2009
HIGH SCHOOL SCHOLARSHIPS
step up to your future
ELIGIBILITY: Students who are pursuing a two-year or four-year degree in any major. Applicants must apply online and then visit their local participating Ford Truck dealer for signature and dealer code.

To find a participating dealer who has identified a local FFA Chapter, visit www.ffa.org. Applicants unable to find a participating dealer online may obtain a signature from their local Ford dealer to be eligible for one of five national scholarships.

AWARD: Up to 700 one-time scholarships at $1,000 each are available to be awarded on behalf of participating Ford Truck Dealers. Five additional one-time national scholarships at $1,000 each will be available to students that do not have a participating Ford Truck dealer in their area.

In addition, a two-year lease on a Ford F-250 truck will be awarded to one (1) FFA chapter with the highest scores. To qualify for the truck lease, the chapter must:
- Be within a participating Ford dealer trade area, and
- Have at least three (3) complete qualified FFA member applications (if more than three applicants, the three highest scores will be used).

SPONSOR BIO: Ford has been building tough trucks that move and service America since 1908. 2008 marks the 60th anniversary of FFA support by Ford Trucks, Ford Fund and participating Ford Dealers. In addition to collegiate scholarships, Ford supports other FFA career path development opportunities such as the Washington Leadership Conference, Proficiency Awards, and the National FFA Convention and Career Show.
ELIGIBILITY: Pursuing a two- or four-year degree in any major. Applicants must live in a community near a Cargill or Cargill joint-venture facility and obtain a signature on the FFA application from a local Cargill employee. To be considered, applicants must have academic achievement, leadership activities and community service involvement. Both FFA and non-FFA members may apply for this scholarship.

AWARD: Cargill provides 350 non-renewable scholarships at $1,000 each. The high school of each recipient will also receive $200 from Cargill to recognize education excellence in the community.

SPONSOR BIO: Cargill (www.cargill.com) is an international provider of food, agricultural and risk management products and services. With 158,000 employees in 66 countries, the company is committed to using its knowledge and experience to collaborate with customers to help them succeed. Cargill has supported FFA's mission of agricultural education and leadership development for nearly 50 years, which includes funding a number of programs such as scholarships, LifeKnowledge and leadership training for state FFA officers.
ELIGIBILITY: Pursuing a two- or four-year degree in any area related to agriculture. Minimum SAT score of 1320 or minimum ACT score of 18 required. Applicant’s family must be actively engaged in production agriculture. Scholarships are available for both FFA and non-FFA members.

AWARD: 100 scholarships at $1,500 each, non-renewable.

SPONSOR BIO: Monsanto Company (www.monsanto.com), headquartered in St. Louis, Mo., is solely dedicated to providing agricultural products that help farmers around the world be successful, produce healthier foods, better animal feeds and more fiber, while also reducing agriculture’s impact on the environment. The National Association of Farm Broadcasters (NAFB) is dedicated to serving farmers and ranchers with up-to-the-minute agricultural markets, weather and farm news. NAFB member broadcasters are heard on more than 2,000 radio stations nationwide as well as more than 100 TV stations. Together, Monsanto and the NAFB are committed to supporting youth and the future of agriculture through their annual Commitment to Agriculture Scholarships.
AGCO Corporation

ELIGIBILITY: Pursuing a two- or four-year degree in agronomy, crop science, general agriculture, agricultural communications, education, journalism, extension, public relations, business management, economics, food service management, sales and marketing, engineering, mechanization, agriculture power and equipment or welding. Applicants must exhibit financial need and have participated in community service.

AWARD: 12 scholarships at $2,000 each, non-renewable.

SPONSOR BIO: AGCO Corporation (NYSE:AG, www.agcocorp.com) is a global designer, manufacturer and distributor of agricultural equipment and replacement parts headquartered in Duluth, Ga. AGCO’s product line includes tractors, combines, hay tools, sprayers, forage, tillage equipment and implements sold through independent dealers and distributors around the world. Top brands include AGCO, Challenger, Fendt, Valtra, Hesston and Massey-Ferguson.

AGCO Finance

ELIGIBILITY: Pursuing a two- or four-year degree in agronomy, crop science, general agriculture, agricultural communications, education, journalism, extension, public relations, business management, economics, food service management, sales and marketing, engineering, mechanization, agriculture power and equipment or welding. Applicants must exhibit financial need and have participated in community service.

AWARD: Six scholarships at $2,000 each, non-renewable.

SPONSOR BIO: AGCO Finance is the captive financing arm for AGCO Corporation. A joint venture with Rabobank, one of the world’s leading agriculture based banks, AGCO Finance is in 16 countries on four continents, providing retail finance and leasing options to AGCO customers around the world.

AGDATA Inc.

Scholarship available to males who will be attending a university with an Alpha Gamma Rho chapter or colony. Visit www.agrs.org for a list of universities with Alpha Gamma Rho chapters or colonies.

**AWARD:** One scholarship at $1,000, non-renewable.

**SPONSOR BIO:** Alpha Gamma Rho (AGR) is the fraternity sharing a common bond within a dynamic, global agriculture committed to providing each and every brother with the highest values, superior lifelong personal development and professional success. AGR is consistently performing as a professional, integrity-driven, world-class organization committed to the highest of standards, and we look to inspire a pursuit of academic excellence, as well as engage all brothers in professional development promoting lifelong career success. Alpha Gamma Rho: Nurture. Grow. Give. Repeat.

