#### The Baker Group Executive Summary (Food Service Report for IUPUI) Email sent to the Staff Council by Vice Chancellor Dawn Rhodes

IUPUI is a unique and multiple-dimensional community. No less unique and diverse are the needs of our customers. One ever-changing component is that of food service. Our customers expect friendly and affordable food service that is available when and where they need it. Whether one is grabbing a quick sandwich between classes, meeting friends for an elegant dinner, or planning a banquet - a full range of services is in demand.

To ensure we continually meet these changing needs, the campus retained the Baker Group - a renowned hospitality consulting firm. The Group was commissioned to review all aspects of present services: satisfaction, hours of operation, locations, menu selections, vending, and more. The Group was also called upon to develop profiles of customer needs and expectations and to offer recommendations about where enhancements should be made or considered.

We are pleased to share with you the final report from the Baker Group. This report and recommendations will serve as the framework for our continuing commitment to quality service.

The Executive Summary can be found here: <http://www.iupui.edu/~scouncil/documents/BakerGroupExecutiveSummary.pdf>

**WE NEED YOU**

Dear Colleagues,

You may know that one in eight women will be stricken with breast cancer in her lifetime. What you may not know is that you can help these women and thousands of others in the fight against breast cancer.

On April 18, 2009, I will be participating in the Komen Indianapolis Race for the Cure with a great team of dedicated people. **Join the fight by registering as part of our team or by supporting our efforts with a pledge contribution.** The money raised through the Race will fund vital education, screening and treatment programs for underserved women in our own community and support the national search for a cure.

Each IUPUI Team member will receive a tee-shirt from the Race for the Cure and will also receive an IUPUI Team Jaguars tee-shirt.

If you would like to join us, please register by **Friday, March 20, 2009**. (Please note: All participants must register online. Also, we are not able to accept late registrations.)

We need your support! Every step counts!

**Thank you for helping us make an impact!**
