RE: Annual Report of the Faculty Affairs Committee,  
2006-07  
DATE: April 18, 2007

Dennis Bingham, Wan Ning Bao, Michael Burke, Jack McKivigan, Mike Polites, and Marc Bilodeau, who is also a member of Agenda Council, served as voting members of the Faculty Affairs Committee during the 2006-07 academic year. Associate Dean for Academic Affairs Marianne Wokeck served as the ex officio member of the committee. Michael Burke filled in as chair at the March meeting, when Dennis Bingham had to be absent.

The Committee, usually a busy one, had a notably quiet year, with no issues brought to it by the School, Agenda Council, or other committees. Thus with no new charges, the committee met only three times: for its initial organizational meeting in September, followed by the customary meetings in February to select a student for the School's Faculty Medal of Academic Distinction, and in March to select the outstanding resident faculty member, lecturer, and associate faculty member.