**American Family Insurance**

**ELIGIBILITY:** Pursuing a four-year degree in any major. One scholarship will be awarded to a member from Minnesota, Missouri and Wisconsin.

**AWARD:** Three scholarships at $1,000 each, non-renewable.

**SPONSOR BIO:** For more than 75 years, American Family Insurance has built its reputation on sound principles of company strength, reliable protection and excellent claims handling.
ELIGIBILITY: Pursuing a four-year degree in animal nutrition; animal, dairy, equine or poultry science; animal breeding and genetics; biological sciences or pre-vet/vet sciences, with preference to applicants planning a career in veterinary medicine or veterinary food supply/public health.

AWARD: Two scholarships at $1,000 each, non-renewable.

SPONSOR BIO: The AVMA (www.avma.org), founded in 1863, is the oldest and largest nonprofit veterinary medical organization in the world. More than 75,000 member veterinarians are dedicated to advancing the science and art of veterinary medicine, including its relationship to public health and agriculture. Visit our website for information about veterinary education, animal care, veterinary careers and association issues, policies and activities.

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture. Member of one of the following Minnesota FFA chapters required: Fillmore Central, Kingsland, Lanesboro, Lewiston, Mabel-Canton, Rushford-Peterson, St. Charles or Winona. Family must receive at least 50% of income from production agriculture. Applicants must live on family farm.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: Eric Ruen and Mike Christensen of AgStar Financial Services and Fred Troendle of Ameriprise Financial are pleased to partner to provide this educational scholarship opportunity.

ELIGIBILITY: Pursuing a two- or four-year degree in select fields of agriculture. Minimum 2.8 GPA on a 4.0 scale is required. Must be current FFA member. Applicant must exhibit strong leadership skills and have participated in community service. Some residency requirements may apply.

AWARD: 80 scholarships at $1,000 each, non-renewable.

SPONSOR BIO: Every day, the 27,000 people of Archer Daniels Midland Company (NYSE: ADM) turn crops into renewable products that meet the demands of a growing world. At more than 240 processing plants, we convert corn, oilseeds, wheat and cocoa into products for food, animal feed, chemical and energy uses. We operate the world’s premier crop origination and transportation network, connecting crops and markets in more than 60 countries. Our global headquarters is in Decatur, Ill., and our net sales for the fiscal year ended June 30, 2008, were $70 billion. For more information about our company and our products, visit www.admworld.com.
Arysta LifeScience North America

Arysta headquarters are in Cary, N.C., with regional offices in Memphis, Tenn.; Calgary, Canada; and Mexico City, Mexico. We are part of a global business that markets and distributes products in every major world market with global headquarters in Tokyo, Japan, and business unit offices in Brazil and France. Visit our website for more information.

Atwoods Ranch & Home

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: Atwoods Ranch & Home Stores (www.atwoods.com) operate in Oklahoma, Arkansas, Missouri, Texas and Kansas. The company has undergone many changes over the past 48 years. One thing that has not changed is our commitment to serving our customers with quality merchandise at great prices. Atwoods Ranch & Home customers - you are the key to our success.

Bank of the West

ELIGIBILITY: Pursuing a two- or four-year degree in agribusiness or agriculture. Must have demonstrated leadership qualities, exhibit financial need and reside within Bank of the West’s 19 Western and Midwestern state footprint, including Arizona, California, Colorado, Idaho, Iowa, Kansas, Minnesota, Missouri, Nebraska, Nevada, New Mexico, North Dakota, Oklahoma, Oregon, South Dakota, Utah, Washington, Wisconsin and Wyoming.

AWARD: Eight scholarships at $3,000 each. Payable at $1,500 per year for two years provided full-time student status is maintained.

SPONSOR BIO: Founded in 1874 as Farmers National Gold Bank, Bank of the West’s commitment to agribusiness has steadily grown to make us the 3rd largest commercial bank lender to the industry in the U.S. Our network of regional offices throughout the West and Midwest is staffed by industry experts who understand the natural cycles and special financing needs of agricultural commodities. Serving the agricultural community is a high priority at Bank of the West. Whether in the business of production agriculture, value-added operations or food processing, experienced owners and operators turn to us for all their financing needs. First, they know they will work with specialized teams who understand the natural cycles of agricultural commodities. And, as importantly, they appreciate the stability we’ve demonstrated in supporting the industry. Through good crop years and bad. Season after season. Bank of the West is proud to invest in the future leaders of our agribusiness community. For more information, please visit us at www.bankofthewest.com.
B.R.I.D.G.E. Endowment Fund

ELIGIBILITY: Pursuing a two- or four-year degree in any area of agriculture. Scholarships are available for physically disabled or handicapped members. In addition to the individual scholarships, the B.R.I.D.G.E. Endowment Fund will make available a $200 cash award and plaque to the FFA chapter doing an excellent job of serving rural handicapped people in their community.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: Established in 1936, Behlen Mfg. Co. has diversified into several markets. They produce livestock equipment such as gates, waterers, feeders and cattle handling equipment. A building division fabricates building systems for metropolitan and rural uses. An ag division manufactures grain storage bins and large grain dryers. Behlen is an ISO-9001 registered company.

