Jérôme Robert Florian Dumortier

Curriculum Vitae – August 2011

School of Public and Environmental Affairs
Indiana University – Purdue University Indianapolis (IUPUI)
Office BS 4074, 801 W. Michigan Street, Indianapolis, IN 46202, USA

Phone: (317) 274-1817
E-mail: jdumorti@iupui.edu

Academic Appointments

Assistant Professor, School of Public and Environmental Affairs, IUPUI 2011 - present

Education

Ph.D. in Economics, Iowa State University, USA 2011
Dissertation title: *The impact of forest offset credits under a stochastic carbon price on agriculture using a rational expectations and real options framework*
Dissertation committee: Dermot J. Hayes (Major Professor), Bruce A. Babcock, Catherine L. Kling, John A. Miranowski, and Eugene S. Takle

Licence en sciences économiques ("économie politique"), Université de Lausanne, Switzerland 2004

Research Interests

Primary: Agricultural Economics, Resource and Environmental Economics, Energy Economics
Secondary: Financial Economics

Peer-Reviewed Publications

Dumortier, J., Hayes, D.J., Carriquiry, M., Dong, F., Du, X., Elobeid, A., Fabiosa, J., and Tokgoz, S. (2011). Sensitivity of Carbon Emission Estimates from Indirect Land-Use Change. *Applied Economic Perspectives and Policy* (forthcoming).

Hayes, D.J., Babcock, B.A., Fabiosa, J., Tokgoz S., Elobeid, A., Tun-Hsiang, Y., Dong F., Hart, C., Chavez, E., Pan, S., Carriquiry, M., Dumortier, J. (2009). Biofuels: Potential Production Capacity, Effects on Grain and Livestock Sectors, and Implications for Food Prices and Consumers. *Journal of Agricultural and Applied Economics, 41(2), 1-27.*

Working Papers

Dumortier, J., Hayes, D.J., Carriquiry, M., Dong, F., Du, X., Elobeid, A., Fabiosa, J., and Mulik, K. (2010). Modeling the Effects of Pasture Expansion on Emissions from Land-Use Change. CARD Working Paper 10-WP 504, Center for Agricultural and Rural Development, Iowa State University.

Dumortier, J., and Hayes, D.J. (2009). Towards an Integrated Global Agricultural Greenhouse Gas Model: Greenhouse Gases from Agriculture Simulation Model (GreenAgSiM). CARD Working Paper 09-WP 490, Center for Agricultural and Rural Development, Iowa State University.

Selected Conference Presentations

"Sensitivity of Carbon Emission Estimates from Indirect Land-Use Change", presented at the 2011 Inaugural Association of Environmental and Resource Econmists (AERE) Summer Conference, Seattle, Washington, June 2011.

Selected Conference Presentations (continued)

"Carbon or Crops? A Real Option Perspective on Tree Planting under a Cap-and-Trade Policy", presented at the conference "The Role of Carbon Offsets in Climate Policy", Cornell University, Ithaca, New York, May 2011.

"Agricultural Production in the Context of Rational Expectations and Greenhouse Gas Policies", presented at the Agricultural & Applied Economics Association (AAEA) annual meeting, Denver, Colorado, July 2010.

"Modeling the Effects of Pasture Expansion on Emissions from Land-Use Change", presented at the International Agricultural Trade Research Consortium (IATRC) Symposium "Climate Change in World Agriculture", Stuttgart-Hohenheim, Germany, June 2010.

"Towards an Integrated Agricultural Greenhouse Gas Model", presented at the Agricultural & Applied Economics Association (AAEA) annual meeting, Milwaukee, Wisconsin, July 2009.

Teaching

ECON 102: Principles of Macroeconomics, Iowa State University	Fall 2007
SPEA V 517: Public Management Economics, IUPUI	Fall 2011

Awards and Honors

Teaching Excellence Award, Iowa State University	2007

Employment and Consulting

Consultant, European Commission Joint Research Center, Institute for Energy	2009
Assistant in Corporate Finance, Landesbank Saar (SaarLB), Metz, France	2004/2005
Research Department Intern, ifo - Institut für Wirtschaftsforschung, Munich, Germany	2004

Professional Service

Referee service: *Land Economics*

Professional Affiliations

Association of Environmental and Resource Economists (AERE)
European Association of Environmental and Resource Economists (EAERE)
Agricultural & Applied Economics Association (AAEA)
International Association for Energy Economics (IAEE/USAEE)

PROFESSIONAL EXPERIENCE:

Founding Dean and Professor of Economics, IUPUI Honors College, Indiana University-Purdue University Indianapolis, Indianapolis, Indiana 46202

Professor, Natural Resource Economics, Food and Resource Economics, University of Florida, Gainesville, Florida, 1999 – present; Affiliate Member, School of Natural Resources and Environment, University of Florida, Gainesville, Florida, 1999-present.

American Council of Education Fellow, University of Florida, August 2006-May 2007.

Provost Fellow, University of Florida, Office of the Provost and Senior Vice-President, January 2006-May 2007.

Associate Dean and Professor, Academic Programs, College of Agricultural and Life Sciences/IFAS, University of Florida, Gainesville, Florida, July 1999 - 2006.

Professor, Natural Resource Economics, Department of Agricultural Economics and Agribusiness, Louisiana State University, Baton Rouge, Louisiana, 1995-1999.

Associate Professor, Natural Resource Economics, Department of Agricultural Economics and Agribusiness, Louisiana State University, Baton Rouge, Louisiana, 1991-1995.

Assistant Professor, Natural Resource Economics, Department of Agricultural Economics and Agribusiness, Louisiana State University, Baton Rouge, Louisiana, 1987-1991.

U.S. Peace Corps Volunteer, Agricultural Extension Specialist, Liberia, West Africa. 1975-1978.

PROFESSIONAL DEVELOPMENT ACTIVITIES

ACE Fellow, American Council on Education Fellows Class of 2006-2007

The ACE Fellows Program is the nation's premier higher education leadership development program. The ACE Fellows Program is designed to strengthen institutions and leadership in American higher education by identifying and preparing promising senior faculty and administrators for responsible positions in college and university administration and preparing them for the leadership of institutional change. It is the only national, individualized, long term professional development program in higher education that provides on-the-job-experience as well as a didactic component.

University of Florida Provost Faculty Fellow, University of Florida, January 2006-May 2007

The UF Provost Faculty Fellow Program gives faculty members firsthand experience in all facets of upper level university administration. Participants work on special projects with UF's central administration, including the Provost, Associate Provosts, and Deans as well as engage in various budget, curricular, faculty personnel and development, and student issues.

AWARDS AND RECOGNITIONS

University of Florida Provost Fellow, University of Florida, January 2006-May 2007

ACE Fellow, American Council on Education and University of Florida, August 2006-May 2007

Honorary State FFA Degree, Florida FFA, 2004

Morton Wolfson Faculty Award for Outstanding Service to the Students of Florida, Division of Student Affairs, University of Florida, September, 2003.

