ORAL SURGERY NEWS

Dr. Ronald Ping lectured to the Akron, Ohio Dental Society on June 20th.

Drs. Hutton and Kiley attended a Conference on Oral Surgery at Walter Reed Hospital in Washington, D. C., June 20-22, 1966.

Dr. Logan Boyd, the 1965 recipient of the Glen Pell Award in Oral Surgery, is back in the city, interning at Marion County General Hospital.

Dr. and Mrs. Charles Redish will be touring Israel during the month of July, with stops in Madrid, Nice and Rome.

The new sterilizing room assistant in the Oral Surgery Department is Lorraine Gaulden. Welcome!

MRS. WYATT RETURNS TO DENTAL STUDENT INSTRUMENTS

Jane Ann McKinley, Student Instrument Office, has decided to stay at home with Beth Ann, the new heir to the McKinley fortunes. Replacing Jane Ann is Barbara Wyatt, who was with us once before in the Periodontics Department. Barbara took time out to have a family which consists of two little girls. Welcome back, Barbara.

ORAL REHABILITATION NEWS

Dr. Varoujan Tchalian spoke to the Plastic Surgery Journal Club on June 7th, on "Maxillofacial Prosthetics as an Alternative to Plastic Surgery."

NEWS FROM THE DEAN'S OFFICE

Dr. Hine's busy schedule continues at a rapid pace, although he keeps insisting that it will be better after Labor Day. His recent trips have included two trips to the White House; first to listen to President Johnson describe future plans for "Medicare" and the second, to discuss with President Johnson's advisors the possible inclusion of a dental care program for children by the administration next year. Dean Hine is convinced that the government does want a dental care program for children, but it has not yet decided the type of program to be implemented. He is hopeful that the administration will listen to the advice of organized dentistry before setting up such a program.

Dr. Hine also is scheduled to read a paper entitled "Current Concepts of Periodontal Therapy" before the American Dental Society of Europe at Gothenburg, Sweden, July 4, and to lead the delegation of the American Dental Association at the annual meeting of the Federation Dentaire Internationale in Tel Aviv, July 9 to 18.

Dr. Hine also represented the American Dental Association at the opening ceremonies of the American Medical Association in Chicago June 26th. He heard a stirring and very well received address by Mr. Richard M. Nixon. Mr. Nixon urged the medical profession to become interested in politics and to continue to attempt to protect the private practice of medicine. Mr. Nixon reported that he wanted his physician to be working for him and not the government! His speech was interrupted six or eight times by enthusiastic applause.

Our "Girl Friday" Bonnie Myers in the Mimeograph Room is leaving Friday to be married. Our best wishes to you for much happiness.

Mrs. Ruth Chilton, secretary to Dean Hine, will be leaving Saturday for California and a well-earned three-weeks vacation to visit with her son and family.

DR. GILMORE RECEIVES GRANT

The Operative Dentistry Department has been awarded a new Research Grant. Co-investigators are Dr. William Gilmore and Dr. Harold Stanley. The Grant totals \$21,000 and involves studying the pulpal effects of restorative procedures. Cooperative work is being conducted with the Veterans Hospital.

Mrs. Holloman, Operative Dental Assistant, has been on family sick leave due to her husband's surgery June 8th. He is doing very well and is back at school.

PROFESSOR PHILLIPS APPOINTED TO ADVISORY COUNCIL

Professor Phillips has been appointed to a two-year term on the Advisory Committee for the Dental Research Information Center, American Dental Association.

CROWN AND BRIDGE NEWS

Dr. James McCune, who will be a graduate student in Crown and Bridge, has arrived to devote the summer to research activities in the Dental Materials Department. He is from the United States Public Health Service at the Clinical Research Center in San Francisco.

DR. JOHNSTON COAST TO COAST

Dr. John F. Johnston was in California June 5-7 to attend a refresher course at the University of California under the direction of Dr. E. D. Shooshan.

While in California, he also presented an all-day course, sponsored by the California State Dental Association, at the vocational technicians school in San Quentin Prison, San Francisco.

Dr. Johnston is presently attending the New Hampshire State Dental Meeting in Whitefield, New Hampshire. From there, he plans to drive to Quebec and Montreal to visit and enjoy the scenery.

RESEARCH STUDENT IN DENTAL MATERIALS

Mr. Steve Geller, a major in Biology at City College in New York, is spending the summer in the Dental Materials Department conducting research. He is one of a group of junior college students who are participating in a program in dental research for college students, sponsored by the American Dental Association. These students are becoming acquainted with research in dentistry at selected research centers in the United States.

