September 30, 1966

## LIBRARY NEWS

A warm welcome is extended to a new library staff member, even as it is regretfully necessary to say good-bye to another. Mrs. Evelyn Allen came to the School of Dentistry library on September 1, 1966, and Mrs. Jane King will be leaving the staff in mid-October.

Mrs. Allen is assuming the duties of the post vacated by Mrs. Helen Campbell when the latter became librarian upon the retirement of Mrs. Mabel Walker as of June 30, 1966. Mrs. Allen was a member of the staff of the Shelbyville Public Library, Shelbyville, Indiana from 1959 until 1966. In June, 1966, she received her MLS degree from Indiana University, Bloomington. She lived for nine years in Venezuela, South America and has two children -- a daughter who is currently employed in Madrid, Spain and a son who is connected with communications at Ft. Benjamin Harrison. In addition to the absorbing duties of librarianship, one of Mrs. Allen's chief interests is music and the collection of records.

Mrs. King has served as assistant cataloger of the School of Dentistry library for the past year and will be leaving in October to return to her former place of residence, Buffalo, New York. Her husband, who has been connected with the Indianapolis Symphony Orchestra, has accepted a position with the Buffalo Symphony Orchestra.

## NEWS FROM DENTAL MATERIALS

Professor R. W. Phillips was in Washington on the 8th of September, serving as a member of the Research Advisory Committee to the Office of the Surgeon General, U. S. Army Dental Corps. On September 15th, he attended a meeting of the Committee on Teaching held in Chicago, Illinois.

September 19th found Professor Phillips delivering a lecture at the annual meeting of the Wisconsin chapter, Academy of General Dentistry, Milwaukee, Wisconsin. On September 26th, he conducted a postgraduate course at Walter Reed Army Hospital; on September 27th, he served as consultant at the University of Virginia and on September 28th, he lectured at the Greater Pittsburgh Meeting.

A recent visitor to the department was Doctor Ksuyoko Saito, noting the research and teaching activities. Doctor Saito, from Nihon University in Japan came to the United States following two years study at the University of Denmark and is visiting selected research facilities.

Mr. Raymond Doyle has left the department to continue working for his master's degree in pharmacy at Purdue University.

Our congratulations to Mrs. Charlotte Sears on the occasion of her recent marriage, August 20, 1966.

## TOASTMASTER'S CLUB

The Indiana University Medical Center Toastmaster's Club invites you to attend one of its organizational meetings on Tuesdays at 12:05 to 1:20 P.M. in the Union Building, during September and October. Toastmasters is an international organization founded for those men who seek to increase their self-confidence through improvement of their speaking ability. We need you to help us develop our speaking abilities. For additional information, contact Roger Noonan, Ext. 8220, or Bob Musselman, Ext. 8566.

We wish to welcome Doctors Malcolm E. Boone, Raymond Kim and David R. Jordan, three new full-time faculty members, to our department.

September 21st, Dr. James E. House started a teaching course of eight lectures on complete denture construction at the Fort Wayne Dental School.

Dr. Malcolm Boone will attend the 8th Annual Conference on Aging and the Aged at Purdue University, October 4-5, at the invitation of Governor Branigin.

## ORAL DIAGNOSIS CLINIC

We would like to welcome Doctor Stuart Caplan, who has joined our faculty and will be instructing on Monday and Friday afternoons.

## OPERATIVE DENTISTRY NEWS

Our congratulations to Dr. and Mrs. Carlos Suarez on the arrival of their son, September 9th.

## FRESHMEN VISIT ANIMAL LAB

Mrs. Redford reports that she was quite pleased by the response of the touring groups of incoming Freshmen Dental Students who visited the IUSD Animal Laboratory, as a part of their orientation.

## ORAL DIAGNOSIS - ORAL MEDICINE

Dr. David F. Mitchell visited the University of Colorado as consultant for the proposed new dental school on August 22-24. He spent vacation time with his family at a lakeside cottage.

Alumni of the IUSD Graduate School, Dr. Hala Zawawi Henderson of Kuwait, Arabia and Dr. Abu-Bakr Ramadan of Alexandria, Egypt were recent visitors to the department in August.

We extend a cordial welcome to Mrs. Sue Beastall, the new addition to the secretarial staff. Sue was formerly from Evansville, Indiana.

## MAXILLOFACIAL PROSTHETICS

Dr. Varoujan Tchalian was a panelist at the American Academy of Maxillo-facial Prosthetics Workshop held in Washington, D.C., September 12-16. The panels on which he participated were: "Programs for Training in the Maxillofacial Discipline;" "Extra-Oral (Facial) and Body Prosthesis;" and "The Maxillofacial Operatory and Laboratory."

On September 16th, Dr. Tchalian lectured to senior dental students and faculty members at the Medical College of Virginia School of Dentistry, Richmond, Virginia, on "Maxillofacial Prosthetics as a Dental Specialty."