Outstanding Dissertation Award, (Advisor for Dr. Ferdinand F. Wirth), College of Agriculture, Louisiana State University, February, 1999

LSU Alumni Association Distinguished Faculty Award, Louisiana State University, May, 1998

Outstanding Dissertation Award, (Advisor for Dr. Yeong-Nain Chi), College of Agriculture, Louisiana State University, February, 1998

American Agricultural Economics Association Distinguished Undergraduate Teaching Award, August, 1996

Tiger Athletic Foundation Outstanding Teacher Award, College of Agriculture, Louisiana State University, May, 1996

Recognized for Outstanding Service and Dedication to the Student Section of the American Agricultural Economics Association by the American Agricultural Economics Association, 1989; 1994; 1995; 1996

Teaching Merit Honor Roll, Gamma Sigma Delta, Louisiana State University Chapter, and the College of Agriculture, Louisiana State University, 1994; 95; 96; 97; 98; 1999

George Award for Service, Dedication, and Imagination, College of Agriculture, Louisiana State University, May, 1994

LSU Amoco Foundation Award for Distinguished Undergraduate Teaching, Louisiana State University, May, 1993

LSU Student Government Association Award for Outstanding Undergraduate Teaching, Louisiana State University, December, 1993

Outstanding Teacher in the College of Agriculture, Louisiana State University, June, 1991

Recipient of Academic Year Fellowship, University of Kentucky, 1980-81;1981-82

Recipient of U.S. Department of Energy Graduate Fellowship, University of Kentucky, 1979-80

Honor Society Memberships:

Alpha Zeta
Gamma Sigma Delta
Phi Kappa Phi
Sigma Xi

Memberships in Professional Organizations:

American Council on Education
Society and Natural Resources
Association of Agricultural and Applied Economics

RESEARCH INTERESTS

Natural Resource Economics
Natural Resource Policy
Academic Administration

My research program and much of my teaching responsibilities have involved multidisciplinary approaches to environmental and natural resource policies and issues. My economic work in the area of non-market valuation of Louisiana wetlands and water quality was some of the earliest in the state. Valuing habitat for the Louisiana Back Bear, economic analyses of new resource based opportunities for non-industrial private forest land owners, economic deer, waterfowl, and turkey hunting studies, and assessments of nature-based tourism opportunities were also part of my research portfolio. This research also included quantitative measurement and analyses of the role of environmental attitudes in non-market valuation and in the adoption of incentive-based mechanisms for environmental management. My economic research was conducted in a multidisciplinary environment, with grants and support from agencies such as the U.S. Army Corps of Engineers, the Louisiana Department of Wildlife and Fisheries, the Louisiana Department of Environmental Quality, and the Louisiana Department of Culture, Recreation, Tourism. I also maintained regular natural resource research funding via a McIntire-Stennis research grant through the LSU School of Forestry. While at LSU, I was recognized for excellence in graduate education and research, and named a Distinguished Professor.

Luzar, E. Jane. "Research Revealed Attitudes Toward Virginia's Agricultural and Forestal District Act." Paper presented at the Conference on Agricultural and Forestal Districts, Charlottesville, Virginia. March 1986.

Luzar, E. Jane and Patricia Norris. "Soil Conservation and Farmland Retention Policies: A Case for Linking Land Use Policies." Paper presented at the annual meeting of the Southern Agricultural Economics Association, Nashville, Tennessee. February 1984. Abstracted in *Southern Journal of Agricultural Economics*, 16(1):196.

Debertin, David L., E. Jane Luzar, and Eldon D. Smith. "Ethics, Research, and the Agricultural Economist." Paper presented at the annual meeting of the American Agricultural Economics Association, Clemson, South Carolina. July 1981. Abstracted in *American Journal of Agricultural Economics*, 63(4):1046.

Luzar, E. Jane and David L. Debertin. "The Determination of Tax Revenue: A Simultaneous Equation Approach." Paper presented at the annual meeting of the Southern Agricultural Economics Association, Hot Springs, Arkansas. February 1979. Abstracted in *Southern Journal of Agricultural Economics*, 12(1):209.

CONTRIBUTIONS TO JURIED OR REFEREED PUBLICATIONS

Editorial Council, *Journal of the Soil and Water Conservation Society*, 1993-2009.

Editorial Council, *Choices*, publication of the American Agricultural Economics Association, 1988-1991.

Reviewer, *Land Economics, Journal of Agricultural and Applied Economics, Journal of Agribusiness, Journal of Agricultural and Resource Economics, Review of Agricultural*

Economics, Journal of Leisure Research, Marine Resource Economics, Water Resources Review, Annual Meeting Selected Paper Coordinator, Southern Agricultural Economics Association, Annual Meeting Selected Paper Reviewer, American Agricultural Economics Association

GRANTS AND CONTRACTS FUNDED

"UF Peace Corps Recruitment" U.S. Peace Corps, Atlanta Office, 2000-2007, University of Florida, Contract Administrator: E. Jane Luzar.

"Economic Analysis of the Critical Habitat Designation for the Louisiana Black Bear." Department of the Interior, National Biological Survey: 1994-1995. Co-Investigators: E. Jane Luzar and David W. Hughes.

"Economic Analysis of Nature Tourism in Louisiana." Sea Grant College Program, Louisiana State University: 1993. Principal Investigator: E. Jane Luzar.

"Development of a Conceptual Plan for the Valuation of Wetlands." U.S. Corps of Engineers, Waterways Experiment Station: October 1992 - October 1994. Principal Investigator: E. Jane Luzar.

"Digitizing the Natural Resources Inventory." U.S. Soil Conservation Service: 1992-1993. Principal Investigator: E. Jane Luzar.

"Perceptions of Water Quality Problems Among Rural Residents of the Southwest Louisiana Irrigated Rice Production Region." U.S.D.A. Cooperative State Research Service: April 1990 - December 1993. Principal Investigator: E. Jane Luzar.

"The Net Economic Valuation of White Tailed Deer Hunting on a Louisiana Wildlife Management Area." Louisiana Board of Regent's Rockefeller Fund Interest Earnings Grant Program: 1987-1988. Co-Investigators: E. Jane Luzar, and James E. Hotvedt.

DOCUMENTATION OF TEACHING ACTIVITIES

1. Courses Taught

Undergraduate:

AEB 4274 Natural Resource and Environmental Economic Policy; Credits: 3.
Role of the public sector in natural resource and environmental management. Discussion of the role of government and stakeholders. Includes historical perspective on the evolution of natural resource and environmental policies and programs. Considers the role of economist as policy analyst, providing insight on likely as well as unintended consequences of policy options. (UF)

AEB 3450 Introduction to Natural Resource and Environmental Economics; Credits: 3.
Introduction to natural and environmental resource economics. Emphasis is placed on understanding economic concepts such as resource scarcity, externality, property rights, opportunity cost, sustainability, and non-market valuation in their application to studies of natural resources and environmental amenities. (UF)

SLS 1102 First Year Florida; Credits: 1.
Assist first year students' transition into the University of Florida. First-Year Florida emphasizes the development of academic and personal skills that support success in college, as well as familiarizing freshmen with campus resources. Active participation in learning, including openly discussing student issues, will help students make the most of this experience. (UF)

ALS 4921 Honors Colloquium; S, 2003; Credits: 3; 3.5 overall GPA or greater.
Designed to stimulate exceptional students from a variety of backgrounds to think critically about real world problems and issues. Creative but practical problem solving emphasizing critical thinking and a critical appreciation of epistemological diversity will be stressed. Honors Colloquium Topic: *"UF in the 21st Century: Shaping the University of the Future."* (UF)

AGG 4921 Honors Colloquium: *Credits: 3; 3.5 overall GPA or greater.*
Honors Colloquium for College of Agricultural and Life Sciences students participating in the CALS Upper Division Honors Program: Honors Colloquium Topic: *The Political Economy of Higher Education.* (Team Taught with Dr. Mike V. Martin) (UF)

AGEC 2003 Introductory Agricultural Economics; Credits: 3
Role of the food and fiber system in the general economy; economic principles applied to agricultural production, marketing, consumption, environmental, and policy problems. (LSU)

AGEC 3503 Natural Resource Economic Policy; Credits: 3
Economic rationale for collective, public action in the allocation of natural resources in agriculture; emphasis on economic efficiency, property rights, resource use, legal concepts, institutions, and project evaluation. (LSU)

Graduate:

AGEC 7503 Natural Resource Economic Policy; Credits 3
Economic concepts and institutional factors relating to utilization of natural resources. Emphasis on property rights, resource policy, resource management, resource valuation, and sustainability. (LSU)

Recent Independent Graduate Studies:

AEB 7979 "An Assessment of the Beliefs, Attitudes, and Values of Residential Undergraduate Students at the University of Florida Related to Campus Environmental Sustainability" Megan Silbert, Department of Food and Resource Economics, CALS, Fall 2006

EDA 7945 "Reusable Learning Objects and Distance Education" Jia Ren, Department of Educational Technology, College of Education, Spring 2006

WIS 7979 "Economic Value of Wildlife" Greg Jones, Department of Wildlife Ecology and Conservation, Spring 2003

2. Curriculum Development

As a member of the University Curriculum Committee at the University of Florida, responsibilities included review and approval of all University curricula proposals, 1999-2006.

