

**Recommendation Regarding the Participation of IUPUI
in the Advance College Project**

by the
IFC Academic Affairs Committee

The Academic Affairs Committee carefully evaluated the Advance College Project (ACP) and the potential value of IUPUI's participation in the ACP. The AAC recognizes the significant contribution that the ACP makes to the availability of dual credit courses to high school students. Therefore, the AAC endorses IUPUI becoming an active partner in the ACP as a means of enhancing college preparedness of high school students across the state.
