GEARING UP FOR FALL REGISTRATION

More than 12,000 students who already reserved their college courses will join thousands more "walk-in" registrants at IUPUI when classes begin August 27. Walk-in registration will be held August 22 and August 25 from 9 a.m. to 7 p.m. in Cavanaugh Hall. Counselors and advisers from IUPUI's 16 schools and divisions will be available to assist students and sign registration cards. (Late registration is August 27.)

To register for the fall term, students must be admitted to the university. "There is still time for students to be admitted and register," reports John Krivacs, director of admissions. He adds that his staff can answer any questions students may have and can direct students to specific offices, such as financial aids or counseling.

The thousands of farsighted students who reserved their choice of courses earlier can pay their fees and claim their courses August 19-21 from 9:30 a.m. to 7 p.m. in Cavanaugh Hall. A time schedule is set up according to the first letters of the student's last name. Times for registering at walk-in are also set up alphabetically.

Fees for all students may be paid by cash, check or VISA. The fee for IUPUI credit courses for Indiana residents is $29 for each credit hour for undergraduate students, $43.25 for graduate.

Some 40 new courses have been added to the fall curriculum. Also, for the first time this fall, IUPUI and public television station WFYI are offering a telecourse in drama appreciation through the School of Liberal Arts. Besides enrolling in 170 degree programs at IUPUI, students also can take non-credit courses through the School of Continuing Studies, which begin in September.

IUPUI students can attend classes at regular campus locations and also take credit courses at five shopping centers via the popular Learn & Shop program. Courses are offered days, evenings and Saturdays and Sundays (Weekend College).
