

MINUTES
GOVERNING COMMITTEE OF THE FUTURE FARMERS OF AMERICA
Washington, D.C.

April 1, 1953

The Governing Committee of the Future Farmers of America was called to order by W. T. Spanton, Chairman, in Room 4282, Federal Security Building. Those present were: E. J. Johnson, and R. E. Naugher, committee members, and A. W. Tenney, Secretary.

The Governing Committee met to make a final decision in connection with the manufacture of FFA jackets. The bid submitted by the Holt Company, Waco, Texas, and the bids previously received from the Universal Uniform Company and the Ringer St. Croix Company were reviewed and compared.

After considerable discussion and consideration, it was moved by Mr. Naugher, seconded by Mr. Johnson and passed that no new companies be authorized this year to manufacture FFA jackets; but that every effort be made to obtain additional bids so that a decision may be made in January of 1954 or earlier, if possible, concerning the granting of a contract or contracts on a three to five-year basis for the manufacture of jackets as authorized by the Board of Directors.

Respectfully submitted,

A. W. Tenney, Committee Secretary
