Mission

Through excellent stewardship of human, physical, and fiscal resources we will serve and lead our campus community as it fulfills its mission.

Vision

We aspire to be the very best at what we do. Every employee will be engaged, inspired, and prepared to deliver service with distinction.

Our Guiding Principles

Customer Service

We will seek to understand and focus on the needs of all customers: students, employees, and community. We will dedicate our attention to delivering exceptional services within a caring atmosphere. Collaboration and teamwork will be utilized to continually improve our services.

Integrity

Honesty, trustworthiness, dependability, and administrative/fiscal accountability will steer our actions. We are committed to maintaining and demanding high ethical standards.

Professionalism

An environment will be maintained that recognizes and respects the importance of people and opinions: one in which we celebrate our vast diversity; recognize good work; promote everyone’s abilities and professional development; establish an enjoyable environment; and encourage a balance between work and life.

Innovation

Taking risks fosters improvement. We will eliminate obstacles, encourage new ideas, and embrace creative solutions that are aimed at improvement and good stewardship.

Goals and Objectives

1. Value Continually evaluate: A. How we work; B. What services we provide, and; C. How well we provide those services; to ensure value is provided to the schools and other administrative units and to ensure that the customer experience is enhanced by interaction with our areas

✓ Adopt IU Enterprise Windows Server Update Services (WSUS).
Campus Planning Theme:
Secondary Goals: Information Technology; Effectiveness of Processes; Resources
Sub Unit: Tech Services
Time Frame: Early 2012

Actions taken for 2010-2011:

Implementation of FIAD Tech administered WSUS enabling FIAD Tech to deploy MS product updates to all divisional computers.

Evidence of Progress for 2010-2011:

Implementation completed and upgrades are done via WSUS.

Activities planned for 2011-2012:

Integration of our current WSUS into the IU Enterprise WSUS to reduce redundancies, promote integration of services and cost-savings.

☑ Audit FIAD websites and upgrade any https pages to Transport Layer Security (TLS) Protocol to version 1.2

Campus Planning Theme: Best Practices
Secondary Goals: Information Technology
Sub Unit: Tech Services
Time Frame: November 2011

Actions taken for 2010-2011:

New goal

Evidence of Progress for 2010-2011:

Sites are updated

Activities planned for 2011-2012:

Upgrade of FIAD websites to TLS 1.2 to protect against the newly published BEAST (browser exploit against SSL/TLS) exploit. This exploit could leave highly sensitive data exposed to interception of harvesting.

☑ Collaborate with the student employee programs and departments on campus to enhance students' education by developing work experience in their fields of study along with actual hands-on experience of gaining steady employment.

Campus Planning Theme: Teaching and Learning
Secondary Goals: Resources, Partnerships
Sub Unit: Barnes and Noble Bookstore
Time Frame: Both fall and spring semesters.

Actions taken for 2010-2011:
Hired over 100 student employees. Reach out and collaborated with TCEM and other schools to attract students in areas of studies that complement the bookstore responsibilities.

Evidence of Progress for 2010-2011:
Increased student employment, the promotion of students to positions of supervision in the bookstore. Increased interaction with student employment office on campus.

Activities planned for 2011-2012:
Reach out to additional departments to provide more work experience for students. Work closely with student employment initiatives on campus. Present workshops and provide student employment activities in the bookstore.

☐ Continually evaluate how we work, what services we provide, and how well we provide these services.

Campus Planning Theme: Best Practices, Collaboration
Secondary Goals:
Sub Unit: Food Service
Time Frame: On-going

Actions taken for 2010-2011:
To add value we increased services at Jag Java in the Library and Jag Connection at the Business School; improved the menu at The Docket at the Law School; Wrote a new catering guide designed to enhance the catering experience; Added a lower cost meal plan option; and opened a convenience store at the campus apartments.

Evidence of Progress for 2010-2011:
Improved sales; improved SwD scores; improved customer satisfaction survey scores; improved client satisfaction scores; improved Catertrax survey scores; improved customer feedback.

