Mary L. Fisher Appointed Associate Vice Chancellor for Academic Affairs

INDIANAPOLIS – The office of the Executive Vice Chancellor and Dean of the Faculties is pleased to announce the appointment of Mary L. Fisher, Professor in the School of Nursing, and Chair of the Department of Environments for Health, to succeed Sharon J. Hamilton as the Associate Vice Chancellor for Academic Affairs.

Professor Fisher joined IUPUI in 1989 as an Associate Professor of Nursing in the Department of Nursing Administration. Promoted to the rank of full professor in 2005, she has made a significant impact not only on the teaching, research, and service mission of her department and school, but also, through her service on faculty governance, and on policies and procedures that affect the campus and the university. Her excellence in teaching and mentoring has been acknowledged through many honors and awards, including the 2005 Founders Day President's Award for Teaching Excellence and her membership and leadership in FACET. Professor Fisher's recent

Blood Drive – Good News!

Thanks to everyone who donated!

The Staff Council blood drive netted 175 pints of blood. Our goal was 200 pints, but thanks to you and everyone's efforts, there is blood in the bank for use in Indiana! The Indiana Blood Center gives over 550 units of blood to over 60 Indiana hospitals. We donated **33% or a daily supply!**

A special thanks to Karen Best and the Special Events Committee as well as Nancy Gibson who "womaned" the drive at Safeco and Dale Ray who "manned" the drive at University College.

SUVON Retirement

On May 31, Indiana Higher Education Telecommunications Systems is retiring its State University Voice Operated Network (SUVON) service.

When you dial 16, plus an area code and seven-digit phone number, you're using SUVON. On the Bloomington campus, direct dialed calls may also be routed over SUVON. SUVON access has been limited to faculty and staff conducting university business.

As of June 1, you will need to dial 9+1+[area code]+[number] and enter your authorization code to place long distance calls. To reduce the impact of charges for formerly free SUVON calls, UITS is providing faculty and staff customers with:

- * Free calls from the IUB and IUPUI campuses to other IU campuses
- * Reduced domestic long distance rates of \$0.07 per minute
- * Modified billing increments, so the first 60 seconds of the call bill at \$0.07 and then in 15 second increments thereafter

MARY FISHER (CONTINUED)

research has focused on various aspects of academic restructuring, approaches to problem-based learning represented in electronic portfolios, and effective administration, including successful administrative succession transitions, staff response to organizational leadership in professional practice. Through her extensive roles and responsibilities in faculty governance, her service impact on IUPUI includes drafting and initiating policies and procedures for a Faculty Executive Nominating Committee, development of an organizational chart documenting the complexities of faculty governance, and leading the faculty response to the Allied Health School restructuring. Additionally, Professor Fisher has served on a large number of departmental, school, and campus committees devoted to improving teaching and learning at IUPUI, most recently serving for the past two years as FACET liaison to the campus and on the Retention and Graduation Steering Committee.

The Associate Vice Chancellor for Academic Affairs plays a key role in developing and providing opportunities for faculty to have successful careers at IUPUI from the time they are hired. Working closely with the newly established Consortium for Learning and Scholarship (which includes the Center for Research and Learning, the Center for Service and Learning, and the Center for Teaching and Learning), the recently established office for Faculty Appointments and Advancement (formerly APPD), and with the Executive Committee of the Faculty Council, the AVCAA, in close collaboration with the Executive Vice Chancellor and Dean of the Faculties, provides campus-wide leadership and support for faculty. Mary Fisher will assume her full-time duties as Associate Vice Chancellor on August 1, upon the retirement of the current Associate Vice Chancellor, Sharon Hamilton.

Don't Feed the Geese!!

Campus Facility Services has the required permits to remove Canadian geese nests on campus through the US Fish and Wildlife Service (<https://epermits.fws.gov/eRCGR/geSI.aspx>). The campus contact for these issues is Mike Lennis (8-2364). If you have questions, please contact Mike.

Many times problems with the geese persist due to people feeding them. While this may sound like a harmless practice, it can actually be harmful to both the geese and the people in the area.