Conceptualized and coordinated development of three university wide service-based learning and leadership academic minors: Organizational Leadership for Non-Profits; Leadership; and International Humanitarian Assistance, University of Florida, 2005

Member, Provost's Ad Hoc Committee to Develop Combined Degree Programs, University of Florida, 2003

Member, Provost's Ad Hoc Committee to Develop Common First Year Course for the University of Florida, 2000

Representative, Florida State Common Course Numbering Committee, 2000-2006

As an ex-officio member of the CALS Curriculum Committee, responsible for passage of twelve new CALS minors at the university level, numerous new CALS courses, and numerous graduate and undergraduate curricular and course modifications.

Member, Committee for the Development of Writing Across the Curriculum (WAC), Louisiana State University, 1996-1998; College of Agriculture WAC Pilot Program, 1998

Developed Upper Division Honors Programs for both the Agribusiness and Agricultural Economics undergraduate degree programs; approved as the first Upper Division Honors Program in the College of Agriculture by the Louisiana State University Honors Program, 1990

Developed AGEC 3503, Natural Resource Economics, a new three credit hour undergraduate course as a part of the departmental revision of undergraduate courses and curricula, Louisiana State University, 1988

Developed AGEC 2003, Introduction to Agricultural Economics, a new three credit hour undergraduate course as a part of the departmental revision of undergraduate courses and curricula, Louisiana State University, 1988

Developed AGEC 7503, Natural Resource Economics, a new three credit hour graduate course as a part of the departmental revision of graduate courses and curricula, Louisiana State University, 1990

3. Theses / Dissertations Directed

A. Graduate

Craig, Brett. *The Role of Women in the U.S. Agricultural Sector: An Economic and Environmental Perspective.* Master's Thesis, Department of Agricultural Economics and Agribusiness, Louisiana State University and A & M College. August, 1999. (Major Professor)

Wirth, Ferdinand F. *Development and Assessment of a Property Rights-Based Measure of State Regulatory Climate.* Ph.D. Dissertation, Department of Agricultural Economics and Agribusiness, Louisiana State University and A & M College. August, 1998. (Major Professor)

Isaacs, Jack C. *A Conceptual and Empirical Approach for Valuing Biodiversity: An Estimate of the Benefits of Plant and Wildlife Habitat Preservation in the Tensas River Basin.* Ph.D. Dissertation, Department of Agricultural Economics and Agribusiness, Louisiana State University and A & M College, May, 1998. (Major Professor)

Chi, Yeong-Nain. *A Double-Hurdel Expenditure Analysis of Nonconsumptive Wildlife Related Recreation.* Ph.D. Dissertation, Department of Agricultural Economics and Agribusiness, Louisiana State University and A & M College. December, 1997. (Major Professor)

Diagne, Assane. *Attitudes in Incentive-Based Environmental Management: A Case Study of The Wetland Reserve Program in Louisiana* Ph.D. Dissertation, Department of Agricultural Economics and Agribusiness, Louisiana State University and A & M College, July, 1996. (Major Professor)

Shilling, Adam. *The Ethical Basis of Environmental Behavior.* Master's Thesis, Department of Agricultural Economics and Agribusiness, Louisiana State University and A & M College. December, 1996. (Major Professor)

Warren, Mary. *Behavioral Influences on Farmer Participation in Watershed Planning in Northeast Louisiana.* Master's Thesis, Institute of Environmental Studies, Louisiana State University and A & M College, December, 1993. (Major Professor)

Cossé, Kelli. *The Effect of Attitudes and Perceptions on Willingness to Pay for Water Quality Improvements in Southwest Louisiana.* Master's Thesis, Department of Agricultural Economics and Agribusiness, Louisiana State University and A & M College, May, 1993. (Major Professor)

Shoalmire, Lynda. *A Socio-Economic Case Study of Waterfowl Hunting in Louisiana.* Master's Thesis, Department of Agricultural Economics and Agribusiness, Louisiana State University and A & M College, August, 1992. (Major Professor)

Gan, Christopher. *A Conjoint Analysis of Wetland Based Recreation: A Case Study of Louisiana Waterfowl Hunting.* Ph.D. Dissertation, Department of Agricultural Economics and Agribusiness, Louisiana State University and A & M College, December, 1991. (Major Professor)

Messonnier, Mark L. *An Economic Analysis of Private Hunting Land Access in Louisiana,* Master's Thesis, Department of Agricultural Economics and Agribusiness, Louisiana State University and A & M College, December, 1989. (Major Professor)

B. Senior Honors Theses

Rojas, Jorge A. *An Expenditure Analysis of Nonconsumptive Outdoor Recreation in Louisiana.* Senior Honor's Thesis, Department of Agricultural Economics and Agribusiness, Louisiana State University and A&M College, May, 1995. (Major Professor)

Jacobs, Rudolf W. *An Economic Analysis of the Demand for Nature-Based Tourism in Louisiana.* Senior Honor's Thesis, Department of Agricultural Economics and Agribusiness, Louisiana State University and A&M College, December, 1993. (Major Professor)

Bonner, Bryan P. *A Conceptual Framework for the Integration of GIS-based Spatial Analysis in Social Science Research,* Senior Honor's Thesis, Department of Agricultural Economics and Agribusiness, Louisiana State University and A&M College, May, 1993. (Major Professor)

5. Major Professor: Non-thesis Master's Students

Served as Major Professor for six non-thesis Master's students at LSU who were required to develop research projects.

6. Graduate Committees

Service on six University of Florida Ph.D. Committees (Economics, WEC, English, and Education Technology); three Masters Committee (FYCS). Service on 34 LSU graduate committees as a member and *service as LSU Dean of the Graduate School's External Representative on 12 graduate committees.*

USDA Hatch / McIntire-Stennis Research Projects:

"The Role of Property Rights in Incentive Based Environmental Management for Agriculture." August, 1994 - September, 1999. Hatch Project, Louisiana Agricultural Center Louisiana Agricultural Experiment Station.

"Economic Analysis of Alternative Natural Resource Management Strategies for Louisiana's Coastal Zone. January, 1988 - December, 1993. Hatch Project, Louisiana Agricultural Center Louisiana Agricultural Experiment Station.

"Economic Analysis of Hunting as a Recreational Use of Louisiana Forest Land." November, 1988 - December, 1992. Mcintire-Stennis Project, Louisiana Agricultural Center Louisiana Agricultural Experiment Station.

SERVICE:

A. University, Institute, (IFAS), and College Service

Chair, Search Committee, Director of Center for Learning and Research, IUPUI, 2009
Member, Learning Environments Committee, IUPUI, 2009
Member, Common Theme Steering Committee, IUPUI, 2009
Member, Provost's E-Learning and Distance Education Task Force, University of Florida, 2007;
Member, Vice Provost and Director of Admissions Search Committee, University of Florida, 2006;
Member, Search Committee, Associate Director of Institutional Planning and Research, University of Florida, 2006;
Member, Search Committee, Associate Dean of College of Health and Human Performance, University of Florida, 2006;
Member, Associate Director of the Center for Leadership and Service Search Committee, Division of Student Affairs, University of Florida, 2006
Member, Search Committee, Dean of College of Health and Human Performance, University of Florida, 2005;
Chair, Student Judicial Review Committee, UF Board of Trustees, University of Florida, 2004
Member, Information Technology Advisory Committee; Video Advisory Committee, University of Florida, 2004
Member, Task Force on Diversity, University of Florida, 2003-2004.

