Ellen Poffenberger Work/Life Program Fund

Ellen Poffenberger, former Assistant Vice Chancellor for Human Resources, retired in August 2010 after a twenty-four year career at IUPUI. Ellen provided leadership to the campus by advocating for work/life balance, human resource consulting for campus units, and thoughtful recognition of the achievements and success of the employees on the campus of IUPUI. Her service to the campus provided her with a firm foundation to understand and advance student employment, employee engagement strategies, and to launch the first staff bonus pay plan. Her role in forming a state-wide chapter of HR professionals in higher education brought external attention to the campus paving the way for IUPUI to be recognized as a great place to work.

In recognition of Ellen's vision to establish a Work/Life Program for employees at IUPUI, the Staff Council has established the Poffenberger Work/Life Program Fund which will offer general support to enhance and develop programs. The Work/Life Program benefits all IUPUI employees by promoting job satisfaction and allowing people to maximize their contribution at work while enhancing their personal lives.

Your gift to the Poffenberger Work/Life Program Fund will help establish the legacy that will be used for the general support of the Work Life Program within the Office of Human Resource Administration. IUPUI's work-life programs focus on inclusiveness, creativity and high-quality, practical information and programming. The fund is a great tribute to Ellen's commitment to advancing work-life as a business strategy integrating work, family and community. A donation card is provided [here](#) for your convenience, and the Staff Council thanks you for your consideration.
