[M. Barb] We do campus events such as MLK Day of Service, United Way Day of Service, we participate in all of those major events, and we also put on some of our own, such as the Jagathon, also known as the Dance Marathon. We’re in our seventh year of doing that, and we get a hundred students, basically, to participate in that every year, and the money raised goes to Riley Hospital for Children. We’ve raised over $45,000 in the last six years for that charity.

[L. Hong] In the past we’ve done an Ultimate Frisbee tournament event that raises money for our scholarship fund, and we are very, very, very close to starting to give out our first scholarship to students that are involved on campus.

[L. Hong] ...spirit, we try to promote the Jaguar spirit and create an atmosphere where students feel like they belong to the campus and take pride in the part that they are a Jaguar. We don’t go in there and try to force the Student Foundation on anybody, but we do little things every year to try to get our name out there and we recruit, recruit, recruit, always recruiting, and getting people to join us, giving them the reasons why we think it’s a good organization, using ourselves as examples of what they could do.