Activities planned for 2011-2012:
We are working on the following projects to add value: adding a food service location to SL/LD and IC/TC; Adding a faculty / staff meal plan with a rewards program; Adding a summer meal plan; Adding a soup station to the east end of the food court; Adding Spicy Chicken to the menu at Chick-fil-a; Designing a plan to start refreshing retail concepts in the Campus Center.

☐ Continue to foster innovativeness that allows continual expansion of the IUPUI card program including the card programs of our IU Regional partnerships.
Campus Planning Theme: Best Practices, Collaboration
Secondary Goals: Resources
Sub Unit: Campus Card Services
Time Frame: On-going

Actions taken for 2010-2011:

1. The Columbus campus was successfully integrated with the Jagtag infrastructure
2. Successfully brought on 13 new vendors to accept Jagtag

Evidence of Progress for 2010-2011:

1. Other IU Campuses are successfully integrated and operating fully functional card programs
2. Vendors have an additional option for accepting Jagtag
3. Increased Jagtag sales
4. New vendors are successfully accepting Jagtag

Activities planned for 2011-2012:

1. Begin conversations with other IU Regional campuses to partner and integrate with the Jagtag Card Program
2. Begin development of a web-based transaction application for accepting Jagtag
3. Investigate and possibly implement an automated rewards and incentive program
4. Continue to target new vendors to accept Jagtag

☑️ Continue to partner with the Office of Equal Opportunity (OEO) in reviewing search and screen activities for efficient and timely processes; incorporate best practices that drive diversity of staff.

Campus Planning Theme: Campus Climate for Diversity, Collaboration
Secondary Goals: Partnership
Sub Unit: Human Resources Administration-Employment
Time Frame: On-going

Actions taken for 2010-2011:

Met regularly to discuss practices, concerns and priorities related to diversity in recruitment. Identified and implemented steps that expedited the posting process while still ensuring adherence to campus practices.

Evidence of Progress for 2010-2011:

Identification and resolution of process blocks.

Timely interventions with departments/committees when issues arise.

Activities planned for 2011-2012:
Continue ongoing meetings to ensure that HRA and OEO continue to review recruitment practices. Incorporate more discussion and activity related to metrics in order to create objective assessment tools.

☑ Continue to support the Service with Distinction Program through training for the CFS Call Center and Building Services.

**Campus Planning Theme:** Best Practices  
**Secondary Goals:** Value  
**Sub Unit:** Campus Facility Services  
**Time Frame:** Complete by June 30, 2012.

---

Actions taken for 2010-2011:

New goal

---

Evidence of Progress for 2010-2011:

Improved service to CFS customers.

---

Activities planned for 2011-2012:

Surveys have been sent to key users.

☑ Create a secured web gateway portal for JagTag vendor payments.

**Campus Planning Theme:**

**Secondary Goals:** Information Technology; Effectiveness of Processes; Economic Development; Resources; Partnerships  
**Sub Unit:** Tech Services  
**Time Frame:** Early 2012

---

Actions taken for 2010-2011:

New goal

---

Evidence of Progress for 2010-2011:

Project kickoff meeting held; project plan created and initiated.

---

Activities planned for 2011-2012:

Replacement of Aero card readers with new web solution, providing lower start-up costs to potential new vendors with development of this web application

☑ Develop a recurring parking permit renewal system for employees.
Campus Planning Theme: Best Practices
Secondary Goals:
Sub Unit: Campus Facility Services

Actions taken for 2010-2011:

New goal

Evidence of Progress for 2010-2011:

Reduced number of people in line at Parking Services.

Activities planned for 2011-2012:

Meet with Payroll to discuss possibility of allowing continued payroll deduction for renewals. Communicate to faculty and staff via P&TS website, e-mail blasts and other media.

- Develop long term approach for parking inventory.

Campus Planning Theme:
Secondary Goals: Buildings, building repair/renovations, Retention, People
Sub Unit: Campus Facility Services
Time Frame: On-going

Actions taken for 2010-2011:

Developed the plan to support the next phase of Wishard land transfer. Completed planning for the Sports Garage expansion and began construction. Developed NIFS temporary parking lots.

Evidence of Progress for 2010-2011:

Adequate parking inventory available for students, faculty, staff, and visitors.

