for the fall semester 2005.

- Record 115 student-athletes named to Fall Semester Academic Advisor's List
- Nine student-athletes among Top 100 IUPUI Students, including three second-time honorees and two among Top 10 IUPUI Students.
- 52 Student-Athletes Named Collegiate All-American Scholars by United States Achievement Academy
- 12 student-athletes inducted into Chi Alpha Sigma National College Athlete Honor Society.
  - 40 student-athletes named Academic All-Conference by the Mid-Con. (Lists for winter and spring sports not due out until June.)
  - Women's volleyball team was recognized by the National Collegiate Athletic Association as having one of the top APR marks in the country in their sport.

### **Graduation and Retention**

During the year, Dr. Drew Appleby, a member of the AC who has responsibility for the Student-Athlete Learning Communities, reported his findings regarding retention of student-athletes who had enrolled in Learning Communities. The report generally revealed a high retention rate for student-athletes who have been enrolled in the Student-Athlete Learning Community.

The NCAA has developed a revision to the federal graduation rate that takes into account transfer student-athletes. During the year, the NCAA announced the graduate rate for the 1995-98 cohort. IUPUI's rate is the lowest of any school in the state at 56% and the newspaper has contacted Mike about this. This cohort included years four years prior to moving to Division I and one year of Division I. It is expected that this rate will improve significant going forward. The rate is also higher than the graduation rate for all IUPUI students during the same period which was 23%.

### **Student-Athlete Athletic Achievements (excludes spring sports)**

- Men's Basketball Team wins were regular season Mid-Con Champions.
- Women's Basketball Team had the 4th-best W-L record improvement from 2004-05 to 2005-06 in the country.
- Men's cross country team won Cross Country Only Nationals meet.
- Three Mid-Con Coaches of the Year

### **Academic Progress Rate**

The APR is the new metric that the NCAA uses to evaluate programs. A team receives sanctions (scholarships lost) from the NCAA if it falls below 925 and in certain other situations. The overall APR score for IUPUI athletics is a 951. Volleyball reported a 2 year APR of 1000, and men's and women's basketball was 954 and 946 respectively. Men's Swimming reported a score of 888. Although men's swimming was below the 925 cutoff score, the NCAA developed squad adjustments for each sport. The adjusted cutoff for men's swimming is 860.

**Student-Athlete Conduct Policy.** The Committee reviewed the current Student Athlete Conduct Policy during the year to ensure that it was adequate. The new policy was approved.

**Priority Registration.** The Committee prepared a report presenting the case for priority registration for student-athletes that is common among Division I schools (including Indiana University Bloomington). The report was presented to the IUPUI Academic Affairs Committee which approved the proposal. Priority registration was implemented this spring for registration for fall 2006 courses.

### **Budget**

The AC reviews the Athletics Budget annually. The Athletics Budget for 2005-2006 was approximately \$3.6 million. Over one-third of the budget, about \$1.3 million is devoted to financial aid for student-athletes. Financial aid effectively provides academic support

for the units on campus. Costs of operation are generally funded by fund raising, advertising and student activity fees (about 45%). No general fund dollars are used to support athletics. A comparison of the IUPUI budget for athletics compared to that of other conference schools and select Indiana schools reveals that IUPUI is sharply under funded in each sport in which it participates.

### **Gap Study**

Members of the Athletics Committee are participating in a GAP Study the Athletics Department to identify problems and shortcomings in the program. There are four parts to the study four subcommittees addressing each. They include: Academic Support, Facilities, Scholarship and Recruiting, and Revenue and Expenses.

### **Personnel Issues**

The Athletics Committee maintains a Personnel Subcommittee that has oversight of personnel issues, including evaluating coaches in regard to the impact of programs on the students' academic life, consulting regarding the selection/dismissal of coaches; and recommending general policy regarding coaches' contractual agreements. During the year, the Subcommittee was involved with several personnel issues. In each case, the Subcommittee was properly apprised of the actions to be taken.

### **Campus Wellness**

The AC is also charged with advising on matters of facilities, intramurals, club sports programs, and other related wellness issues. No issues were raised during the year.

### **Jaguar Athletic Club**

The Jaguar Athletic Club was quite active during the year and raised substantial sums for athletic scholarships. Activities included the annual membership drive, Evening in the Jungle (Jaguar Auction), golf outing, and Hall of Fame banquet.

### **Review procedures for NCAA legislation**

One of the responsibilities of the AC is to make recommendations to the Chancellor regarding NCAA legislation. Throughout the year, the Athletic Director identified relevant legislation and brought to the attention of the AC for its input.

### **Review of schedules**

One of the routine tasks of the AC is to review the schedules of the various sports to ensure that they are in accordance with the Missed Class Policy. In this regard, it should be noted that the current mode of scheduling classes (predominantly Monday-Wednesday and Tuesday-Thursday classes) is quite favorable for athletes since they are often traveling on Friday, Saturday and Sunday. As a result, student-athletes miss fewer class days.

### **Agenda Item XVI: New Business?**
