Message of the President

Last year, at the Rochester convention, I told the delegates that for the first time since the depression I looked hopefully for a new dawn to follow the darkness. I called attention to our membership statistics, which showed only an insignificant loss for the first time in years. I said that from now on "we should easily score an advance." The secretary's report this year shows we have scored such an advance. It is less than 500 members, but it is an indication of what can be done if we do not neglect our missionary duty of going after young people. Let me repeat what I said at the convention:

"It is the duty of every district to organize new societies. Select some city without a Turnverein, canvass from house to house for members, and do not rest until your purpose is achieved. This is the only way.

"Every Turnverein can also increase its membership in the same way. Pick the people you wish to join and get a committee to invite them. For almost 90 years the American Turnerbund has been the most American of all American associations. The best citizens of our country should be in our ranks."

Just a few weeks ago I paid a personal visit to every Turnverein in the New England district. The loyalty and enthusiasm of those societies convinced me that our future is not behind us. Nearly everywhere membership campaigns were in progress, new and larger halls were being planned by several societies, and the Turners were standing firmly on sound Turner principles of liberty and equal rights.

Indications are that the Cleveland Turnfest will be the largest and best ever held. From that Turnfest onward we should easily make big strides in numbers and influence. We can do it if we try. The prestige of this triumphant festival, at which the new Hearst trophy—The Silver Pyramid surmounted by the Discus Thrower—will be contested for the first time, should make further progress easy.

At the same time we should not forget the campaign for the maintenance of the Normal College at Indianapolis. Despite thousands of letters sent out, the response so far has been disappointing. As soon as the Turnfest is out of the way, an organization covering the Turnerbund will be formed and everybody should prepare to do all in his power toward our objective—\$500,000 for the College Maintenance Fund.

Our Jahn Educational Fund may soon be expected to provide us with the English organ we have so long hoped to see proclaiming our principles. The Instructors' Fund also is doing good work for aged and unfortunate teachers. These two funds are firmly established—our college needs our help next.

In a time of political stress and storm, both in our own land and abroad, our Turners have kept themselves free from partisan entanglements, standing firm upon the broad foundation of democracy established by Washington and Jefferson, Paine and Lincoln. Let us continue to stand united for these things which our fathers of 1848 proclaimed. Let us cry "Gut Heil!" and forge ahead. The distraught world sadly needs our liberal and tolerant ideals. Let us not be remiss in telling the world about them. "A sound mind in a sound body," is the cornerstone of that mighty pyramid, "Liberty, Education and a Better World."

GEORGE SEIBEL

Instructors' Fund of the American Turnerbund

The Instructors' Fund was established by the American Turnerbund for the purpose of aiding Instructors who have served the Turnerbund faithfully and who are seriously in need of assistance.

The following are some of the provisions of the Trust Agreement governing this Fund: The principal of this Fund must be invested only in high grade U. S. Government, State or Municipal Bonds. One-fourth of the income must be added to the principal to insure the growth of the Fund. The balance of the income is available for distribution to worthy applicants. No trustee shall receive any salary or any other compensation.

The fact that this fund has been urgently needed is proved by the number of very worthy applications for aid which have been submitted.

As the need for aid is great, further donations by Societies or individuals are solicited. It is our hope that, before the end of 1936, every Society in the Turnerbund will be represented by a donation to this Fund, either from the Society or from an individual member. There is no limit to the size of the donation, but any sum will be very much appreciated.

Attention of the Instructors of the Turnerbund is respectfully invited to the following resolution submitted by the Western District of New York and unanimously adopted by the 1933 National Convention:

"Be it resolved that the teachers who are now serving or in the future will serve the Turnvereins of the American Turnerbund, are earnestly urged to contribute a certain percentage of their salaries to the Instructors' Fund now created."

It is our hope that, in the spirit of the above resolution, all Instructors may be represented by a donation. Their donation need not necessarily be large. We

want them to have an interest in this Fund even if they cannot give more than a few dollars from time to time.

It is the sincere wish of the Trustees to see this Fund grow to a size to meet the deserving demands and sufficient to produce other benefits for the American Turnerbund.

With Turner Greetings,

THE TRUSTEES OF THE INSTRUCTORS' FUND

Here's Another Hint for all Turners

No bequests have yet been made to the Instructors' Fund, as it has just been launched, but as it is a permanent Endowment, which will grow to ever greater proportions as the years pass, there will be many Turners, no doubt, desiring to make provision in their wills to aid the brave apostles of Turnerism through this Fund. For the guidance of such Turners the following form is given to write in their wills as a codicil:

I give and bequeath to the Trustees of the Instructors' Fund of the American Turnerbund, the sum of

Report of Committee on Mental Activities

To the Societies of the American Turnerbund:

GUT HEIL!

As your Chairman on Mental Activities for the past thirteen years, I respectfully submit the following, anent the activities of our societies for the current year of 1935 - 1936.

