

2004

NATIONAL FFA FOUNDATION
ANNUAL REPORT

FFA makes a positive difference in the lives of students by developing their potential for **premier leadership, personal growth and career success** through agricultural education.

Agricultural Education prepares students for successful careers and a lifetime of informed choices in the global agriculture, food, fiber and natural resources systems.

The National FFA Organization is a resource and support organization that does not select, control or supervise state association, local chapter or individual member activities except as expressly provided for in the National FFA Organization Constitution and Bylaws.

The National FFA Organization affirms its belief in the value of all human beings and seeks diversity in its membership, leadership and staff as an equal opportunity employer.

© 2005 National FFA Organization

Dear National FFA Foundation Supporters,

As student activity in FFA reaches a new 23-year high, it is apparent that FFA's relevance in the lives of young people is as significant and valued today as it has been during any point in our history. It is also evident that individuals and companies recognize this indisputable positive force in the lives of young Americans. Your selfless generosity allowed the National FFA Foundation to garner a record \$9,300,000 in support of the best youth organization in

America. A simple thank-you falls far short of the genuine appreciation your Sponsors' Board wishes to share with you.

I would like to personally thank each member of the 2004 Sponsors Board and our devoted Foundation Staff. I have never had the opportunity work with an organization that demonstrates higher personal values and professional competence than that of our Foundation team. It has been an honor and a privilege to work under the leadership of men like Dr. Larry Case, Doug Loudenslager and Kent Schescke. I would also like to express my deepest respect of the professional Ag Educators, community volunteers and parents who create a high impact learning environment for our young people on a daily basis.

America has never produced a more hope-filled generation of young people than the bright, energetic and thoughtful generation of today. FFA's legacy of excellence attracts the best of the best of this generation. No one who works with FFA members underestimates the fact that these young people's energy, creativity, high expectations and dedication to excellence keeps us all young at heart. Today's FFA members benefit from a dynamic and effective 77-year legacy. However, it is tomorrow's FFA members who will benefit from the seeds of excellence that today's FFA is currently sowing in the fabric of their organization. An organization built around the motto of "Learn, Lead, Succeed" will never diminish in value in the eyes of American youth, American parents or American communities.

Once again, thank you for joining your National FFA Sponsors' Board in supporting FFA. The Blue and Gold is our nation's standard of excellence in learning, leadership and stewardship.

My most sincere regards,

John Rakestraw

National FFA Foundation, Inc. Statement of Activities for the year ended December 31, 2004

Due to the complex nature of the new accounting standards affecting not-for-profit organizations, the Foundation is presenting a Statement of Activities, which differs in format and content from that prescribed by accounting principles generally accepted in the United States of America. The differences are described below. The next two pages present summarized Statements of Activities and Financial position from the Foundation's audited financial statements.

For a complete set of the audited financial statements, please contact the financial services team at 317-802-4298, or visit www.ffa.org/foundation/index.html.

	<u>Totals</u>
Revenue:	
Multi-year special project contributions expended	\$ 695,946
Other contributions from the public	8,861,386
Interest and dividend income	432,380
Program fees	<u>156,900</u>
Total Revenue	<u>10,146,612</u>
Expenses:	
Program Services:	
Leadership development	1,204,791

Bernie Staller Retirement Recognition List

The Bernie Staller Endowment Fund was established to honor and recognize Bernie Staller for his years of service to agricultural education and FFA. Bernie began his involvement as an FFA member, served as an agribusiness instructor and FFA Advisor, lead the FFA Foundation as Executive Director and ultimately served as the Chief Operating Officer for both the National FFA Organization and National FFA Foundation.

Ford Trucks/FFA Scholarship Program

Ford Trucks, along with local Ford Dealers nationwide, sponsor the Ford Trucks/FFA Scholarship Program. Each participating dealer donates \$500 per scholarship, and Ford Trucks matches their gifts bringing the scholarship award to \$1,000. Over 600 of these scholarships were awarded in 2004.

The following Ford dealers participated in the 2004 scholarship program:

Alabama
