Mission

Through excellent stewardship of human, physical, and fiscal resources we will serve and lead our campus community as it fulfills its mission.

Vision

We aspire to be the very best at what we do. Every employee will be engaged, inspired, and prepared to deliver service with distinction.

Our Guiding Principles

Customer Service

We will seek to understand and focus on the needs of all customers; students, employees, and community. We will dedicate our attention to delivering exceptional services within a caring atmosphere. Collaboration and teamwork will be utilized to continually improve our services.

 Integrity

Honesty, trustworthiness, dependability, and administrative/fiscal accountability will steer our actions. We are committed to maintaining and demanding high ethical standards.

Professionalism

An environment will be maintained that recognizes and respects the importance of people and opinions: one in which we celebrate our vast diversity; recognize good work; promote everyone’s abilities and professional development; establish an enjoyable environment; and encourage a balance between work and life.

Innovation

Taking risks fosters improvement. We will eliminate obstacles, encourage new ideas, and embrace creative solutions that are aimed at improvement and good stewardship.

Goals and Objectives

1. Value Continually evaluate: A. How we work; B. What services we provide, and; C. How well we provide those services; to ensure value is provided to the schools and other administrative units and to ensure that the customer experience is enhanced by interaction with our areas

All IUPUI Schools/Departments and Units will have new or updated Business Continuity Plans in the IU Ready enterprise system. Develop calendar/process to require and track yearly updates.

  **Time Frame:** 2011-2014
Actions taken for 2011-2012:

HRA continues to partner with the IU School of Liberal Arts to plan for the development of a campus-wide IGD program. To date, a number of other schools, departments and units have joined a campus-wide community to develop IGD programming involving curricular, co-curricular, staff, faculty, and community outreach activities. An IGD facilitator training session has been scheduled for July/August, 2012 which will be facilitated by representatives from the University of Michigan Program on Intergroup Relations. The intent of this training is to develop IDG facilitators on campus so that we can begin to facilitate IGD dialogues and related programs and activities, beginning fall, 2012.

Evidence of Progress for 2011-2012:

The proposal for a campus-wide IGD program is submitted. Appropriate support is provided from campus administration. Pilots are implemented. A model for facilitating dialogues for staff and developing staff dialogue facilitators is developed and facilitated.

Activities planned for 2012-2013:

HRA will continue to take a leadership role through its partnership with the School of Liberal Arts in convening constituents across campus for on-going planning efforts. Dan Griffith is partnering with Margo Foreman, Office of Equal Opportunity, to develop an intergroup dialogue focused on either race or gender for fall, 2012. As an outcome of the IGD facilitator training referenced above, HRA will continue to support efforts across campus concerning the development of IGD processes. A proposal will also be developed and presented to campus administration concerning support needed to develop a sustained Intergroup Dialogue program, which includes both academic and non-academic components.

Activities planned for 2012-2013:

Create a full module of Biosafety Training for Research and Non-laboratory workers.
Create new online modules for Institutional Biosafety Committee Training for PI's and researchers. Promote the training through campus venues.

☑ Convert EHS training into the E Train system and begin to use the system.

**Campus Planning Theme:** Best Practices  
**Secondary Goals:** People  
**Sub Unit:** Environmental Health and Safety  
**Time Frame:** 2012-2013

---

Actions taken for 2011-2012:

A portion of standard online training modules were updated to Adobe Captivate 5.5 software; the E Train program was beta tested with multiple training modules.

---

Evidence of Progress for 2011-2012:

The online training will be available via E Train.

---

Activities planned for 2012-2013:

Update all online presentations/training modules; incorporate within E Train; promote the training through OneStart and in-person training.

☑ Develop additional laboratory safety training for faculty, staff and students.

**Campus Planning Theme:** Teaching and Learning  
**Secondary Goals:** Best Practices  
**Sub Unit:** Environmental Health & Safety  
**Time Frame:** Ongoing

---

Actions taken for 2011-2012:

Developed online training for non-laboratory workers such as CFS personnel. Created exam to ensure staff understand key elements of training. Both the training and exam were placed on OnCourse.

---

Evidence of Progress for 2011-2012:

FY 10 â€“ 11. Since online laboratory safety training has been offered over 650 faculty, staff and students have taken the training and passed the exam. FY 11-12 New training program developed and on OnCourse Complete New training has been developed for Laboratory Animal Allergens, Pyrophorics, Hydrogen, Nanoparticles, Laboratory Refresher.