Beck’s Hybrids

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture. Must be resident of Ohio, Illinois, Indiana, Kentucky or Michigan. One scholarship awarded per state. Applicant’s family must be a Beck’s Hybrids Seed customer.

AWARD: Five scholarships at $2,000 each, non-renewable.

SPONSOR BIO: Beck’s Hybrids (www.beckshybrids.com) is a family-owned and operated seed company that serves farmers throughout Indiana and selected counties in Illinois, Ohio, Michigan and Kentucky. According to a recent media survey, Beck’s ranks as the sixth largest seed company in the United States and is the only one in the top six that is family-owned, making Beck’s the largest retail family-owned seed company in the U.S.

Behlen Manufacturing Company/Walter and Ruby Behlen Memorial Scholarship

ELIGIBILITY: Pursuing a two- or four-year degree in any area of agriculture or science. Applicants must be residents of Nebraska.

AWARD: Approximately one scholarship at $5,000. Not guaranteed.

AWARD: Two scholarships at $1,000 each, non-renewable.

SPONSOR BIO: Cooperative Resources International (www.crinet.com) is a member-owned holding cooperative with three subsidiaries: Genex Cooperative Inc., Ag Source Cooperative Services and Central Livestock Association. CRI’s producer/profit focus is apparent in its mission statement, “To provide products and services as effectively as possible to maximize the profitability of members and customers.”

Darling International Inc.

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture or agribusiness. Attendance at a land grant college in Colorado, Illinois, Indiana, Iowa, Kansas, Nebraska or Wisconsin required.

AWARD: One scholarship at $2,000, non-renewable.
Harold Davis Memorial Scholarship

ELIGIBILITY: Pursuing a two- or four-year degree in animal science (livestock or dairy), agricultural education or agribusiness. Applicants must have a livestock background in swine, beef, dairy or any combination and complete the financial analysis section of the application.

AWARD: Approximately one scholarship at $400. Not guaranteed.

SPONSOR BIO: Established by the A.O. Smith Harvestore System dealers, friends and associates in memory of Mr. Harold Davis, who was the director of marketing for the company until his death in 1982.

DEKALB Ag Youth Scholarship

ELIGIBILITY: Pursuing a two- or four-year degree in select areas of agriculture and public service. Minimum 3.0 GPA on a 4.0 scale required. Applicants must exhibit strong leadership skills and have participated in community service. Scholarships are available for both FFA members and non-members.

AWARD: 10 scholarships at $2,500 each, non-renewable.

SPONSOR BIO: Celebrating individuality. Investing in the future. Monsanto and the DEKALB brand have always been committed to the advancement of young ag leaders. The DEKALB WingWear™ clothing line reinforces our long-term commitment by donating a portion of every purchase to help fund youth scholarships in agricultural-related degrees. We’re proud to invest in the development and success of future agricultural leaders like you – because the youth today will be making a difference tomorrow. Stay grounded in your roots. Be you.

Diamond V Mills Fund of the Greater Cedar Rapids Community Foundation

ELIGIBILITY: One scholarship for applicants pursuing a four-year degree in livestock nutrition, animal production or animal science at Iowa State University. Second scholarship for applicants pursuing a two-year degree in livestock nutrition, animal production or animal science at Kirkwood Community College.

AWARD: Two scholarships at $1,000 each, non-renewable.

Dodge Trucks

ELIGIBILITY: Pursuing a two- or four-year degree in any major. Must be a Farm Bureau member. Must have documented a strong supervised agricultural experience program (SAE). Financial need will be considered.

AWARD: 50 scholarships at $1,000 each, non-renewable.

SPONSOR BIO: At Dodge Trucks, we think our future leaders in agriculture deserve a helping hand as they grow – and we prove it in our 56-year-strong commitment to the upstanding people and principles of FFA. That same commitment to growth is also reflected in our tough Ram pickups – and an all-new Dodge Ram 1500 for 2009. If you are a student from a Farm Bureau family and are committed to helping us grow our nation’s agribusiness, we strongly encourage you to apply today.
2009 High School Scholarships

Robert Eggert Memorial Scholarship

ELIGIBILITY: Pursuing a four-year degree in agribusiness. Minimum 3.2 GPA on a 4.0 scale required. Applicant must demonstrate a record of academic excellence and public service.

AWARD: Approximately one scholarship at $1,000. Not guaranteed.

SPONSOR BIO: Established in memory of Robert Eggert, who most wanted to be remembered for promoting education.

FarmAid

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture. Applicants must be from family-owned farms and complete financial analysis section of application.

AWARD: Approximately four scholarships at $3,000 each. Freshman year is $1,500, sophomore year is $1,000, and $500 for junior year. The second and third year scholarships are provided if a minimum 2.0 GPA on a 4.0 scale is maintained. Not guaranteed.

SPONSOR BIO: FarmAid established a $300,000 FFA scholarship endowment with the intent for the income to be used in providing scholarships.

Farm Credit Services of Mid-America

ELIGIBILITY: Pursuing a four-year degree in agribusiness, economics, finance or accounting. Must be resident of Kentucky or Ohio. (Indiana and Tennessee residents may apply for the FFA-Farm Credit scholarship through their state office.)

AWARD: Two scholarships at $2,000 each, non-renewable.

