National Association of Dental Faculties.

The Indiana Dental College is a member of the National Association of Dental Faculties, and the rules governing Colleges belonging to the Association will be strictly enforced. George Edwin Hunt, M, D., D. D. S., is the accredited representative of the College in the Association of Dental Faculties, for the fiscal year.

Calendar for 1903-1904.

The matriculation books are now open.

October 6, 1903, (Tuesday)	Lectures Begin.
October 16, 1903	Last Day for Entering.
November 26-27	Thanksgiving Holidays.
December 21-22-23	Mid-Term Examinations.
December 24 to January 3, inclusive	Christmas Holidays.
February 22, 1904, (Monday)	Washington's Birthday.
April 23	Lectures Close.
April 25 to April 30	Final Examinations.
May 4	Banquet to Senior Class.
May 5	Commencement Exercises.

Requirements for Admission.

A candidate for Admission into the Freshman Class who has received a collegiate degree, or who has passed the matriculation examination of a recognized college, or who has a certificate from a high school showing that he has passed into the third year, may matriculate without examination.

Of all other candidates a preliminary examination is required. This examination is the equivalent of the final examination of the second year of high school work. It is held by an educator appointed for this purpose by the State Superintendent of Public Instruction. The expense of the examination is borne by the College. Every candidate for the Freshman Class must present credentials such as are enumerated above, or a certificate from the Examiner, when application for matriculation is made. Undergraduates from recognized medical colleges will be excused from lectures in such subjects as they have credentials for from the medical college.

Students are allowed to select seats in the lecture room and lockers in the laboratories in the order in which they matriculate. Each student is required to occupy the seat selected during the lectures he attends.

Admission to Advanced Standing.

Students are admitted to the second-year course who present certificates, from recognized dental colleges, of attendance upon one full course of lectures of at least seven months, and of examinations in the studies of the first-year course in this college, satisfactory to the professors of the respective departments of that year.

Graduates of reputable medical colleges are admitted to the second-year course, and are excused from lectures and examinations upon general anatomy, chemistry, histology, physiology and

pathology, but are required to take the courses in operative and prosthetic dentistry, special materia medica, and therapeutics.

Students are admitted to the third-year course who present certificates from recognized dental colleges, showing that the second-year course has been successfully completed.

Students are admitted to the fourth-year course who present certificates from recognized dental colleges showing that either the third or fourth-year courses have been successfully completed.

Candidates for advanced standing must present their certificates to the respective professors at the opening of school.

MEMO. During the next two sessions, 1903-1904 and 1904-1905, students who have attended the Freshmen or Junior year at any reputable dental college will be given advanced standing under the three year ruling, as in the past.

General Outline of Course.

Infirmary Clinics.

Sophomore students are admitted to the Infirmary after the Christmas Holidays. Sophomore, Junior and Senior students are required to perform practical operations for patients in the operating room and the laboratory of the dental infirmary.

Graduation.

The candidate for the degree of Doctor of Dental Surgery must be twenty-one years of age, must possess a good moral character and must have been a student of good deportment while in College.

Students will be required to attend before graduation, four full courses of lectures, the last one in this College. Three courses in any other college having an equal or similar standard of requirements will be accepted as equivalent to the same number in this College. Graduates from recognized dental schools may become candidates for a degree from this college after attending the the Senior year course of instruction.

MEMO. Attention is again called to the fact that for the next two sessions, 1903-1904 and 1904-1905, students who have attended three sessions in reputable colleges, the last one in this college, may be graduated.

Each student should bring with him about One Hundred and Eighty Dollars, which will defray all expenses, including tuition, books, and instruments for the term, and board for the first month.

Breakage and loss in the Chemical and Microscopical Laboratories must be made good by the student. Each desk is inspected after each session and the student charged with breakage and loss.

All tuition must be paid at the beginning of the term. All tickets are issued by the Dean to whom the students are requested to report themselves immediately upon their arrival in the city. By leaving baggage at railway depot until a boarding house is secured, hotel bills can be saved.

Board may be obtained at prices varying from \$2.50 to \$4.00 a week, according to the accommodations; also, rooms without board, furnished or unfurnished, can be obtained at from \$2.00 to \$8.00 per month.

The Indianapolis Public Library is only two blocks from the College and is accessible to students by complying with the requirements of the librarian.

The Infirmary in the College building is open during the entire year for dental operations, and students can enter at any time by paying \$25.00, which is deducted from the fees of the succeeding winter course.

Rules of Conduct.

Students are expected to observe such rules of decorum and such orderly conduct in the lecture room, laboratories and halls of the College as would be expected of gentleman or ladies in the ordinary relations of life.

Respect to instructors, and a strict observance of all rules is required of every student. Every student is required to operate in the Infirmary whenever called upon by the instructors.

All students are expected to be regular in their attendance, and to be in their seats in the lecture room at the proper time, that there may be no interruption after the entrance of the professor or lecturer. Immoral or ungentlemanly conduct, or conduct prejudicial to the discipline of the College will be followed by suspension or expulsion.

Smoking in the College is not permitted.

Defacing the walls or furniture in any manner is strictly prohibited.

All damage to College property must be made good by the individual doing the damage, or, in case individual responsibility cannot be located, by the class involved.

Miscellaneous.

NOTICE.

We always need disassociated teeth. Send in all the teeth you can, by express, collect. Students are requested to bring as many extracted teeth with them as they can.

Alumni of the College who are permanently settled, and other dental practitioners, who desire to receive the annual catalogue regularly, are respectfully requested to send names and addresses to the College.

This pamphlet is not designed to answer all questions a prospective student may desire to ask. Another pamphlet entitled "A BOOKLET FOR THE STUDENT" will be sent to anyone requesting it. In that will be found much information regarding the College and the city, with advice about the proper course to pursue on reaching Indianapolis. Every prospective dental student should send for this booklet.

Students corresponding with the College will please be careful to give full address and direct their letters to
