

Report of the Technical Services Committee Academic Year 2004-2005

I. Committee Members and Meetings:

The committee included its appointed members, the director of Technical Services, the associate dean for technology, plus representatives from the school's computer labs, UITS, and the Agenda Council. The committee met two times during the academic year: December 3, 2004, and March 5, 2005. Minutes for these meetings may be reviewed at the following website: <<http://liberalarts.iupui.edu/techserv/advisorycom.html>>.

Appointed Members: D. Bertrand (Chair), E. Andersen, S. Jogi, E. Nagelhout, P. Mullins
Representatives: E. Ardemagni (Agenda Council), D. Bivin (SSCC), D. Donaldson (UITS), B. Dyer (Student Rep.), J. Freeman (CBC), D. Ford (Assoc. Dean), M. Scott (Technical Services), A. Simmons (Secretary), R. Vermette (MLRC)

II. Committee Recommendations to the Dean

The committee made no specific recommendations to the Dean this year.

III. Small Technology Grants

Small technology grants were suspended this year at the request of Dean White due to budget issues.

IV. Committee Accomplishments

The committee expressed concern over the following issues:

- 1) Security and privacy concerns discussed, and brought to the attention of the Faculty Assembly.
- 2) The Technical Services Committee Bylaws needed to be reworked.

V. Unfinished Business

The following issues were raised during the 2004-2005 academic year, which were not brought to fruition. The committee recommends that the new Technology Services Committee address these issues during the 2005-2006 academic year.

- 1) Address security and privacy concerns.
- 2) Finish updating bylaws.