Conscious of the high honor conferred on me, as the National Chairman of this committee, it has been my endeavor to fulfill the manifold duties connected with this office to the best of my knowledge and ability; attempting at all times to induce the societies and individual members of our organization to devote their time and attention in furthering Mental Activities; a feature of our ideals and principles most important to the welfare and growth of the American Turnerbund.

Approaching years, together with the thought that a change in the chairmanship of this office is most desirable, I have reluctantly tendered my resignation as chairman of the committee, so that others, younger, more capable, and energetic than myself may assume the duties of this important office.

As stated in my report for the years of 1934 - 1935, we have passed through the valley of economic stress, gravely involving the welfare of the Turnerbund. It is my candid opinion that we are in sight of better times, such where we may be privileged to be relieved from financial burdens, retarding the welfare of the Turnerbund.

Regrettably, many of our societies fail to report their activities in this field, preventing the National Committee from compiling and submitting a more comprehensive and favorable report.

From indications available, there will be a very creditable representation of dramatic performances and singing contests on the part of our societies at the 35th National Turnfest, to take place in the city of Cleveland, Ohio, during the latter days of the month of June, together with a corresponding large number of contestants in the recitation and essay contests. I urgently request those who have not as yet filed their applications to compete, or submit essays, to do so forthwith.

In voicing appreciation at having been privileged to serve as a member of the National Executive Committee for the past thirteen years, I sincerely hope that the errors that I may have committed, will be ascribed to those of the head and not of the heart. I close with hearty good wishes for the continued welfare of the American Turnerbund, an organization that has contributed more to the advancement of physical and mental training than any other like organization; one worthy of the esteem and support of all those seeking the promulgation of free speech, free press, and the right to shape their lives in consonance with the dictates of their conscience.

Yours with Turner Greetings,

RICHARD TURNT.

The Jahn Educational Fund

Back in July, 1925, Turner Theodore Ahrens of Louisville, Kentucky, made a gift of \$5,000 to launch the Jahn Educational Fund to promote mental training activities in the American Turnerbund. When this Fund was launched, it was planned to collect \$100,000 as quickly as possible, and let the Fund grow to a million by the slow accretion of its unused earnings. One third of the net income of the Trust was to be added to the principal, to insure the attainment of the ultimate goal.

This Fund now amounts to more than \$50,000 and is steadily growing. Active solicitation for the Fund has not been carried on during the last five years, since the depression made such activities inadvisable; and within the last years there has been less effort than ever, in order not to interfere with the Normal College in its financial plans.

The object of the Jahn Educational Fund was to encourage "Geistiges Turnen," or mental work, upon which we depend for the perpetuation of our ideals. This mental training activity has often been referred to as the "Stiefkind" or "Schmerzkind" of the Turnerbund. The object of the Fund was to furnish support and encouragement to those engaged in this fundamental activity.

Because of the times and circumstances which made it necessary to go slowly in the accumulation of the Fund, very little has been said about its uses. But it has not been inactive. Over \$3,000 has been expended in various ways: for Lectures, the Cologne Turnfest film and the Washington Pageant, the Buffalo Turnfest Play, Books for the Normal College and Turnvereins, awards for literary work, and propaganda for the Turnerbund.

In advance of the Cleveland Turnfest the Jahn Fund offered cash prizes for the best Dramatic Sections. For the best performance of a one-act play, either in English or German, a cash prize of \$100 is offered. For the second-best performance a cash prize of \$50. For the third-best a cash prize of \$25. Dramatic critics of Cleveland newspapers were asked to serve as judges.

The Trustees have also been considering the use of the Fund for the purpose of inaugurating an English organ of national scope. Several plans have been submitted, and one of them was approved, but the private sponsors of these plans were deterred by the depression. If these plans do not materialize within the next three months, the Trustees will proceed with a plan of their own. Because of the limited resources of the Fund it may be necessary to start upon a small scale, so as to incur no expense or liability to the Turnerbund. But if the publication is worthy and fills a real need, it should ultimately pay for itself.

We have conscientiously guarded the Fund against attempts to divert it to other purposes, not contemplated in the foundation. We believe it fulfills a needed function, and will become more useful as the years go by and the Fund

grows. One member of the Board of Trustees having died—our lamented Dr. Hermann Groth, in his place was elected Otto Kallmeyer of St. Louis, while Richard Turnt was elected to the advisory position formerly held by Turner Kallmeyer.

Turners who wish to do something for the cause of mental education in our Societies should not forget that the Jahn Educational Fund offers them this opportunity, and that it will be conducted in loyal adherence to the ideals of the Turner Fathers.

Turners' Normal College

The Normal College of the American Turnerbund is affiliated with Indiana University; its students can acquire the degree of the State University as well as that of the Normal College. The College remains an independent institution, however, and continues its courses as given heretofore.

The Board of Trustees of the College consists of the following: President, George Vonnegut; Treasurer, Richard A. Kurtz; Oscar H. Koster, Leo M. Rappaport; Dr. Rudolph Hofmeister, St. Louis; Paul Krimmel, Syracuse; Grover William Mueller, Philadelphia; Max Strass, Chicago; W. K. Streit, Cincinnati; Joseph Weissmueller, Louisville; Dr. Carl B. Sputh, President of the College and Dean of the Department of Science and Hygiene; Emil Rinsch, Acting Dean of the Department of Education, Social Science and Languages, and Secretary of the Board; Rudolph Schreiber, Acting Dean of the Department of Theory and Practice of Physical Education.