Member, Task Force on the Future of the UF College of Health and Human Performance, University of Florida, 2003.
Member, PREVIEW (Freshman Orientation) Planning Committee, University of Florida, 2003-2006.
Member, First Year Florida (FYF) Curriculum Committee, University of Florida, 2000-present.
Member, Committee on Developing Combined Degrees, University of Florida, 2003.
Member, Committee on Developing a University-Wide Minor in Service and Leadership, University of Florida, 2003
Member, Steering Committee Organizational Leadership for Non-Profits, UF Undergraduate Minor, 2003-2006.
Member, Community Campaign Planning Committee, University of Florida, 2001-2004.
Member, Distance Education Advisory Council, University of Florida, 2000-present.
Member, Graduate Dean's Council, University of Florida, 2000-2006
Member, Enrollment Management Council, University of Florida, 1999-2006.
Member, University Courses and Curricula Committee, University of Florida, 1999-2006.
Chair, Academic Advising Council, University of Florida, 2002-2004. **Member**, 1999-2006.
Member, IFAS Future of Interactive Communication Task Force Committee, 2003-3004.
Member, IFAS 150th Celebration Planning Committee, 2003.
Member, International Policy Advisory Committee, IFAS, University of Florida, 1999-2003.
Member, Globalization Task Force, IFAS, University of Florida, 2001-2002.
Member, IFAS New Faculty Orientation Committee, University of Florida, 2000-2006.
Member, IFAS Space and Facilities Committee, University of Florida, 1999-present.
Member, IFAS Administrative Council, 1999-present.
Advisor, CALS Cycling Club, 2005.
Director, Distance Education Program, CALS, University of Florida, 1999-present.
Member, CALS Task Force on Majors with Enrollment Growth Potential, 2003.
Member, CALS Task Force on Information Technology, 2000-2001.
Member, CALS Task Force on Enhancing the Undergraduate Experience, University of Florida, 1999-2000.
Mentor, Reitz Scholar Program, University of Florida, 2000-present.
Member, Graduate Faculty, University of Florida, 1999-present.
Representative, Public Contact Officer, CALS, University of Florida, 2000-2006.
Member, Chancellor's Alumni Scholarship Committee, Louisiana State University, 1998-1999.
Member, Chancellor's Honorary Degree Committee, Louisiana State University, 1997-1999.
Member, Committee on Student Conduct, Louisiana State University 1994-1999.
Member, International Education Committee, Louisiana State University, 1997-1999.
Member, Commission on Faculty Status and Rank, Louisiana State University Faculty
Member, Graduate Council, Louisiana State University, College of Agriculture, 1996-1999.

Member, Selection Committee for Louisiana State University Faculty Awards, 1994; 1997; 1999.
Senator, Louisiana State University Faculty Senate, 1994-1997.
Chair, Improvement of Instruction Committee, Louisiana State University, 1994-1995.
Member, Improvement of Instruction Committee, Louisiana State University, 1993-1996.
Chair, Selection Committee for 1995 Louisiana State University Teaching Grant Awards, 1995, 1997.
Member, Advisory Council, Division of Instructional Support and Development, Louisiana State University, 1993-1996.
Member, College of Agriculture International Committee, Louisiana State University1994-1996.
Chair, College of Agriculture Committee on Teaching Quality and Recognition, Louisiana State University 1992-1994.
Advisor, Agricultural Student Council, College of Agriculture, Louisiana State University 1993-1996.
Member, Graduate Faculty, Louisiana State University, 1987-1999.
Member, Louisiana Agricultural Experiment Station Strategic Plan Implementation Committee, 1993-1996.
Member, College of Agriculture Scholarship Committee, Louisiana State University 1992-1995.
Member, College of Agriculture Steering Committee for Agriculture Week, Louisiana State University 1991-1991. .
Member, Louisiana Agricultural Experiment Station Research Advisory Committee, Wildlife and Natural Fisheries, 1990 - 1999.

B. Departmental Service:

Member, Undergraduate Curriculum Review Committee, Department of Food and Resource Economics, University of Florida, 2007-2008.
Graduate Coordinator, Department of Agricultural Economics and Agribusiness, LSU 1996-1999.
Chair, Departmental Graduate Committee, Department of Agricultural Economics and Agribusiness, 1996-1999.
Member, Departmental Graduate Committee, 1989-1999.
Chair, Departmental Graduate Examination Committee, 1997-1999.
Member, Departmental Graduate Examination Committee, 1991-1999.
Member, Departmental Computer Hardware - Software Committee, 1988-1996.
Member, Departmental Undergraduate Courses and Curricula Committee, 1991-1995.
Advisor, Louisiana State University Agricultural Economics Graduate Student Association, 1989-1999.
Coordinator, Departmental Undergraduate Upper Division Honors Programs,
Supervisor, Agricultural Economics Geographic Information System (AEGIS) Laboratory, 1989-1999.
Member, Departmental Seminar Committee, 1989-1991.
Chair, Departmental Research Committee, 1989-1991.

Member, Steering Committee, American Agricultural Economics Association Annual Meeting: Student Section-American Agricultural Economics Association, 1988-1989.

Advisor, LSU Agricultural Economics and Agribusiness Club, 1988-1991.

C. Professional Service

Member, American Agricultural Economics Foundation Board, American Agricultural Economics Association, 1996-1999; **Vice-President for Programs**, 1997-1998; 1998-1999.

Member, Nominating Committee, American Agricultural Economics Association, 1998-2000.

Member, Resident Instruction Committee, American Agricultural Economics Association, 1993-1996.

Advisor, Student Section of the American Agricultural Economics Association, 1993-1996.

Chair, Student Activities Committee, Southern Agricultural Economics Association, 1994 - 1995.

Louisiana Agricultural Experiment Station Representative: Southern Regional Information Exchange Group-10 (SRIEG-10), 1987-1999. Natural Resource Economics. Secretary-Treasurer, 1990-1991; Vice-President, 1992-1993, President, 1993-1994.

Louisiana Agricultural Experiment Station Representative: Regional Information Exchange Group-67 (IEG-67), 1993-1999. Application of GIS to Southern Regional Research.

Louisiana Agricultural Experiment Station Representative: Regional Information Exchange Group-68 (IEG-68),1994-1999. Non-consumptive Resource Use.

Member, Louisiana Agricultural Center Rural Development Program Advisory Committee for the Southern Rural Development Center, 1994-1995

Member, Southern Rural Development Center Task Force on Formulation of Alternative Approaches for Maintaining and Enhancing Small Scale Producers' Role in Southern Agriculture Through on- and -off Farm Activities, 1988-1989.

EDUCATION

University of Colorado Denver
Doctor of Philosophy in Public Affairs **2007 - Present**
Expected Graduation Date: May 2011

Dissertation Title: Rules and Decision Making: Understanding the Factors that Shape Regulatory Compliance

Dissertation Committee:
Co-Chair: Chris Weible, School of Public Affairs, University of Colorado Denver
Co-Chair: Tanya Heikkila, School of Public Affairs, University of Colorado Denver
John Brett, Department of Anthropology, University of Colorado Denver
Christine Martell, School of Public Affairs, University of Colorado Denver
Elinor Ostrom, Workshop in Political Theory and Policy Analysis, Indiana University, Bloomington

University of Denver
Master of Arts in International Development **2005 - 2007**

University of Puget Sound
Bachelor of Arts in International Political Economy **2001 - 2005**

TEACHING AND PROFESSIONAL EXPERIENCE

University of Colorado Denver
Instructor **June 2010 - Present**
Introduction to Public Administration and Public Service (Summer 2010)

University of Colorado Denver
Research Assistant **January 2010 - Present**
Advisor: Dr. Chris Weible

University of Colorado Denver
Teaching Assistant **August 2008 - December 2008**
Course: Sustainable Urban Infrastructure and Development
Primary Instructor: Dr. Anu Ramaswami
Assisted in developing syllabus and overall course structure and lectures.

