If you are proud of FFA and want to help local FFA members acquire knowledge and experience from agricultural education and FFA activities - the FFA Alumni is for you!

All annual members have equal class and privileges. Annual members receive the National FFA Alumni New Visions newsletter, a voice in alumni business and the opportunity to subscribe to the National FFA New Horizons magazine for $2.00 per year (effective 9/1/2001). The annual membership dues of the National FFA Alumni Association shall be recommended by the National FFA Alumni Council and fixed by majority vote of the delegates present at the annual meeting held at the National FFA Alumni Convention. Annual dues are $10.00 (effective September 1, 1999). State associations and local affiliates establish their own membership dues for annual members in addition to the national dues.

National LIFE membership is a one-time payment of $150.00. A life membership will be issued in one individual's name (no group or company names will be accepted). Life membership dues are placed in a special fund and only the interest is used to service the life members. Life members receive full membership benefits including: a membership card, membership certificate, life subscription to the New Visions newsletter, life subscription to the National FFA New Horizons magazine, and a voice in alumni business. Some states and local affiliates have established state life membership dues and local life membership dues.

Prior to January 1997, the life membership policy included a memorial scholarship of $100.00 before November 1993 and $150.00 from November 1993 to December 1996. This scholarship was to be designated by the life member to be distributed in one of three ways upon his/her death: 1) remain permanently in the National FFA Alumni Trust Fund; 2) be given as a Memorial Scholarship to an FFA member in a designated chapter; or 3) be given in memory as a contribution to be used to support some area of agriculture and/or agricultural education. Upon a life member's death, notification must be submitted in writing to the National FFA Alumni Association along with a copy of the obituary or death certificate. If the life member has a designation form on file, his/her wishes must be honored. If there is no form on file, a letter will be sent to the person/organization providing notification of death requesting a family member to make the designation.

You can charter a Life Member Affiliate by having ten or more life members. Submit a list of at least ten life members, along with their addresses, to your state office. The state office will forward this to the national office at which time the National FFA Alumni Association will award a Life Member Affiliate plaque.

Corporate Membership began on September 1, 2000. This type of membership is extended to businesses and corporations with membership dues of $300.00 per year. Benefits of a corporate membership include:

- Being listed prominently in 1 issue of the Alumni newsletter, New Visions, the Alumni Convention Program and the Alumni Auction Catalog

- A copy of the Alumni Auction Catalog and the National FFA Alumni Association annual report
- Use of the National FFA Alumni Association logo as subject to the terms and conditions of copyright law
- Recognition at the National FFA Alumni Convention
- Reduced cost for advertising space in the Alumni newsletter, New Visions.
ROSTERS

Rosters are printed annually at the end of the National membership year (September 1 to August 31). All states are requested to submit their rosters to the National FFA Alumni office no later than August 15 in order to allow time to process the rosters for the current membership year and to obtain the membership counts for delegates and awards presentations at the National Convention held in late October.

A computer-generated membership renewal roster containing all life and annual members will be mailed to a designated person in each state. Every effort is made to include all members on the rosters. However, due to time constraints, members whose dues are received between August 15 and August 31 will be considered current members but may not appear on the new rosters. It is the responsibility of the chartered state FFA Alumni Associations to mail the affiliate rosters to the designated person in each local affiliate. FFA Alumni members not belonging to a local affiliate are billed directly by each state FFA Alumni Association. States are requested to return roster of renewals to the National FFA Alumni office on a regular basis.

SUBMISSION OF ROSTERS:
1) Verify information listed for each member. Make corrections as legibly as possible directly on the roster. For each member renewing, write dollar amounts in applicable columns.
2) Draw a single line through names of those who are no longer members.
3) List new members at the end of the roster or on a blank roster. Please be sure and include complete mailing address.
4) Members who are marked as deceased on the roster will be removed from the mailing list. For the death of a life member who was eligible for the Memorial Scholarship see Membership (page 9).
5) Please include member number (if known) for all member questions.
6) Return completed rosters along with the state and national dues and magazine subscriptions to your state association office, keeping the pink copy for your affiliate.
7) DUES: National Annual Member - $10.00
   National Life Member - $150.00
   Corporate Membership - $300.00
   Subscription to New Visions - free with membership
   Subscription to New Horizons - $2.00 with annual membership,
   Free with Life membership

