NATIONAL SPORTS FESTIVAL

INDIANAPOLIS
JULY 23-31, 1982

An activity of the
U.S. Olympic Committee

With all the strategy and tactics of the D-Day invasion of Europe and Hannibal's crossing of the Alps -- but with the surprise of neither -- the wheeling National Sports Festival gets under way Friday with a cast-of-thousands parade, opening ceremonies and jam-packed celebration on Monument Circle.

The opening ceremonies for the festival are geared to amaze, enthrall, and capture the imaginations of the thousands of people who are expected to join the gala celebration Friday in downtown Indianapolis.

Pre-ceremony activities begin at 4 p.m. in the American Legion Mall area, with the colorful Parade of Athletes, featuring some 2,600 competitors, 800 coaches and trainers, four award-winning marching bands and the official lighting of the torch, beginning at 5 p.m.

The Winner's Circle Celebration opens at 6 p.m. on Monument Circle and highlights the Kingston Trio, Clarian, Roadmaster, and the Wright Brothers, as well as the goodies of 25 local food vendors.

The athletes will again be saluted in Market Square Arena festivities which begin at 7 p.m. with pre-show activities, followed by another torch-lighting ceremony with former Olympic gold medalist Wilma Rudolph and entertainment by grand marshal Bob Hope and -- why not? -- Miss America Elizabeth Ward from Arkansas.

Legion Mall ceremonies are free to the public. The MSA program is priced at \$15 for adults and \$7.50 for children 16 and younger

when accompanied by a paying adult. For tickets, call the MSA box office, 639-4444. Admission to the Winner's Circle Celebration is \$3.50 advance and \$4 at the gate.

A major traffic control plan has been developed to accommodate the thousands of participants expected for the Opening Ceremonies celebrations Friday.

Monument Circle will be closed to all traffic from 1 p.m. until midnight. Pennsylvania Street, from St. Clair to Ohio, will be closed from 4 p.m. to 7 p.m.

Ohio Street, from Meridian to Pennsylvania, will be closed from 3 p.m. until approximately 9 p.m. Eastbound traffic on Ohio at Illinois will be halted at 3 p.m., allowing only traffic into the Hilton garage. Westbound traffic on Ohio from Meridian will continue to run at all times.

St. Clair Street, from Meridian to Pennsylvania, will be closed from 9 a.m. to 7 p.m.

North Street, from Meridian to Delaware, will be closed from 4 p.m. to 7 p.m. Michigan Street will continue to run except from 4:45 p.m. and 5:20 p.m. and again from 6 p.m. to 6:30 p.m. At those times Michigan will be closed.

Vermont Street, from Meridian to Delaware, will be closed from 3 p.m. to 7 p.m. New York Street will continue to run except between 6 p.m. to 6:30 p.m., during which time it will be closed.

When most of us out here at IUPUI hear the initials NSF, we automatically think of the National Science Foundation and grants and such. Well, our alphabetical indices are going to be slightly juggled this month when the National Sports Festival -- the other NSF -- hits this campus.

IUPUI is one of 19 sights in town where the American Olympic hopefuls will be competing in 33 sports. And IUPUI's sports facilities -- the Indianapolis Sports Center, the School of Physical Education/Natatorium Building, the Track and Field Stadium and Athletic Fields -- will be the sites of some of the festival's hottest competitions.

Here's a rundown of what's happening, NSF-wise, out here:

And here are some guidelines on -- you guessed it -- parking conditions on campus during the festival:

1. At all times during these events, faculty and staff members and students may park in any lot for which they have a valid permit. (1982-83 parking stickers should be on your cars.)
2. Invariably, there will be times when traffic is heavy for certain events. (During the festival, however, it is estimated

that the heaviest traffic will come on Friday evenings and weekends, times which should not affect that many IUPUI-ites.) At any rate, during these heavy-traffic times, certain parking lots will be restricted to IUPUI personnel. These lots are: #77, east of the Engineering and Technology Building; #78, east of the Business/SPEA Building; #75, west of Cavanaugh Hall; #80, west of the Lecture Hall; #81, south of the Lecture Hall. Lot #86, west of the law school, will require a Special Parking Permit. This is because of law school finals and preparation for state bar exams.

3. These and some other lot entrances will be closed during certain scheduled events. This will permit University Police and Parking Services personnel to restrict parking in these lots to IUPUI faculty and staff members and students only.
4. In general, festival traffic entering the campus on Michigan and New York streets will be directed to park in lots between those streets. Except for the East Garage, sports traffic will not be permitted to park north of Michigan Street, i.e., in the Medical Center area. Sports traffic will be urged to enter the IUPUI campus westbound from Michigan and West streets, and eastbound from New York Street and White River Parkway, and then to follow police signs and directions to available parking lots.

If questions, call Parking Services, ext. 4637.