The faculty, consisting of sixteen instructors, includes members of the teaching staff of Indiana University.

The following courses are offered:

A four-year course leading to the degree of Bachelor of Physical Education (B.P.E.) and to certification as Teacher of Physical Training for Elementary and High Schools.

An elementary two-year course, open to male non-matriculants who have attained a high degree of proficiency in gymnastics (gymnasts of the second or third grade) and meet such additional requirements as may be prescribed, including a satisfactory knowledge of German. Students who complete this course receive a certificate attesting that they are qualified to teach physical education in schools maintained by societies of the American Turnerbund.

Complete information about these courses is given in the catalogue of the Normal College, sent on request.

Beginning with the year 1919-20 the Board of Trustees of the Normal College has offered seven scholarships to members of the American Turnerbund (one for each of the circuits), consisting of free tuition for the two-year course. Full information about these scholarships will be sent on request.

The 27th convention of the Turnerbund decided to offer similar scholarships to 21 members (one for each of the districts), without the high school education required for those mentioned above, consisting of one year's free tuition for the elementary course. Complete information will be sent on request.

Our Turner Chautauqua

Where Do You Spend Your Vacation?

There is no pleasanter place to spend the hot summer than on beautiful Elkhart Lake, where the summer school and camp of the Turnerbund are located.

To the shores of this lovely Wisconsin Lake come hundreds of Turners, old and young, to rest and meet old friends.

The Turners have a fine cottage hotel right on the grounds, and there are other places where rooms and board can be secured at reasonable rates. Address inquiries to

WHAT TURNERS SHOULD BE!

Reading the daily expositions of official chicanery brings to mind the following lines of J. G. Holland, based on an ancient Greek Ode, voicing a prayer and need for today as essential as when written:

"God give us men. The times demand
Strong minds, great hearts, true faith
and willing hands;
Men whom the lust of office does not kill;
Men whom the spoils of office cannot buy;
Men who possess opinions and a will;
Men who have honor; men who will not lie;
Men who can stand before a demagogue
And damn his treacherous flatterings without
winking;
Tall men, sun-crowned, who live above the fog
In public duty and in private thinking."

What the Turners Want

To close observers it should be evident that the modern trend of physical education is in line with what the Turners always have had as their ideal. This ideal is a human being who has had all his innate possibilities developed to their fullest capacity; a healthy human being possessing a trained mind; a person who in all his actions is guided by a social conscience.

If once this is understood, the reason for the committees usually found in Turner societies, namely: On Schools, on Mental Development, on Lectures and Debates, on Dramatics, on Sunday Schools, etc., can be more easily understood. They mean that a Turner Society is not an athletic club, but an educational institution; an institution that has as its ideal the training of intelligent self-willed citizens.

WILLIAM STECHER.

Our Normal College Campaign

When George Seibel and Richard Turnt paid their visit of investigation and consultation to Indianapolis, the home of the Turners' Normal College, every aspect of the situation was gone into and every complaint heard in recent years was aired. One of the main criticisms has been that the College did not pay sufficient attention to Turner Problems. There may have been some justification for this, and a new course has been outlined.

That meeting resulted in a decision, later ratified by the National Executive Committee, to undertake this campaign for raising a Maintenance Fund of \$500,000.

At the homecoming week (Thanksgiving) President Seibel again visited Indianapolis. He called upon former President Theodore Stempfel, who was dying and has since died. As they parted, Stempfel said to him:

"For myself I only hope that I may live over Christmas, so that the family may not have its holidays darkened by a funeral. But I shall die perfectly happy if I know the College is to live on."

During the 75 years of its existence the Normal College has graduated over 1,000 teachers. Of these men and women 28 are supervisors of physical education in their cities. We have a fairly accurate record of over 1000:

Leo M. Rappaport said: "Can we Turners afford to let it be said that the Y. M. C. A. can have a building in almost every community, but that we cannot raise a mere half million to assure our school's future? Pride alone should prompt everyone to do his share."

Wm. M. Streit said: "The Alumni will surely respond to the fullest measure of their ability. We owe our Alma Mater a debt we can repay only by our devotion to the great cause of Turnerism."

The Jahn Educational Fund, in consideration of the new courses to be established at the Normal College, at once subscribed the sum of five thousand dollars toward the Maintenance Fund, to be paid at the rate of \$1,000 per annum for five years.

Theodore Ahrens sent a telegram saying: "I am in sympathy with the plan to secure an endowment fund, but only if we are satisfied that sufficient interest in this fund can be created to assure us of an endowment fund of not less than two hundred thousand dollars. With that proviso I am willing to subscribe five thousand payable in five yearly instalments. But let us not start something we cannot finish properly."

Let's go ahead and finish it!