This was taken from the Department of Natural Resources:

“End the hand-feeding of geese. Property visitors feed bread crumbs and other human food to the geese. The Canada goose’s natural diet includes seeds, plants and insects, and human food is not a healthy substitute. Hand feeding encourages the geese to stay in one place and it also causes them to grow accustomed to human interaction. Not only is this dangerous to the geese, but it could result in more aggressive and harmful behavior by the geese towards humans.”

This was taken from the Department of Natural Resources:

A Day of Remembrance

Monday, May 5, 2008

Campus Center, Room 305

12:30 p.m. to 1:30 p.m.

A Day of Remembrance is a time for the entire IUPUI family to come together and remember the students, faculty, staff and alumni who have passed away. On Monday, May 5, we will remember the following members of the IUPUI family. During the ceremony, those who wish to do so will be invited to share a memory of the friend or loved one who is being honored. Please join us.

National Empty Holster Protest

During the week of April 21-25, 2008, IUPUI students will participate in the Second National Empty Holster protest here on campus. These students are members of the Students for Concealed Carry on Campus (SCCC) and will attend classes wearing EMPTY holsters. This symbolic protest is a result of state laws and campus policies that prohibit concealed weapons on college campuses in the hands of law-abiding citizens, and more specifically, concealed weapons permit holders.

Students participating in this protest will be wearing EMPTY holsters that are to be fully visible. Protestors will go about their daily activities and should not create any unnecessary disturbance. Please be advised that these students pose no threat to campus safety and are not carrying weapons. If you want more information regarding the protest or interested in participating, please contact Jordan Stover at (989) 948-3931 or at stoverj@iupui.edu. You can also visit www.concealedcampus.org for more information.

Point of clarification: It was stated in the Staff Council meeting of April 15 that Christopher Walthers had only resigned from his office as Second Vice President. After review, the Staff Council Executive Committee reports that Chris has stepped down totally from the Council. His office will undergo election during the time for election in late spring.

Hats off to Mandy Booker!

Mandy is a Staff Council member and will be leaving IUPUI at the end of May. Mandy said, "I will be relocating to Rollins College in Winter Park, Florida to be their Bursar. My husband, Steve Booker, the Senior Associate Director of Financial Aid at IUPUI, will be leaving with me to be the Director of Financial Aid at Rollins. We have truly enjoyed our experience at IUPUI and have been honored to work among such talented and caring individuals." Please join the SCEC in congratulating Mandy and Steve!

Attached you will find an application for IUPUI Staff Council's First Annual Juried Fine Arts & Crafts Fair. We have approximately 60 booths available. All applications will be judged by a committee of Staff Council members and must be accompanied by four pictures of your art or craft. We reserve the right to limit the number of spaces in any particular craft category. Please remember to include an accurate description of your art or craft on the application. We are only accepting items which are hand-crafted by you. The sale of candles, potpourri, clothing, etc., that are not hand-made or not contained in a hand-crafted item are prohibited. Commercially made or mass-produced items for resale will not be allowed. If we find you have commercially made items, you will be asked to remove those items or tear down immediately and you will forfeit your booth fee. We also require that all tables be skirted or covered to the floor. Vendors will not be allowed to sell any homemade food items.

Please return the completed application, four (4) pictures of your art or craft, and a **business size, self-addressed, stamped envelope to the name and address listed at the top of the application by Monday, June 1, 2008.** Please do not send the booth fee with your application. If your application is accepted, you will receive a confirmation letter which will indicate the amount you owe for the reservation of a booth(s). Participation in the 2008 show does not constitute automatic participation in future shows.

Our fair will be advertised in area newspapers and at various businesses. Chartwells Dining Services will be serving a variety of menu items throughout the day of the fair for the convenience of vendors and customers. Barnes & Noble Bookstore featuring Starbucks Coffee will be open beginning at 8:00 a.m. Parking will be available for vendors in the Vermont Street Garage as well as one designated surface lot. Visitor passes will be provided for your parking needs, 1 pass per vendor for Friday evening set-up and all day Saturday. IUPUI Staff Council reserves the right to make necessary changes without prior notification. More information about the Campus Center can be found on-line at: <http://www.iupui.edu/~sldweb/campus-center>

All proceeds from booth rental will go towards scholarships and university projects.