SPONSOR BIO: Farm Credit Services of Mid-America is a $12 billion agriculture lending cooperative serving more than 75,000 customer-members throughout Kentucky, Ohio, Indiana and Tennessee. With more than 750 staff members and 86 offices, Farm Credit offers solutions for farm real estate financing, operating loans, equipment loans and leases and rural housing.

Farmers Mutual Hail Insurance Company of Iowa

ELIGIBILITY: Pursuing a two- or four-year degree in select areas of agriculture. Resident of Arkansas, Colorado, Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, Oklahoma, South Dakota or Wisconsin. One scholarship will be awarded per state. Minimum 2.5 GPA on a 4.0 scale required.

AWARD: 15 scholarships at $1,000 each, non-renewable.

SPONSOR BIO: Farmers Mutual Hail Insurance Company of Iowa is proud to support future leaders in agriculture with scholarships for their secondary education. Farmers Mutual Hail has served Midwest farmers since 1893 by providing vital crop insurance protection. We have also written reinsurance for nearly 70 years, specializing in Midwest farm mutual companies.
**Fastline Publications**

Applicants must have a minimum 3.0 GPA on a 4.0 scale. Applicants must reside in Wisconsin, preferably in Brown, Calumet, Dane, Dodge, Door, Kewaunee, Marinette, Oconto or Outagamie counties. Preference given to applicants who plan to attend the University of Wisconsin-Madison, University of Wisconsin-Platteville, University of Wisconsin-Milwaukee School of Engineering, Madison Area Technical College or Northeast Wisconsin Technical College.

AWARD: Two scholarships at $1,000 each, non-renewable.

**Ray Fowler/Armstrong Family Scholarship**

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture with a preference in agricultural education or animal science. Applicant must be member of Lyon County Chapter (KY0072), Eddyville, Ky., and plan to attend Murray State University, Western Kentucky State University or University of Kentucky. Family must exhibit financial need.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: The Armstrong family (Randall, Dwight and Jeff) sponsors this scholarship in honor of Ray Fowler, their FFA advisor, and in memory of their mother, Joan, for her support, encouragement and love.

**GEA WestfaliaSurge**

ELIGIBILITY: Pursuing a two- or four-year degree in dairy science, animal science, animal nutrition, agricultural business management, agricultural sales and marketing, agricultural engineering, agricultural mechanization (including technical systems management) or agricultural power and equipment. Preference will be given to students with a dairy background or interest in the dairy industry. Applicants must be from one of the following top 20 dairy states: Arizona, California, Florida, Idaho, Illinois, Indiana, Iowa, Kentucky, Michigan, Minnesota, Missouri, New Mexico, New York, Ohio, Pennsylvania, Texas, Vermont, Virginia, Washington or Wisconsin. Academic achievement, demonstrated leadership and financial need will be considered. In addition, recipients will have highest priority for internship opportunities at GEA WestfaliaSurge each summer of their college career if they meet certain requirements as identified by GEA WestfaliaSurge. Scholarships are awarded to FFA members in the local communities on behalf of a participating GEA WestfaliaSurge dealer.

AWARD: GEA WestfaliaSurge will award two corporate scholarships at $2,000 each, non-renewable. Participating GEA WestfaliaSurge dealers will award scholarships in the amount of $1,000 each, non-renewable.

SPONSOR BIO: GEA WestfaliaSurge (www.westfaliasurge.com), a member of the GEA global technology group, is committed to providing North American dairy producers innovative technologies, systems and services, allowing them to produce a higher quality product at a superior cost-benefit ratio.
Georgia M. Hellberg Memorial Scholarships

ELIGIBILITY: Pursuing a four-year degree in soil and water conservation. Applicants may also major in a discipline leading to employment in the area of soil and water conservation.

AWARD: Approximately four scholarships at $5,000 each. Not guaranteed.

SPONSOR BIO: Established by Mrs. Georgia M. Hellberg, through her estate, for her interest and support in the preservation of land and the agricultural heritage of the country.

Cheryl Dant Hennesy Scholarship

ELIGIBILITY: Pursuing a two- or four-year degree in any area of study. Resident of Georgia, Kentucky or Tennessee required. Applicants must be female. Must complete financial analysis section of application and demonstrate financial need, as well as individual motivation.

AWARD: Approximately one scholarship at $5,000. Freshman year is $1,250, and the scholarship may be renewable at $1,250 per year for three additional years if a minimum 2.0 GPA on a 4.0 scale is maintained. Not guaranteed.

SPONSOR BIO: Established by former chairman and chief executive officer of Tractor Supply Company, Thomas J. Hennesy, in honor of his wife and to provide support to FFA’s young people in perpetuity.

Hoard’s Dairyman

ELIGIBILITY: Pursuing a four-year degree in dairy science. Preference given to applicants with agricultural communications emphasis.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: Since its founding by W.D. Hoard in 1885, dairy farmers across America and around the globe have looked to Hoard’s Dairyman (www.hoards.com) as the National Dairy Farm Magazine. Traditional values and respect toward our readers enable Hoard’s Dairyman to educate American dairy farmers with time-honored respect and gratitude, while keeping them on the “competitive edge.” Hoard’s Dairyman subscribers collectively produce 90 percent of the milk marketed in the U.S. Visit our website for more information.

