STAFF COUNCIL. . . . YOUR VOICE!

So...what happened at the last Staff Council meeting?

The IUPUI Staff Council met on Wednesday, March 17, 2010. The following was discussed:

- **Update from VC Dawn Rhodes:** Budget: Budget guidelines are to be sent on 3/19/10. Project Approvals: The Board of Trustees have approved a Science and Engineering lab building. The Glick Eye Institute will also include site improvements to the surrounding areas to provide parking and a green space. A second new parking garage has been approved as an expansion to the Natatorium garage. That garage will provide 1300 additional spaces and if all goes well, it should be finished by August 2011. Restructuring: Just as the Purchasing Department has been restructured and centralized, the administration is considering the same for Accounts Payable. No plans on how/when that will occur have been established; a meeting is planned before the end of March.
- **Multicultural Center:** Zephia Bryant, Director of the Center, gave a presentation on what the center does and who it serves. The center is not just for students, it is for faculty and staff as well. Excellent programming has been planned to bring about awareness of different cultures.
- **Komen Race for the Cure:** Join the Staff Council race team. See instructions later in this Newsletter. 20 persons have registered and our goal is 41.
- The Staff Council brought forth a proposal to hold meetings in the next academic year on the third Wednesday of each month from 2:00 – 4:00 p.m. (instead of 3:00-5:00 p.m.) Voting will occur at the April meeting.
- **Helping Students in Distress:** Jason Spratt, Assistant Dean of Students, gave an informative discussion on how to help students in distress as well as what to do if there is an “active shooter” instance on campus. You can find videos on defense against an “active shooter” at <https://www.iupui.edu/prepared/>. He spoke also of the Behavioral Consultation Team. This team is “designed for early intervention regarding behavioral issues to help support the health, safety, and success of IUPUI.” FMI: <http://bct.iupui.edu/>

Join us at our next meeting on April 21, 3:00 p.m., CE 405.

[Creating a Culture of Academic Excellence](#): Free presentation by Freeman Hrabowski, UMBC President

[9th Annual Indiana Conference on Cultural Competency for Behavioral Healthcare](#): Presentation by David Satcher, Director of Satcher Health Leadership Institute; Registration and \$95 fee.

Dear Colleagues,

You may know that one in eight women will be stricken with breast cancer in her lifetime. What you may not know is that you can help these women and thousands of others in the fight against breast cancer.

On April 17, 2010, we will be participating in the Komen Indianapolis Race for the Cure with a great team of dedicated people. **Join the fight by registering as part of our team or by supporting our efforts with a pledge contribution.** The money raised through the Race will fund vital education, screening and treatment programs for underserved women in our own community and support the national search for a cure.

Each IUPUI Team member will receive a tee-shirt from the Race for the Cure and will also receive an IUPUI Team Jaguars tee-shirt.

If you would like to join us, please register by **Friday, March 29, 2010**. (Please note: All participants must register online. Also, we are not able to accept late registrations.)

We need your support! Every step counts!

Thank you for helping us make an impact!
