neurosurgical services along with access to the latest research and treatment options.

Orthopedics: As Indiana's only orthopedics program ranked by *U.S. News & World Report*, IU Health Orthopedics provides comprehensive joint, spine, bone and muscle care for adults and children.

Pediatrics: The only Indiana hospital ranked among the top children's hospitals in the nation by *U.S. News & World Report*, Riley Hospital for Children at Indiana University Health offers comprehensive children's care—from the routine to the most complex.

Transplant: IU Health Transplant is the only comprehensive transplant program in Indiana and the nation's fourth-largest solid-organ transplant center. Outstanding expertise, short wait times and positive outcomes make it the ideal choice for patients.

IU HEALTH PHYSICIANS

A collaborative partnership with Indiana University Health and Indiana University School of Medicine, **IU Health Physicians** is comprised of more than 500 board-certified or board-eligible physicians, 70 locations statewide and more than 1,000 staff, including 170 advanced practice providers.

IU HEALTH QUALITY PARTNERS

IU Health Quality Partners is a physician-led and physician-managed clinical integration program, offering the resources, expertise and experience to provide the best practice delivery and highest level of patient care while eliminating inefficiencies to reduce costs. The program currently has over 2,700 specialty and primary care physicians throughout the state, both independent and employed by IU Health Physicians and other participating health systems.

NATIONAL RECOGNITION

- Eleven clinical programs ranked among the top 50 national programs in *U.S. News & World Report's* 2012 – 13 edition of America's Best Hospitals.
- Ten specialty programs at Riley Hospital for Children at IU Health ranked among the top 50 children's hospitals in the nation.
- Six hospitals designated as Magnet[®] hospital systems by the American Nurses Credentialing Center recognizing excellence in nursing care.