Mike Hopper Memorial Scholarship Endowment

ELIGIBILITY: Pursuing a two- or four-year degree in any major related to agriculture. Must be a resident of Umatilla County, Ore. Minimum 2.0 GPA on a 4.0 scale required. Must complete financial analysis section of application.

AWARD: Approximately two scholarships at $1,000 each. Not guaranteed.

SPONSOR BIO: Established in memory of Mike Hopper. Mike embodied the best of FFA, from serving as a chapter officer and attaining his American Farmer degree, to carrying the values and leadership skills he learned as a student into his adult life.

ILC Resources

ELIGIBILITY: Pursuing a four-year degree in animal, dairy or poultry science with a preference in poultry. Resident of Iowa, Nebraska, Minnesota, Missouri or Kansas (in that order) planning to attend Iowa State University, University of Nebraska, University of Minnesota, University of Missouri or Kansas State University. Minimum 2.75 GPA on a 4.0 scale required.

AWARD: One scholarship at $1,500, non-renewable.

SPONSOR BIO: ILC Resources (www.ilcresources.com), founded in 1924 as a supplier of quality feedgrade calcium carbonate, is now also a source of nutritional information, a supplier of numerous specialty minerals and agricultural limestones, a problem solver for our clients, and a resource for their ingredient storage and transportation needs. ILC Resources is committed to providing the highest quality products and services that consistently exceed customers’ expectations.
2009 High School Scholarships

Irrigation Association Education Foundation

ELIGIBILITY: Pursuing a four-year degree in agricultural engineering, natural resources management, water conservation or wildlife management with interest in irrigation. Minimum 3.5 GPA on a 4.0 scale required.

AWARD: One scholarship at $1,000, non-renewable.

Student must exhibit strong leadership skills and have participated in community service.

AWARD: One scholarship at $1,500, non-renewable.

SPONSOR BIO: The Professional Landcare Network, or PLANET (www.landcarenetwork.org), represents approximately 4,400 green industry service provider companies and suppliers nationwide that specialize in design/build/installation, interior plantscaping, landscape management and lawn care. PLANET provides the leadership, education, networking, mentoring and other resources that lead to business success.

Rabo AgriFinance

ELIGIBILITY: Pursuing a two- or four-year degree in select areas of agriculture, communications, education, management, sales, science and technology. Preference given to applicants whose families are Rabo AgriFinance customers. Applicant must live on family farm with interest in farm management and show strong leadership skills. Applicant must have a minimum 3.0 GPA on a 4.0 scale and be in the top 50 percent of his or her class.

AWARD: Three scholarships at $1,000 each, non-renewable.

SPONSOR BIO: Rabo AgriFinance (www.rabobankamerica.com), headquartered in St. Louis, Mo., is part of the Rabobank Group and originates and services agricultural loans for farmers and ranchers throughout the United States. In addition to directly serving thousands of farm and ranch clients, Rabo AgriFinance services agricultural mortgage loans for several third-party clients. Rabo AgriFinance offers a comprehensive suite of agricultural financial services and crop insurance through a nationwide network of relationship managers and loan production offices. With nearly 300 employees and approximately $5 billion in assets under management, Rabo AgriFinance is one of the largest agricultural lenders in the United States.
**John and Amy Rakestraw Scholarship**

**ELIGIBILITY:** Pursuing a two- or four-year degree in animal nutrition, animal science, farm and ranch management or livestock management. Resident of Colorado or Mississippi required. Applicants must exhibit strong leadership skills, have participated in community service and be involved in beef cattle.

**AWARD:** Two scholarships at $1,000 each, non-renewable.

**SPONSOR BIO:** John Rakestraw is CEO of Agra Holdings, a company engaged in cattle feedlot consulting and the sales and manufacturing of feedlot nutritional supplements. Amy is a stay-at-home mom and is involved in several volunteer activities. John had a 25-year career with the ContiGroup. He grew up in Guntown, Miss., graduating from Mississippi State University with a B.S. degree in animal science and a masters degree from Oklahoma State University. Amy grew up in Covington, Tenn., and Hattiesburg, Miss., and is a registered nurse. In 2003 John served as Chairman of the National FFA Foundation Sponsors' Board.

---

**Rose Acre Farms**

**ELIGIBILITY:** Pursuing a four-year degree in select areas of agriculture or agribusiness with a preference in food science or animal science. Resident of Clinton or Iroquois counties in Illinois; Adair, Guthrie or Madison counties in Iowa; Johnson or Lincoln counties in Missouri; Jackson, Jennings, Newton, Pulaski, White or Clinton counties in Indiana; Putnam or Morgan county in Georgia; and Hyde county in North Carolina. No more than one scholarship per county to be awarded. FFA membership not required.

**AWARD:** 12 scholarships at $1,000 each, non-renewable.

---

**Seed Trade Association of Arizona**

**ELIGIBILITY:** Pursuing a two- or four-year degree in select areas of agriculture, communications, education, management, finance, marketing, sales or science. Applicants must be residents of and planning to attend a college or university in Arizona. Minimum 2.5 GPA on a 4.0 scale required.