---

Activities planned for 2012-2013:

[ 36 ]
Develop Air Reactives and Hydrogen Safety online training

☑ Develop additional Laboratory Safety training for faculty, staff and students.

Evidence of Progress for 2011-2012:

New Goal

Activities planned for 2012-2013:

Develop a committee representing departments on campus that will be affected by the program. Develop a written program and assist departments in implementing the necessary practices.

☑ Develop and implement procedures to ensure IUPUI Schools/Departments and Units are in compliance with the Policy on Programs Involving Children.
  
  **Campus Planning Theme:** Best Practices
Secondary Goals: Partnerships, People, Transparency
Sub Unit: Office of Vice Chancellor for Finance and Administration
Time Frame: 2011-13, ongoing

Actions taken for 2011-2012:

Provided feedback to Chancellor Bantz regarding the interim IU Policy regarding Programs Involving Children

Evidence of Progress for 2011-2012:

IUPUI is in compliance with the Policy for Programs Involving Children; regular reminders to IUPUI Departments, Schools and Units; regular review of the Protect IU listing for IUPUI

Activities planned for 2012-2013:

Act as IUPUI liaison with VP for Public Safety and Institutional Assurance; Provide feedback on the policy; Review the Protect IU, IUPUI list of Programs Involving Children to gauge comprehensiveness; communicate policy on a regular basis to IUPUI Schools/Departments and Units. Develop and implement procedures for IUPUI.

☑️ Develop EHS's Hazard Communication Program to be consistent with the Global Health System (GHS) Program.

Evidence of Progress for 2011-2012:

Discussed with subcommittee of Office of Sustainability: Land and Air.

Activities planned for 2012-2013:

Develop content and populate EHS website.

☑ Develop new training for E Train on Personal Protective Equipment (PPE); Cold Stress; Heat Stress, including Sun Protection; Asbestos; Hearing Conservation specific to police; and Cryogenic safety.

Campus Planning Theme: Teaching and Learning
Secondary Goals: Best Practices
Sub Unit: Environmental Health and Safety
Time Frame: 2012-2013

Actions taken for 2011-2012:

New Goal

Evidence of Progress for 2011-2012:

The online modules will be on E-train.

Activities planned for 2012-2013:

Create new online modules for E Train in the six topics listed above.

☑ Develop policy for the use of corridors and unassigned spaces.

Campus Planning Theme: Best Practices
Secondary Goals: Collaboration
Sub Unit: Environmental Health and Safety
Time Frame: 2012-2013

Actions taken for 2011-2012:

New Goal
Evidence of Progress for 2011-2012:

A Policy is developed and distributed.

Activities planned for 2012-2013:

Address the use of corridors and unassigned spaces throughout campus; focus on laboratory use of unassigned space.

✔ Develop the Hazard Assessment for Personal Protective Equipment (PPE) for various departments on campus. Continue to conduct assessments.

Campus Planning Theme: Best Practices
Secondary Goals: None
Sub Unit: Environmental Health and Safety
Time Frame: 2012-2013

Actions taken for 2011-2012:

New goal

Evidence of Progress for 2011-2012:

The Hazard Assessment is developed and operationalized.

Activities planned for 2012-2013:

Continue to conduct assessments; work with individual departments to assess specific needs for PPE.

✔ Evaluate the overall condition of campus underground storage tanks installed prior to 1990 which are currently in use. Work with Campus Facility Services to develop a strategy to replace tanks of concern.

The four critical action steps specified above to be completed during 1-1-2011 – 2012 are ongoing. Discussions are continuing with Campus Facility Services regarding the need to retrofit the existing tanks. CFS is currently exploring funding opportunities. EHS/CFS met with a reputable tank contractor to provide budgeting estimates for the retrofit projects.

Activities planned for 2012-2013:

1. Secure the support of Campus Facility Services or other appropriate unit, to fund tank tightness testing for tanks located at the University Place Hotel, the Natatorium, The Education/Social Work Building and the Medical Research/Library Building.

2. Secure the services of a qualified contractor to perform tank tightness testing on the above tanks.

3. Work with Campus Facility Services to effectively address any tank or associated piping for which tank tightness testing indicates leakage could be of concern.

