Biology Resource Center

The Biology Resource Center, located in UC 2025A, is a collaboration between the Bepko Learning Center and the **Department of Biology**. This service offers free additional help to students in eight different biology courses: BIOL-K 101, BIOL-K 103, BIOL-K 322, BIOL-K 324, BIOL-K 341, BIOL-N 261, BIOL-N 217, and BIOL-N 214/BIOL-N 212. The Biology Resource Center offers extra assistance to students from experienced student mentors in small groups and in one-on-one settings. The Biology Resource Center is open during the fall and spring semesters.
