Mission

The Division of Continuing Studies (DCS) provides administrative leadership and support for campus programs attentive to adult, non-traditional age student degree completion and lifelong learning. A multifaceted unit, the Division encompasses the Center for Adult and Lifelong Learning (CALL) and the Community Learning Network (CLN).

The Center for Adult and Lifelong Learning includes the General Studies Degree support staff including administrative leadership, advising and recording functions. CALL also incorporates the courses and certificate programs of the Continuing Education department, its management and programmers.

The Community Learning Network (CLN) comprises the off campus centers (IUPUI-Park 100 and IUPUI-Greenwood); the Indianapolis Public Schools (IPS)- IUPUI, public school based, Adult Learning Centers; and Distance Education courses.

Research conducted by faculty and staff of DCS consists of the Equity Institute and the African American Male Equity Project. The Division’s Civic Engagement and Service offers leadership assistance for the P-20 Talent Alliance and the administration of the Martindale Brightwood Alliance for Educational Success.

Goals and Objectives

A1. Expand IUPUI outreach and offerings of educational services

A1.a. Promote college completion and second degree opportunities for adults.

Secondary Goals:

Sub Unit:

Time Frame: ongoing

Actions taken for 2010-2011:

$ Increased enrollments at IUPUI Off-Campus Learning Centers at Park 100 and Greenwood.
$ Expanded adult learning opportunities and career services through outreach to diverse Central Indiana residents and communities.
$ Integrated DCS marketing efforts that included correspondence to students who were not registered from one semester to the next and students who have stopped out.
$ Continued to publicize and build awareness of DCS programs of study to IUPUI staff and faculty.
$ Submitted 3 regional conference proposals (adult learning center; internship; online advising) to promote and publicize the work of DCS.
$ Implemented group advising sessions for new admits to the General Studies degree at off campus locations during registration periods.
$ Hosted Adult Degree Completion Seminars in strategic locations throughout the service area 4 times a semester.
$ Established advising schedules that include extended hours, distance technology and off campus locations to ensure 90% of General Studies student or potential students have access to appointments.
Evidence of Progress for 2010-2011:

§ Off-campus undergraduate credit programs generated 1,874 credit hours and 3,287 enrollments in the 2010-11 academic year at two learning centers.
  - Park 100 Learning Center generated 1,619 credit hours and 2,171 continuing education enrollments. [http://www.cln.iupui.edu/park100/](http://www.cln.iupui.edu/park100/)
  - Greenwood Learning Center generated 255 credit hours and 1,116 continuing education enrollments. [http://www.cln.iupui.edu/greenwood/](http://www.cln.iupui.edu/greenwood/)

§ The General Studies Degree Program in 2010-11 had a total of 420 graduates with 38 students earning the Associate of Arts degree in General Studies and 382 students receiving a Bachelor’s degree in General Studies.

§ The General Studies Degree Program granted 1 scholarship and 1 senior award to students who exhibited scholastic achievement and financial need.

§ The General Studies Internship was offered through the School of Continuing Studies (SCS-G399) during spring/summer 201, there were a total of 28 enrollments, generating $34,099.

§ General Studies advisors began using online interactive advising in the spring 2010 semester. Over 200 students have used this method to meet with an advisor and the feedback is excellent.

§ Expanded online advising to include late evening hours of 9-11 p.m. Tuesday, Wednesday, and Thursday.

Activities planned for 2011-2012:

§ Assess student satisfaction to improve services.
§ Work more intensely with the Alumni office (because of the future closure of the School of Continuing Studies) to insure that current alumni retain a strong connection to IUPUI.
§ Maintain the strength of the relationship with Ivy Tech, assessing possibilities for Technical Associate degrees that are on a Master’s degree track (2+2+1).
§ Explore weekend online advising hours.
§ Further develop the strategies for scholarship endowment.
§ Increase the number of returning undergraduate students in the General Studies Degree program.
§ Increase career services to General Studies students, alumni and the community.
§ Increase the number of collaborating internship partners.

☑ A1.b. Continue to build a quality driven, customer responsive and economically sound Continuing Education unit that addresses the needs of Central Indiana residents, area businesses and industry.