**AWARD:** Two scholarships at $1,000 each, non-renewable.

**SPONSOR BIO:** Serving the Seed Trade Industry of Arizona for more than 15 years, the Seed Trade Association of Arizona (STAA) (www.arizonaseedtrade.org) was established in 1992 to enhance communication and unity within the seed industry of Arizona and to provide a forum for dissemination of information and discussion of issues pertaining to the industry. STAA is governed by a board of nine directors, elected by active members, to serve three-year terms. Committees are maintained to deal with matters involving industry affairs. STAA holds its annual convention each May, and maintains ongoing communications with, and membership in, other regional and national seed associations.

---

**Earl R. Sorensen Memorial Scholarships**

Sponsored by H.D. Hudson Manufacturing Company

**ELIGIBILITY:** Pursuing a four-year degree in any area of agriculture, excluding food service, parks and recreation studies and dietetics. Applicant must have participated in community service and be a resident of Iowa or Michigan.

**AWARD:** Two scholarships at $1,000 each, non-renewable.

**SPONSOR BIO:** Earl R. Sorensen was a native Iowan with a degree in agricultural education from Iowa State University. In 1942, he served 33 months as an officer in the First Marine Division (Guadalcanal to Okinawa). He and his wife Phyllis were married for 52 years. He served as the farm manager for H.D. Hudson orchards, cattle and hog-raising, later becoming the Executive Vice President of Hudson and a member of the Board of Directors. Sorensen was active in Methodist Church and Center Parish Development, and also served as a Trustee of Adrian College with an honorary Doctor of Business Administration degree. He was a member of the National Headache Foundation, as well. Faith in God, attitude, service, dignity and serenity are words that epitomized Earl Sorensen.
**Martin Sorkin Memorial Scholarship**

**ELIGIBILITY:** Pursuing a degree and career path in international trade, economics and/or public policy. Minimum 3.0 GPA on a 4.0 scale required.

Scholarships are awarded to FFA members in the local communities on behalf of a participating GEA WestfaliaSurge dealer.

AWARD: GEA WestfaliaSurge will award two corporate scholarships at $2,000 each, non-renewable. Participating GEA WestfaliaSurge dealers will award scholarships in the amount of $1,000 each, non-renewable.

SPONSOR BIO: GEA WestfaliaSurge (www.westfaliasurge.com), a member of the GEA global technology group, is committed to providing North American dairy producers innovative technologies, systems and services, allowing them to produce a higher quality product at a superior cost-benefit ratio.

Hoard's Dairyman

ELIGIBILITY: Pursuing a four-year degree in dairy science. Preference given to applicants with agricultural communications emphasis.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: Since its founding by W.D. Hoard in 1885, dairy farmers across America and around the globe have looked to Hoard's Dairyman (www.hoards.com) as the National Dairy Farm Magazine. Traditional values and respect toward our readers enable Hoard's Dairyman to educate American dairy farmers with time-honored respect and gratitude, while keeping them on the “competitive edge.” Hoard's Dairyman subscribers collectively produce 90 percent of the milk marketed in the U.S. Visit our website for more information.
Mike Hopper Memorial Scholarship Endowment

ELIGIBILITY: Pursuing a two- or four-year degree in any major related to agriculture. Must be a resident of Umatilla County, Ore. Minimum 2.0 GPA on a 4.0 scale required. Must complete financial analysis section of application.

AWARD: Approximately two scholarships at $1,000 each. Not guaranteed.

SPONSOR BIO: Established in memory of Mike Hopper. Mike embodied the best of FFA, from serving as a chapter officer and attaining his American Farmer degree, to carrying the values and leadership skills he learned as a student into his adult life.

The Ed Johnson Memorial Scholarship

ELIGIBILITY: Pursuing a four-year degree in agriculture, excluding food service, biochemistry, biological science, biotechnology, marine biology, parks and recreation studies, rural sociology or public service and administration in agriculture. Attendance at The Ohio State University and Ohio residency required. Must exhibit strong leadership skills, have participated in community service, have work experience in the field of agriculture and produce a statement of educational and career goals.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: This scholarship is in memory of Ed Johnson, a beloved Ohio broadcaster and former FFA member.

KeyBank

ELIGIBILITY: Pursuing a two- or four-year degree in selected areas of agriculture, communications and education, management, economics, finance, sales and marketing, sciences or engineering at a post-secondary institution in Idaho. Resident of Ada, Bannock, Bingham, Bonneville, Canyon, Cassia, Fremont, Gem, Madison, Minidoka, Payette, Power, Teton or Twin Falls counties in Idaho. Must exhibit financial need and have participated in community service.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: KeyBank serves the individuals and businesses of Idaho with a network of 31 locations. KeyCorp (NYSE:KEY) is one of the nation’s largest bank-based financial services companies, with assets of approximately $93 billion. Key companies provide investment management, retail and commercial banking, consumer finance and investment banking products and services to individuals and companies throughout the United States and, for certain businesses, internationally.

King Ranch

ELIGIBILITY: Pursuing a four-year degree in agronomy and crop science, animal science, farm and ranch management, range science or wildlife management at Texas A&M University-Kingsville, Texas Tech University, Texas A&M University-College Station or University of Florida. Preference given to residents of Texas, Florida or New Mexico. Must exhibit strong leadership skills and have participated in community service. Minimum 2.8 GPA on a 4.0 scale required.

AWARD: One scholarship at $1,000, non-renewable.
Kraft Foods Inc.

