About IUPUI

Indiana University – Purdue University Indianapolis (IUPUI) is Indiana's most comprehensive university campus. IUPUI was formed in 1969, but several programs have provided Central Indiana with quality education and services for much of the century. IUPUI is a premier urban institution and offers students courses year round at times during days, evenings and weekends that meet the demanding schedules of adult learners.

Pharmacy Technician

Health care reform and the demand for controlled health care costs have created an increasing need for well-educated technicians and assistants in the medical professions. This entry-level, noncredit program is designed to provide adult students with a rewarding career as a pharmacy technician.

Prerequisites: You must be 18 or older, have a high school diploma/GED, and have no felony convictions.

Core Courses

This program consists of one (1) course and is completed in a semester.

Course Information

The 40-hour comprehensive program will prepare students to enter the pharmacy field in hospitals, home infusion pharmacies, or community pharmacies as an ancillary, an assistant who works under the supervision of a registered pharmacist. The program includes extensive classroom lecture, taught by an instructor with practical experience in the field, up-to-date written and audio-visual aids and is approved by the Indiana State Pharmacy Board.

COURSE CONTENT INCLUDES:

- Medical Terminology specific to the pharmacy
- Reading and interpreting prescriptions
- Dosage calculations
- All methods of I.V. therapy and aseptic technique
- Flow rates
- Drug compounding
- Dose conversions
- Dispensing of prescriptions
- Unit dose
- Inventory control
- Billing and reimbursement
