**REPORT OF CHAIRMAN OF HEALTH AND PHYSICAL
 EDUCATION OF THE AMERICAN TURNERS**

Concurring with a directive of the 44th Convention held at Davenport, Iowa, August 29 - September 1, 1952, the Instructors' Conference was held November 27-28-29, 1952 in conjunction with the Alumni Homecoming at the Normal College A.G.U. of Indiana University in Indianapolis, Indiana.

The following Turners attended the Instructors' Conference:

Region II	Henry W. Schroeder
Region III	Joseph Weissmueller
Region IV	George L. Cheston
Region V	Henry J. Schiget
Region VI	Dom Morell
Region VII	William Klier
Region IX	Oscar Simmen
At Large	Andrew Lascari
Secretary	Dr. E. A. Eklund

Also Present:

Bob Stahl	National Council Region II
Walter Engelbert	St. Louis
Frank Bild	Schiller Turners
Walter Eberhardt	Central Turners—Evansville
Jim Cambron	Kansas City Turners
Fred Martin	Normal College A.G.U.
D. M. Danti	Madison Turners
Fred Bartels	Madison Turners, Secretary
Bruno A. Johnke	Cleveland East Side Turners
Henry O. Wurth	Schenectady Turners
Howard Potthoff	South Bend Turners
Harry Warnken	American Turners—Detroit
Otto Eckl, Jr.	American Turners—S.T.V.
Walter Lienert	Athenaeum Turners
Walter Guenther	Toledo Turners
Harry Grabner	Fort Wayne Turners, President
Fred W. Friedrichson	Clinton Turners
Gene Campbell	Sheboygan Turners
Edward Strobel	Social Turners—Chicago

With the splendid cooperation of Mrs. Clara L. Hester and Mr. Fred Martin of Indiana University also Mr. Harry Grabner, President of the Normal College Alumni and President of Fort Wayne Turners, the Turner Instructors' program was well coordinated with that of the College Homecoming program. This coordination was responsible for a successful conference.

It would be impossible to make a complete report on the program but a copy of same may be obtained from the National Office.

One of the most important items of business was the presentation and discussion of the Revised Turnfest Scoring Plan" by Oscar Simmen. It was recommended that this plan be used at the Detroit Invitational Turnfest, and in the event this plan proves successful the results and recommendations are to be turned over to the National Committee of Health and Physical Education for further study and consideration. If adopted by the National Committee, this plan would be prepared for presentation to the next National Convention for adoption.

Chairman Elect George L. Cheston led a discussion on "Turner Society Problems" which included a plan by which he was able to increase the income of his School of Physical Education from \$2,500 to \$10,000 a year. This report created spirited inquiries and discussion.

An additional meeting of the National Committee was held at the conclusion of the Friday Alumni Homecoming Dance beginning at 1:00 a.m. and concluding at 3:00 a.m. The Rules of the Detroit Invitational Turnfest were explained by Harry Warnken and discussion followed. Saturday morning was spent in the presentation of the exercises to be used in June with the adjournment at 2:00 p.m..

A decision regarding entries for National Championships resulted in opening entries to all Societies in place of requiring only the winners of District Tournaments.

In consideration of the Detroit Invitational Turnfest, only two Championships will be conducted in 1953. The Volleyball Tournament has been awarded to Cleveland S.T.V. and the Basketball Tournament to South Side Turners of Indianapolis.

In conclusion, I wish to express my best wishes to Chairman Elect George L. Cheston of Rochester Turners, New York and to express my sincere thanks to those members of the National Committee who gave me their complete cooperation.

Respectfully submitted,
With Turner Greetings,
JOHN M. STOCKER

REPORT OF CHAIRMAN OF NATIONAL CULTURAL COMMITTEE

It has been the good fortune of the cultural committee chairman to have participated in the Buffalo, New York, National Festival, to have been on the National Cultural Rules Committee and to have been on the Committee which graded the monthly cultural reports. As a result of these experiences, some observations can be passed on. It is not the purpose of this report to quote statistics of past performances, the national office is stocked with them. Rather, it is concerned with the "Sound Mind" portion of our slogan.

It is only natural for people's interests to wax and wain. Enthusiasm is higher relative to a National Festival display than to a local society display. The extent of participation in a society often hinges on some one person who has the desire and the time to lead and direct and arrange. Perhaps the only compensation for the hard work which goes into this kind of endeavor is the personal pride of hearing a complement and/or in winning a prize. Human nature, being what it is, enjoys pride in accomplishment.

Our system for conducting cultural activities, on any level, is as good as our experience and ingenuity can make it — on paper. The one shortcoming is the human factor. Any system depends upon cooperation for its success. A new book of rules for conducting a cultural Festival is in the hands of a printer. Every possible correction and addition, as a result of past experience, has been incorporated in this revision. But the fulfillment of a program does not depend upon the printed word — that takes people, interested people. People who are willing to sacrifice time and effort. No visitor can possibly comprehend the time and labor exerted by the committee handling a cultural display. Amateurs pitch in and emerge experts, happy in having served, in having discharged an obligation and feeling the better for it.

The task of any committee can be lightened immeasurably by the cooperation of contestants. Entire plans can be disrupted by late entrants. One recommendation to your new National Cultural Chairman is to adhere strictly to closing dates. This recommendation is with the full knowledge that some one or some group is going to be thoroughly disgusted and unhappy. But it will permit displays to be judged in the shortest possible time and allow the material to remain on view the longest possible time. We can well be proud of the expression by the outside experts who judged the Buffalo display when they said, "Never have we seen such variety, quantity and quality of cultural endeavor" and they were sincere.