4. Work with Campus Facility Services or other appropriate unit to develop a retrofit plan for tanks at the University Place Hotel, the Natatorium and the Education/Social Work Buildings. Further evaluate whether retrofit would be appropriate for the Medical Research/Library Building.

Implement new building R&R projects funded by student fees and develop methodology for future deferred maintenance program.

Campus Planning Theme: Best Practices
Secondary Goals: Value, Resources
Sub Unit: Campus Facility Services
Time Frame: Ongoing

Actions taken for 2011-2012:

Complete 2011-12 plan

Evidence of Progress for 2011-2012:

Projects completed and blueprint for future planning is agreed upon.

Activities planned for 2012-2013:

1. See appendix I for listing of 2013 R&R projects.

2. Review current deferred maintenance management system and consider options.

Improve Safe Walk (Safety Escorts) service

Campus Planning Theme: Best Practices, Collaboration
Secondary Goals: Value, People, Environment
Sub Unit: Police
Time Frame: Ongoing
Actions taken for 2011-2012:

Used Cadets and part-time Police Officers to operate the Campus Safe Walk Program (Safety Escorts) continued to develop the schedule to provide students with the best possible service.

Evidence of Progress for 2011-2012:

There has been an increase in the numbers of students using the service. (Others use the service as well).

Activities planned for 2012-2013:

Obtain funding to continue to provide this service to the university students. Continue to employ students to operate the Safe Walk Program. Maximize the communication efforts to get the word out about Safe Walk.

☑ Industrial Hygiene, Develop an Animal Allergen Exposure Program for Campus

**Campus Planning Theme:** Best Practices  
**Secondary Goals:** Environment  
**Sub Unit:** Environmental Health & Safety  
**Time Frame:** Ongoing

Actions taken for 2011-2012:

New goal

Evidence of Progress for 2011-2012:

The committee developed and approved a written program. Training has been developed and awaiting implementation with the completion of the Occupational Health Program for Animal Users. New Laboratory Animal Allergen Safety Training module on E Train; program developed; monitoring of lab facilities currently underway.

Activities planned for 2012-2013:

Develop a committee representing departments on campus that will be affected by the program.

Develop a written program and assist departments in implementing the necessary engineering and administrative controls. The program will also initiate the development of an Animal Care and Use Occupational Health and Safety Program (OHS).

☑ Perform building commissioning at BRTC & Coleman Hall.  
**Campus Planning Theme:** Best Practices  
**Secondary Goals:** Resources  
**Sub Unit:** Campus Facility Services
Sub Unit: Campus Faculty Services

Time Frame: New goal

Actions taken for 2011-2012:

None

Evidence of Progress for 2011-2012:

Improved operational efficiencies

Activities planned for 2012-2013:

Perform building energy audits and re-commissioning.

☑ Provide and develop Crime Prevention and training programs for students, faculty and staff.

**Campus Planning Theme:** Best Practices, Collaboration  
**Secondary Goals:** Partnerships, Value, People  
**Sub Unit:** Police  
**Time Frame:** Ongoing

Actions taken for 2011-2012:

Participated in Campus Sponsored Career Day, Campus Safety Day IUPUI, Street Smart, Backpack Attack. Presented safety information and training on a variety of subjects/topics to over 500 students, faculty and staff.

Evidence of Progress for 2011-2012:

The numbers of safety-related programs provided and participants increased greatly.

Activities planned for 2012-2013:

Continue to develop and provide safety programs and trainings to the university community.

☑ Provide leadership, organization and support for the IUPUI Tobacco-Free Committee. Ensure compliance with the Indiana’s first statewide smoke-free-air law, House Enrolled Act 1149, effective July 1, 2012. Develop structure, procedures and website to support the Committee’s effort and the Indiana State Law.

**Campus Planning Theme:** Best Practices  
**Secondary Goals:** People, Partnerships  
**Sub Unit:** Office of Vice Chancellor Finance and Administration  
**Time Frame:** 2011-13, ongoing

Actions taken for 2011-2012:

[43]
Recruited/Renewed committee membership; Held the initial committee meetings; prepared task list and timeline; prepared communication plan and timeline. Reviewed content of old website and initiated conversion to new website format/content. Participated in meetings led by AVP Public Safety and Institutional Assurance discussing the new Indiana State Law and the compliance requirements.

