

ARTICULATION AGREEMENT
between
IVY TECH COMMUNITY COLLEGE –SYSTEM-WIDE
and
INDIANA UNIVERSITY-PURDUE UNIVERSITY INDIANAPOLIS (IUPUI)
FOR THE TRANSFER OF THE
ASSOCIATE OF SCIENCE (A.S.) IN LIBERAL ARTS DEGREE
into the
BACHELOR OF ARTS (B.A.) IN ENGLISH DEGREE

The purpose of this articulation agreement is to provide a framework for students who completed the Associate of Science in Liberal Arts degree with a concentration in English at Ivy Tech Community College-system-wide to facilitate the continuation of their education toward the Bachelor of Arts in English degree at Indiana University-Purdue University Indianapolis.

The faculty of both institutions have worked together to develop the attached listings of course equivalencies, course requirements for the associate degree, and course requirements for the completion of the baccalaureate degree. The agreement is in effect for courses taken at Ivy Tech Community College beginning Fall 2006.

All course work taken prior to Fall 2006 will be evaluated by IUPUI to determine transferability of the course work. Both institutions agree to keep the other aware of curriculum changes as they occur. While both parties to the agreement understand its purpose is to maximize transfer opportunities for students, they also recognize that limits may be placed on courses accepted under the provisions of this agreement, should the student subsequently decide to change to another program not covered by the agreement.

A review of the articulation agreement will commence after the third full year of implementation and every fifth year hence or upon request of either party.