Actions taken for 2010-2011:

§ Revised catalog to be more focused on career skill development.
§ Expanded marketing and outreach efforts in communities.
§ Hosted focus groups and conducted surveys to determine what types of classes were wanted by members of the community.
§ Increased the number of enrollments in classes funded by business contracts.
§ Attended various activities and events frequented by representatives of the Central Indiana business community.
Evidence of Progress for 2010-2011:

§ Catalog size was cut by eliminating classes that did not cover expenses and focusing on course development and expansion in the areas of career skill enhancement.
§ New Certificate brochures were created.
§ Student feedback was obtained by putting course evaluations online.
§ Business outreach was re-instituted.
§ DCS has one of the largest Continuing Education programs in Indiana with approximately 5,514 enrollments at more than 20 off campus locations.

Activities planned for 2011-2012:

§ Review prior years’ course offerings to determine present marketability.
§ Each programmer (four) will develop at least five new courses in their respective program areas, responding to need/demand.
§ Each programmer will develop at least one new certificate in their respective program area.
§ Partner with other organizations and agencies to offer programs that already have facilities and instructors.

☐ A1.c. Increase the number of classes offered via nontraditional delivery methods

Campus Planning Theme: Teaching and Learning
Secondary Goals:
Sub Unit:
Time Frame: Ongoing with Spring 2013 target

Actions taken for 2010-2011:

§ Determined the number of distance education course titles beyond the current 45 different titles in order to fulfill General Studies Degree requirements.
§ Contacted department heads to find interest in developing courses.
§ Cataloged student survey results for current courses.

Evidence of Progress for 2010-2011:

§ Current distance courses were near capacity, 105 classes were offered for the academic year (Summer 2 2010, Fall 2010, Spring 2011, and Summer 1 2011) with a total student enrollment of 5,017 and 15,051 credit hours.
§ Built relationships with departments to promote the development of online, off-campus and accelerated course offerings that can become the foundation for future minors and/or certificates.
§ Identified faculty and advisors across the campus to serve as Adult Liaisons within their department for the Center for Adult and Lifelong Learning (CALL).
§ Actively participated in campus committees that have impact on students across the learning continuum including: noncredit classes, certificate programs, degree completion and graduate school.
Activities planned for 2011-2012:

§ Expand the catalog of distance education courses for a more flexible online plan of study for General Studies degree completion.
§ Increase the number of sections for currently offered distance education course titles.
§ Determine staffing needs.
§ Develop partnerships with units across campus.

A1.d. Increase the number of Indiana residents who complete college degrees.

Campus Planning Theme: Teaching and Learning
Secondary Goals:
Sub Unit:

Other Question(s)

1. What initiatives have you undertaken, or have planned, to improve retention and graduation rates?

1. Identify and engage 255 undergraduate degree seeking students eligible to enroll, but not enrolled in the upcoming semester. It is important to look at next contact point regarding Spring 2012 registration. This study will divide into two groups: a) Group one: students that registered and should receive a reminder about Priority Registration, b) Group two: students that did not register and will need to see an advisor and be term activated.

2. We have upgraded our student advising with the dedicated website that can be accessed anytime and anywhere with a computer. This website service is provided by the Center for Adult and Lifelong Learning. Students can connect with most schools and departments at IUPUI using CALL.

2. What are the priorities that shape your decisions about initiatives you will undertake and maintain?

1. Increase student enrollments at the Greenwood Off-Campus Learning Center using targeted marketing strategies and workforce driven certificate programs.
2. Increase degree completion in General studies.
3. Maintain a budget surplus of 3%.
3. How is the move to centralized services affecting your operations? How are you dealing with these effects?

The move to centralized services has increased the length of time for these services. We are frequently calling the centralized offices asking for improvement in services.

4. What marketing strategies/materials are you planning to develop/disseminate during the coming year?

- a. Who is the intended audience for each?
- b. What do you hope to accomplish with this strategy with this audience?
- c. How much are you planning to spend for each strategy?
- d. How will you tell if your expenditure was worth your investment? (Provide return on investment (ROI) data for past expenditures, if available, and plan to track ROI in the future.

4a. Who is the intended audience for each?
Generally, adults are the intended audience for the DCS.

4b. What do you hope to accomplish with this strategy with this audience?
We hope to encourage adult learners to return to college and complete their degrees.

4c. How much are you planning to spend for each strategy?
The strategies and planned expenditures for the five goals are listed below and cost figures are provided.