Special note - only National Life Members will be designated as LIFE on the membership roster. State Life Members will not be designated.
TAX EXEMPT INFORMATION

The FFA Alumni Association (local, state, and national) is considered for Internal Revenue Service exemption purposes as a subordinate to the National FFA Organization, which at time of non-profit exemption approval in 1976 was the Future Farmers of America Organization. Article I, Section A of the FFA Alumni Association Constitution defines the FFA Alumni Affiliate as an affiliate of the FFA Organization. Article V, Section A of the FFA Constitution also lists the FFA Alumni as a division of membership followed by Section C giving a definition of eligible persons for Alumni membership.

INTERNAL REVENUE TAX NUMBER

The central organization, according to the Internal Revenue Service, is the FFA Organization. The FFA has been designated a group exemption number (GEN) by the Internal Revenue Service. All subordinates of the FFA, which includes all chartered and active local and state FFA Alumni Affiliates, must use this GEN number to verify tax exempt status on all reports to the IRS. Local and state FFA Alumni Affiliates must file for their own employer identification number (EIN) which is required when filing the IRS Form 990. The EIN is also required when bank accounts are opened or other investments are established that generate interest or dividends for the local or state FFA Alumni. The EIN is obtained by filing an SS-4 form with your regional Internal Revenue Service Center. The SS-4 form has 18 questions and will take only a few minutes to complete. You should list the FFA’s GEN number on line 8 of the SS-4 form. Line 8 should read, “If nonprofit organization, enter GEN _______. “ This statement on line 8 will eliminate the local or state association from having to file for their own tax-exempt status, a process which is both costly and time consuming. Line 15 should list educational support as the principal activity.

The IRS sends the National FFA Organization a list of all affiliates using the FFA’s group exemption number for their EIN on an annual basis. The national office is required to verify this list for the IRS and add/delete FFA chapters or Alumni affiliates as necessary. If an affiliate becomes inactive (less than 10 dues paying members) with the National FFA Alumni, they will be in violation if they use the GEN for non-profit status.

For control purposes, the National FFA Alumni will provide the GEN number to chartered, active affiliates upon request. Newly chartered affiliates will receive a tax information packet along with their charter certificate and scroll.

WHO MUST FILE FORM 990

Any Alumni Affiliate receiving a Form 990 must return it to the Internal Revenue Service. Note that if the gross income of your affiliate is normally not more than $25,000 you are only required to answer the questions at the top of the form. When gross income is (over the period of two or more years) normally greater than $25,000 a year, the affiliate must complete the entire Form 990 or 990EZ. An affiliate should define gross receipts to mean the total amount received from all sources (including membership dues and all fund raising activities) during its annual accounting period, without subtracting any costs or expenses. If the Alumni affiliate does not receive Form 990 and does not normally have gross income of $25,000, the affiliate is not required to file Form 990. Form 990EZ may be used by FFA Alumni Affiliates with gross receipts less than $100,000 and total assets less than $250,000 at the end of the year.
DUES AND OTHER CONTRIBUTIONS ARE TAX DEDUCTIBLE
Membership dues and other contributions to the FFA Alumni are eligible IRS deductions for the contributor when the support to the organization and its activities do not derive benefits of more than the nominal monetary value. As outlined in the FFA Alumni Constitution, the organization is designed to support and serve rather than to provide monetary benefits to its members which normally means that contributions are tax exempt.

Personal charitable contributions, under the revised tax laws beginning 1987, may only be claimed as itemized deductions on Schedule A, Form 1040. Items that are normally considered charitable contributions to the FFA Alumni are:
1. Life and annual membership dues
2. Cash contribution
3. Out-of-pocket expenses you paid to do volunteer work for the FFA Alumni. This includes attending conventions and meetings as an official representative, delegate or award winner. Out-of-pocket expenses such as lodging, meals and registrations are normally deductible. For more information, see IRS Publication 526.
4. Car or truck travel at the rate of 12 cents a mile or actual cost of gas and oil for driving on approved FFA Alumni activities or to FFA Alumni meetings when you are the approved representative.
5. The appraised value of material items donated to the FFA Alumni. This could include items donated to an auction, animals donated for FFA livestock chains, or equipment donated to a vocational agriculture shop. Items worth more than $5,000 must be appraised by a professional appraiser.

