

## From the Desk of the Chancellor, January 30, 2012

Now that Executive Vice Chancellor Uday Sukhatme has announced his plans to join Pace University as provost, effective May 21, we have moved to form a search committee for his successor. We do not want to lose any of our momentum, and we want to select a successor who can continue improving our academic programs.

I met with the search committee at its initial meeting last Wednesday. The committee chair, Dean Bill Blomquist, and I are deeply committed to securing a highly qualified and diverse applicant pool for this key position. We are conducting a national search using a search firm represented by Ted Marchese of AGB Search. You can view information about the search and follow its progress by consulting the [Executive Searches Web site](#), which is being updated.

Listed below is the membership of the search committee. Please share your thoughts about potential candidates and ideal qualifications with the committee.
