

MINUTES

FFA GOVERNING COMMITTEE

September 19, 1975

The meeting of the FFA Governing Committee was conducted by telephone by H. N. Hunsicker, Chairman. Persons participating included H. E. Edwards, Byron F. Rawls and Wm. Paul Gray.

Charles R. Jones, an American Farmer Candidate from Tennessee, was disqualified for the Degree because of no membership record in either the state or national office. The State Supervisor himself informed the national office he had no record of active membership of this individual. However, when the candidate was notified the area supervisor produced the chapter roster of a member by the name of "Charles Darrell Richard Jones" and informed this office that this was the candidate's full name. The state and national membership rosters verify he paid dues and is an active member in good standing. A letter from the State Supervisor, fully explaining the situation, together with a copy of the chapter membership roster and receipt is on file.

It was moved by Mr. Edwards, seconded by Mr. Rawls and carried that Charles R. Jones be declared eligible to receive the American Farmer Degree at the 1975 National FFA Convention.

Respectfully submitted,

Wm. Paul Gray, Secretary