You cannot deduct the cost of raffle tickets, events from which you receive personal benefits, entertainment or the value of your time or services. If an individual contributes more than $3,000 to the FFA Alumni, the contributor must list the FFA Alumni and amount on line 14b of Schedule A, Form 1040. The EIN number of the FFA Alumni Affiliate will be required for contributions over $3,000. If non-cash contributions are more than $500, Form 8283 must be completed.

EXPENDITURES FOR POLITICAL PURPOSES
A political expenditure, as defined by the Internal Revenue Service, intends to influence the selection, nomination, election or appointment of anyone to public office or a political organization. The FFA Alumni is a 501(C)3 organization and must file Form 1120-POL if their political expenditure exceeds $100 per year. The National FFA Alumni policy states that it is non-political and does not make political expenditures as described above. Individuals of the FFA Alumni can make political donations at any time without involving the organization.
NATIONAL FFA ALUMNI CHARTER

To charter a State FFA Alumni Association, meet and maintain these qualifications:
1. Have at least 50 members who have paid national FFA Alumni member dues.
2. Have a constitution and bylaws in harmony with the National Constitution.
3. Have an executive group with a designated membership chairperson.

To charter a local FFA Alumni affiliate, meet and maintain these qualifications:
1. Have at least 10 members who have paid National FFA Alumni member dues (a local alumni affiliate with ten or more national life members will be designated as a national life affiliate).
2. Have a constitution and bylaws in harmony with the National Constitution (example found at the back of this manual).
3. Have a council of elected officers.
4. Complete the Application for Local Charter (found at the back of this manual).
5. Submit the completed Application for Local Charter, the Constitution and Bylaws, and completed roster and national dues for at least ten members to your State FFA Alumni Association. Your State FFA Alumni Association will forward all forms and documents to the National FFA Alumni Association. Upon receipt of all items, the National FFA Alumni Association will officially charter the new affiliate by issuing an affiliate number, a charter certificate and a scroll.

Any inactive FFA Alumni affiliate may reactivate by sending membership dues for ten or more members to its state FFA Alumni Association. The affiliate should update its constitution and bylaws and have a council of elected officers. If the inactive affiliate prefers to start over as a new affiliate, with no ties to the previous affiliate, the affiliate must apply for a new charter. To secure a new charter, the affiliate must follow the same guidelines as those required by a new affiliate. When approved, a certificate will be issued to the newly created affiliate.

Reasons to Have a Local FFA Alumni Affiliate
National FFA Alumni Affiliates work to:
- Support and promote the FFA Organization, FFA activities and agricultural education on local, state and national levels.
- Facilitate involvement and support of former members and others interested in FFA and agricultural education.
- Promote and maintain an appreciation of the American free enterprise system.
- Enhance the personal development aspect of FFA.

With the increased diversity of agricultural education programs, it is becoming more difficult for advisors/teachers to keep up with all the additional activities. Former FFA members and interested adults are a natural resource of help and support. Focus is on new technology in agriculture and agribusiness, therefore it is important to involve all types of people in your community. An FFA Alumni Affiliate can unify the local community to support agricultural education and FFA activities and provide valuable assistance to agriculture advisors. With the FFA Advisor coordinating activities, the Alumni can provide hands, hearts and minds to ensuring success.

Revised 11/2001
60 minutes  **E. Conduct the organizational meeting:**

5 minutes  1. The temporary chairperson and committee should present the purpose of the meeting, explain purposes and objectives of a local FFA Alumni Affiliate and discuss possible activities to help accomplish them.

5 minutes  2. Review alumni promotional materials.

10 minutes  3. Invite an FFA alumni state or national council member to assist in presenting the purpose and objectives of the alumni association.

30 minutes  4. Temporary chairperson asks for motion to form affiliate. The local chapter advisor or FFA president then takes over the meeting for the election of president. Make sure the president is respected and willing to put forth the time and energy necessary to start an affiliate. The president then takes over the meeting to conduct the election of the vice president, secretary and treasurer. A local constitution and bylaws should be handed out and each item discussed. From this, draw up the permanent constitution and bylaws. A motion to accept the constitution and bylaws is then in order.

