

## STAR

STAR is a semester-long mentoring program for students in University College who are on first-time academic probation. STAR provides a mentor for each student as they work to get back to good academic standing. [Learn More »](#)

## BECOME A MENTOR

Join STAR and grow confident in reaching your academic goals with success. Learn the skills to avoid future academic probation and dismissal from IUPUI. [Learn More »](#)

## *STAR Motto*

### LEARN

### COMMUNICATE

### ACHIEVE

Turning academic potential into academic success.

## *Find a Student to Mentor*

Students must enable third party access for family members in order to share grade and schedule information. [GO »](#)

## *Participant Quotes*

"I really enjoyed working with mentors and being able to have them learn from my experiences."

-Nathan Byrer, Mentor

University College
