Learning Outcomes

Guiding Leadership Philosophy

Supporting the diverse needs of campus life, Lead IUPUI provides purposeful learning experiences to empower students to be engaged and inclusive leaders in their communities.

Learning Outcomes for Lead IUPUI

Students who participate in Lead IUPUI will not only learn the Principles of Undergraduate Learning, but also:

1. Gain personal competencies

(PUL: Core Communication and Quantitative Skills; Critical Thinking)

- Obtain and strengthen leadership skills such as conflict management, communication and dialogue, teamwork, time management, proactive event planning, goal setting, and risk taking
- Manage their organizational functions through the use of web-based technologies and physical space in the Cube

Programs which support this are...

- Advanced Leader Seminars
- Cube space management
- Emerging Leader Seminars
- Fraternity and Sorority Chapter Development (fundraisers, philanthropy events, service projects, academic and scholarship, and social events)
- Fraternity and Sorority Leadership Councils (Interfraternity Council, National Pan-Hellenic Council, Panhellenic Council)
- Fraternity and Sorority Life Conferences (state, regional, and national meetings)
- Project Leadership conference
- Student Organization Leadership Development workshops (SOLD)
- Student and organizational consultations (personal meetings)
- Leadership Consultants
- Student Link
- Student Activities Programming Board
- Heritage Month Committees
- Homecoming

2. Develop a sense of personal leadership identity

(PUL: Understanding Society and Culture; Values and Ethics)

- Define their sense of purpose through the personal exploration of strengths, passions, and abilities
- Value co-curricular learning as a complement to the classroom experience

Programs which support this are...

- Advanced Leader Seminars
- Emerging Leader Seminars
- Fraternity and Sorority Chapter Development (fundraisers, philanthropy events, service projects, academic and scholarship, and social events)
- Fraternity and Sorority Leadership Councils (Interfraternity Council, National Pan-Hellenic Council, Panhellenic Council)
- Fraternity and Sorority Life Conferences (state, regional, and national meetings)
- Leadership Consultants
- Student Organization Retreat
- Leadership Lessons speaker series
- Leadership Watch mentor program
- Project Leadership conference
- Student Organization Leadership Development workshops (SOLD)
- Student and organizational consultations (personal meetings)
- Student Activities Programming Board

3. Understand how their personal leadership identity relates to working with others

(PUL: Understanding Society and Culture; Values and Ethics)

- Practical application of experiences with intentional interactions with others who are different from themselves
- Develop an even fuller understanding of themselves through their interactions with others

Programs which support this are...

- Advanced Leader Seminars
- Cube space management
- Emerging Leader Seminars
- Fraternity and Sorority Chapter Development (fundraisers, philanthropy events, service projects, academic and scholarship, and social events)
- Fraternity and Sorority Leadership Councils (Interfraternity Council, National Pan-Hellenic Council, Panhellenic Council)
- Fraternity and Sorority Life Conferences (state, regional, and national meetings)
- Project Leadership conference
- Student Organization Retreat
- Student Organization Leadership Development workshops (SOLD)
- Student and organizational consultations (personal meetings)
- Clothesline Project
- Take Back the Night
- Student Activities Programming Board
- Leadership Consultants

regional, and national meetings)

4. Build community with the IUPUI and Indianapolis community

(PUL: Integration and Application of Knowledge; Understanding Society and Culture)

- Create partnerships with students, faculty, staff and organizations
- Develop relationships through networking opportunities
- Participate in idea-sharing as it relates to their organizations, programming, and leadership experiences

Programs which support this are...

5. Connect to the IUPUI campus

(PUL: Core Communication and Quantitative Skills; Critical Thinking)

- Have an increased awareness of resources that are provided for students and organizations through The Office of Student Involvement and IUPUI
- Effectively use their voice to create and engage in a positive collegiate experience for themselves and other students
- Be able to navigate the IUPUI community and university system for positive outcomes