10 minutes  5. Establish local dues and set date for next meeting. National and State (annual and life) membership dues amounts should be mentioned. The length of time from this first organizational meeting in which a potential member can be considered a charter member should be set. Most chapters allow one month, the shorter the time, the better.

10 minutes  **F. Publicize the results.** Publicity of the meeting should go to all media sources. Successful activities of a local FFA Alumni Affiliate will make a successful organization.

**SPECIAL NOTES:**

1. **Have all members pay dues immediately following the meeting.** This will insure they will be charter members.

2. **Complete a roster with each member’s first name, last name, complete mailing address (street name, P.O. Box #, City, State and Zip Code).**

3. **If the member is currently a member of another affiliate and would like to transfer to the new affiliate, please include all information plus current affiliate number and member number if known.**

NATIONAL AWARDS

BLUE BLAZER AWARDS
Blue Blazer awards are awarded to the state president, or designated officer, when state membership increases by 100 or more members from the previous year. Sponsored annually by the Ace Nut and Bolt Company, the blazer is awarded at the National FFA Alumni Convention. The award is based on membership numbers as reported on August 31st of each year.

LEGION OF MERIT CITATION
The purpose of the Legion of Merit Citation is to recognize individuals who provide leadership and spend their own time and energies to help build the National FFA Alumni Association.

To qualify for the Legion of Merit Citation, an individual must enroll or renew 15 or more FFA Alumni members or five new life members. The Legion of Merit application (found in the back of this manual) must be received in the National FFA Alumni office with postmark date no later than August 15. Effective 2002, Alumni affiliates will receive a $25.00 rebate for each Legion of Merit Award submitted by members of their affiliates.

OUTSTANDING ACHIEVEMENT AWARDS
Outstanding Achievement Awards are given in recognition of FFA Alumni members for outstanding leadership and service to agricultural education, FFA and FFA Alumni. This annual award is presented at the National FFA Alumni Convention to no more than three individuals.

To be eligible, a candidate must be an FFA Alumni member who has made significant contributions and rendered quality service to agricultural education, FFA and FFA Alumni. Only one of the winners at the national level may have been employed or is presently employed as a teacher, state staff member, or teacher educator of agricultural education.

Each state may annually nominate applicants for the national award. Nominations for the award on the national level should be submitted using the official application form (found in the back of this manual) by state FFA Alumni or by members of the National FFA Alumni Council. Applications must be signed by a State FFA Alumni leader. The completed application should be sent to the National FFA Alumni office with postmark date no later than July 1. Only the space provided on the application form should be used: one additional page may be added if absolutely necessary. The National FFA Alumni Council chooses the national award recipients or appoints a selection committee for this purpose.

The following statements of criteria serve as a basis for evaluation of award nominees:
1. The individual has gone beyond the call of duty to make relevant contributions to agricultural education, FFA and FFA Alumni.
2. The significant situation, institution or action was changed for the better because of this individual’s participation.
3. The individual must be a member and actively involved in the FFA Alumni Association.
4. For national judging, outstanding service is based 50% on local level activity, 25% on state level activity and 25% on national level activity.
OUTSTANDING AFFILIATE AWARDS
The Outstanding Affiliate Awards are designed to provide recognition of FFA Alumni Affiliates for outstanding accomplishment and to encourage other affiliates to further achievement. All nationally chartered FFA Alumni Affiliates are eligible. Applications may be submitted, using the official report form (found in the back of this manual), by state FFA Alumni or by members of the National FFA Alumni Council. The year represented in the outstanding affiliate report application should cover the current 12-month reporting period as designated by the local or state association. The completed application should be sent to the National FFA Alumni office with postmark date no later than July 1. Only the space provided on the application form should be used; no additional space on the back of the page is allowed except as called for under item VIII. Each year, each state may submit at least one local affiliate report or 20% of the total number of affiliates, whichever is greater of those affiliates submitting applications for state consideration. The National FFA Alumni Council chooses the national award recipients or appoints a selection committee for this purpose. The National FFA Alumni Association recognizes all applications as gold, silver or bronze. Effective 2000, the top three winners receive a plaque and a monetary award at the National FFA Alumni Convention: 1st place - $100.00; 2nd place - $75.00; and 3rd place - $50.00. The State FFA Alumni Association recognizes outstanding affiliate(s) at their annual meeting or designated time by presenting a plaque, rotating trophy or other form of recognition (designated by the state).