Colorado Alliance for Environmental Education

Program Assistant March 2007 - August 2007
Assisted Program Coordinator in program planning and execution.

SCHOOL OF PUBLIC AND ENVIRONMENTAL AFFAIRS

NAME: Paine, Jeffrey Robert

EDUCATION:
UNDERGRADUATE
Richland Community College, Decatur, IL: Associate in Science, 1980
University of Illinois at Urbana-Champaign, Urbana, IL: Bachelor of Science, Agricultural Communications, 1983
GRADUATE
University of Illinois at Springfield, Springfield IL: Master of Arts, Environmental Studies, 2003, cum laude
University of Illinois at Springfield, Springfield IL: Doctor of Public Administration, 2009
Dissertation: *Motivation to Serve in Local Government: Testing the Measures*

ACADEMIC APPOINTMENTS (inclusive dates):
Indiana University Purdue University Indianapolis, Indianapolis, IN, 2009 to present: Lecturer, School of Public and Environmental Affairs

University of Illinois at Springfield, Springfield, IL, 2008-2009, Visiting Lecturer in Environmental Studies and Political Science

University of Illinois at Springfield, Springfield, IL, 2004-2008, Doctoral research assistant

OTHER APPOINTMENTS AND PROFESSIONAL CONSULTANTSHIPS:

LICENSURE AND CERTIFICATION:
Gained certification as an American Heart Association Heartsaver AED in October 2010 through training sponsored by IUPUI, completing the Adult/Child CPR with Mask and Choking, Adult/Child AED, and Infant CPR with Mask and Choking curricula.

PROFESSIONAL SOCIETIES:
American Society for Public Administration (ASPA) (Since 2004)
Section on Intergovernmental Affairs and Management (Since 2006)
Section on Ethics (Since 2010)
Central Indiana Section (Since 2010)
Pi Alpha Alpha, the Public Administration Honor Society (2009)

HONORS:

TEACHING ASSIGNMENTS:

At University of Illinois at Springfield

Undergraduate

Environmental Physical Geography (1 section)

Introduction to the American Political System (2 sections)

Combined Undergraduate/Graduate

Geopolitics (1 section, Online)

Graduate

Organization Dynamics (3 sections, 1 on ground, 2 Online)

Research Methods in Environmental Studies (1 section, Online)

At Indiana University Purdue University Indianapolis

Undergraduate

V170 Introduction to Public Affairs (9 sections, 3 sections each in Fall 2009, and Spring and Fall 2010)

V412 Leadership and Ethics (2 section, one each in Fall 2009 and Fall 2010)

V473 Management, Leadership and Policy (1 Section, Spring 2010)

Under my direction, students from this class presented the findings of their projects before Indianapolis Mayor Greg Ballard and his staff; Indianapolis Office of Sustainability Director Karen Haley; and Harrison Center for the Arts Executive Director Joanna Taft. Formal reports were presented to these individuals and groups as well.

Combined Undergraduate/Graduate

V450-550 Energy Policy (1 section, Summer I 2010)

Developed course as a SPEA contribution for the Master of Science in Energy Systems proposal submitted by Dr. Hsu to the National Science Foundation. The course is also proposed as a new course for the proposed graduate concentration in Sustainable Urban Development.

SERVICES:

Services to the IUPUI Campus include:

Program Review and Assessment Committee

Ongoing membership as SPEA representative, since September 2009. Attended monthly meetings and participated in discussion and other activities in preparation for use of inclusion of Principles of Undergraduate Learning (PUL) evaluations in individual courses, as well as the upcoming 2012 North Central Association Accreditation review.

Transatlantic Climate Bridge, "Climate and Energy Campus Week"

An ad-hoc committee established in April 2010 to coordinate activities between several schools within IUPUI as part of a multi-university program advanced by the German Information Center USA, a unit of the Embassy of the Federal Republic of Germany. The Committee met a number of times and coordinated activities during the "Climate and Energy Week," which was held on campus October 11-14, 2010. While the committee (and the organizer) were pleased with student awareness and participation in the week's activities, we were unable to generate student interest or participation in holding a "world schools style" debate (which I was in charge of organizing) as requested by the organizer.

Services to SPEA include:

Ivy Tech Academic Advising Initiative

An ad-hoc committee established as a cooperative venture between SPEA and the Kelly School of Business at IUPUI to assist promising students studying management at Ivy Tech in meeting credit transfer requirements for admission into the respective schools. As a faculty representative, spoke before classes at Ivy Tech to encourage students to meet with SPEA and Kelly Student Services representatives during the Spring and Fall 2010 semesters.

Faculty Search Committee, Spring 2010

Search committee formed to select candidates for a tenure-track Budgeting and Finance position in Public Affairs. Attended meetings, reviewed materials, met with candidates, and participated in selection discussions with other committee members. Search was successful, and Dr. Seth Payton was hired to fill the position.

Development of New Academic Major and Concentration in Sustainability

Requested in late 2009 to spearhead effort to develop a new undergraduate major and a new graduate concentration centered on sustainability. Presented initial findings and recommendations to the Public Affairs faculty in the spring, then continued to work on proposals throughout the summer. Progress was reported to SPEA faculty at the retreat in August. Proposal was approved by the PA faculty in October, and by the SPEA faculty in November. Work continues in developing course descriptions and other required materials into 2011, when IU-Bloomington SPEA approval is expected.

Scholarship Review Meeting

Ad-hoc committee organized by Nancy Lemons to review scholarship candidates and select recipients for SPEA. Meeting was held on April 12.

Fall Graduate Orientation and Undergraduate Induction

Participated as faculty in helping welcome and introduce students to the school and the program, on August 21 and 27, respectively.

Other Faculty Searches

I have made myself available to hear the presentations, meet individually, and provide my comments and recommendations to other committees introducing candidates, including the search that resulted in the hiring of Dr. Akeem Saddiq.

Services to the PA Department

Public Affairs Strategic Planning

Participated in PA strategic planning meetings, beginning in June, 2010. Named convener of task group considering enhancement of instruction, coordinated meeting of faculty and staff, and reported results of discussion back to the PA faculty.

PROFESSIONAL ACTIVITIES:

GRANTS, FELLOWSHIPS AND AWARDS:

UIS College of Public Affairs and Administration Research Support Grant, Spring 2008

Co-Principle Investigator under Dr. Andrew Hsu in proposed National Science Foundation Science Master's Program proposal to implement a Master of Science in Energy Systems degree across several IUPUI schools, including SPEA, beginning in the Fall 2010 semester. Proposal was submitted in November 2009. Contribution is course SPEA V450-550 Energy Policy, a combined upper division undergraduate/graduate course, which was offered initially during the 2010 Summer I session. Update 1-25-11: Status of proposal is not known, but assumed to have been withdrawn with Dr. Hsu's departure from IUPUI.