Activities planned for 2011-2012:

Develop partial use plan for new Wishard garage (2 phases). Develop plan for use of expanded Sports Garage facility. Develop an integrated plan for Riley’s new garage. Begin planning for next garage.

- Evaluate all points of departmental service delivery to campus customers to identify areas for improvement.

Campus Planning Theme: Best Practices
Secondary Goals: Resources
Sub Unit: Human Resources Administration
Time Frame: 2011-12
Actions taken for 2010-2011:

Identified need for continuous improvement to maximize opportunities for unit performance within the department.

Evidence of Progress for 2010-2011:

"Adaptable organization" theme introduced a flexible approach to strategic planning; revised data collection will permit an earlier point in the annual cycle to identify improvement.

Activities planned for 2011-2012:

1. Reinforce "adaptable organization" theme for strategic planning.
2. Introduce continuous staff training
3. Implement an effective business consulting model for HRA service delivery
4. Revise data collection to improve the determination for progress and areas for improvement.

☑ Evaluate effectiveness and efficiency of bursar processes; service level agreements; develop and implement process modifications and/or shared services, when appropriate.

Campus Planning Theme: Best Practices, Collaboration
Secondary Goals: Partnership
Sub Unit: Bursar
Time Frame: 2010-11, 2011-12

Actions taken for 2010-2011:

Lead and participated in the university-wide Student Services Benchmarking project, supported by the Hackett Group/Accenture consulting firms.

Evidence of Progress for 2010-2011:

Completion of SSI Phase 2 and Phase 3; Implementation of a shared service model in which some bursar activities are shared services and "owned" by one entity.

Activities planned for 2011-2012:

Co-Lead and participate in the university-wide Student Services Initiative (SSI) Phase 1: Identify key bursar processes, outline steps associate with that activity and identify steps/activities that could be "shared" (i.e., performed by one entity for all campuses). Participate in Phase 2 (Nov 2011-February 2012) and Phase 3 (March 2012 and beyond) of the SSI project.

☑ Expand scope of services and create a more competitive price scale

Campus Planning Theme: Best Practice
Actions taken for 2010-2011:

Price scale analysis of local businesses, surveys to departments for needed or additional services (i.e. large format, scanning, scan to file, etc)

Evidence of Progress for 2010-2011:

Additional customer base, increased sales, increased commissions to IUPUI Auxiliary Services.

Activities planned for 2011-2012:

Create an aggressive, competitive price scale that can compete with local businesses. Market additional services including large format, scanning, scan to file, on-demand printing, forms management and document conversion.

☑️ Finalize and implement staffing plan associated with self-pay stations.

Campus Planning Theme: Best Practices
Secondary Goals: Value, Resources
Sub Unit: Campus Facility Services

Actions taken for 2010-2011:

New goal

Evidence of Progress for 2010-2011:

Decreased payroll expenses for operating visitor garages.

Activities planned for 2011-2012:

Stations installed and operational. Staffing plan implemented.

☑️ Identify procedures to standardize classification and compensation processes for University Administration(UA) positions and IUPUI HRA.

Campus Planning Theme: Best Practices, Collaboration
Secondary Goals:
Sub Unit: Human Resources Administration--Compensation
Time Frame: On-going
Actions taken for 2010-2011:

1. Identified and coordinated campus budget office requirements to process position transactions for UA organizational units (e.g. Information Technology, Research Administration, Purchasing, Police, and Public and Government Relations).
2. Reduced time to verify position posting justification, salary increase reviews and approvals, and position creation approvals.

Evidence of Progress for 2010-2011:

The review process will be streamlined for approvals between IUPUI campus units and university approval points in the process.

Clarification of the inter-relationship between policies and practices of UA organizational units' and IUPUI's units.

Activities planned for 2011-2012:

1. Work collaboratively with University Human Resources Services in position reviews for cross UA organizational units.
2. Streamline processes and communications as university-wide salary policies are implemented.
3. Appropriately participate in inter-campus policy and procedure reviews that impact the IUPUI campus.
4. Ensure IUPUI specific perspectives are considered in decision making.