## TEACHING CONFERENCE A SUCCESS

One hundred fifteen members of the faculty, class representatives and guests from other schools participated in the second annual Faculty Teaching Conference held at the Spring Mill Inn, Spring Mill State Park, Mitchell, Indiana, September 11-14, and agreed that the conference was very informative and stimulating. A complete report of the conference will be published in the next issue of the Alumni Bulletin of the IUSD.

# NEWS FROM DENTAL DIVISION INDIANA STATE BOARD OF HEALTH

The Dental Division is pleased to announce that Dr. Charles E. Smith has joined the staff. Dr. Smith is a 1961 graduate of the Indiana University School of Dentistry and received his master's degree in Public Health from the University of Michigan in 1965. He comes to us from Fort Wayne, where he has been working for the past year in the dental department at the Fort Wayne State School. We are most happy to welcome Dr. Smith and look forward to his assistance in working principally with state institutions and fluoridation projects.

Also back with the Dental Division after a summer's leave is Miss Lillian O. Dahl, R.D.H. Miss Dahl has had considerable experience in working with dental research projects and we are pleased to gain her experience in this field. She will work with the Division's clinical studies to determine the feasibility of the self-application of topical fluoride compounds.

## ORTHODONTIC DEPARTMENT NEWS

Dr. Charles Burstone was in Washington, D.C., September 20-22, attending a meeting of the dental study section of the Public Health Department. Dr. Burstone recently accepted an appointment to the dental study section, the main objective of which is to study and approve proposed public health research grants.

Mrs. Marilyn Harbaugh, technician in the department, has recently accepted a position in psychiatric research.

## RECEIVES RESEARCH GRANT

Dr. Millicent Henry, graduate student in pedodontics, has received a U.S.P.H.S. post-doctoral research grant. Dr. Henry will investigate the "Autogenous Epithelialization of the Dental Pulp."

## NEWS FROM DEPARTMENT OF ORAL PATHOLOGY

Dr. Gisle Bang from Norway is doing research in the department until December. Before coming to Indianapolis he was in California for a year and a half.

Paula Jetmore has joined the assisting staff as secretary. Sandra Bush and Lois O'Banion are two new technicians.

## RILEY DENTAL CLINIC

Riley Dental Clinic staff and members of the dental cleft palate team attended the Indiana State Pedodontic Society Meeting at the Athletic Club, September 21st. Dr. Mohammed Mazaheri, chief of the dental division, Lancaster, Pennsylvania Cleft Palate Clinic, and president of the American Cleft Palate Association, lectured on "Cleft Palate Rehabilitation."

Dr. and Mrs. James A. Fleck are the proud parents of a new son, James Dennis, born September 19th. Our congratulations.

## HEALTH EDUCATION CONFERENCE

Dean Maynard K. Hine, Dr. Ralph E. McDonald and Dr. Joseph Muhler participated in the program of the Seventh Annual Northeastern Indiana School Health Education Conference, Wednesday, September 28th at St. Francis College in Fort Wayne. The conference is sponsored by: St. Francis College, the Indiana State Board of Health, the Indiana State Medical Association, the Indiana State Dental Association, the Indiana State Department of Public Instruction, parochial schools of the state and the Parent Teachers' Association.

Dean Hine, the keynote speaker, addressed the conference on, "Challenge and Change in Dentistry."

## CONFERENCE ON DENTAL AUXILIARY UTILIZATION

Dr. Ralph McDonald was at Georgetown University September 20-21 to participate in a conference on Dental Auxiliary Utilization. Fourteen eastern schools were represented at the conference.

On Thursday and Friday, September 22-23, Dr. McDonald participated in a meeting of the U.S.P.H.S. advisory committee on dental student training which was held in Bethesda, Maryland.

## NEWS FROM ENDODONTICS

Dr. Harry J. Healey, president of the Indiana State Dental Association, will represent that organization at the Centennial Celebration Meeting of the Ohio State Dental Association, October 1-5 in Columbus, Ohio.

From Columbus, Dr. Healey will continue on to Boston, Massachusetts where he will participate in conferences on Advanced Education in Endodontics, October 7-9 at the Forsythe Dental Center.

Dr. Donald E. Arens was appointed as chairman of the Library Committee of the American Association of Endodontists.

## NEWS FROM PEDODONTICS

Dr. Paul Starkey was honored on Tuesday, September 20th, by the Dayton Study Club of the American Society of Dentistry for Children, which met to celebrate the 10th anniversary of its founding, September, 1956. The group boasts a current membership of 85 and meets quarterly. Dr. Starkey spoke to the group regarding the activities of ASDC and its plans for the future. He also discussed the report of the ADA task force to develop a national dental health program for children, which has been approved by the Board of Trustees of ADA and will be presented to the House of Delegates in Dallas.

Dr. Starkey also met with the Wisconsin Society of Dentistry for Children, a unit of the ASDC, on Sunday and Monday, September 25 and 26th at Bailey's Harbor, Wisconsin.
