The University Writing Center (UWC) is a service available to all IUPUI students, faculty, and staff, at both the graduate and undergraduate level. It is a place where students can go for help with writing assignments and projects. The UWC offers students the opportunity to work one-on-one with experienced readers and writers.

To better serve the IUPUI community, the UWC offers two convenient locations: Cavanaugh 427 and University Library 2125. Both centers are staffed with the same experienced faculty and student tutors. The service is provided through the [IUPUI School of Liberal Arts](#), the [English Department](#) and the [Writing Program](#).

For more information about our service, please see our [promotional video](#) or call **274-2049**.

Our Mission Statement

The philosophy of the University Writing Center is that all writers need readers. Our tutors can act as "practice audiences" for both experienced and inexperienced writers. We strive to assist writers with all types of composition, foster productive discourse between students and their classroom instructors, and help IUPUI maintain its tradition of serious academic instruction in a positive, open, and intellectually-

stimulating environment.

If you are a student, staff, or faculty member, the Writing Center is a place where you can sit down with an experienced reader who will provide assistance with your writing. UWC tutors aid both experienced and inexperienced writers at all stages of the writing process, and in any discipline. Additionally, tutors can assist you with other writing-related projects such as resumes, scholarship letters, etc..

Happy Writing!