Occasionally, we hear of some society having an activity which has never been reported — the human factor again. On paper, provision has been made for reporting any cultural endeavor. A point system has been devised, prizes have been set up, but — the whole scheme pretty much falls to pieces when someone neglects his obligation. The various

scoring committees have all expressed surprise at the many fields of endeavor in our societies. Yet only about a fourth of our societies make their monthly reports. We cannot help but feel that much more information might be submitted and thus the competition be keener. It would be encouraging to receive data from an ever increasing number of societies. It would be good for us — good individually and good collectively — good for our spirit and morale — good for the American Turners.

JACK KOVATS, *Chairman*

INSTRUCTORS' FUND OF THE AMERICAN TURNERS

The Instructors' Fund of the American Turners was established for the purpose of aiding Instructors who have served the Turners faithfully and who are seriously in need of assistance.

The following are some of the provisions of the Trust Agreement and Rules governing this Fund: All contributions must be added to the principal of the Fund. The principal must be invested only in high grade, United States Government, State or Municipal Bonds. One-fourth of the income of this Fund must be added to the principal to insure the growth of the Fund. The balance of the income is available for distribution to worthy applicants. In order that an application for aid may be considered, the applicant must have rendered faithful service as an Instructor in a Turner Society of the American Turners. Application for aid may be submitted by the applicant or by the Executive Officers of a Turner Society, in which the applicant served. In making distributions of funds to needy applicants, it is obligatory upon the Trustees to take into consideration the acts of Instructors and/or their Societies in contributing to the Fund. All officers handling monies or resources of the Fund are adequately bonded. No Trustee can receive any salary or compensation from the Fund.

Attention: Finance Committee

Gentlemen:

Herein please find comments on our Audit of American Turners General Fund, Physical-Cultural Fund, and Endowment Trust Fund at December 31, 1952, which although too lengthy for publication with the statements, may be of assistance to you in your study of the Report, of those Funds, for your recommendation to the National Council.

The first paragraph of our Auditor's certificate and especially the sentence "our examination was made in accordance with generally accepted auditing standards applicable to the circumstances and included procedures we considered necessary" indicates that the following procedures were followed:

CASH IN BANKS

Cash balances per the books of the various Funds of American Turners were reconciled with the balances per bank statements at December 31, 1952, and the latter balances were verified by direct correspondence with the banks. Cash receipts and disbursements shown on the books of all Funds were traced to the deposits and credits on the bank statements for the year. Footings of all books of original entry were tested and disbursements were supported by examination of invoices for two months of the year. No exceptions were noted.

ACCOUNTS RECEIVABLE

An analysis of the account with American Turners for per capita tax of each Society was made and an aged trial balance of amounts receivable at December 31, 1952, from those Societies was prepared. Direct confirmation from the Societies were requested for the larger amounts and any exceptions were adjusted. Cash received for per capita tax in the various Funds was reconciled to the income as shown per books for the year ended December 31, 1952. We reviewed the reserve for return of unused cards of \$5,276.79 in the General Fund and \$879.46 in the Physical-Cultural Fund with Mr. Lisle Mackay, Treasurer, of American Turners, and, as a result, it is our opinion that such provisions are sufficient to cover 1952 membership cards that will be returned during 1953. All inter Fund accounts were examined and reconciled.

INVENTORIES

Quantities, prices, and footings of the inventories of promotional supplies taken by employees of American Turners as of December 31, 1952, were tested by us. Purchases of such supplies for the year shown on the books of American Turners General Fund were supported by examination of purchase invoices.

INVESTMENTS — SAVINGS FUNDS

Balances at December 31, 1952, of Savings Funds shown on the books of the various Funds of American Turners were verified by direct confirmation with Standard Savings and Loan Association, Detroit Federal Savings and Loan Association, and First Federal Savings and Loan Association. Interest earned from such investments was properly reflected in the income accounts of the various Funds.

UNITED STATES SAVINGS BONDS

United States Savings Bonds in safe keeping with Wayne Safe Deposit Company, Detroit 31, Michigan, were examined by us in the presence of Society representatives and receipts were obtained. The Bonds at December 31, 1952, stated at \$13,766.00 are priced at cost plus accrued interest to that date.

FIXTURES AND EQUIPMENT

The basis of the amounts stated for furniture and fixtures had been investigated by us, in prior years. The provision for depreciation was adjusted to lapse schedules based on the various lives of the assets.

LIABILITIES

Unpaid invoices at December 31, 1952, applicable to the calendar year then ended were listed and accrued as accounts payable. Cash receipts for 1952 membership cards booked in the calendar year 1952, in the amount of \$1,093.75, were listed and deferred on the balance sheet for inclusion in calendar year 1953 income.

Above are some of the highlights of the "generally accepted auditing standards" required to be exercised by us in order that we may issue our Auditor's certificate. We hope that these comments will tend to clear up an apparent misunderstanding as to the procedures followed by us in past Audits of the various Funds of American Turners, as evidenced by recommendation No. 1 of the 1952 Finance Committee to the Forty-fourth Convention of American Turners.

Very truly yours,
(Signed) CHARLES L. COE

We have examined the statements of financial position of American Turners General Fund, Physical-Cultural Fund, and Endowment Trust Fund as of December 31, 1952, and the statements of income and expenses for the year then ended, have reviewed the accounting procedures of the funds and, without making a detailed audit of the transactions, have examined or tested accounting records of the funds and other supporting evidence by methods and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures we considered necessary.

In our opinion, the accompanying statements of financial position and related statements of income and expenses present fairly, the position of American Turners General Fund, Physical-Cultural Fund, and Endowment Trust Fund at December 31, 1952, and the results of their operations for the year, in conformity with generally accepted accounting principles applied on a basis consistent with the preceding year.

Income of all funds is reported on the accrual basis except that pledges to the American Turners Endowment Trust Fund were not accrued as income because of their uncertainty.
