## Second Annual Performathon!

Join us for the IUPUI Music Academy's 2nd Annual Performathon on Saturday, April 30 from 11am to 6pm! Students and faculty from both the Academy and the Tuition-Free Conservatory will be performing at this event, which will take place on the 3rd floor of the Circle Centre Mall (across from Banana Republic). Last year's Performathon was a huge success, raising over \$6,000 for student scholarships and our Tuition-Free Conservatory program. We hope that this year's event will raise even more funds for the program.

One of the special features of this year's Performathon is a silent auction. Several items, mostly musically themed, will be featured in the auction, and bids can be placed during the Performathon. Some of the items to be auctioned include Indianapolis Symphony Orchestra tickets, a piano tuning, and a Native American bamboo flute. Make sure to place a bid to win one of these fabulous items!

The Performathon is our biggest fundraising event of the year, and is an excellent forum to showcase our students. If you are interested in performing or donating your time and effort during this event, please contact our office at 317-278-2593 or email us at [musacad@iupui.edu](mailto:musacad@iupui.edu).

# IUPUI Music Academy Ribbon Festival

Bravo to all of our students who participated in this year's Ribbon Festival! This event, held on March 12, provided an opportunity for students to perform for an adjudicator and receive written comments, including a rating of their performance. Depending on their score, students earned a medal and an opportunity to perform in an honors recital. A record 46 students participated this year, and received glowing evaluations. The adjudicators were very impressed with the level of preparation and overall performance by Academy students. Congratulations to our students (and to our teachers)!

## Spring Recitals

The students at the IUPUI Music Academy have been working hard this semester to improve their musical skills and will have the chance to display their talents at one of our Spring Recitals on Friday, May 13th and Saturday, May 14th. Students, this is your chance to shine! And parents, this is your chance to see how well your child performs!

Recitals this year will take place at both our new recital hall in the ICTC building, room 152 (on the campus of IUPUI), and the ArtsGarden (downtown, attached to Circle Centre Mall). If you or your child are interested in performing, please fill out the blue recital sign-up form in this newsletter and return it to your teacher or the IUPUI Music Academy office, located in the ICTC building, room 378 **by May 1st**.

We've added a few more recital times to accommodate our growing numbers! You may choose to perform at one of the following recital times:

- Friday, May 13 at 6 pm in the ICTC recital hall
- Friday, May 13 at 7:30 pm in the ICTC recital hall
- Saturday, May 14 at 11:00 am in the ICTC recital hall
- Saturday, May 14 at 1:00 pm at the ArtsGarden
- Saturday, May 14 at 2:00 pm at the ArtsGarden

A reception will follow each recital in the ICTC building, so bring a snack to share! If you have any questions, please contact the Music Academy office at 317-278-2593. We look forward to seeing you at the recitals!

## Make Your Own Bongo Drums!

1. Saw two lengths of carpet tubing (one 1 foot long, the other 8 inches or so). The longer tube will produce a lower pitch. Use the end of the tube for a pattern and draw two circles on a piece of 1/8-inch paneling or plywood. Then saw out the circles for the drumheads with a coping saw.

2. Glue the Disks on the tubes. To hold the heads on the tubes tape them with masking tape.

3. Run a line of glue down one side of your short drum and stand it on its head. Press the longer drum (also standing on its head) against the glue line.

4. Tape the two drums together and let the glue dry. To make the drums look nice and to hold them securely together wrap them with string or colored yarn. For further decorations use paint, markers, and your imagination. To play your bongos hold them between your knees and slap the heads with your fingers and thumbs.