ELIGIBILITY: Pursuing a four-year degree in any field of agriculture. Applicants must have a minimum 3.0 GPA on a 4.0 scale, be in 75th percentile of their class and exhibit strong leadership skills. Four scholarships will be awarded to applicants from Lowville, N.Y. (Lowville Central FFA); Champaign, Ill. (Rantoul and Monticello FFA); Tulare, Calif. (Tulare Western FFA) and Waupaca, Wis. (Waupaca or Waupaca-Fre FFA); two scholarships will be awarded to applicants from the Chicago High School for Agricultural Sciences FFA (IL0188); and six scholarships will be awarded in any state that has a Kraft facility.

AWARD: 12 scholarships at $1,000 each, non-renewable.

SPONSOR BIO: Kraft Foods is the largest branded food and beverage company in the United States, with market-leading brands including Kraft, Maxwell House, Nabisco, Oscar Mayer, Post and Milka. Kraft has more than 200 manufacturing plants worldwide and employs more than 100,000 people. Our success depends on recruiting top talent and is enriched through diversity.

Land O’Lakes Purina Feed

ELIGIBILITY: Pursuing a four-year degree in general agriculture, agricultural business management, agricultural engineering, agriculture power and equipment, soil or water conservation with preference to those specializing in irrigation and soil technology. Must be a resident of Arizona, California, Illinois, Idaho, Louisiana or Texas. All applicants must have completed freshman year and have a minimum 3.0 GPA on a 4.0 scale required. Applicants will be considered on the basis of scholastic achievement, leadership skills, community involvement, then financial need. Recipients must be willing to provide a picture for publicity purposes and visit a Rain for Rent facility for an orientation.

AWARD: Two scholarships at $5,000 each, non-renewable.

Lincoln Electric

ELIGIBILITY: Scholarship recipients must attend welding courses at Lincoln Electric’s Cleveland, Ohio, plant. Recipient pays for temporary housing – housing list provided upon request. Protective gear may be purchased at the school for special student prices. The award covers the full tuition cost for Lincoln Electric’s “Comprehensive Welding Program.” This program is designed to instruct welders in arc welding safety and all the common welding processes, including SMAW (stick), GTAW (TIG), GMAW (MIG) and FCAW (flux-cored). It also covers pipe welding, oxy-fuel and plasma arc cutting and alloy and hardfacing welding. Students spend about 20% of their time in the classroom and 80% in the booth, with more than 400 hours of total hands-on instruction.

AWARD: One advanced 15-week course scholarship for advanced welders valued at $4,300, non-renewable.

SPONSOR BIO: For more information on the program, call the school directly at 216-383-2259 or visit Lincoln’s website at www.lincolnelectric.com.
MIN-AD, Inc.

ELIGIBILITY: Pursuing a four-year degree in animal nutrition, animal science, dairy science or agricultural engineering. Must plan to attend West Texas, West Texas A&M or Texas Tech University. Minimum 3.0 GPA on a 4.0 scale required. Must complete financial analysis section and exhibit financial need.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: MIN-AD, Inc. supplies a specialty mineral to the beef and dairy cattle feed industries. We have been serving our customers in the Texas Panhandle for more than 30 years.

National FFA Alumni Association

ELIGIBILITY: Pursuing a four-year degree in agricultural education and a career as an agriculture teacher. Must be an alumni member or from an FFA chapter with an active alumni affiliate.

AWARD: Five scholarships at $1,000 each, non-renewable.

SPONSOR BIO: The National FFA Alumni Association supports education by helping to ease outside teaching commitments, supporting agricultural education programs and giving teachers more freedom to teach. Alumni members help recruit students, raise scholarship money and assist at camps, conferences, conventions and in personal development programs to help make FFA members’ lives better.

Kenneth and Ellen Nielsen Cooperative Scholarship

ELIGIBILITY: Pursuing a four-year degree in agriculture with a major in agronomy, crop science, animal nutrition, farm and ranch management, livestock management, agricultural business management, agricultural economics, agricultural journalism or international agriculture. Applicant or applicant’s parents/guardians must be members of an agricultural cooperative that is also a member of the Iowa Institute for Cooperatives.

AWARD: Approximately two scholarship at $1,000. Not guaranteed.

SPONSOR BIO: Scholarship is given in memory of the late Mr. and Mrs. Kenneth Nielsen. He served as president and chief executive officer of Farmland Industries, Inc., from 1981-1986. The Nielsens were devoted to agriculture, cooperatives and young people. They were both committed to improving economic conditions for farmers and ranchers through cooperative efforts.

National Mastitis Control and Milk Quality

ELIGIBILITY: Pursuing a two- or four-year degree in animal or dairy science, agricultural communications, education, sales and marketing or pre-vet/vet sciences. Applicant must have a dairy background or plan to pursue a career related to dairy and have participated in community service.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: NMC (www.nmconline.org) is a not-for-profit professional organization devoted to reducing mastitis and enhancing milk quality. NMC promotes research and provides information to the dairy industry relative to udder health, milking management and milk quality.

Norfolk Southern Foundation

ELIGIBILITY: Pursuing a four-year degree in agricultural and forestry production, communication and education, management and finance, marketing, merchandising, sales, agricultural science or engineering. Must attend a college or university in Alabama, Delaware, Georgia, Illinois, Indiana, Louisiana, Maryland, Michigan, Mississippi, Missouri, New York, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee or Virginia.