ORAL DIAGNOSIS-ORAL MEDICINE NEWS

Dr. D. F. Mitchell spent May 14-22, in San Jose de Purua and Mexico City and while there addressed the 19th Annual Seminar of the Dentists of Mexico.

ORAL DIAGNOSIS-ORAL MEDICINE NEWS
(cont.)

On June 1st and 2nd, Dr. Mitchell addressed the Graduate Students at the University of Pittsburgh on, "Research in Periodontology."

Dr. Tom Fast spent last week at Ohio State University studying their patient admission and routing system.

Welcome to Sandra Schuch as she begins work in the OD-OM Research Laboratory. Sandy has completed two years of the Medical Technology course at Indiana University and will return to the Program in the Fall.

Recent visitors in the OD-OM Department have included Dr. A. J. Held, Professor of Dentistry in Geneva, Switzerland; Dr. Robert Wood, former graduate of OD-OM, now teaching at Meharry Dental College in Nashville, Tennessee; and Mrs. Kae Gifford, former secretary of the Department, accompanied by her daughter, Jody.

Congratulations to Dr. and Mrs. Jerry Prescott on the birth of a daughter, Jennifer Lynn, born May 4th. This is the third child for the Prescotts.

IUMC TOASTMASTERS CLUB

The second organizational meeting was held on June 21, 1966 in the Provincial Room of the Union Building. Toastmaster of the day was Dr. Roger Noonan. The "Speech of the Week" trophy went to Pedodontic Intern, Dr. Robert Musselman. Club Members were invited to the Eli Lilly Toastmasters Club Meetings on July 11th and July 25th.

PEDODONTIC GRADUATE STUDENT TO BE MARRIED

Article from the "Irish Times" Saturday, May 7, 1966:

The engagement is announced between Martin Joseph, son of Mrs. Alice Walsh, Nebraska House, Bundoran, and the late Sean Walsh, and Fionnuala Brighid, daughter of Mr. Justice Barra O'Briain, and Mrs. O'Briain, Ard Mor, Killiney.

DENTAL DIVISION
INDIANA STATE BOARD OF HEALTH

Dr. George Swerdloff, a graduate student at the University of North Carolina School of Public Health, is spending five weeks of field training at the Indiana State Board of Health, under the direction of Dr. Gish.

Dr. William Jordan, Dental Director of the Minnesota State Health Department, recently spent two days observing the self-application topical fluoride clinical field studies being conducted by the Dental Division and Indiana University School of Dentistry. Dr. Jordan is interested in self-application principles for a study in his home state.

Summer topical fluoride programs, which combine topical fluoride treatments for children with dental health education for children and parents, are in operation at: Columbus, Knox, Greencastle, Clinton, Angola, Rockville, Lawrenceburg and LaGrange.

LIBRARY NEWS

On June 5th, Mrs. Helen Campbell flew to Boston, Massachusetts to represent the Indiana University School of Dentistry Library at the National Convention of the Medical Library Association which was held June 6, 7 and 8. While there, Mrs. Campbell visited the libraries of Tufts School of Dentistry, Forsyth Dental Infirmary and the Massachusetts General Hospital.

LIBRARY NEWS (cont.)

As the June 30th retirement date for Mrs. Mabel Walker approaches, her always fast-paced schedule is accelerating to a near-spinning state, with the combination of final library projects to complete, the many-faceted plans and tasks concomitant with a projected move to Miami, Florida and an overloaded social calendar.

On May 21st, Mrs. John F. Johnston entertained twelve guests in honor of Mrs. Walker with a 1:00 o'clock luncheon in her Riley Center apartment.

The Indianapolis Branches of the Indiana University Libraries gathered to pay tribute to Mrs. Walker at a luncheon at the Student Union Building on May 26th. Plans and preparations were carried out by the staff members of the Medical and Dental Libraries. Dr. Cecil K. Byrd, Associate Director of Indiana University Libraries, and Mrs. Byrd came from Bloomington for the occasion.

On June 3rd, Mrs. Walker attended a reception given by the Cataloging Department of the Indiana University Library in Bloomington in honor of Miss Grace E. Mitchell. Miss Mitchell and Mrs. Walker have been friends for almost fifty years, their acquaintanceship dating back to the days when Mrs. Walker worked in the library of her home town, Orleans, Indiana, and Miss Mitchell was employed in the Library of Mitchell, Indiana - five miles away.

A reception held by the Trustees of Indiana University in the Bloomington Union Building, State Room East, in honor of faculty retirees, was attended by Mrs. Walker at 1:00 P.M. June 10th.
