YOU'LL FIND THEM IN TORONTO

The International Association for Dental Research met July 21-25 in Toronto prior to the 42nd Annual Session of the American Association of Dental Schools. The two meetings have drawn a large populace from IUSD as participants and attendants.

Seven members of the faculty presented papers at the IADR meeting. IU program participants included: Miss Marjorie Swartz, Doctors David Bixler, LaForrest Garner, Arthur S. Miller, David F. Mitchell, Richard D. Norman, and Prof. Ralph Phillips. Professor Phillips also served as chairman of the program committee and on the research committee.

A number of the faculty members participated in the AADS meetings July 25-28. Dr. Robert Derry served as chairman of the Complete Denture Section; Dr. William Gilmore as chairman of the Operative Section; Dr. James House presented a paper; Dr. John F. Johnston served as secretary for the Partial Prosthodontics Section; Dr. Ralph E. McDonald presented a paper July 25 at the Conference Session on Dental Libraries, and Dr. David Mitchell served as faculty delegate to the AADS.

Others in attendance included Dean Hine, Doctors Robert Bogan, Liam Convery, Donald Cunningham, Roland Dykema, El Saad Hassan, David K. Hennon, William Shafer, S. Miles Standish, Henry M. Swenson, Varoujan Tchalian, Mesdames Helen Campbell, Patricia Clark, Carla Totten, and Mr. George Stookey.

DR. BURSTONE LECTURES IN WEST VIRGINIA

Dr. Charles Burstone was guest at the West Virginia Orthodontic Society meeting held in Greenbrier July 18-20 and delivered a presentation on Segmented Arch Technique: Application of Light Constant Forces in Orthodontics.

DENTAL HEALTH CONFERENCE HELD AT
UNIVERSITY OF NORTH CAROLINA

Dr. Charles Gish is participating in a two-week conference and training program on dental health held July 19-31 at the University of North Carolina at Chapel Hill. The theme of the conference is "Principles of Public Health for Dentists and Dental Hygienists". Dr. Gish is contributing to the program by presenting a paper on "organization and Implementation of Preventive Dentistry Programs in the Community."

Miss Rebekah Fisk, Director of Dental Hygiene, is also attending this workshop.

RECONNOITERING FOR NEW IUSD LIBRARY

Mrs. Mabel Walker and Mrs. Helen Campbell spent Friday, July 16 in St. Louis, Missouri, visiting and inspecting two libraries--the Pius XII Memorial Library of St. Louis University and the School of Dentistry Library of Washington University. This tour of inspection was one of a series of such visits made by Mrs. Walker and Mrs. Campbell during the past spring for the purpose of accumulating information and ideas to incorporate into plans for a proposed new IUSD Library.

RESERVISTS ON ACTIVE DUTY

Dr. L. Rush Bailey spent two weeks in June on active Air Force Reserve duty in Washington, D. C. in the Surgeon General's office.

Dr. Chester Coccia, graduate student in the Department of Pedodontics, just returned from Ft. Riley, Kansas, where he spent two weeks on active duty, attending the dental needs of a group of men due to be shipped to Viet Nam shortly.

UNDERGRADUATE PEDODONTIC STAFF
MEET AT LAKE FREEMAN

The summer cottage of Dr. Charles Gish on Lake Freeman was the site of a meeting on July 18 of the members of the Department of Pedodontics engaged in teaching in the undergraduate clinic. Doctor Starkey reviewed for the staff several of the lectures he presents to undergraduate students, and Dr. Gish spoke on multiple fluorides and showed the color film, "Closed Chest Resuscitation". The group enjoyed a cookout, swimming and water skiing following the meeting.

This was the second meeting held by this group for the purpose of improving and coordinating their clinical teaching.

WARM WELCOMES AND
FOND GOODBYES

Mrs. Janet Rockey has come to the Oral Diagnosis clinic reception room to take Mrs. Marcea Hefner's place when she leaves to continue her studies as a full-time senior in the IU Medical Record Librarian Program this Fall. Members of the department gave a farewell luncheon for Mrs. Hefner Friday, July 23. We all would like to commend her on her stalwartness in this endeavor.

Welcome also to Mrs. Isabelle Ezzell, new secretary in the Department of Crown and Bridge.

The Oral Surgery Department welcomes their new interns, Doctors Larry Graham and Michael Deady, and wish the best of luck to Doctors William Baker and Richard Barb on their entry into private practice.

Its welcome back to Mrs. Marty Barrett who has recently returned to her work in the Department of Crown and Bridge after surgery.

FROM PROF. PHILLIPS' JULY SCHEDULE

Professor Ralph W. Phillips' commitments took him from Maryland to Florida to West Virginia within a week's time during the month of July: July 13-14 - Meeting of the Scientific Manpower Committee of NIDR in Bethesda, Maryland; July 15 - Project site at the University of Florida, School of Engineering for the NIDR, Gainesville, Florida; July 19 - Essayist on the program of the West Virginia Dental Association, White Sulphur Springs, West Virginia. On July 21 he left for the Toronto meetings.

VISITORS TO IUSD

Two former members of the Department of Oral Diagnosis-Oral Medicine have been recent visitors. Mrs. Dean Gifford and her charming daughter, Jody, were here one day in the week of July 12, and Dr. William C. Rubach and his family visited July 20. Doctor Rubach has just finished a two-year tour of duty with the Air Force at Vandenberg AFB in California. After visiting with relatives in the Midwest, the Rubachs will move into their new home in Santa Rosa, California, where Dr. Rubach will begin a practice in periodontics.

IT'S RAINING RICE AGAIN

The Department of Endodontics announces the approaching marriage of Miss Sarah England, secretary to Dr. Harry J. Healey, to Mr. Lynn Marion, on Saturday, August 28, at Franklin, Ind.

Mrs. Marcea Hefner reports that her daughter Janet is continuing her job as dental assistant in Long Oral Surgery as Mrs. John David Seibert, following her June 12 marriage.