Evidence of Progress for 2011-2012:

Smoking on campus decreases and is confined to the city-owned streets and sidewalks. IUPUI students, staff, faculty and visitors are in compliance with the State law.

Activities planned for 2012-2013:

Continue committee meeting monthly; Implement communication plan--prepare and distribute communications to students, staff and faculty in a variety of media. Partner with FIAD Tech to complete redesign website and put into production, with ongoing maintenance. Track compliance activities (required signage). Design and display temporary signage throughout the campus during first weeks of Fall, Spring and Summer semesters. Provide Co-Chair leadership for the Committee and associated efforts; Attend a variety of councils/meetings to share the Tobacco-Free IUPUI Policy and the State Law along with Cessation Resources.

☑ Provide officers and the university community Active Shooter Training and other advanced training for officers.

**Campus Planning Theme:** Best Practices, Collaboration

**Secondary Goals:** People, Value, Resources

**Sub Unit:** Police

**Time Frame:** Ongoing

Actions taken for 2011-2012:

We joined the Central Indiana Law Enforcement Training Council (CILETC). By joining the council, we have enhanced the training of our personnel and saved approximately $3,000 in training costs, increased the numbers of instructors for Active Shooter and other training topics.

Evidence of Progress for 2011-2012:

The department has increased the number of Active Shooter and total number of trained hours for our officers above the State mandate 24 hours per year for each officer. We currently have 26 certified instructors on the department. If we compute the State standard for instructor costs, $25 per hour, times the number of hours our instructors teach our officers, we have saved approximately $10,000 annually. (By not having them attend and pay for outside training.) This also allows us to evaluate quality of training our officers receive more efficiently.

Activities planned for 2012-2013:

Continue to provide Active Shooter and other training for our personnel and for students, faculty and staff.
Provide reliable infrastructure for utility services delivery to existing and new buildings.

**Campus Planning Theme:** Best Practices  
**Secondary Goals:** None  
**Sub Unit:** Campus Facility Services  
**Time Frame:** Ongoing

**Actions taken for 2011-2012:**

1. Add SELB to chilled water contract.

2. Review chilled water proposal for Neurosciences and negotiate terms for the addition of the building to the campus service contract.

3. Perform design and engineering for the upgrade of underground electrical service for circuit AE2 in order to benefit electrical reliability in Long Hall, Gatch Clinical, Nursing, Medical Science, Emerson, Medical Research & Library and Wilson Street Garage.

**Evidence of Progress for 2011-2012:**

New buildings have service when required and current buildings have highly reliable service.

**Activities planned for 2012-2013:**

Continuation of work described above.

Relocate hazardous waste operations for IUPUI

**Campus Planning Theme:** Best Practices  
**Secondary Goals:** Resources  
**Sub Unit:** Environmental Health & Safety  
**Time Frame:** 2010 - 2012

**Actions taken for 2011-2012:**

1. Due to cost considerations, efforts to relocate campus chemical waste operations to the Campus Service 4 (CS 4) facility were abandoned. Efforts to locate another appropriate location were initiated. Space at the 1200 Waterway Building was allocated to EHS for the Chemical Waste Management Program.

2. Transitioned campus hazardous waste operations from the Environmental Management Facility to two temporary locations on campus.

3. Secured regulatory interpretation from the Indiana Department of Environmental Management as to whether the 1200 Waterway Blvd facility would be considered as contiguous to the main campus avoiding the need for formal regulatory permitting of the facility.

4. Established and hired a full time employee to be dedicated towards the management of collected chemical wastes.
5. Researched, designed and secured the services of an experienced contractor to construct and install a modular hazardous materials processing/storage unit within warehouse portion of the 1200 Waterway Building.

6. Secured the appropriate University approvals to allow for the interior installation of the modular hazardous materials unit.

Evidence of Progress for 2011-2012:

Six critical action steps were completed during FY 10-11. Final 6 steps were completed during FY 2011 -2012. Fully transition hazardous waste operations to 1200 Waterway Blvd Building. Staff pursued measures to retrofit the 1200 Waterway Boulevard Building to serve as the primary campus interim hazardous waste accumulation area. Staff secured the services of a reputable contractor to construct and install the modular facility. Staff facilitated several upgrades to the Waterway facility to provide for an appropriate level of safety, security and environmental protection.

Activities planned for 2012-2013:

1. Initiate supplemental construction projects to meet safety, security, storage and other operational needs of the chemical waste program at 1200 Waterway Building.