PUBLICATIONS:

PROFESSIONAL EMPLOYMENT

IUPUI, School of Public and Environmental Affairs - Indianapolis, Indiana *2010-present*

Assistant Professor

University of North Texas, Department of Public Administration - Denton, Texas *2009-2010*

Visiting Assistant Professor

EDUCATION

Ph. D. (Public Policy) - *May 2009*
Joint Georgia State - Georgia Tech doctoral program in Public Policy - Atlanta, Georgia
Specialization: Environmental Policy and Disaster Management
Dissertation Title: "Mitigating and Preparing for Disasters: A Survey of Memphis Organizations"
Chair: Dr. William L. Waugh

Masters of Arts – Economics
Georgia State University - Atlanta, Georgia, 2004

Masters of Business Administration
Concentration: Water Resource Management and Policy
Albany State University - Albany, Georgia, 2002

Bachelor of Agriculture
Agricultural Economics
University of Agriculture - Abeokuta (UNAAB), Ogun State, Nigeria, 1999

TEACHING EXPERIENCE

University of North Texas, Department of Public Administration – Denton, Texas *2009-2010*

Visiting Assistant Professor, "Hazard Mitigation and Preparedness, Images of Disasters in Film and Media, Introduction to Emergency Management, and Homeland Security"

Georgia State University, Department of Public Management and Policy – Atlanta, Georgia *Summer 2007* Lecturer, "Research Design"

Georgia State University, Department of Environmental Economics – Atlanta, Georgia *2002-2004*

Graduate Teaching Assistant, "Macroeconomics"

Darton College - Albany, Georgia *2002*

Guest lecturer, "Desalination"

RESEARCH EXPERIENCE

Research Assistant - Georgia State University, Andrew Young School of Policy Studies (AYSPS), Atlanta, Georgia
2008-2009

Research Assistant - Georgia Institute of Technology, School of Public Policy, Atlanta, Georgia

2006-2007

- Conducted interviews on disaster issues either individually or in conjunction with other researchers on how organizations are dealing with disasters in Memphis, Tennessee
- Helped design and code the follow-up survey
- Entered information from the survey into a database, analyzed the data, and wrote a report
- Helped to develop a proposal on the transportation of hazardous materials

Policy Analyst – Georgia State University**,** AYSPS and Georgia Health Policy Center, Atlanta, Georgia

2005

- Led a team that developed a comprehensive database of health-related publications.

Research Assistant – Georgia State University, Department of Environmental Economics, Atlanta, Georgia
2004-2005

- Applied Geographic Information System (GIS) to map irrigated farmlands in southeast Georgia.
- Made substantial contribution to the final report.

Short-term Research Consultant – Albany State University, Water Planning and Policy Center, Albany, Georgia
2002

- Prepared a research report on Desalination
- Provided strategic coordination/leadership on desalination issues

Research Assistant - Albany State University, College of Business, Albany, Georgia

2000-2002

- Provided administrative support to faculty members
- Used the Internet to conduct literature review searches for faculty members

AREAS OF RESEARCH AND TEACHING INTEREST

Emergency Management, Public Safety Management, Homeland Security, Terrorism, Risk Assessment, Environmental Policy, Public Policy, Climate Change, Common-Pool Resource Systems, Adaptive Ecosystem Management, Research Design, Organizational Behavior.

Mesch, Debra J. and Lew, M. (1979). Implementing the consulting teacher role in a large urban setting. Paper presented at the 57th Annual International Council for Exceptional Children, Dallas, Texas.

GRANTS, FELLOWSHIPS, AND AWARDS

Mesch, Debra J., Osili, U. & Ross, H. 2010. Women and Philanthropy in China: A Case Study of Emerging Influence in Lions Clubs. Proposal submitted to Indiana University Collaborative Research Grant for $74,589.

Mesch, Debra J. & Osili, U. (2010). The Global Dynamics of Gender and Giving. Grant awarded for $36,769 by Lions Club International.

Mesch, Debra J. & Brown, M. (2009). The Effects of Gender and Generation on Donor Motives for Philanthropic Giving. Competitive grant awarded for $24,000 from the UI Research Fund, Center on Philanthropy at Indiana University.

Wright, E. (PI) & Mesch, Debra J. (2008). HIV grant program review and evaluation. Grant awarded by The Health Foundation of Greater Indianapolis for $30,000.

Mesch Debra J. (2006). Informal giving and volunteering in the U.S.A. Competitive grant awarded for $23,986 from the IU Research Fund, Center on Philanthropy at Indiana University.

Mesch, Debra J. (2005). Executive Compensation and Gender in a Nonprofit Organization: Does Leader Performance Make a Difference? Competitive grant awarded for $5000 from the Randall L. Tobias Center for Leadership Excellence.

Mesch, Debra J. (2004). The Effects of Human Resource Management Practices, Participant Goals, and Public Service Motivation on the Likelihood of Future Civic Service: A Study of Student Involvement in the Israel Perach Program. Competitive grant awarded for $19,090 from the IU Research Fund, Center on Philanthropy at Indiana University.

Mesch, Debra J. (2003). The Effects of Human Resource Management Practices on Organizational Effectiveness and Satisfaction of Stipended Volunteers: A Study of the Israeli Perach Program. Competitive grant awarded for $17,237 from the IU Research Fund, Center on Philanthropy at Indiana University.

Mesch, D.J. (Principle Investigator), Wright. E.R., McGrew, J. "Organizational Change and Client Care." One of twelve research projects of the Translational Center for Mental Health Services Research Grant submitted to NIMH for $10,172,414. (not funded)

Mesch, Debra J. & Rooney, P.M. (2002). Is There a Relationship Between Executive Pay and Performance? A Longitudinal Study of Compensation Practices at Goodwill Industries. Competitive grant awarded for $ 16,915 from the IU Research Fund, Center on Philanthropy.

Southeast Regional Center Evaluation Grant. (2001). Awarded by the State of Indiana, Family Social Services Administration (FSSA). Date of contract: June 1, 2001-September 30, 2002. Amount of award: $310,000.

Mesch, Debra J., Tschirhart, M. & Perry, J. (1999). Travel grant for $3200 awarded by the Center on Philanthropy at Indiana University.

Mesch, Debra J., Tschirhart, M. & Perry, J. (1999). The Effects of Civic Service on Those Who Serve: A Comparative Study of the Israeli Perach Program and the United States AmeriCorps Program. Intercampus Research Grant awarded for $8000.

Mesch Debra J. (1995-1998). 10% summer salary awarded for research participation in the RISP project.

Mesch, Debra J. (1998). The effects of civic service on those who serve: A study of the Perach and AmeriCorps programs. Competitive grant awarded for $11,500 from the IU Research Fund, Center on Philanthropy.

Mesch, Debra J. (1998). Outcome measurement and funding: Does it make a difference in the nonprofit sector? Competitive grant awarded for $5500 for the grant writing workshop.

Mesch, Debra J. (1997). Evaluation of economic self-sufficiency projects: A study of outcome funding. Competitive grant awarded for $5000 from the Institute for the Study of Government and the Nonprofit Sector.

Grant awarded from the Center on Philanthropy at Indiana University for study of the AmeriCorps program for $3000 (1997).

Mesch, Debra J. (1996). Larue Carter Worker Transition Study: Wave 3. Grant awarded by the Research Infrastructure Support Program (RISP) funded by NIMH for $3976.

Mesch, Debra J. (1996). Central State Hospital closure: The effects on mental health workers. The IUPUI Outstanding Tenure Track Faculty Award for $10,000.

Mesch, Debra J., Tschirhart, M. & Perry, J.L. (1996). AmeriCorps: An empirical examination and program evaluation of volunteerism in America. Intercampus research grant awarded for $9852.

Mesch, Debra J. & Bingham, L. (1994). Decision-making in arbitration: Do different arbitrators reach different decisions? Competitive research grant awarded from the Intercampus Research Fund for $8000.

Mesch, Debra J. & Chertkoff, J. (1993). Division of labor under contingent group payoff systems: An experiment. Competitive research grant awarded from the Intercampus Research Fund for $6625.

Mesch, Debra J. (1992). Cooperation and team work in a worker-owned cooperative: A field experiment. Competitive research grant awarded by the McNeice Applied Research Fund, Northeastern University School of Business Administration for $9900.

Mesch, Debra J. (1989). The impact of employee initiated transfer on absenteeism: A four-year cohort assessment. Competitive research grant awarded by the Indiana University Graduate School of Business for summer salary.

Mesch, Debra J. (1989). On the outcomes of grievances filed `In the name of the union': Multiple field assessments. Competitive research grant awarded by the Department of Management, Indiana University for summer salary.

Mesch, Debra J. (1988). The impact of flexible scheduling on employee attendance and turnover: A six-year interrupted time series (ARIMA) assessment. Competitive research grant awarded by the Indiana University Graduate School of Business for summer salary.