☑ Implement exciting and convenient enhancements to the existing services

**Campus Planning Theme:** Best Practices

**Secondary Goals:** Resources

**Sub Unit:** Campus Card Services

**Time Frame:** On-going

Actions taken for 2010-2011:

1. Automated the Jagtag Deduct program so employees can sign up on-line
2. Began replacement of old readers to newer IP addressable readers providing more reliability and less down time
3. Completed stage 1 of the Service with Distinction training

Evidence of Progress for 2010-2011:

1. Less phone calls from students and parents making account balance inquiries
2. Number of hits for on-line chatting increases
3. Jagtag sales increase
4. Number of positive survey results continue to increase

Activities planned for 2011-2012:
1. Create an alternate logon feature for parents via the Manage My Jagtag website
2. Investigate 'on-line chatting' whereby students and employees can ask 'live' questions of our staff
3. Investigate and possibly implement an automated 'low balance' email feature
4. Create an app allowing students to make deposits via their smart phones
5. Continued replacement and upgrading of antiquated card equipment and readers
6. Complete stage 2 and finalize and implement the Service with Distinction culture

☑️ Implement Service with Distinction
  **Campus Planning Theme:** Best Practices
  **Secondary Goals:**
  **Sub Unit:** Budget Office
  **Time Frame:** 2010-11, 2011-12

---

**Actions taken for 2010-2011:**

Completed survey and objectives for office.

---

**Evidence of Progress for 2010-2011:**

Increased level of customer satisfaction per survey results.

---

**Activities planned for 2011-2012:**

Implement objectives and reassess customers.

☑️ Implement Service with Distinction

**Time Frame:** 2011-2012

---

**Actions taken for 2010-2011:**

New goal

---

**Evidence of Progress for 2010-2011:**

Individualized unit-based security assessments completed.

---

**Activities planned for 2011-2012:**

Conduct a gap analysis to assess FIAD’s current security stance to the 15 security controls. Assign staff to analyze and understand how critical controls can be deployed within FIAD’s environment. Devise a plan to implement the improved information security critical controls over the long term.

Incorporate a higher level of user education and regulatory compliance into the role of the Records staff

**Campus Planning Theme:** Best Practices
**Secondary Goals:** Resources
**Sub Unit:** Human Resources Administration-Records
Time Frame: On-going

Actions taken for 2010-2011:

Actions during previous years were limited in this area due to paper-based process and the absence of an electronic routing system for I-9s.

Evidence of Progress for 2010-2011:

Faster approval of hire eDocs resulting in:
1. Reduced retro hires
2. Earlier creation of employee benefit package
3. More timely systems availability for new hires
4. Reduction of detrimental impacts on Record’s staff previously created during high volume hiring cycles.
5. Reduced time spent reviewing and auditing transactions after-the-fact.

Activities planned for 2011-2012:

Utilizing the features available in the new HireRight system:
1. Implement procedures for processing hiring documents that allow for maximum compliance with campus background check policy and federal I-9 compliance to minimize financial exposure to the university.
2. Provide timely feedback and instruction to department personnel to reduce ongoing errors.
3. Incorporate compliance issues and the related financial exposure in routine eDoc training.

☑ Increase lower cost choices for course materials for students by increasing availability of course materials information, rental options, used books and digital materials.

Campus Planning Theme: Teaching and Learning
Secondary Goals:
Sub Unit: Barnes and Noble Bookstore
Time Frame: Throughout fall and spring semesters.

Actions taken for 2010-2011:

Started rental program and increased rental options.

Evidence of Progress for 2010-2011:

Increase in the percentage of course requests that are received before student scheduling and buyback period. Amount of rental and digital titles on list and sold; increased requests from faculty for ebooks and rentals; added marketing opportunities to present message about ebooks and rentals.

Activities planned for 2011-2012:
Collaborate with students, administration and faculty in campus initiative for earlier course materials request to positively impact timeliness of students receiving information, ability for the bookstore to increase lower cost alternatives and increase HEOA compliance. Increase the title list available for rental titles offered. Continue to Partner with Nookstudy and B&N.com to provide a list of titles that are offered as ebooks for IUPUI courses. Increase marketing (in-store and during buyback in particular, campus events and website); provide prominent shelf tags for ebooks, rentals and student choice. Notify departments of ebook and rental options; work with course pack providers to have digital codes available in store for students; provide ebooks that are a rental option. Engage with students and parents to discuss both rentals and ebooks. Add point of sale system to make the rental and digital options more convenient and efficient for students to participate in.