2. Oversee installation of the modular facility and supplemental construction projects.

3. Develop and implement standard procedures appropriate for the safe operation of the facility.

4. Transition services from current interim locations on campus.

5. Initiate emergency preparedness efforts appropriate for the facility. Met with building occupants, representatives of IUPUI Fire Protection Services, Indianapolis Fire Department, the Marion County Health Department and the City’s well field protection program.

6. Refine operations to ensure ongoing compliance and safe operation of the facility.

Revise Campus Waste Disposal Guidelines
Campus Planning Theme: Best Practices
Secondary Goals: None
Sub Unit: Environmental Health and Safety
Time Frame: 2012-2013

Actions taken for 2011-2012:

New goal

Evidence of Progress for 2011-2012:

Guidelines will be revised/updated.
Activities planned for 2012-2013:

Examine and revise campus waste disposal guidelines.

☑ Revise IUPUI Lab Safety Handbook

Campus Planning Theme: Best Practices
Secondary Goals: People
Sub Unit: Environmental Health and Safety
Time Frame: 2012-2013

Actions taken for 2011-2012:

New Goal

Evidence of Progress for 2011-2012:

The Handbook is revised and available to public.

Activities planned for 2012-2013:

Meet with the Laboratory Safety Committee to edit the IUPUI Lab Safety Handbook to include updated information on laboratory safety practices to be included on campus.

☑ Revise the IUPUI Chemical Hygiene Plan

Campus Planning Theme: Best Practices
Secondary Goals:
Sub Unit: Environmental Health and Safety
Time Frame: 2011-2012

Actions taken for 2011-2012:

New Goal

Evidence of Progress for 2011-2012:

Plan will be revised and submitted to the IUPUI Laboratory Safety Committee for review and comment. The IUPUI Chemical Hygiene Plan was revised. This new revision contains over 100 new pages of text that provide guidance to our laboratory personnel on how to work with hazardous chemicals safely.

Activities planned for 2012-2013:
Revise the IUPUI Chemical Hygiene Plan to include updated information on laboratory safety practices in laboratories.

Stay involved in sustainability efforts on campus and provide education about environmental responsibility and sustainability and related events.

**Campus Planning Theme:** Best Practices  
**Secondary Goals:** Resources, Partnerships  
**Sub Unit:** Human Resource Administration Work Life  
**Time Frame:** 2012-13

**Actions taken for 2011-2012:**

Served on Sustainability æ“ Public Health and Sustainability æ“ Transportation subcommittees. Continued to add to IUPUI cyclists listserv and did periodic newsletter to them. Led first effort ever to apply to League of American Bicyclists campus-friendly awards program (we got an honorable mention). Did articles related to recycling, energy conservation, public transit, pre-tax commuter benefit and other environmental topics in Work/Life newsletters.

**Evidence of Progress for 2011-2012:**

Get Back on Your Bike program offered, environmental articles done for newsletter and bicycling newsletter continued.

**Activities planned for 2012-2013:**

Offer a Get Back on Your Bike program. Collaborate with sustainability office and others to build bicycling program. Do articles related to recycling, energy conservation and other environmental topics in Work/Life newsletters. Promote Tox-Away Day and other events. Serve on one or more of the IUPUI Sustainability committees.

Strategic Planning - Quality Physical Environment - By June 30, 2015, identify the top 3 physical environment campus concerns, develop action plans, and initiate execution of action plans.

**Campus Planning Theme:** Best Practices, Collaboration  
**Secondary Goals:** Partnership, People, Resources, Transparency, Value  
**Sub Unit:** Office of Vice Chancellor Finance and Administration  
**Time Frame:** 2012-2015

**Actions taken for 2011-2012:**

Strategic Planning Retreat to determine priorities for our plan. Development of Wildly Important Goals (WIGS) and Action Plans to achieve our goals. Established teams for three individual WIGs.

**Evidence of Progress for 2011-2012:**

Team has established a draft definition of what a Quality Physical Environment is. The definition includes categories such as exterior, interior, and energy.
Activities planned for 2012-2013:

Define physical environment; Survey and Research; Analysis; and Feasibility. Three team meetings have already been scheduled.