AWARD: Three scholarships at $1,000 each, non-renewable.

Prairie Farms Dairy Inc.

ELIGIBILITY: Pursuing a four-year degree in dairy science. Resident of Illinois, Indiana, Iowa, Michigan, Missouri or Ohio required. Students must have a minimum 3.0 GPA on a 4.0 scale.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: Prairie Farms Dairy Inc. (www.prairiefarms.com) is recognized throughout the Midwest for its high quality dairy products. A dairy-processing co-operative owned by dairy farmers, we currently have 800 dairy farm producers. From a humble beginning in 1938, we have built this company on the principles of high quality, good service and reliability.

Professional Landcare Network (PLANET)

ELIGIBILITY: Pursuing a two- or four-year degree in any field directly associated with horticulture, landscape architecture, plant science, nursery and landscape or turf management, plant breeding and genetics or plant pathology. Student must exhibit strong leadership skills and have participated in community service.

AWARD: One scholarship at $1,500, non-renewable.

SPONSOR BIO: The Professional Landcare Network, or PLANET (www.landcarenetwork.org), represents approximately 4,400 green industry service provider companies and suppliers nationwide that specialize in design/build/installation, interior plantscaping, landscape management and lawn care. PLANET provides the leadership, education, networking, mentoring and other resources that lead to business success.

John and Amy Rakestraw Scholarship

ELIGIBILITY: Pursuing a two- or four-year degree in animal nutrition, animal science, farm and ranch management or livestock management. Resident of Colorado or Mississippi required.

Applicants must exhibit strong leadership skills, have participated in community service and be involved in beef cattle.

AWARD: Two scholarships at $1,000 each, non-renewable.

SPONSOR BIO: John Rakestraw is CEO of Agra Holdings, a company engaged in cattle feedlot consulting and the sales and manufacturing of feedlot nutritional supplements. Amy is a stay-at-home mom and is involved in several volunteer activities. John had a 25-year career with the ContiGroup. He grew up in Gun-town, Miss., graduating from Mississippi State University with a B.S. degree in animal science and a masters degree from Oklahoma State University. Amy grew up in Covington, Tenn., and Hattiesburg, Miss., and is a registered nurse. In 2003 John served as Chairman of the National FFA Foundation Sponsors’ Board.

Seed Trade Association of Arizona

ELIGIBILITY: Pursuing a two- or four-year degree in select areas of agriculture, communications, education, management, finance, marketing, sales or science. Applicants must be residents of and planning to attend a college or university in Arizona. Minimum 2.5 GPA on a 4.0 scale required.

AWARD: Two scholarships at $1,000 each, non-renewable

SPONSOR BIO: Serving the Seed Trade Industry of Arizona for more than 15 years, the Seed Trade Association of Arizona (STAA) (www.arizonaseedtrade.org) was established in 1992 to enhance communication and unity within the seed industry of Arizona and to provide a forum for dissemination of information and discussion of issues pertaining to the industry. STAA is governed by a board of nine directors, elected by active members, to serve three-year terms. Committees are maintained to deal with matters involving industry affairs. STAA holds its annual convention each May, and maintains ongoing communications with, and membership in, other regional and national seed associations.
**The Original Muck Boot Company**

**ELIGIBILITY:** Pursuing a two- or four-year degree in select areas of agricultural and forestry production. One scholarship for high school seniors, one scholarship for collegiate students. Minimum 3.5 GPA on a 4.0 scale required. Must have participated in community service.

**AWARD:** Two scholarships at $1,800 each, non-renewable.

**SPONSOR BIO:** The Original Muck Boot Company® is a brand of protective footwear built on the premise that while life isn’t always comfortable, your boots should be. The unique high quality combination of CR foam, Airmesh lining and natural rubber overlays produce shoes and boots that have become widely known and respected for superior comfort. The brand offers a number of footwear styles designed for a wide variety of outdoor applications including agriculture, equestrian, construction, hunting, camping, gardening and many other types of outdoor recreation. All it takes to become a big fan of the brand is to try a pair on.

**Toyota Motor Sales, U.S.A. Inc.**

**TOYOTA**

**ELIGIBILITY:** Pursuing a four-year degree in agricultural engineering or agricultural science/technology. Resident of Alabama, California, Indiana, Kentucky, Michigan, Mississippi, Missouri, Texas or West Virginia required. Must have been active in extracurricular activities. Completion of the financial analysis section is required. If these major criteria are equal between potential applicants, those with the greatest financial need will be selected. Online applications must be submitted by February 17, 2009. Completed scholarship signature pages must be postmarked by February 23, 2009, and mailed to the following address:

National FFA Organization
Scholarship Office
6060 FFA Drive
P.O. Box 68960
Indianapolis, IN 46268-0960

The FFA Mission
FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

The Agricultural Education Mission
Agricultural Education prepares students for successful careers and a lifetime of informed choices in the global agriculture, food, fiber and natural resources systems.

The National FFA Organization is a resource and support organization that does not select, control or supervise state association, local chapter or individual member activities. Educational materials are developed by FFA in cooperation with the U.S. Department of Education as a service to state and local agricultural education agencies.

The National FFA Organization affirms its belief in the value of all human beings and seeks diversity in its membership, leadership and staff as an equal opportunity employer.