☑ Increase the education and participation of the campus recycling program.
  **Campus Planning Theme:** Best Practices  
  **Secondary Goals:** Partnerships  
  **Sub Unit:** Sustainability, Office of  
  **Time Frame:** 2011-12 and on-going

---

**Actions taken for 2010-2011:**

New goal

---

**Evidence of Progress for 2010-2011:**

Committee meetings held and documented, completion of survey, development of recycling message, rollout of new recycling pilot program.

---

**Activities planned for 2011-2012:**

Reinvigorate the campus recycling committee. Conduct a survey of campus constituents to identify recycling barriers. Develop a consistent recycling message to promote across campus. Evaluate converting the campus recycling process to single stream. Conduct pilot programs of new recycling message and process within Housing, Campus Center, University Library, and Lockefield Village

☑ Maintain customer service and on-time target ratings of 98%-99% for copy/print/production jobs
  **Campus Planning Theme:** Best Practices  
  **Secondary Goals:** People; Resources  
  **Sub Unit:** IKON  
  **Time Frame:** First quarter 2012

---

**Actions taken for 2010-2011:**

Current Levels at 99.4%. Have developed workflow that is able to maintain proper service levels on campus.

---

**Evidence of Progress for 2010-2011:**

Serving Levels @ 99%
Activities planned for 2011-2012:

Creation of WIP (Work in Progress) Report inside of current software that allows for more accurate minute to minute tracking.

☑ Promote FIAD’s commitment to ‘Service with Distinction’

**Campus Planning Theme:** Best Practices, Collaboration

**Secondary Goals:** Information Technology; Partnerships

**Sub Unit:** Tech Services

**Time Frame:** On-going

Actions taken for 2010-2011:

New goal

Evidence of Progress for 2010-2011:

Zendesk Support Request issue tracking system is implemented; 3rd party assessment is complete; On-going InfoShare sessions are conducted and FIAD users are more informed.

Activities planned for 2011-2012:

Propose a metrics-based Service Level Request application for the division. Contract with 3rd party for service assessment/analysis and recommendations. Initiate InfoShare sessions for FIAD users.

☑ Redesign the format and presentation of the IU bursar student account statement of account (bill).

**Campus Planning Theme:** Best Practices

**Secondary Goals:**

**Sub Unit:** Bursar

**Time Frame:** 2010-2012

Actions taken for 2010-2011:

Participate in IU bursar working group to evaluate current formatting and presentation of bursar statement of account. Identify areas for improvement; start development of prototype.

Evidence of Progress for 2010-2011:

Prototype testing in FY 2012; implement new format in Q1/Q2 of FY 2013.
Activities planned for 2011-2012:

Continue prototype development; start developing programming specifications. Testing prototype for usability.

✔ Reduce operating costs while increasing efficiencies.
**Campus Planning Theme:** Best Practices, Civic Engagement, Collaboration
**Secondary Goals:** Transparency; People; Environment
**Sub Unit:** Natatorium
**Time Frame:** On-going

---

Actions taken for 2010-2011:

Continue to control any costs within our authority. Created plan to partner with PETM and possible others to construct stronger marketing plans. Collaborated to create efficiencies with other units wherever possible.

---

**Evidence of Progress for 2010-2011:**

---

Activities planned for 2011-2012:

Addition of business manager to track expenses and suggest ways to reduce and better control costs. This includes outside activity as well as internal (ID billings created by IUPUI units). Create a more resilient marketing plan to identify new opportunities for donors and corporate sponsorships. Seek new markets of interest:
1. Sponsorships - companies looking for exposure in the university environment
2. Programming and events – expand customer base with additional sporting events.

**Sub Unit:** Budget Office  
**Time Frame:** 2010-11, 2011-12

**Actions taken for 2010-2011:**

Reviewed account structure for several academic units to allow for reporting for instructional costs versus administrative costs.

**Evidence of Progress for 2010-2011:**

More accurate reporting for participation in Delaware Study.