SCRAPBOOK CONTEST
The FFA Alumni Scrapbook Contest is designed to encourage affiliates to develop and record their historical background in a systematic manner throughout the years. It is intended to be the collecting point of all activities of the affiliate and members for a one-year period only. The year represented in the scrapbook should cover the current 12-month reporting period as designated by the local or state association. The Scrapbook Contest Evaluation Form with top section completed (found in the back of this manual) along with the scrapbook should be sent to the National FFA Alumni office with postmark date no later than July 1. Only one scrapbook per affiliate may be entered. The National FFA Alumni Council chooses the scrapbook award recipients or appoints a selection committee for this purpose.

Factors in scrapbook evaluation are: organization, neatness, quality pictures, identification of pictures/clippings, quality of projects, applicable material and completeness. Effective 2000, the top three scrapbook entries receive a plaque and a monetary award at the National FFA Alumni Convention: 1st place - $100.00; 2nd place - $75.00; and 3rd place - $50.00, and will be displayed in the Alumni Career Booth.

The scrapbook should be organized according to the major committees found in the affiliate’s program of activities using the official FFA scrapbook (12½” x 17”). Pictures and articles (dated) of each activity can only be included once and under the most appropriate committee. Suggested items include: pictures of affiliate members in local settings, pictures of affiliate members in FFA Alumni activities, news articles about affiliate activities (must include date of publication), affiliate’s program of activities and other material that completes the affiliate’s activities.
LOCAL PROGRAM SUPPORT GRANTS
The National FFA Alumni Association is offering grants to local FFA chapters as a means of providing local chapter support. The completed application (found in the back of this manual) should be sent to the National FFA Alumni office with postmark date no later than September 15.

FFA chapters should consider items needed to strengthen their chapter's program and/or member support. The grant may be used for computers, equipment, members' supplies, official dress, etc - any items the chapter feels are needed to enhance the local program.

The maximum grant amount is $1,000. Award winners will be recognized during the National FFA Alumni Convention.

Eligibility requirements are as follows:
1. FFA chapter must be from a chartered, active State FFA Alumni Association and the application must be signed by the state alumni president.
2. FFA chapter must have a nationally chartered, active local FFA Alumni Affiliate and the application must be signed by the affiliate president.

REBATE PROGRAM
The Membership Rebate Program rewards annual membership growth on the state level. The rebate is based on two factors:
1) Number of annual members (over 500) determines $ multiple
2) Number of life members

<table>
<thead>
<tr>
<th>Number of Annual Members</th>
<th>Rebate Amount per Life Member</th>
</tr>
</thead>
<tbody>
<tr>
<td>501-1500</td>
<td>.75</td>
</tr>
<tr>
<td>1501-2500</td>
<td>1.00</td>
</tr>
<tr>
<td>2501-3500</td>
<td>1.25</td>
</tr>
<tr>
<td>3501-above</td>
<td>1.50</td>
</tr>
</tbody>
</table>

To calculate your state’s rebate amount -- find the number of annual members your state has in the chart above, this determines the dollar amount factor. Multiply this factor by the total number of National Life members in your state, this determines your state’s total rebate.

The rebates are awarded annually to the State FFA Associations at the National FFA Alumni Convention.

AFFILIATE INCENTIVE PROGRAM
Established during the 2000/2001 membership year, this program provides an additional incentive for local agriculture instructors to charter new or re-activate existing affiliates. Each agriculture instructor who charters a new or re-activates an existing Alumni affiliate with the National FFA Alumni Association for the current membership year, from September 1 through August 31, will be entered into a $1,000 drawing. The agriculture instructor whose name is drawn will receive $500 and their corresponding affiliate will receive $500. The winner will be drawn at the National FFA Alumni Convention.