Mesch, Debra J. (1987). Cooperation, competition, and feedback sign as determinants of individual and group performance, cohesiveness and group process behaviors. Competitive research grant awarded by the Indiana University Graduate School of Business for summer salary.

Mesch, Debra J. (1984). The effects of cooperative learning on types of interactions among peers in six secondary classes. Competitive research grant awarded by the Simmons College Fund for Research.

Mesch, Debra J. (1981-1984). The Simmons College Generic Consulting Teacher Training Program. Training grant funded by the U.S. Department of Education for $291,000.

CONSULTANTSHIPS, MANAGEMENT EDUCATION, AND EXECUTIVE DEVELOPMENT

<u>During my Tenure at Simmons College, Dept. of Education and Human Services (1977-1985)</u>

University of Massachusetts: Institute for Teaching and Learning

Massachusetts State Department of Education

Approximately 30 Public School Systems in the Boston area including Boston Public Schools

During my Tenure at Northeastern University, College of Business Administration
Winchester Hospital, Winchester, Massachusetts

Microcom Computer Software Company, Norwood, Massachusetts

During my Tenure at Indiana University, School of Public and Environmental Affairs
Midtown Community Mental Health Center, Executive Education Program

Army Corps of Engineers, Executive Education Program (intensive 5-day course)

New York Times Knowledge Network Course (March 2010)

Goodwill Industries Executive Education

PROFESSIONAL SOCIETIES

Academy of Management

American Society of Public Administration

Philanthropic Studies faculty

Association for Research on Nonprofit Organizations and Voluntary Action (ARNOVA)

HONORS

Recipient of the IUPUI Outstanding New Faculty Award (1996)

Recipient of a Teaching Excellence Recognition Award (1998)

First Visiting International Scholar at the Israeli Center for Third Sector Research (1999)

Awarded the IUPUI Jaguars Favorite Professor Award (2006)

Selected for the Indiana University LEAD Program (2007)

Selected for Women Creating Excellence at IUPUI by the IUPUI Office for Women (2010)

TEACHING ASSIGNMENTS

Simmons College (1977-1985)

44 graduate sections which include the following course titles:
Evaluation of the Consulting Process

Development of the Consulting Training Role

Applied Behavior Analysis

Implementing Applied Research Designs

Issues in Special Education

Developing Basic Competency Systems

Indiana University Kelley School of Business (1985-1990)

13 sections which include the following course titles:

Management and Behavior in Organizations (undergraduate)

Strategies for Upward Mobility (continuing education)

Northeastern University College of Business Administration (1990-1992)

6 sections that include the following course titles:

Organizational Behavior and Design (undergraduate)

Organizational Behavior in Complex Organizations (graduate)

Organizational Behavior (undergraduate)

Indiana University School of Public and Environmental Affairs (1992-present)

The following course titles:

V504 Public Organizations (graduate)

Participant in task force on land use statistics with representatives from Indiana Land Resources Council, US Natural Resource Conservation Service, IUPUI, Purdue, NASS, and others, 2003-2004

Consultant on forecasting to Aerofinity, Inc., 2004

Participated in Indiana Land Use Consortium project to provide planning assistance to Shelby County, 2004

Organizing committee, session organizer, Communities at the Crossroads 7, Indiana Land Use Consortium, 2004

LUCI presentation to Indiana Livestock Alliance, 2004

Presentation on quantitative methods for Indiana Planning Association review session for the American Institute of Certified Planners examination, Indiana Planning Association spring conference, 2004

Review of county population and employment forecasts for Indiana Department of Transportation, 2004

Review of research proposal for ETH, Zurich, Switzerland, 2004

Participant in Indiana Department of Transportation Central Indiana Suburban Transportation & Mobility Study briefing to Federal Highway Administration and Metropolitan Planning Organization officials, 2004

Invited presentation on LUCI, LUCI/T, and *luci2* at the Midwest Transportation Planning Conference, Indianapolis, 2004

Invited presentation on LUCI, LUCI/T, and *luci2* at the American Planning Association Regional Conference, Indianapolis, 2004

Invited presentation on human settlement patterns at the American Planning Association Regional Conference, Indianapolis, 2004

Invited presentation on land use and transportation outcomes to the Central Indiana Air Quality Advisory Group, 2004

Invited presentation on the *luci2 Urban Simulation Model* to the Indiana Land Resources Council, 2004

Developed alternative growth scenarios for Hendricks County planners using the *luci2 Urban Simulation Model*, 2005

Invited participant on Research Needs Focus Group for Indiana Department of Transportation, 2005

Member, Expert Panel on Travel Demand Model for the Indianapolis Metropolitan Planning Organization, 2005

Member, peer-review panel for grant applications for Collaborative Science and Technology Network for Sustainability: Communities and the Built Environment, U.S. Environmental Protection Agency, Washington, DC, 2006

Invited presentation on the *luci2 Urban Simulation Model* at workshop sponsored by the Central Indiana Land Trust, Franklin, IN, 2006

Presentation on the *luci2 Urban Simulation Model* and alterntive growth scenarios for Hendricks County to the Hendricks County Comprehensive Plan Steering Committee, 2006

Presentation on *luci2 Urban Simulation Model* at the Purdue Road School, West Lafayette, 2006

AICP examination review presentation, American Planning Association Planning and the Black Community National Conference, Gary, IN, 2007

Presentations on the *luci2 Urban Simulation Model* at the Communities at the Crossroads X conference, Indianapolis, 2007

Using the Land Use in Central Indiana (LUCI) Models in Transportation Planning, program on Transportation and Traffic Calming, Purdue Land Use Team, Video Seminar Series, 2007

U.S. Environmental Protection Agency, Fellowship Review Panel, 2007

Presentation on *luci2 Urban Simulation Model* to IndyGreenPrint committee, 2007

Member, organizing committee, Indiana Land Use Consortium Communities at the Crossroad conference, 2008

Providing assistance in development of Neighborhood Stabilization Program plan for the City of Indianapolis, 2008-2009

Speaker on gentrification at public forum sponsored by Lambda Upsilon Lambda fraternity, Indiana University, Bloomington, 2008

Provided information, assistance, to Indiana State Museum on development of new exhibit on history of animals in Indiana, 2007-2008

Development of statewide version of *luci2 Urban Simulation Model* for Indiana Department of Transportation, 2007-2008

Assistance to City of Indianapolis in applying for and planning for the use of Neighborhood Stabilization Program grant funds, 2009

Estimation of the economic contributions of Pacers Sports and Entertainment and Conseco Fieldhouse, 2009

Development of population, housing, and employment forecasts for Indianapolis Neighborhood Housing Partnership

Provided assistance and analysis to Marion County Assessor in High Performance Governance Team process, 2009

Provided advice on GIS applications and assisted in developing geography student internship program for Marion County Emergency Management Agency

GRANTS, FELLOWSHIPS AND AWARDS:

Morehead Fellow, University of North Carolina at Chapel Hill, 1970-1974

Awarded National Science Foundation Graduate Fellowship, 1970

National Science Foundation Dissertation Grant GS-36875 for research on "The Changing Spatial Structure of an American City, 1927-1963," 1973-1974

Contract with POLIS Center, IUPUI, and Indianapolis-Marion County Public Library to develop long-range capital facilities plan, 1995-1996

Development of long-range plan for Johnson County Public Library. John R. Ottensmann, principal investigator. Contract with Center for Urban Policy and the Environment, $18,500, 1997-1998

Study of economic activity associated with the Central Library, Indianapolis-Marion County Public Library. Contract with Center for Urban Policy and the Environment, $50,000, 1998-1999

Study of economic activity associated with the branch libraries, Indianapolis-Marion County Public Library. Contract with Center for Urban Policy and the Environment, $45,000, 1999-2000

Study of the economic value of the educational and social services provided by the Diocese and the impact of Diocesan activities on the value and stability of neighborhoods, Cleveland Diocese. Contract with Center for Urban Policy and the Environment, $90,000, 1999-2001

Research and presentation of information on use of Central Library, Indianapolis-Marion County Public Library. Contract with Center for Urban Policy and the Environment, $7,500, 2001

Analyses inform library site selection, Hancock County Public Library. Contract with Center for Urban Policy and the Environment, $2,600, 2001

Demographic analysis and update, Indianapolis-Marion County Public Library. Contract with Center for Urban policy and the Environment, $4,000, 2001

Analyses to Assist in the Consideration of Alternative Locations for Wishard Hospital and Citizens Health Center. Contract with Marion County Health and Hospital Corporation, $57,500, 2002

Invited presentation (keynote address at plenary session), North Central Meeting, North American Soil Conservation Association, Indianapolis, October 2002.

