NATIONAL BOARD OF TRUSTEES OF THE FUTURE FARMERS OF
AMERICA:

I wish to propose the following amendment to the F.F.A.
Constitution:

That Article VI of the By-Laws, second paragraph on
page 22 of the Official Manual be changed to read as
follows:

"In case a local department of vocational agriculture in which a chartered chapter of F.F.A. is located is discontinued, the chapter so involved may be permitted to operate officially for a period not to exceed 36 months from date of the discontinuance of the department in the school concerned, providing proper supervision and guidance can be given to the chapter work by a member of a school faculty having the approval of the State adviser. Local chapter charters must be surrendered to the State Adviser at the end of the 36-month period indicated if vocational agriculture is not in operation again at that time."

(Signed) DOWELL J. HOWARD
Dowell J. Howard
State Supervisor of Agricultural Education