☑️ Train all required staff on the topics of the new Hazardous Communication Program (GHS) Program by 12/1/2013.
   **Campus Planning Theme:** Best Practices

   **Time Frame:** 2012-2013

Actions taken for 2011-2012:

New Goal

Evidence of Progress for 2011-2012:

New Goal

Activities planned for 2012-2013:

Create new presentations to educate and inform staff of the GHS Hazard Communication program using E Train and instructor-led sessions. Promote the training through OneStart and in-person training.

☑️ Upgrade quality of existing parking facilities per engineering assessments and 10 year capital plan.
   **Campus Planning Theme:** Best Practices
   **Secondary Goals:** Resources
   **Sub Unit:** Campus Facility Services
   **Time Frame:** Ongoing

Actions taken for 2011-2012:

Contracted Riley Outpatient Center Garage and North Street parking garage structural assessments.

Evidence of Progress for 2011-2012:

Higher quality parking facilities.

Activities planned for 2012-2013:

1. Complete structural problems assessment within Riley Outpatient garage and North Street garage and University Place garage.
2. Begin implementing plan to correct deficiencies.

5. Resources Develop and implement strategies that result in maximization of financial resources for use at the IUPUI campus and within our division.

Complete review of Special Events processes to ensure operational efficiencies and cost effectiveness.

**Campus Planning Theme:** Best Practices  
**Secondary Goals:** Value  
**Sub Unit:** Campus Facility Services  
**Time Frame:** New goal

**Actions taken for 2011-2012:**

None

**Evidence of Progress for 2011-2012:**

Review is complete and strategies developed.

**Activities planned for 2012-2013:**

1. New process should include UBIT compliance and analysis of projected net margin per event.

2. Review special event summary spreadsheet versus flex special event module.

3. Redefine appropriate processes.

Continue review and enhancement of collections processes to increase on-campus collections and decrease dependence on external agencies and decrease the associated costs.

**Campus Planning Theme:** Best Practices  
**Secondary Goals:** None  
**Sub Unit:** Finance Office of the Bursar  
**Time Frame:** 2011-12, 2012-13

**Actions taken for 2011-2012:**

Changed collections cycle to hold accounts longer for action by on-campus collections staff. Developed metrics showing campus success.

**Evidence of Progress for 2011-2012:**

Higher ratio of past due collections by on-campus staff before accounts are referred to external agencies versus prior fiscal periods; lower collection costs in future periods.
Activities planned for 2012-2013:

Develop collections success metrics for all agencies currently used, solicit new agency participation, if warranted, tighten business processes on campus and between campus and external agencies.

☑ Convert University Place Hotel & Conference Center into classroom building and student residential building.
Campus Planning Theme: Teaching and Learning
Secondary Goals: Environment
Sub Unit: Campus Facility Services
Time Frame: New goal, Academic building Æ January 1, 2013, Residential facility Æ May 2013

Actions taken for 2011-2012:

Participation on Conversion Team

Evidence of Progress for 2011-2012:

Activities planned for 2012-2013:

1. Lead efforts to convert academic building and garage.
2. Participate in efforts to convert hotel space to residential facility.

☑ Create greater efficiency in payroll processing in support units.
Campus Planning Theme: Best Practices
Secondary Goals: none
Sub Unit: Finance Office of Financial Services
Time Frame: 2011-12, 2012-13

Actions taken for 2011-2012:

Continue to work with several smaller units to centralize payroll processing for units at the campus level.

Evidence of Progress for 2011-2012:

Reduced number of payroll processor at the campus thereby increasing efficiency.

Activities planned for 2012-2013:
Continue to migrate smaller units into central payroll processing thus creating efficiencies as well as consistency in application of policies.

☑ Create Shared Service for central processing of administrative processes for administrative support units.
   **Campus Planning Theme:** Best Practices
   **Secondary Goals:** none
   **Sub Unit:** Finance Budget Office
   **Time Frame:** 2011-12, 2012-13

Actions taken for 2011-2012:

Worked with smaller units to provide administrative services

Evidence of Progress for 2011-2012:

More efficient processing of administrative activities with the campus support units.

Activities planned for 2012-2013:

Continue to expand providing administrative services to administrative support units for HR, Payroll, Purchasing, etc. to maximize efficient use of resources and to promote consistency in application of policies.

☑ Develop a notification system and performance assessment tool to be used before the end of the new employee evaluation period

   **Campus Planning Theme:** Best Practices