Presentation on LUCI: Land Use in Central Indiana Model, at Midwest Regional Planning Conference, Covington, Kentucky, September 2002.

Presentation on LUCI: Land Use in Central Indiana Model, Small Cities Conference, Ball State University, Muncie, November 2002.

Land Use Modeling and Data Support for the Central Indiana Transportation & Mobility Study. Contract with Cambridge Systematics, subcontractor to Parsons Brinkerhof, contractor to Indiana Department of Transportation. $48,000, 2003-2004

Participant in project and contributor to grant application for Modeling Urban Greenway Trail Use (Greg Lindsey, principal investigator). Grant from Robert Wood Johnson Foundation, 2003-2007

I-69 Community Planning Program. Joint Contract, Center for Urban Policy and the Environment with HNTB Corporation with Indiana Department of Transportation, $190,000 (Center portion), 2005-2008

Development of Statewide Land Use Simulation Model for Integrated Land Use-Transportation Model for Indiana. Subcontractor to Purdue University on award for Development of Integrated Land Use-Transportation Model for Indiana from Integrated Transportation Research Program, Purdue University, $110,000, 2005-2008

Participant in grant Analyzing Crime as a Barrier to Physical Activity: Incorporating Crime Measures in Trail Use Models (Robert Brown, principal investigator). Grant from Robert Wood Johnson Foundation, 2005-2007

Participant in grant Studying the Child Overweight Epidemic with Natural Experiments (Robert Sandy, principal investigator). Grant from National Institutes of Health, 2006-2008

Participant in contract to provide assistance in developing Neighborhood Stabilization Program plan for the City of Indianapolis, 2008-2009

Participant in contract to estimate te economic contributions of Pacers Sports and Entertainment and Conseco Fieldhouse, 2009

Participant in contract to assist City of Indianapolis in the development of the round 2 Neighborhood Stabilization Program application, 2009

John L. Krauss

Attorney/Mediator/Arbitrator
Director, Indiana University Public Policy Institute
Director, IU Center for Urban Policy and the Environment
Clinical Professor of Public Policy and Dispute Resolution
Adjunct Professor of Law, Indiana University School of Law – Indianapolis

Krauss has a multi-faceted career over the past 40 years experience with public and private sectors. It includes strategic planning, intergovernmental relations and conflict resolution, economic development in major multi-faceted projects, labor/management disputes, land use, zoning, code enforcement, municipal, state, federal affairs, political process and advocacy, federal defense base closures, management restructuring, employment and contract disputes, economic impact, facilitation and group consensus building, governmental reform for newly developed countries, and international consulting. He has extensive experience in facilitation and strategic planning with CEOs in the private and not for profit sectors and has also served as an advisor to local, state, and international elected officials.

John L. Krauss is an attorney, facilitator, mediator, and arbitrator. He is the **Director of the Indiana University Public Policy Institute and the IU Center for Urban Policy.** The Institute is a collaborative, multidisciplinary research institute within the Indiana University School of Public and Environmental Affairs. It serves as an umbrella organization for research centers affiliated with SPEA, including the Center for Urban Policy and the Environment, and the Center for Criminal Justice Research.

Mr. Krauss is **Director** of the Indiana Advisory Commission on Intergovernmental Relations (IACIR) and was instrumental in its creation by the Indiana General Assembly in 1995. He is the **Project Director** in the evaluation of all riverboat casino applications for the Indiana Gaming Commission. He served as **Chairman** of the Labor/Management Committee for the closure of Fort Benjamin Harrison. He served as a **consultant** for local government reform on US Agency for International Development projects in Ukraine, Turkey, Estonia, Russia, Morocco, and South Africa. He also served as **Chairman** of the Labor/Management Committee for the closure/privatization of the US Navy Air Warfare Center-Indianapolis. He served as a **consultant** to the Indianapolis Neighborhood Housing Partnership; He was **Director** of the Indiana Gambling Impact Study Commission, created by Governor's Executive Order. He serves as a **consultant** to the Central Indiana Corporate Partnership (CICP), BioCrossroads, Indiana Attorney General, and the Indiana Dept. of Environmental Management. He also served as the **Director** of the Governor's Local Government Reform Commission (Kernan-Shepard Commission).

He is a **Mediator** and a **Fact Finder** for the Indiana Education Employment Relations Board (IEERB). He is a **Mediator** for the US Postal Service. He is a **member on the Roster of Neutrals** for the Internal Revenue Service – Office for Appeals, He is a **member of the Commercial Panel of Mediators and Arbitrators** of the American Arbitration Association. M**ember, National Roster of Environmental Dispute Resolution and Consensus Building Professionals** – US Institute for Environmental Conflict; **Special Neutral/ALJ** for the Indiana Attorney General, **Certified Mediator for Education Disputes** by the Justice Center of Atlanta, **Public Arbitrator** FINRA (NYSE & NASD) Dispute Resolution, and National Futures Association, **Practitioner Member,** Association for Conflict Resolution.

Additionally, he is has a joint academic appointment as a **Clinical Professor at SPEA** and an **Adjunct Professor of Law** at Indiana University School of Law. He teaches graduate level courses in mediation, urban decision-making, law and public policy, and urban management. He also directs the Law School's civil mediation certification program.

Prior to his appointment with SPEA, Mr. Krauss served as **Deputy Mayor of Indianapolis** from 1982 to 1991. Indianapolis, the twelfth largest city in the United States, has a unified system of local government.) As Deputy Mayor, Mr. Krauss was chief operating officer and in charge of economic development. He oversaw the departments of Metropolitan Development, Public Works, and Transportation. He also oversaw the Indianapolis Airport Authority, the Indianapolis Public Transportation Corporation (METRO), Capital Improvements Board (RCA Dome & Market Square Arena), and the City's Washington, DC, office.

His prior experience includes serving as **Director of the Department of Metropolitan Development (DMD).** The Department is responsible for the overall planning, development, and land-use within the community. He also served as **Executive Director of the Greater Indianapolis Progress Committee (GIPC)** under both the **Lugar** and **Hudnut** mayoral administrations and as **Special Assistant to Indiana Governor** Edgar D. Whitcomb.

Mr. Krauss is involved with various civic and corporate organizations in several capacities including **Member, Board of Trustees,** Citizens Energy Group *(Gas, Thermal, Resources, Oil)*, **Trustee, Past Vice Chairman, Board of Governors,** Indianapolis Museum of Art; **Past Chairman,** Indiana Supreme Court Commission on Continuing Legal Education; **Trustee Emeritus,** Partners for Livable Communities, Washington, DC; **Vice Chairman,** Tourism for Tomorrow, Inc.; **Director,** President Benjamin Harrison Foundation; **Member**, Advisory Council, Central Indiana Land Trust. He is listed in *Who's Who in America, Who's Who in the World, and Who's Who in the Midwest.*

Mr. Krauss is an **attorney**, admitted to the Indiana and District of Columbia Bars, US District Court for the Southern District of Indiana, US Court of Appeals for the Seventh Circuit, and the US Supreme Court. He is a **Certified Mediator** by the Indiana Supreme Court. He received his **Bachelor of Arts** degree in political science from Colorado College, Colorado Springs, CO., and a **Doctorate of Jurisprudence** degree from Indiana University School of Law *2/11*