**Activities planned for 2011-2012:**

Determine criteria for reports that would enhance decision making for Campus Administration and Deans. Design and implement reports.

**Implement real time Project Management database.**

**Campus Planning Theme:** Best Practices
Secondary Goals: Efficiency; Effectiveness of Processes; Value
Sub Unit: Tech Services
Time Frame: 2011-2012

Actions taken for 2010-2011:

New goal

Evidence of Progress for 2010-2011:

Project database created and tested. Projects are integrated into the project management tool. Stakeholders successfully track the project progress.

Activities planned for 2011-2012:

Implement project management tool and fully integrate all future FIAD Tech projects into the database. Creation of project-specific web portals allowing stakeholders to track project progress.

☑ Install metering to provide energy use per building data on website.

Campus Planning Theme: Best Practices
Secondary Goals: Environment
Sub Unit: Campus Facility Services

Actions taken for 2010-2011:

New goal

Evidence of Progress for 2010-2011:

Meters are operational and providing data so web site can be updated regularly.

Activities planned for 2011-2012:

Install steam meters in Cavanaugh Hall, Science Building, Science Engineering & Technology, Nursing School and Dental School. Install chilled water meter in Science and Science Engineering & Technology building.

3. People Develop and implement strategies for making IUPUI an employer of choice within the city, state, nation, and world with an engaged, competent, and diverse workforce.

☑ Build awareness of various cultures.

Campus Planning Theme: Campus Climate for Diversity
Secondary Goals: Value; Partnership
Sub Unit: Human Resource Administration; Work Life Balance
Sub Unit: Human Resources Administration - Work/Life Balance

Time Frame: 2011-2012

Actions taken for 2010-2011:

Wrote section called "Becoming More World/Culture Wise" for each monthly Work/Life e-newsletter. Each month, the section included information about nationality heritage months, a tip for how to build your own personal cultural sensitivity and information about ethnic holidays and on- and off-campus events.

Evidence of Progress for 2010-2011:

Work/Life e-newsletter continued to offer section called, "Becoming More World/Culture Wise."

Activities planned for 2011-2012:

Section called "Becoming More World/Culture Wise" will continue to be included in each monthly Work/Life e-newsletter.

☐ Continue to assess, identify and implement outreach initiatives to achieve diversity of staff.

Campus Planning Theme: Campus Climate for Diversity

Secondary Goals:

Sub Unit: Human Resources Administration - Employment

Time Frame: 2011-2012 and ongoing

Actions taken for 2010-2011:

Utilized CareerBuilder as a new advertising source and increased the number of diversity job fairs attended.
1. Posted all professional level positions on over 1,000 national job boards.
2. Posted all professional level positions on approximately 100 unique diversity job boards.
3. Increased the number of diversity job fairs attended from seven to ten with increased outreach to Black, Latino, and disabled populations.

Evidence of Progress for 2010-2011:

Performance data for CareerBuilder shows 2,218 applications for 67 active professional level jobs January through September 2010-2011. Metrics, generated through a partnership with the Office of Equal Opportunity, reflects 59% female and 37% minority applications. As of the September performance report minority applications reflect a 2% increase compared to the 2009-10.

Activities planned for 2011-2012:

1. Continue participation in diversity job fairs.
2. Renew CareerBuilder as an advertising tool.
3. Continue to assess, identify and implement outreach initiatives to achieve diversity of staff.
3. Continue to increase engagement of campus affinity councils to generate referral and outreach opportunities.

**Campus Planning Theme:** Campus Climate for Diversity, Collaboration  
**Secondary Goals:** Partnerships  
**Sub Unit:** Human Resources Administration Training and Organizational Development  
**Time Frame:** 2011-2013

**Actions taken for 2010-2011:**

HRA partnered with the School of Liberal Arts to garner campus interest and support for a campus-wide Intergroup Dialogue (IGD) program. HRA facilitated the convening of meetings, a Workshop on IGD (facilitated by the University of Michigan Program on Intergroup Relations) and the formation of working groups to develop plans for an IGD program. The IGD that supports diversity and inclusion for staff, faculty and students through curricular, co-curricular, staff and faculty development, and community outreach efforts that incorporate IGD principles.

