Take this CD-ROM for a Spin...

SAVES SPACE
This CD-ROM contains so much information that in hard-copy form the books, pamphlets and flyers would be nearly three feet tall! You’ll have more room on your desk and in your filing cabinets.

SAVES MONEY
If you bought the materials contained on this disk, it would cost you at least $75.

SAVES TIME
Instead of wading through thousands of pages of information, use the powerful search engine to find the materials you need. Who knows, the search engine may find new information that you didn’t know existed!

SAVES POSTAGE
Can you imagine what it would cost to send every agricultural teacher a three-foot stack of materials? Not to mention the wear and tear on your postal carrier’s back!

THE DIGITAL DIFFERENCE
You can make unlimited copies of the applications and other materials on this disk. Your students can complete them at school, at home, at the library - wherever there’s a computer. After they’re filled-out, they can be emailed, faxed or printed out and mailed.

CONNECT TO www.ffa.org
The latest information is always available via the links on this disk to www.ffa.org. You can find updates, status reports and additional materials. It’s only a click away!

PALS KIT
PALS, the National FFA Mentoring Program, has developed a training kit which will assist your local chapter in designing your own mentoring program. The kit consists of the following elements:

Getting Started Handbook
This will help you become familiar with PALS, its key components and how to get started.

(a) Local Team Training Manual
This will help you train your local PALS team.

(b) Mentoring Training Activities Booklet
This will help you train your high school students to be mentors.

(c) One tape has two programs
The first is called PALS-An Introduction. It will help you share the program with your school district and community. The second program is called PALS-Questions & Answers. It helps to clarify the most commonly asked questions about PALS.

(d) Training Your PALS Team
This videotape will assist you in understanding how to use this kit to train others. Sponsored by W.K. Kellogg Foundation.

PALS Activity Handbook I
The handbook contains a collection of agricultural activities for use in your PALS program. It contains 80 easy-to-use, inexpensive lesson ideas to help your high school students prepare for their weekly PALS activity. Sponsored by W.K. Kellogg Foundation.

PALS Activity Handbook II
This handbook will provide dozens of agricultural activities for your PALS program. These activities are easy for FFA members to use in their weekly meeting with their PALS. And inexpensive to create! Both FFA members and their young PALS will benefit from these hands-on activities in horticulture, natural resources, animal science and now there's even a special events section included. Sponsored by United Parcel Service (UPS).
