Concentration \_\_\_\_\_ Specialization  Track \_\_\_\_\_

Is this track, specialization, or concentration a new addition to the curriculum?

No.

What is the rationale for printing this sub plan on the official transcript? How does the subplan assist in defining the major? What is the academic relationship to the degree being conferred?

Students may complete a "generalist" degree OR choose specific electives that represent more-targeted preparation for specific career paths. These specializations correspond to common areas of librarianship.

List the major topics and/or curriculum of the sub plan.

Topics are embedded in subplan names. All include a common core.

Employers will recognize these terms and the appropriate coursework