**Evidence of Progress for 2010-2011:**

The proposal for a campus-wide IGD program is submitted. Appropriate support is provided from campus administration. Pilots are implemented. A model for facilitating dialogues for staff and developing staff dialogue facilitators is developed.

**Activities planned for 2011-2012:**
HRA will continue to take a leadership role through its partnership with the School of Liberal Arts in convening constituents across campus for on-going planning efforts. Efforts for fall, 2011 are focused on developing a proposal regarding plans for a campus-wide IGD program to be submitted to campus administration. The intent of an initial proposal is to receive appropriate support from campus administration for facilitating various pilot programs. Efforts are also underway to develop pilot programs in various schools and departments for spring, 2012 and fall, 2012. This includes plans to develop a model for facilitating dialogues for staff and for developing staff to serve as IGD facilitators.

☐ Develop a campus-wide program/event on the topic of campus civility

Campus Planning Theme: Campus Climate for Diversity, Collaboration
Secondary Goals: Partnerships
Sub Unit: Human Resources Administration Training and Organizational Development
Time Frame: 2011-2012

Actions taken for 2010-2011:

HRA has partnered with the Office of Equal Opportunity (OEO) and the Equal Opportunity Council to encourage the reinstatement of the Statement on Civility. Through conversations with the Chancellor on this topic, he has supported the development of the appropriate campus-wide program or event focused on the topic of campus civility. The intent is to reengage the campus on dialogue about civility.

Evidence of Progress for 2010-2011:

The appropriate event, sponsored by the Chancellor, is organized and held in spring, 2012. A three-year plan for continued programming and dialogue is created and begun to be implemented. A statement of civility is reinstated.

Activities planned for 2011-2012:

HRA will continue to partner with the OEO, the Equal Opportunity Council, and the Chancellor on the development of the appropriate program or event focused on engendering campus-wide dialogue on the topic of campus civility. Planning is underway for fall, 2011 with the goal of organizing the appropriate program in spring, 2012. The goal is also to develop a three-year plan regarding related issues regarding campus civility so that there is sustained attention and dialogue on this issue rather than simply a one-time event.

☑ Relocate hazardous waste operations for IUPUI

**Campus Planning Theme:** Best Practices  
**Secondary Goals:** Resources  
**Sub Unit:** Environmental Health & Safety  
**Time Frame:** July 1, 2010-2012

Actions taken for 2010-2011:

1. Due to cost considerations, efforts to relocate campus chemical wasted operations to the Campus Service 4 (CS 4) facility were abandoned. Efforts to locate another appropriate location were initiated. Space at the 1200 Waterway Building was allocated to EHS for the Chemical Waste Management Program.
2. Transitioned campus hazardous waste operations from the Environmental Management Facility to two temporary locations on campus.
3. Secured regulatory interpretation from the Indiana Department of Environmental Management as to whether the 1200 Waterway Blvd facility would be considered as contiguous to the main campus avoiding the need for formal regulatory permitting of the facility.
4. Established and hired a full time employee to be dedicated towards the management of collected chemical wastes.
5. Researched, designed and secured the services of an experienced contractor to construct and install a modular hazardous materials processing/storage unit within warehouse portion of the 1200 Waterway Building.
6. Secured the appropriate University approvals to allow for the interior installation of the modular hazardous materials unit.

Evidence of Progress for 2010-2011:

Six critical action steps were completed during FY 10-11.

Final 6 steps will be completed during FY 2011 -2012

Activities planned for 2011-2012:

1. Initiate supplemental construction projects to meet safety, security, storage and other operational needs of the chemical waste program at 1200 Waterway Building.
2. Oversee installation of the modular facility and supplemental construction projects.
3. Develop and implement standard procedures appropriate for the safe operation of the facility.
4. Transition services from current interim locations on campus.
5. Initiate emergency preparedness efforts appropriate for the facility. Meet with building occupants, representatives of IUPUI Fire Protection Services, Indianapolis Fire Department, the Marion County Health Department and the City's wellfield protection program.
6. Refine operations to ensure ongoing compliance and safe operation of the facility.
